Ground Breaking for the Baptist Church Parsonage

SHOWN HERE (L. to R.) are Neil Bell, builder Milton Tyrrell, Deacon; James Himes, Deacon; Louis Swarthout, building chairman and Pastor Roland C. Crosby during the ground breaking ceremony.

Following the morning worship service on August 30, 1964, the congregation of the Galilean Baptist Church of Portage Lake gathered for a ground-breaking service at the location on the church property where a parsonage-Sunday School building is planned for construction this fall.

This service marked a definite step forward in efforts begun about six years ago when the congregation began a savings account for a parsonage.

At this time over \$3,000.00 has been given towards construction, with more than two-thirds being received during the past two years.

The plans call for a frame structure containing a large living room, combination kitchen-dining room, four bedrooms, full bath, half bathroom, utility room, hall bath for Sunday School personnel and students, pastor's study, and one car garage.

The full basement will provide a Sunday School department assembly area plus six separate class rooms — to accommodate approximately eighty Sunday School students.

The added room for Sunday School expansion is already needed as three classes presently meet outside the church building, one in the church bus and two in the homes of teachers.

The Sunday School attendance has averaged one hundred thirteen during the first eight months of 1964, a twenty-five per cent increase over the average of eighty-nine during 1963.

Mr. Neil Bell has been named as the builder. Much volunteer

labor from the men of the congregation is anticipated during the period of construction.

Mr. Louis Swarthout is chairman of the building committee, which also includes: Mr. James Himes, Mr. Milton Tyrrell, Mr. LeRoy Walker and Pastor Roland C. Crosby.

The present church building, located at 9700 McGregor Road, Pinckney, Michigan, which was dedicated and first used in 1954, is free of debt.

The present pastor, the Rev. Roland C. Crosby, has been with the church since December, 1962.

Survives Cut Jugular Vein

A Whitmore Lake man is lucky to be alive today as he suffered a severed jugular vein while at work Friday, at the Super Alloy Forge plant at 10800 Hamburg Road.

Frank Cox, 31, was working on a grinder and evidently forgot to change pulleys when he started to grind a bushing. Following the accident it was found that the machine was running 42,500 r.p.m., much too fast for this type of work.

The bushing flew apart from this speed and a piece of the metal struck Cox in the neck, cutting the jugular vein. He was rushed to St. Joseph Mercy Hospital, Ann Arbor, where he underwent an emergency operation and is now reported in "satisfactory" condition.

Shangri-La Residents O.K. Incorporation

Of the seventy-six persons who cast ballots Saturday, Sept. 5, 46 of them approved Shangri-La Association to become incorporated, with 21 persons voting against the issue. The voting took place in a garage at 4476 Shangri-La Drive.

Shangri-La Lake is a man-made lake, channeled from Bass Lake located near Lakeland, Michigan. It has about

30 homes on its shores and in 1957 the Shangri-La Association was formed composed of the occupants from these homes. Funds accumulated from annual dues have allowed the Lakers to complete many projects, all beneficial to the property owners during those years.

The more recent project the Shangri-La Association boasts having been a part of is that of providing funds to promote

the legal action necessary toward the \$3,000 dam which is now being built at the end of Bass Lake, which will, primarily, maintain the water level in both, Bass Lake and Shangri-La Lake.

Officers of the Incorporation will be those incumbent of the Association. They are Mr. Raymond Baumgartner, President; Mr. Harold Gullen, Secretary; and Mr. Herbert Sheldon, Treasurer.

Tickets Will Go On Sale Here Sunday

As the world turns, that time of year approaches once more when citizens in the area look forward with much enthusiasm from that "Old Timer's Football Game" between the Pinckney All-Stars and the Hamburg Hell-Cats, both teams being composed of alumni from each of the two schools.

This year the All Stars will meet the Hell Cats on Pinckney's Veteran's Memorial Field, Saturday, October 10, 8 p.m. under the lights. This however is only the first big game of the season. The Cats will return on October 24 for the second event.

Tickets for these two games will be on sale beginning Sunday September 14. They will be available from any of the players (see listed below) or at Jerry's. Proceeds of these two games, and any others that the All Stars might play will be turned over like always, to the Pinckney Athletic Fund making it a very worthwhile project, one that every body should feel necessary he purchase a ticket.

The Hell Cats have been training for some time now and are reportedly looking better than ever before. They also have several new men to bolster their team in speed.

The All Stars will meet for the first practice as a team this Sunday. They, too, have several new men and are anxious to see if this helps. Last year the game between the two teams was a tie. What will it be this year?

Pinckney's team includes: Dick Hines, Lennie Huhman and Herb Dyer are three who will not be playing with the All Stars this year. These men played for several years and the team will feel the loss says Capt. Aschenbrenner.

It is not certain who the All Stars will ask to cheer and "root" for them during the October 10 game but October 24 the girls from the TOPS (Take Off Pounds Sensibly Club) will do the honors.

Captains Aschenbrenner and Gentle would like the following men to report for practice Sunday afternoon 2 o'clock: Gordon LaDube, Don Chisholm, Alvin Simonsen, Ed Gay, Don Clark, Neil Hart, John Holton, Dick Bates, Vern Hunt, Jim Walker, Jim Barker, Jim Roberts, Don Jones, Paul Ware, Wally Patton, Ron DeSpain, Dick Johnson, George Roth, Freddie Berry, Buzz Downen, Paul Dyer, Don Huhman, Don Colburn, Ed, Earl, Leonard Todd, Paul Russell, Steve Miska, Bob Chisholm and Jeff Davis.

