#### Vandalism Here

State Police were called to Pinckney last Friday to begin investigation of vandalism done to the Junior class float that was stored in the Lavey Hardware warehouse on West Main.

This happened sometime following the parade Wednesday, and Friday morning when Juniors class students went to the warehouse to make repairs for the Homecoming game Friday night. It was ruined beyond repairs and was not brought to the athletic field with the other class floats Friday night.

The Juniors tied with the senior for first place for the fantastic work done on their float and it became most upsetting to students, the administration, and other faculty members to learn of this being done.

Other vandalism done over the weekend involved windows at the High school and the Elementary school being broken. Officials have not determined who the persons were that did this.

OFFICIALLY "turning on the Gas" in Pinckney is Village President, Merwin Campbell and William R. Carlyon, Lansing Division Manager for Consumers Power Co. This took place at the Regulator Station located at the corner of Main Street and Unadilla.

sumers Power Co. This took place at the Regulator Station located at the corner of Main Street and Unadilla.

Highlighting the "Natural Gas Days" in Pinckney October 9 and 10 will be radio station WAAM broadcasting live, directly from the Village Square the entire day Friday. Radio official Larry Skinner anticipates a big day in the Village and hopes area residents will cooperate with the station's D. J. for the day, Larry Ruppel, with interviews and bits of news relating to the area, worthy of broadcasting. Ruppel is famous for his being the first to make news broadcasts on TV in the Detroit area station on WJBK Channel 2 back in the early days of TV.

This "first for Pinckney" is sponsored by Consumer's Power Company primarily to let all persons within listening range know Pinckney is on the map and to welcome them into Pinckney for the two day celebration.

Merchants, sharing the expense of having the radio broadcast done from Pinckney, should receive ample credit for backing this civic type venture are the Hamburg

Dairy in Hamburg, Quality Welding, West Main, Pinckney, a new factory here as of last spring; Lavey Hardware and Insurance Agency, Van's Motor Sales, and Gentile's Home Center all located on Main Street in Pinckney.

The celebration October 9 and 10, will consist, primarily, of Consumers Power holding open house at Pilgrim Hall each of the two days with many various gas appliances on exhibit. Consumer's Home Economists will be on hand demonstrating items such as gas washers and gas clothes dryers to patio gas grills and outside gas lights. Refreshments will be served and door prizes given.

A street dance will wind up "Gas Days in Pinckney" Saturday night taking place from 9 p.m. till 12 midnight. Alvin Davis, age 19, will be spinning the platters for the dancers, both young and old, just as he did at Pinckney High's Homecoming dance last Friday night in the high school.

JOE GENTILE

Joe Gentile who was born in Sicily, Italy in 1890 and came to the states in 1914 has been on the Pinckney scene since 1921 when he moved here and opened his Confectionery and Fruit Store in the building now occupied by Bev's Restaurant. Joe tells us that he and his store have moved all up and down the street.

### Shooting Monday Orphans 4 Children

Grief over the threatened loss of his wife and four children is believed to be the reason for the double tragedy near Howell Monday afternoon when Alphonse E. Muylaert, Jr., 30, shot his wife, Mildred, 29, at their farm home at 3850 Jewell Road, and then killed himself.

According to the State Police report, Muylaert phoned his father, Alphonse Muylaert, Sr., who is employed at Haller's Hardware at Lake Chemung, about 3:30 Monday afternoon and told him that he had shot his wife, and asked him to report it to the Sheriff.

The elder Muylaert started for Howell, but encountered a State Police car and flagged it down and reported the incident. They stopped at the sheriff's office and then went out to the Jewell Road home where they found both bodies lying in the back yard.

Between the two bodies was a 12 gauge shotgun. Mrs. Muylaert had been shot twice in the chest and one charge had entered Muylaert's body.

The son had phoned his father earlier and asked him to pick up the children after school at the South West Ele-

#### Clerk Is Found Guilty By Jury

"Guilty—as charged" was the verdict returned by the three member jury hearing the trial of Edward A. Rettinger, Hamburg township clerk, in

Brighton justice court last week. Sentence will be passed by Justice of the Peace Eric Singer on Oct. 14.

Rettinger had been charged with refusing to show public records, namely applications for absentee voter ballots in a warrant issued to John McMillan of Putnam township.

mentary School in Howell. He told his father that he and his wife were going to Lansing to consult a marriage counselor. So the children were at their grandparent's home at 280 Sunrise Park Drive, Lake Chemung.