Youth Injured By Flying Rope

A flying rope whirled at a cottage on One Lake was caught in a tree in a freak accident involving three motor boats.

A boat driven by Eric Martz and towing water skiers stalled when the motor would not run and a friend Roginald Toner 15 stopped to put a line around the stalled craft to tow it to shore.

Dennis Zerbel 15, was standing in the stern of the boat when another motorboat driven by Edward Reed, 11, also towing water skiers sped between the two standing boats and striking the rope between the two.

The rope snapped and struck Zerbel in the neck and face, severely cutting him about the head. He was taken to a Brighton physician's office where several stitches were required to repair the boy's tongue and neck.

center of the blacktop road and as they broke over a small knoll locked left front wheels.

One vehicle was driven by Robert Leslie Rutter, 21, of 8290 Hamburg Road, Brighton, and the other was driven by Lawrence Bolzman, 16, of 4915 N-38 Lakeland. They were taken to McPherson Health Center.

84 Years For Frank

LABOR DAY, September 7, 1964 was a big day in the life of Frank Smith of Pinckney for that day marked the anniversary of his birthday. It was 84 years ago in Spottsville, Kentucky that Mr. Smith was born. After spending a good many years as a railroad man, Mr. Smith became a carpenter and saw filer. He operated a saw filing shop in Pinckney for several years, first in the old Creamery building and later in the Gentle Home Center.

Mr. Smith, a widower, has two daughters, Mrs. Loy (Virginia) Slagle of Buck Lake and Mrs. Mary Rose of Carlin, Nevada. He has six grand children and six great-grandchildren.

Mr. Smith lives at 212 Main street in the Daffler apartments.

Detroit Man Killed When Car Hits Tree

Law enforcement officers were kept hopping over the long Labor Day week-end as Michigan motorists demonstrated their evident lack of care for their lives and limbs as they piled up an unenviable record of violent death and injuries. Added to this apparent reckless abandonment, were numerous other offenses such as rape and careless use of motorboats.

The Brighton area witnessed only one fatality but ambulance drivers were kept on the run to carry the injured to hospitals and State Police worked around the clock to keep up with the many wrecks.

The fatal accident occurred at 1:45 a.m. Monday morning when Gordon E. Haske, 22, of 8645 Rosemont, Detroit, was killed when the car he was driving hit a tree just off Silver Lake Road in Green Oak township. Haske had turned off from Silver Lake Road on Rushion Road and apparently lost control of his car and it smashed into a tree.

John Barrett, 22, of Farmington, a passenger in the Haske car, was taken to St. Joseph Mercy Hospital, Ann Arbor, in serious condition.

State Police from the Brighton post captured an escaped prisoner from the Wayne county jail at 3:20 a.m. Monday morning as they had received a tip that he might be in a trailer on Pier Road in Green Oak township.

David Miller, 20, of Inkster, who was awaiting trial for unarmored robbery, surrendered quietly and was returned to Detroit.

Five youths of the Brighton area were apprehended by State Police at 2:45 Saturday morning in a field on Hamburg Road as they were reported to be raping two young Detroit girls.

FALLS ASLEEP
Two accidents happened Saturday when the drivers told State Police that they fell asleep while driving. At 12:30 a.m. Floyd Trafford Sr., 24, of Howell was driving on 9-Mile Road in Green Oak township when he dozed off and his car struck a tree. He was taken to McPherson Health Center by Roman ambulance for cuts and bruises.

HEAD-ON COLLISION
Three young people were injured at 1:05 a.m. Monday morning in a head-on collision on Hamburg Road near Cowell Road.

According to State Police both cars were crowding the

The two major political parties will hold their respective county conventions this Saturday, Sept. 12, in the court house at Howell. Delegates will be named to the state conventions at that time and other business as may legally come before the meetings.

The Republicans will meet at 2 p.m. while the Democrats will gather at 8 p.m.

Library News

New books this week include a four volume HARPER ENCYCLOPEDIA OF SCIENCE which covers all sciences, is beautifully illustrated, and completely cross indexed. For use in library.

Acquiescence, "Reactor of Justin" a novel about the headmaster of a boys school in New England from schoolboy to his death at eighty-five; a classic of its kind.

Golding, "The Spire"—the story of a spire which the Dean built upward, and upward although it had no foundation. As it grew its shadow fell darkly on the world beneath, on all, and upon the Dean himself.

Remarque, "The Night in Lisbon," the drama of a great and desperate love — begins when a German refugee in Lisbon gambles with fate and crosses the border to see his wife from whom he has been separated for years.

For older boys and girls we have the Follett prize-award novel "Across Five Aprils" by Hunt — the story of a southern Illinois family during the Civil War.

For younger readers we have Evans, "One Good Deed Deserves Another."

Midshipman Second Class James D. Maynard son of Mr. and Mrs. DeVere C. Maynard of 7077 Glen Circle, Gregory, was a recent guest of the Naval Air Basic Training Command at the Naval Air Station, Pensacola, Fla., for a three-day introduction to Naval aviation.

Along with other members of his NROTC class from the Naval Academy, he was given an extensive tour of the Pensacola Naval Air Complex which included visits to the School of Aviation Medicine and the Survival Exhibit.

Also while in Pensacola, he was given the opportunity to take demonstration flights in T-34 Primary Training aircraft at the Naval Auxiliary Air Station, Saulty Field.

Tom Davis, and friend, Mr. and Mrs. Buzz Bowman, Mr. and Mrs. Gene McAinsh, Mr. and Mrs. Dale Perkins and their horses journeyed to Sparta, Michigan for the three day Rodeo that took place there. They intended entering the horse show event Friday evening, but arrived at the scene too late.

Boy Scouts were entertained at Hell Creek Riding Stables Tuesday evening. A cookout, compliments of the Pinckney Kiwanis Club, and the riders at the Stables performing in an exhibition Polo game was the entertainment furnished the boys. The Pinckney Kiwanis Club members acted host for the evening's activities.

... young Bob Vedder and young Larry Bowles were in Ann Arbor to see the Beatles in the show "A Hard Day's Night" Monday. It was so "cool" they watched it through three times, from their very good seats they somehow obtained in the balcony!

... a good sized crowd of Whitelodge Country Club last teen-agers danced their last dance of the season at the Friday evening, Chaperone, and instigator of the dances, Mrs. George (Barbara) Wlodyga announced the Club must close now for the winter. Many, many, young people have enjoyed the opportunity during the summer of dancing to recorded "pop" music under Mrs. Wlodyga's watchful eye. It is for certain her efforts were greatly appreciated by those who attended each Friday evening.

... students enrolled at the Pinckney Elementary is the highest count yet. There 718 students, including 27 students at the Hicks School first grade. We are growing! It is a mighty good thing the recent proposed school bond passed the approval of the taxpayers in the community.

Mr. and Mrs. Herbert Bryan have returned from an extended visit in New Brunswick, Canada. Herb, who was taken ill while in Canada, is feeling a lot better now. The Bryan's pastor, Rev. Eldon of Brighton met them at the airport in Windsor when they landed. The Bryans said the many cards and letters they received from their Pinckney friends were like having visitors from home.

Callers at the home of Mr. and Mrs. Irvin Kennedy last Sunday were Mrs. Mary Ellen Doyle of Ann Arbor and Mr. and Mrs. Frank McHugh of Jackson. Mr. and Mrs. Wayne Kennedy of Detroit spent last Thursday with the Kennedys. Labor Day at the Max Reynolds home on Putnam Street featured an out-door bar-b-que for their family and relatives. Mr. and Mrs. Marion J. Reason, Mr. and Mrs. Gerald Reason, and the Jack Reason family were there.

MADONNA'S BIRTHDAY

Little Madonna Toy, who will be three years old September 14, enjoyed an early celebration last Sunday at the home of Mr. and Mrs. William Wetherbee. Madonna entered St. Joseph Mercy Hospital Tuesday, Sept. 8, for eye surgery. Wishing her many more happy birthdays and a speedy recovery were Mr. and Mrs. Claude Kirsche, Miss Kathy Kirsche, Mr. and Mrs. Zane Coughlin, grandparents Mr. and Mrs. Hinz, Mr. and Mrs. Robert Toy, and Mrs. Beauchene and her four children, and the Charles Howlett children.

Last Wednesday evening, Mr. and Mrs. Merwin Campbell very graciously entertained three couples, whose combined years were 439, for dinner and an evening of hymn singing accompanied by the organ and

piano. The singing was recorded on tape and at the evening's close, they enjoyed listening to the hymns again as they had sung them.

Pinckney's Marshal and his wife, Mr. and Mrs. Robert Ege-ler were in Owosso, Thursday evening, September 3rd., attending a dinner and meeting held by the Central Michigan Law Enforcement Association.

Rev. and Mrs. Thomas Murphy of the People's Church attended the Rainbow Lake Bible Camp at Trufant near Grand Rapids, last week. This is a Free Evangelical Church. Rev. Murphy took part in the devotional program throughout the week. Due to the early school opening this year in Pinckney the Murphy youngsters could not attend camp. Their Grandmother Murphy of Royal Oak came to Pinckney and stayed with them for the week.

On Wednesday September 2, Mr. and Mrs. Charles Hewlett, Mrs. Welton Chamberlain and Mrs. Ted Stockton attended the Missionary Society Day at Rainbow Camp, staying on for the evening service conducted by Dr. Hillis of the Evangelical Free Church.

HEALTH CENTER

Several Pinckney people admitted to the McPherson Community Health Center this week: Charles Hefner, James Murphy and Weona Meabon. Discharged during the week were Charles Hefner and George Brunton from the Pinckney area.

Mr. and Mrs. Thomas Grainger of Hi-Land Lake have their daughter-in-law, Mrs. Thomas Grainger, Jr., and her four children with them for a visit. Mrs. Grainger, Jr., whose husband is in the service and has another year to stay in Japan, will be travelling to Florida where she will live until her husband returns to the States.