Mrs. Muylaert worked days at Master Craft factory in Howell, and Muylaert was employed on the night shift at ACO, Inc., plant at Pinckney.

Prosecuting Attorney Charles Gatesman ordered an autopsy on the two bodies, following which they were taken to the McDonald Funeral Home for funeral arrangements.

The trial started Wednesday afternoon, with four jurors present. Mrs. Bernice Hync was excused when she stated that she had formed an opinion on the case. This left Myrtle Stromberg, Grace Crabtree and Donald Herbst, and attorneys Donald A. Moon, for the defense, and Charles Gatesman, prosecuting attorney, agreed to try the case with only three jurors.

Rettinger has 10 days after sentencing in which to appeal.

"OH NO" was Judy Reynold's first reaction after learning she had been chosen Homecoming Queen, 1964-65. July, a senior, was crowned and robbed by out going Queen Kathy Shettleroe. The other three candidates were freshman, Penny Reynolds, Sophomore Sharon Bowles and Junior Sue Jennette.

they auger under sidewalks without disturbing them in the least, and lay the gasoline.

gas meters in Pinckney at 1018 East Unadilla Street, a duplex home.

A door prize drawing will take place at Pilgrim Hall both nights of the activities. Tickets will be distributed to customers by the merchants who have backed this celebration. They include all places of business in Pinckney with the exception of Pinckney General Store. Items offered for prizes by Consumer's will include a gas fired patio grill, gas yard light, and various other valuable prizes. Tickets must be obtained from the stores and taken, by the holder, to Pilgrim and left with Consumer officials to be eligible for the drawings.

Another nice gesture on the part of Consumer's is that free Pepsi-Cola will be given away beginning Friday noon and continuing on through Saturday's street dance.

Mr. Harold Snellenberger, residential sales supervisor for the Lansing Division of Consumers Power Co. and who is in charge of the arrangements being made in Pinckney for the two days says the business people as well as the residents throughout the area have been most cooperative and now it is the company's greatest concern to furnish them with as great a service in return. He, along with other Consumer officials cordially invite all area residents to come, get acquainted at Pilgrim Hall this Friday and Saturday.

Last Friday afternoon I had a most interesting and enlightening experience when I visited with other members of the Livingston County newspapers and radio, the newly constructed portion of the W. J. Maxey Boys' Training School at Whitmore Lake. We had lunch at the school — the same meal served to the boys — ground meat patties, mashed potatoes and gravy, canned lima bean, bread and butter, canned plums — a nourishing meal, well cooked and served cafeteria style.

Willard J. Maxey, Jr., director of the school and son of W. J. Maxey for whom the school was named, escorted us throughout the school. Mr. Maxey appears to be a truly dedicated man, utterly devoted to the welfare and education of his charges.

The school which is not yet completely equipped is one of the best in the country, extremely practical and functional, and not extravagantly constructed or furnished. The boys who come here, sent by the courts, are mostly from the lower economic levels, at least 50% from Detroit and Wayne County, and approximately three years academically behind their age group. The curriculum is designed to benefit these boys in their return to society.

The Bob Vedder family were guests at a chicken barbecue at the Mike Heath home on Toma Road last Sunday honoring the Vedder's daughter Rose Marie on her 17th birthday. Joan Eichmann was also a guest on this occasion.

Tuesday evening, September 29, the officers of Pinckney Chapter No. 145 OES were guests at a dinner given by Worthy Matron Lucille Camburn and Worthy Patron Larry Camburn in the Masonic Hall. Secret Pals, who have been delighting their fellow officers with surprises throughout the year, were revealed at this time.

Mrs. Tilly Berry of California is in the Pinckney area for two weeks to attend the wedding of her son, Fred to Joan Steeb of Portage Lake.

The TOPS Slenderizers surprised their president Evelyn Porter with a birthday cake and cider on her birthday last Thursday at the regular meeting. The girls are now practicing for their debut as cheer leaders which will be October 24 at the All Stars-Hamburg Hell Cats game. This should be as big an event as the game itself.

Bonnie Wylie, daughter of Mr. and Mrs. Bert Wylie, was 15 years old Tuesday, October 6.

## Pirates Lose Homecoming Game

BY JOHN TASCH  
The Pinckney Pirates were defeated by the University High Cubs, 9-6, to upset Pinckney High's Homecoming last Friday at Pinckney.

Pinckney fumbled seven times and recovered only three and couldn't get a scoring drive going until the closing seconds of the game.