Pfc. and Mrs. Victor Basydlo and son, David Glenn, are in Pinckney these days visiting with relatives before Vic leaves on Sept. 29 for Korea where he will be stationed for 10 months. The Basydlys left Texas on August 24 and drove through. They stayed overnight in Jackson with Vic's sister and her husband Mr. and Mrs. Walter Thorne. Mrs. Basydlo will remain in Pinckney with relatives while her husband is with the army in Korea.

They have surely celebrated a lot of birthdays in the Hollister clan recently. Harold Hollister had his big day on August 30, Bradley on August 31, Melissa on September 1 and Bill Hollister and his sister Pat Basydlo both celebrated on September 4.

PEGS MEET

The Pinckney Extension Group (PEGS) held their first meeting of the fall season Wednesday, September 2 at the home of Mrs. Nestor Enquist. New President Mrs. Earl Kimbler assumed office and conducted the meeting. Lesson for the day, "Teen Age Problems" was given by Mrs. Gerald Swarthout and Mrs. Kimbler. Sept. 16 will be officers training in Howell, and the next craft lesson will be held on September 23 at the home of Mrs. Kimbler on Darwin Road.

Seemed good to see Rev. and Mrs. William Hainsworth back in town last Wednesday for a

short visit with their many friends here.

We hear they have about 70 more children than desks at the Pinckney Elementary School this year until the new desks arrive.

Mr. and Mrs. Ona Campbell have been vacationing at Wall Lake, north of Battle Creek, at the Carl Lentz cottage. While there they toured the Kellogg's factory with their daughters and family, the Carl Lentz, Jr.

Last Sunday the Campbells took their granddaughter, Loraine Lentz to Greenfield Village for the day. Loraine has now gone back to Lansing.

Old camping buddies, the Herman Vedders and the Ona Campbells met at East Tawas on Labor Day for a day of fishing and companionship. The Vedders had been camping with their trailer in the Newberry area.

Joan Wylie, daughter of the Asher Wylies, is at last free of the cumbersome cast that enveloped her leg since she fell from her horse and suffered a break. School will be much more pleasant now.

FAIR FIREWORKS

Pinckney's two fireworks shooters were at it again this Labor Day when they spent the whole day at the Michigan State Fair readying the displays and getting set for the big fireworks which wound up festivities at the Fair this year. Chuck Hewlett and Jerry Speake, and two "assistants" (one, the president of American Fireworks Co.) prepared and shot the 35 minute display in the Grandstand. With all the practice these boys have gotten lately we should really have a super Pinckney Fireworks this next year.

Mrs. Lyman Parker of Portage Lake tell last week and is in St. Joseph Mercy Hospital in Ann Arbor for treatment of her injuries.

Mrs. Rudy Koepfen had the cast taken off her foot last Wednesday and is recovering in good order after breaking her ankle in or fall from a stairway in her home about six weeks ago. Unfortunately,

she is still unable to walk and is now being treated for about a

Sunday their niece and her husband, Mr. and Mrs. Curtis Cullen, and Mrs. Cullen's daughter, Mrs. Betty Cullen, stopped and spent the afternoon. The Cullens are now overseas, James is in Viet Nam and William in the Philippines.

WON A PRIZE YET?

Have you made the trip over to Chuck's Repair Shop yet and checked your tires? The contest still has two more weeks to run, there is a prize for everyone, no matter in this contest, for more details, see Chuck's or his ad elsewhere in the paper.

On Sunday Mr. and Mrs. Clifford Smith, Mrs. Roberta Smith and son, Roy, Mr. and Mrs. Ted Clay and children, and Mrs. Josephine and a grand time at the State Fair in Detroit. One of the high points of the day was square dancing to the music of ex-governor Sloop Williams in the Old Farmers Grove. You Stabler, Democrat candidate for governor, danced the Virginia reel with the assembled group.

We have a few more details on the roccas that occurred on Bearsey Road Saturday, August 29. Mr. Percy Mowers told us that four or five men in a car followed his son, Dave, onto the Mowers property (from the road) and stole his watch, \$15 and did him bodily harm. None of the

men in the car were from his rental homes. Three of Mr. Mower's tenants did come to the assistance of Dave and Mr. Mowers. At this point the sheriff's office was alerted for assistance. Mr. Mowers tells us that Dave was treated at McPherson Hospital for an eye injury and charges will be preferred against the men who attacked his son on his own property.

PINCKNEY OES HONORS CHAPLAINS

Fourteen past and present chaplains of the Pinckney Chapter No. 145 OES were escorted to the East and honored by Worthy Matron and Patron Lucile and Lawrence Camburn at the first meeting of the fall season-Friday, September 3.

Mrs. Lars Melby, present chaplain and her predecessors were each given a memento of the occasion by the Camburns.

Harley Beeman, Jr., of Hamburg suffered a possible broken nose and body lacerations while a passenger in a car driven by Jerold Hall of Lima Township Monday, Labor Day. Beeman was taken to St. Joseph Hospital for treatment. Halls car veered to the right while driving on Parker Rd., struck a park car, swerved back on the road for 225 feet before leaving the road and smashing into a tree. Hall was not injured.

Pinckney Rainbow Girls held a memorial service at their meeting Thursday, September 3 for Supreme Worthy Advisor Mrs. Irene L. Ellwanger of Colorado who died recently. During the ceremony the charter and the altar were draped in her memory.

Mr. and Mrs. Joseph Hachey of Silver Lake are back from a two week trip in the beautiful Gaspe Peninsula and New Brunswick. While there they visited with Joe's many friends and relatives in the area and enjoyed some real good salmon and trout fishing.

Suggests Coffee Break To Reduce Accidents

Ideas for cutting down motorist fatigue and thus reducing road mishaps pour into the State Highway Department and other offices in Lansing by the dozens.

One recurring suggestion over the last several years has recently been repeated by one Michigan man with authority to help put such ideas into effect.

State Rep. Edward K. Michalski, Detroit Democrat, has renewed the proposal to provide roadside coffee shops at every highway rest area.

This suggestion has been answered time and time again by state officials. They say it would be impossible on the freeway routes because Federal regulations prohibit commercial development on the roadsides.

Michalski contends state-owned, privately operated coffee shops on the super highways would break the monotony of driving, provide respite

for passengers, and open new job opportunities for unskilled workers.

The Detroit legislator also urged a full check of off-highway facilities to be sure food, gas and lodging is available on a 24-hour basis near the high speed routes.

As a member of the Legislature, Michalski would have a voice in appropriations to the Highway Department which would be needed to put his plan into effect.

Barring any change in Federal highway policies, however, the coffee shops in rest areas appears out of the question.

A slight modification to Michalski's plan might be feasible, however. It could instead provide for the creation of off-freeway rest areas where a motorist could drive up an exit ramp to the coffee shop and just across the road to the entrance ramp with a minimum of interruption to his trip.

Michigan To Hit All-Time High Traffic Toll

Michigan's 1964 traffic toll will hit a record all-time high of more than 2,200 deaths if the present rate of increase in the first eight months persists through the remainder of the year, according to State Police provisional figures.

Through August deaths totaled 1,354, which is 201 or 18 per cent greater than 1,153 in the first eight months last year.

Should the provisional increase rate continue Michigan would end the year with 2,224 deaths. This would be 49 more increased public knowledge of in 1937.

August traffic accidents added 175 deaths, one less than 176 in the same month in 1963. But delayed death reports will raise the provisional total and record the month as another with an increase.

More complete figures for July show 226 killed and 12,233 injured in 21,670 accidents. There were increases of 38, or 20 percent, in injured, and 3,067 or 16

deaths, 1,897, or 18 per cent, per cent, in accidents over the same month last year.

The July toll, highest since October of 1941 when 230 were killed, was the fifth worst month on record. The high was 235 in December of 1936.

Accumulated figures for the first seven months this year show 1,179 killed and 75,581 injured in 151,727 accidents.

A "new and different" educational project is underway within the shadow of Michigan's State Capitol. Students attending classes at St. Mary's School are all majoring in the same subject - jobs.

Motorists Urged To Watch Kindergartners

With the reopening of Michigan elementary and secondary schools bringing 2.2 million children into weekday traffic, motorists are again reminded by Sgt. Vesey of the State Police to exercise increased care in protecting the students and rural school buses from involvement in accidents.

State Police records show three persons were killed and 419 injured in 369 rural school bus and related type accidents in Michigan in 1963, respective increase of one, 73 and 15 compared with the 1962 figures.

Records for last year also show that 115 of the 351 pedestrians and 24 of the 32 bicyclists killed in traffic accidents were under 15 years of age.

Continuing increases in accident exposure factors add to the concern for the safety of school children. During the 1963-64 school year 590,000 pupils were carried daily in 7,350 buses for a total of 71 million miles.

Michigan law requires motorists to stop when overtaking or meeting a rural school bus which is stopped to load or unload passengers.

Estimated mileage for the first six months, the latest information available, totaled 18.2 billion, a rise of seven per cent, compared with the corresponding period last year.

Accumulated figures for the first seven months this year show 1,179 killed and 75,581 injured in 151,727 accidents, respective increases of 21, 15 and eight per cent over that period in 1963.

Study Continues On Portage and Base Lakes Dam Project

A joint committee from the Washtenaw and Livingston County Boards of Supervisors last Thursday directed the drain commissioners of the two counties to pursue the Portage and Base Lakes dam project which is now in the engineering stage.

The joint group and representatives of the state Department of Conservation, the Huron Clinton Metropolitan Authority, and the University of Michigan, reviewed and approved the work of engineers to date on a plan to place a dam approximately 300 feet downstream from the outlet of Portage Lake.

Ray Smit, project engineer from the Ann Arbor firm of Ayers Lewis Norris and May, said the dam will have two functions: to control the lake levels and to avoid property damage from flooding.

John Flook, Washtenaw drain commissioner, pointed out that the dam project was first brought up in 1947, after severe floods that year. A lake level was established by the Circuit Court in 1949, but it has never been maintained because of a lack of control such as a dam.

Michigan To Hit All-Time High Traffic Toll

Michigan's 1964 traffic toll will hit a record all-time high of more than 2,200 deaths in the present rate of increase in the first eight months persists through the remainder of the year, according to State Police provisional figures.

Through August deaths totaled 1,354, which is 201 or 18 per cent greater than 1,153 in the first eight months last year.

Should the provisional increase rate continue Michigan would end the year with 2,224 deaths. This would be 49 more than the 2,175 recorded in 1963.