Pinckney won the toss and of course chose to receive. So the Pirates got the ball and on the very first play from the line of scrimmage, fumbled and the Cubs recovered. It didn't look too good to the Pirate fans.

U-High was first to tally when Bob Laughna, punter and signal caller for the Cubs, kicked deep into Pirate territory. Once again the Pirates fumbled, but this time they recovered on their three yard line.

With the pressure on, Pinckney's quarterback, Garry Henry, handed off to Merle McMichael, but the fleet halfback was confronted with three Cubs in the end zone, who tackled him for a safety. Shortly after Pinckney's tre kick Hal Hills, one of the Pirates backfield men, intercepted a U-High pass but the Pirate offensive immediately fumbled returning the ball to the Cubs.

Pinckney got down to about the U-High 10 yard line in the second quarter, but the Cubs fired up defense held them in check and the Pirates had to forfeit the ball once more.

Rod Grambeau, Cub left-half ran 84 yards for the best run

of the evening unfortunately for him and the rest of the Cubs the touchdown play was nullified by a penalty.

The U-High Touchdown came late in the second quarter on a ten yard pas from Haugna to end Gil Mallery, who caught it on his knees in the end zone. Laughna sneaked for the extra point.

Throughout the third quarter the teams battled with neither team scoring.

Late in the fourth quarter the Pirates drove 67 yards and scored the only six pointer for the evening.

Garry Henry got hurt at the start of Pinckney's last stand and Mc Michael took over.

The main drive started with Mills going a yard and McMichael running it himself for five and four yards and a first down. McMichael then hit end Dennis Williams for a 16-yard pass and end Tom Pine with a fourteen yarder for two more first downs. Another pass to Pine and a penalty which nullified a D-High interception kept the drive going. McMichael ran the final four yards for a TD, but a penalty put the ball back on the nine-yard line.

The Pirate co-Captain ran wide around right end to score with only 15 seconds remaining on the clock. The extra point try failed and the score was 9-6, there was still time for an onside kick, but it failed and the clock ran out along with Pinckney's hopes of a "homecoming victory."

Standouts on the Pirates defense, which threw the Cubs for a total of 24 lost rushing yards, were Tom Baughn, Alan Steffan and ClairBell and Henry as linebacker.

Next Friday, Oct. 9th, the Pirates will play Williamston, at Williamston.

### Pinckney JV's

The Pinckney Pirate's squad picked up its first victory last Thursday, when they beat the South Lyon JV team 7-0.

The Pirates defensive game was almost perfect not allowing a single point, several times they cut off the Lions' drives to take over the ball. At one point in the game South Lyon had two yards to go for a touchdown on third down, The Pinckney defense was impenetrable and held the Lyons to a one and three fourths yard gain. With forth and six inches to go the Lions chose to try an end and the Pirate defense caught them in the backfield for a loss to regain the ball.

The Pirate JV's only scoring play came in the second quarter on a fake up the middle and a pass from Tom Mitchell Pinckney's quarterback to end Jim Douglas. An end run was sufficient for the extra point. Douglas also did a fine job of punting for Pinckney and played a good all-around game.

The Pirate Junior Varsity team has a 1-1 record now and will go into combat this Thursday, October 8, with Williamston here. There is no admission fee. Come and cheer for the Pirates JV team. They welcome you.

**Pat Reynolds admits she was wrong!**  
(She was sure electric dryers were more expensive. Then we showed her these money-saving facts.)

- Gas dryers cost a couple of pennies less per load to operate; we'd be the first to admit it. But with electric dryers you still come out ahead. Read on.
- Electric dryers cost less to buy. Model for model, prices run about \$20 to \$40 lower than gas dryers.
- And now, for a limited time, this lower price includes installation and wiring, if needed. For details, see your dealer.
- Electric dryers cost nothing for electrical repairs or labor. According to manufacturers' service policy premiums, the average dryer requires about \$200 worth of repairs over a 10-year period. But, of course, if your dryer is electric, Edison comes out, repairs it, and leaves without leaving you a bill! (It's the only no-charge dryer repair service offered by a utility company in this area.)

Add up ALL the costs and you'll see what Pat Reynolds saw — electric dryers cost less to own.

They act for the moment. The goal of the school is to help these boys relate to the society which they left, to rehabilitate them, to treat them as individuals and to respect their individual needs.

There have been many run-aways from the school in recent weeks. School authorities believe that this is due to the fact that a new honor system is being tried at the school. The transition from Reception to Unit must be a more gradual one, Mr. Maxey said. Opening of a hall which will not allow quite as much freedom of

movement as Unit A will probably aid in preventing run-aways.