August traffic accidents added 175 deaths, one less than 176 in the same month in 1963. But delayed death reports will raise the provisional total and record the month as another with an increase.

More complete figures for July show 226 killed and 12,233 injured in 21,670 accidents. There were increases of 38, or 20 percent, in 38 injured, and 3,067 or 16 percent, in accidents over the same month last year.

The July toll, highest since October of 1941 when 230 were killed, was the fifth worst month on record. The high was 253 in December of 1936.

Accumulated figures for the first seven months this year show 1,179 killed and 75,581 injured in 151,727 accidents, respective increases of 21, 15 and eight per cent over that period in 1963.

Suggests Coffee Break To Reduce Accidents

Ideas for cutting down motorist fatigue and thus reducing road mishaps pour into the State Highway Department and other offices in Lansing by the dozens.

One recurring suggestion over the last several years has recently been repeated by one Michigan man with authority to help put such ideas into effect.

State Rep. Edward K. Michalski, Detroit Democrat, has renewed the proposal to provide roadside coffee shops at every highway rest area.

This suggestion has been answered time and time again by state officials. They say it would be impossible on the freeway routes because Federal regulations prohibit commercial development on the roadways.

Michalski contends state-owned, privately operated coffee shops on the super highways would break the monotony of driving, provide respite for passengers, and open new job opportunities for unskilled workers.

The Detroit legislator also urged a full check of off-highway facilities to be sure food, gas and lodging is available on a 24-hour basis near the high speed routes.

As a member of the Legislature, Michalski would have a voice in appropriations to the Highway Department which would be needed to put his plan into effect.

Barring any change in Federal highway policies, however, the coffee shops in rest areas appears out of the question.

A slight modification to Michalski's plan might be feasible, however. It could instead provide for the creation of off-freeway rest areas where a motorist could drive up an exit ramp to the coffee shop and just across the road to the entrance ramp with a minimum of interruption to his trip.

Francis J. Coomes, Executive Director of the Michigan Catholic Conference, said the program has received "outstanding support" from all major faiths in the Lansing area and other community organizations like the Lansing Community Services Council.

Students attend classes daily from 8 a.m. to 3 p.m. in old St. Mary's School. The program calls for 30 weeks of basic education and 20 weeks of vocational instruction. Students receive training allowances ranging from \$20 to \$48 weekly depending on their family status.

Average age of all students is 34. Married students have an "average" of four children; one has 12. Their formal education level is grade six. One in four students had less than three years of formal education.

The average earnings of each trainee last year was below \$700.

Pinckney People You Know

BY DOLLY BAUGHN

Three years have gone by now that Jeanne Baughn, age 3, (September 10) and Grand-ma (Mrs. Earl) Baughn, whose birthday was September 3, have celebrated the occasions together. A big birthday cake marked "Happy Birthday Grandma and Jeanne" and ice cream, of course, was enjoyed at Grandma and Grandpa's home Monday afternoon. Besides Jeanne's mother and father, Dolly and Bill, and brothers, Jim and Bob, Aunt Gini Gilbertson joined the group for the festivities.

Mr. and Mrs. L. J. McKinley recently enjoyed a tour through the eastern states and a visit at Washington, D. C. Mr. and Mrs. Riethmiller accompanied them on the trip. Another big birthday celebration took place at the Jim Lavey residence Sept. 3 when Bev and Jim Lavey entertained honoring their daughter, Susie, on her very first birthday. Grandma and Grandpa Thurston and Grandpa and Grandpa Lavey were the most enthusiastic guests present to enjoy the traditional birthday cake and ice cream.

A celebration that nearly escaped us this year was that when the family of Mr. Tom A. Ware, of East M-36, helping him celebrate his 79th birthday the last week of August. Mr. and Mrs. Earl Kimble and family, and Mr. and Mrs. John Paul Ware and family gathered at the Ware home for the occasion.

Mr. and Mrs. Reginald Krishna and children spent Labor Day weekend up north. Mr. and Mrs. John Paul Ware spent the weekend in Ohio visiting relatives. Grandma Krishna kept their youngsters, giving them a very nice and restful vacation.

Mr. and Mrs. Frank Zezulka were in Detroit Saturday shopping and visiting relatives. Their children accompanied them on the trip. Mr. James Murphy, 142 Swarthout Road is hospitalized at Howell Community Health Center. He happened to get in a nest of yellow jackets and received several bee stings, causing him to become rather ill.

Barbara and Duane Waterbury celebrated their wedding anniversary September 1. It was their third. They dined out for the occasion.

Mr. Alex Ammann is a patient at St. Joseph Hospital Ann Arbor since suffering a coronary last Friday. Mr. Ammann is proprietor of Anchor Inn. He's wishing for him a speedy recovery.

Mr. and Mrs. David Aberdeen entertained several couple at their Ann Arbor home on Labor Day at a "swimming pool party." Pat and Ned Baughn and daughters, Kim and Lisa, and Ruth and Guy Stivers and daughter, Nina, attended from the Pinckney area.

Livingston County Association O.E.S.

The meeting of the Livingston County Association of the Eastern Star will be held at the Masonic Temple in Pinckney, Tuesday, September 15. The afternoon session will begin at 2:30. Dinner at 6:00 o'clock. Reservations must be in by September 11th to Mrs. Darlene Waite, phone 878-3674, Pinckney. The evening session is at 7:30.

Pinckney School Minutes

Minutes of Regular School Board Meeting — Sept. 3, 1964
Minutes called to order by President Walton at 7:56 p.m.
Roll Call:

Present: Collier, Line, Kinsey, Walton, Radloff. Roth was late and arrived at 8:45 p.m.
Absent: Swanson.

The minutes of the regular meeting of August 6, 1964 and the minutes of the special meetings of August 11, 1964 and August 25, 1964 were approved as read.

STAFF REPORTS:
Mr. G. Dunn reported that the Hamburg Elementary enrollment for the 1964-65 school year is 343 students and the Wenas Lake Elementary enrollment is 91 students.

Mrs. Kellenberger reported that the Pinckney Elementary enrollment is 718 students including 27 students at the Hicks school.

Mr. R. Dunn reported that all buses are in operation. Mr. G. Black reported on the janitorial program for the coming year. He also requested that the Board provide a contract for his position as Maintenance Supervisor.

Mr. S. Delapp was present and requested that the Board consider the purchase or construction of facilities to house the school buses. He also requested that consideration be given to hiring of a full or part time mechanic.

SUPERINTENDENT REPORT
Mr. Reader provided a financial report for 1964. He also presented a report of the school tax levy for the 1964-65 school year.

OLD BUSINESS:
Walton reported that the result of a recent poll has indicated that the teachers prefer a folding wall versus a solid wall to divide the teachers lounge in the new high school.

A general discussion was held concerning the merits of electric heating units for the new high school. It was concluded that additional facts are necessary to permit comparison of this facility versus other available heating facilities. Collier agreed to provide additional information.

Motion by Roth seconded by Kinsey that the amendments to the Guidance and Counseling resolution, which was adopted August 6, 1964, be rescinded. Motion carried.

NEW BUSINESS:
Roth was appointed Chairman of a committee consisting of Roth and R. Dunn to investigate the feasibility of obtaining a school bus maintenance building. In addition they are instructed to investigate the merits of employing a part or full time mechanic. Kinsey introduced a school bond qualification resolution. Resolution supported by Line. Resolution adopted. A copy of this resolution is on file in the school offices and forms a part of these minutes.

Motion by Kinsey, seconded by Line the Mr. G. Black be given a contract with a salary schedule similar in increments and time to that of the teachers salary schedule. Motion carried.

Motion by Kinsey, seconded by Collier that bills be paid. Motion carried.
Motion by Kinsey, seconded by Radloff that meeting be adjourned. Motion carried.

A MESSAGE TO REPUBLICANS
from
CONGRESSMAN GEORGE MEADER
TO MY FELLOW PRIMARY CANDIDATES:
My sympathetic understanding. Having lost twice
in Republican primaries, I have experienced the disap-
pointment of defeat. The best antidote I know for this
disease is redoubled devotion to the common cause
which unites us all — the Republican Party.
TO SUPPORTERS OF THESE CANDIDATES:
Your splendid efforts in behalf of your candidates
in our traditional political contest evokes only my re-
spect and admiration for your good citizenship. The
party team needs your zeal and enthusiasm for total
victory.
TO MY SUPPORTERS:
Heartfelt appreciation for your dedication and your
deeds in my behalf. I shall do my best to deserve your
display of confidence.
TO ALL REPUBLICANS:
Rally behind our standard bearers, Senator Gold-
water and Governor Romney, in advancing Republican
principles of individual liberty of opportunity and treat-
ment for all citizens, free competitive enterprise, strength-
ening state and local governments and combating
powerful paternalistic centralized government.
All Republicans can dedicate their diligence to the
basic Republican philosophy pronounced by Abraham
Lincoln:
"The legitimate object of Government is to do for
a community of people whatever they need to have done,
but cannot do at all, or cannot so well for them-
selves, in their separate and individual capacities. In
all that the people can individually do as well for them-
selves, government ought not to interfere."
YOURS FOR VICTORY NOVEMBER 3rd.
GEORGE MEADER

Card of Thanks

TO THE MANY friends who so aptly expressed their kindness and sympathy during Alma (Wier) Wierowski's long illness and death, we wish to extend our heartfelt appreciation and gratitude.
 The Fred Seibert family

I WISH to thank my friends for their thoughtfulness during my stay in the hospital. A very special thanks to the Drs. Sheng and Dr. May. Also the staff of the McPherson Health Center for their wonderful care.
 Elsie Elder

I want to take this way to give special thanks to Rev. Gerald Bender, the nurses at the Howell Community Health Center, to Dr. Hill for the wonderful services I received, to all those who so kindly remembered me with cards, visits and phone calls while I was ill recently and was a patient at the Howell hospital. May God bless you all.
 George Brunton 9-9-p

WE WISH to thank our friends and neighbors for the words of encouragement and help during the fire which destroyed our shop. Especially the Brighton Fire Dept. who we think did a wonderful job saving the rest of the buildings.

Attendance Drops at Kensington Park

Kenneth L. Hallenbeck, director of the Huron-Clinton Metropolitan Authority, today announced that combined attendance at its four largest parks exceeded 1,309,000 persons in July to give the five-county park agency its busiest month in its 16-year history of park operations.