Most of the boys are at the school for crimes against property. If an AWOL boy commits a crime which he runs away he is put in detention. There is no law saying that a boy cannot leave the school. This is a school rule. Mr. Maxey pointed out that in the four-and one half years since the schools opened, only two truants were taken to the prosecutor for arrest. Maxie said, "I took both of them."

In the case of the first boy, the prosecutor of Washtenaw County pressed charges. In the second case, the Livingston County prosecutor refused to issue a warrant. This boy was later confined to the Ionia State Hospital for the Criminally Insane.

Boys from the school are often taken on field trips. For the past three years boys have gone to the home games of U. of M. They have visited museums and Greenfield Village at Dearborn.

Every week-end boys leave with parents and return. Some of them participate in the Sea Scouts at Whitmore Lake and are allowed to attend an occasional function in connection with the scouts.

guilty for the respondent and referred the matter to Mr. Davis, probation officer for report. Fletcher will appear for sentencing November second. He is held without bond.

Carl Bernard Payton was found guilty of charges of unarmed robbery. He entered a plea of nolo contendere

plea which does not admit guilt, but subjects the defendant to punishment as though he had pleaded guilty. Payton will be sentenced November second.

Robert Farhat pleaded guilty to larceny. The matter was referred to Mr. Davis for report. He will appear for sentencing November 2.

Also charged with larceny, Phillip Stephens pleaded guilty. He will be sentenced

November 2. He is held on bond of \$500.

Frank E. Miklos stood mute on charges of larceny from a building. The court entered a plea of not guilty for him. His bond was reduced to \$200. He will be tried on November 10 at 9:30 p.m.

Charged with arson, Eugene John Sisko, pleaded guilty and will appear for sentencing November 2 at 2 p.m. His bond was continued at \$5,000.

# Tri Lakes News

VELMA BUFFORD

Saturday evening, September 19, Elaine Baprawski entertained at an outdoor party

on Island Lake. The beach was lighted with lanterns, and docks which had been brought in for the winter served as a dance floor. Thirty teen-age guests from Brighton, Howell, Redford, Southfield and Detroit spent a wonderful evening dancing, and roasting hot dogs and marshmallows. Relishes, chips, popcorn and soft drinks completed the menu.

September 27, with daughter Elaine, they attended a house warming for Mr. and Mrs. Peter Alban in Washington Michigan. Mrs. Lepkosky and Mrs. Alban are Mrs. Baprawski's sisters.

Congratulations to the Baprawski's on their 26th wedding anniversary last Thursday, October 1.

Mrs. Clarence Shosey, who recently had surgery at McPherson Health Center, is up and around, but taking it easy for awhile. I was delighted to see her looking quite chipper and out for a ride on Sunday.

Mrs. Cecelia Tysar, too, is doing pretty well. However, she still has some treatments to go.

Mrs. Kenneth Morrow celebrated her birthday on September 23 with a trip to Ypsilanti to see her mother-in-law, Mrs. Edna Morrow. She returned home to find her parents, Mr. and Mrs. Elvie Thomas, four brothers and a sister, and her grandmother, Mrs. Ruby Bowyer, all of Brighton, waiting for her. The family enjoyed coffee, ice cream and a birthday cake decorated by her daughter, 7 year old Mary Ann Morrow.

Mr. and Mrs. James Sutherland left Friday, September 25, with Mr. and Mrs. Don Gibson of Brighton for a weekend at the Gibson cottage at Lake Michigan. On Saturday, in spite of rain they went for a drive enjoying the

beautiful fall scenery, and had dinner at The Surrey in Harrison. They returned home on Sunday, stopping for dinner at Frankenmuth.

Mrs. Ula Davis called on Mrs. Ida Williams Tuesday, September 29, and taking advantage of the beautiful weather and fall colors, they went for a leisurely drive in the country.

September 26-27 Mr. and Mrs. Bill McConnell and children, Mike and Kathy, of Long Beach, Indiana visited Mrs. McConnell's parents, Mr. and Mrs. Glenn Fox of Fonda Lake. The McConnell family are pretty well settled in their new home, and are, no doubt, making many friends in their new community.