Helping achieve the new record was the opening of Stony Creek Metropolitan Park, near Rochester, Utica and Romeo, which had over 237,000 visitors during a 26-day period from Monday, July 6 through Friday, July 31.

Also a major factor was that Metropolitan Beach along Lake St. Clair near Mt. Clemens turned in record-breaking attendance with over 445,000 visitors and topped the previous high of 379,000 persons set in July of 1961.

Despite these gains, both Kensington Metropolitan Park near Brighton and Lower Huron Metropolitan Park near Belle Isle turned in their lowest park attendance in a seven-year period.

Kensington Metropolitan Park had 370,000 visitors last month compared to the 1958 record high of 483,000 and Lower Huron Metropolitan Park had 257,000 visitors last month compared to a high of over 348,000 established in July of 1961.

Park officials believe that these fluctuations are due to several factors: (1) People seemed to be heading for areas with water, either lakes or pools; (2) Picnicking seemed to get substantially less attention than usual for the month of July; (3) and the mixed cold and hot weather helped account for both gains and losses, despite a 13-day 90 degree hot streak.

Recreation and service facilities at most Huron-Clinton parks received increased usage. Some of the July highlights are as follows, with 1964 figures preceding 1963 totals: KENSINGTON METROPOLITAN PARK near Milford — July Use — Golfers were 6,800 compared to 6,000 in 1963. Boat rentals were 7,200 compared to 5,500 in 1963. Nature Center visitors were 11,900 compared to 11,300 in 1963. Island Queen passengers hit 5,100, down from the record of over 6,200 in 1963, but about average for the month. Major activity

centered about Martindale and Maple Beaches, where food service received excellent attention. Use of picnicking facilities was slight compared to other Julys. Attendance: 370,000 compared to 415,000 in 1963.

FOAM NEW CONCEPT IN BODY MOISTURIZING

Lotions are "lovely" as Liza Doolittle might say but when "My Fair Lady" is trying to do an all-over job, a lotion will often drip all over the bath mat as well as the girl.

One of Shulton's bright young chemists has now applied the aerosol principle to a dry skin lotion. That is, it's a lotion when it's not a foam. How's that? Well, it foams into the hand, and then liquefies on the skin as applied. Very handy for back and shoulder reaching. No drip. Bless that chemist. He's no drip! With this new "satin" skin foam, itchy, scratchy, dry skin goes and you are soft as the proverbial rose-petal. How about that! The new formulation is designed primarily for after tub or shower use and extra dividend—it leaves you wrapped in the fresh and fragrant aura of a desert flower.

In Russia there are no 4-H Clubs to teach boys and girls a better way of life and work; no agricultural extension service to show better methods for raising crops and livestock; no specialists to help improve homemaking skills; no business men to support this "massive, informal, educational program" which includes 4-H.

However, Premier Khrushchev did learn something about the Cooperative Extension Service during his visit to the U.S. In a Pravda article, Khrushchev revealed a "secret" to the Russian people. He admitted that certain extension practices were "borrowed" when the Soviet agricultural system was overhauled recently.

Explains Service

"I have in mind," he said, the introduction of scientific achievements. In the United States of America a farmer's service exists under the universities and colleges. The agents meet with the farmers and persuade them to introduce this or that method, help them in organization of production and furnish them with plans."

He got most of the extension picture, but apparently missed

the role of extension for the last 50 years in developing the 4-H Club program.

In the early days of 4-H, the trained extension agents worked with the children of farm families. The plan provided the wedge that opened the door for the agents to reach the farmers and their wives.

No Free Enterprise

It has been suggested that Khrushchev might further improve farming under communism if he also had initiated a program for youth patterned after the 4-H Clubs. Seventy other foreign countries have. But Russia lacks the incentive and backing provided by private enterprise.

U.S. industry has backed 4-H work right from the beginning. It provides technical know-how, financial aid and recognition. More than 55 leading business firms cooperate with the extension service and the National 4-H Service Committee in sponsoring individual projects.

Today there are at least three dozen areas of 4-H Club work.

Some of the newer programs and their sponsors are: Photography, Eastman Kodak; Con-

servation, John Deere; Foods-Nutrition, General Foods; Alumni Recognition, Olin Mathieson; Dog Care and Training, Ralston-Purina.

Fifty years ago there were only a few projects: growing tomatoes and canning them; growing corn and raising pigs to eat the corn.

Long-Time Support

Sponsors that have supported 4-H for 20 or more years are: Armour and Company; Santa Fe Railway; Burlington Railroad; Milwaukee Railroad; Chicago & North Western Railway; Coats & Clark; Conrad Hilton Hotel; Cudahy Packing Company; Firestone; Illinois Central Railroad; International Harvester; Kerr Glass; Livestock Conservation Incorporated; Montgomery Ward; Sears-Roebuck Foundation; Westinghouse Educational Foundation; Wilson & Co.; Standard Oil (Ohio); General Motors; American Oil Foundation.

Collectively they make the National 4-H Club Congress possible. One of the most coveted awards for a 4-H'er is the congress trip given to one boy or girl per state in a specific program. Altogether about 1,600 young people from 50 states travel to Chicago each fall to participate in this educational event.