MRS. DARLA PICKEN

MRS. CAROL DUNHAM

**The Way We Hear It**

... you can't keep a good man down—and that evidently goes for Gary Henry cause you can't keep him down! Gary sustained a fractured rib during last Friday's football game, but determined to play, "we hear" he will play this week against Williamston, on defense only, not offense. Good luck to him. I'm sure the remaining players will welcome this news. ... the Pirates play a very exciting game. This conclusion was made after watching the game under the lights Friday night, and then listening to the broadcast of it, play by play over radio station, WAAM, Ann Arbor. This, in my opinion, was a mighty big thing for the four places of business to do. They sponsored this "first for Pinckney." Van's Motor Sales, Lavey Hardware, Ike's Mobil, in Pinckney and Suter's Meat Market in Hamburg were the four sponsors. Officials of WAAM also point out what a great Civic deed this was, and urge all area residents to patronize these places of business. ... another great thing is the effort put forth by merchants to back Consumers Power Co. for the celebration of "Natural Gas Days" in Pinckney. It is a great thing, the spirit local business people put forth. Read the ads in this issue and make note how even the factories joined the merchants in this civic venture. Every merchant, barber, beauty shop, along Main Street joined in the celebration by advertising with the exception of Pinckney General Store. ... the annual Pinckney High Student Council Carnival will take place October 17. Watch for further details. ... classes for new Gray Ladies will be held at the Howell Health Center October 19, 21, and 23 beginning at 7 p.m. Village Squares are inducting new dancers now. Beginner's lessons will start Thursday, October 8, Pilgrim Hall. This is an adult group of people. Come, with no strings attached, to this meet-

ing, or the next one October 15 and learn all the facts. ... Rev William Hainsworth will fill the pulpit at the Congregational Church this Sunday for the vacationing Rev. Gerald Bender. ... last summer's Little League baseball coaches and their wives were honored at Kiwanis Club's Ladies' Night Tuesday. Those present were Mr. and Mrs. Dan Rosiecki, Mr. and Mrs. James Pine, Mr. and Mrs. Russell Clark and Mr L. D. Haines. This is customary for the Kiwanians to do this each year, expressing their gratitude to these men for their civic duty. ... Larry Bennett was driving a 1955 model car early Friday evening headed toward his home on Cedar Lake Road when he lost control, hit the shoulder and rolled the car over and over ending up in Al Sommers front yard at corners of M-36 and Cedar Lake Roads. A smaller brother was with him and both youths escaped injuries. However the car was totaled. ... a second call bringing Deputy Robert Egeler to the scene happened Sunday morning about 8:15 a.m. Mrs. Jessie Lee Bright of Gregory was blinded for an instant by the sun when attempting to turn the corner at M-36 and Dexter-Pinckney Roads and ran into a pole just before the corner. Her daughter, Shirley, age 11, hit the windshield and was taken to Howell Health Center where it was discovered she lost some front teeth along with other bruises. Two sons, age 4 and 6 years, back seat passengers were not injured. ... those snow flurries Tuesday afternoon should be a warning to all summer residents. It is the time of the year to think of packing up and moving south, right? ... a pretty terrific job done by Chuck Hewlett and his firearms display at the Homecoming football game last Friday. Certainly added to the excitement when the Pirates made their TD. That was a very good idea! Let's have more.

... a road block at the Pinckney Elementary school Friday night about midnight was due to an armed robbery in Lansing earlier that evening. Don't know if they ever did catch them. ... fire Saturday night gutted the home of George Neu, out on the Patterson Lake Rd. An over heated chimney caused the disaster. ... it's time for happy birthday to Joe Gentile! ... I owe a great big thanks to Helen Van Blaircum, Ellen McAfee, Stella Garr, and Rita Howe for the birthday party last Monday night. It was very nice. And such a surprise! Also, thanks to all the nice people who sang "Happy Birthday" to me! I won't forget it, ever. ... it was a beautiful day to spend at the Michigan State-Southern Calif. football game Saturday. Just perfect. Other Pinckney people that were there were the Frank Czerwinski's, Mr. Ed Nuoffer and Mrs. Beulah Kendee. ... was a good game, too. Each year the Michigan State University sponsors what is called "Editors Day" which makes very nice for those concerned. ... two years ago October 15 the Dispatch was sold by Merlyn Lavey and Junia Doyle to Brighton Argus. (Thanks to you people for making them two most enjoyable years.) ... Gentle Home Center, Lavey Hardware, Shireys will have an appliance exhibit at Pilgrim Hall October 9 and 10, and cordially invite area residents to come to see them. ... increase of rain or very cold weather, the Consumers Power Co. sponsored street dance will be held in the Pinckney high school gym. ... Samuel Johnson once observed that law is the last result of human wisdom acting upon human experience for the benefit of the public.
