Approve Advertising Money For Highway

Last week at the Board of Supervisors meeting, Collins Thornton, County Road Commission Engineer, was on hand to appeal to the board for \$500 to conduct an advertising campaign. The purpose of the campaign, Thornton said, was to explain the commission's millage proposal which will appear on the ballot in November.

He said that the commission had \$750 in collected funds \$250 of which had been donated by the Real Estate Board.

Five-hundred dollars more was needed to send a map and story of the program to the public, he said. Walter J. Clink, superintendent of the Road Commission, was also on hand to urge the board to donate.

When Thornton and Clink left the second day session of the Supervisors annual meeting, it looked as if their request would be denied.

The legality of giving funds for such advertising was questioned by Supr. Lavan who wondered if the "board would be establishing a dangerous precedent in paying for such a program," and Supr. Dickerson, who thought that the legal aspects should be looked into before a decision was made.

Lavan pointed out that motion had been made at a board meeting by Supr. Beers, chairman of the road committee, that the board go on record as favoring the road program set forth by the Commission, and that voting at that time indicated lack of support by the majority of the board.

It has been the feeling of some supervisors that the road program is inadequate.

However, the following morning one of the first orders of business was passage of a mo-

tion to grant the money to the Road Commission with the stipulation that the funds were "to inform the public, not influence it."

Others appearing before the board to request more money next year were the Fowlerville Fair Association who asked for \$2,000 to be used to start a new building program.

A spokesman for the association said that tent rent had become higher because of the need for more tents as the popularity of the fair increases. Money was needed to add to an existing barn and in the future to build a new barn. The request was granted.

One hundred dollars more was granted to the East Michigan Tourist Assn. who presently receive \$400. This association had made a request by letter for \$200 more, citing the value of advertising the charms of the state to attract tourists to the area.

\$50 per year more was given to the Apiary Inspection fund.

A motion before the board to cut an Elections appropriation which appeared on the budget failed to pass. \$4,000 is the amount being set aside for elections for 1965. Unless a special election was called these funds will not be necessary.

County Clerk Joseph H. Ellis, when asked how much a special election would cost the county, said that it would not amount to more than \$2,000. It is unlikely that an election would take place. Supervisor Dickerson asked that the appropriation be cut to \$2,000. Supr. Dickerson, Conline, Beers, Cattell voted yes; Supervisors Shehan, Campbell, Armstrong, Engelhardt, Heeg, Berry, Clark, Dinkel, Gordon, Rodjke, Cooper, Raddatz, Stuble, Hogan, Seim, Spicer voted no. Supr. Lavan was absent at this time.

HARD WAY TO WASH CAR — Mrs. Jamie Alice Talbot of 537 Roselain Drive, Howell, had a wild ride Thursday afternoon when the brakes of her car failed as she was driving south on West Street. As she tried to stop for North Street she became confused and pressed the accelerator shoot-

ing across North Street, over the curb and went 150 feet to the parking lot at the rear of the Professional Bldg. Here, her car struck a vehicle owned by James Workman of 7500 Grand River, Brighton, careened off and went 335 feet across fill dirt and over a 12-foot drop, ending up in Ore Creek.

High School Band to Perform at Game

Saturday, October 21 is coming up fast when the Pinckney All Stars and the Hamburg Hell Cats meet for the second scheduled game of this season. It will take place at Pinckney on Veterans Memorial Field, game time, 8 p.m.

The first game played two weeks ago resulted in the All Stars winning over the Cats 12 to 7. This game should be a real test with the two teams playing their all. This is gathered from a conversation with the All Star Captain, Julius Aschenbrenner.

The captains, Aschenbrenner and Phil Gentile, also wish to remind area residents of the added attraction this week, the Pinckney school band. The band, under the direction of Mr. Denis Napier, will perform during the game as well as at half time.

"Also," says Aschenbrenner, "we will have with us what the entire community has been waiting for, the famous TOPS Cheer Leaders." These gals agree to cheer throughout the entire game. George Roth, who received minor injuries in the first game, will see limited action this week.

However, he is in charge of the ticket sales. Tickets are available at Lavey Hardware, LaRosa Bowling-Lounge, Jerry's Pinckney General Store, and at George's Barber Shop. The Pinckney firemen will again have the concession stands, benefiting their Fourth of July Fireworks Fund. All proceeds from ticket sales are annually turned over to the Pinckney High School Athletic Fund, a very worthwhile cause, one that all parents, the All Stars and the Hell Cats, hope many good citizens will come out for this Saturday.

The following All-Star players are asked to draw uniforms for this week's Old Timers game at 5 p.m. Saturday, October 24. They are Gentile, LaBelle, Simonson, Don Clark, Dick Johnson, Ed Densmore, Andy Darney, Paul Bowman, Gunderson, Dale, Bowser, Colone, Russell, Gene Densmore, Blades, Ware, Barker, Bob Beck, Don Charbonnet, Jim Grant, Larry Hull, Steve Marofka, Fritz, Kem Charbonnet, Berry, Harroth, Weston, and Taylor.

TV Show Upsets P.H.S. Teachers

Protests over a recent television show depicting a "monstrous misconception" of the American philosophy of education have been expressed by 16 Pinckney Elementary School teachers.

They have sent a letter to the National Broadcasting Co., deploring the "Kentucky Jones" show of September 26, in which a little Chinese boy was portrayed, burning his abacus in front of his teacher, "so that he might become a true part of American educational life."

"HERE IS WHAT the teachers said in their letter: "Realizing that many millions of people saw the above scene, we wonder how such a monstrous misconception of the American philosophy of education could ever get to a television screen. It is understandable that the writers know little about today's schools. There may be such an institution as the one depicted on Kentucky Jones. However, it more resembled a Nazi Youth Camp.

"Today's teaching of arithmetic includes every type of visual aid possible. The abacus is used in grade schools from first grade through college. The alert American school teacher would have seen to it that every fourth grader would, also, have access to an abacus.

Supervisors Approve Budget For Year

The annual meeting of the Livingston County Board of Supervisors closed last Wednesday with a lengthy discussion on the possibility of limiting the newly established public improvement fund.

The word deficit in the budget... are looking ourselves. If we approve the budget at this figure we will have a deficit. This is not a good thing. How can we say to the public that there is a deficit when we have money laying dormant in two funds that could be used to balance the budget?

This fund was established this year when the attorney General ordered that the county could no longer transfer funds into the general fund. Presently there is about \$120,000 in anticipated revenue that ordinarily would be put in the general fund but will this year be in the improvement fund. There is \$117,000 presently in the welfare fund for building. There is no plan to use this money. The money in the welfare building fund was put there in 1961 for building a county medicare facility in Howell. When the bond issue failed the money remained in the fund.

The proposed budget of \$993,941.00 was approved.

Lansing Motorist Killed

Football Fan Commends All-Star Participants, Fans

To The Editor: This is an open letter to all the people of this community and to those whom are more sports minded than their neighbors.

Football Fan Commends All-Star Participants, Fans

Hell Cat Squad a word of praise is not enough for the fine team you brought to Pinckney. You young men know that the game of football is here to stay and you have proven that the game is not only for the high school, college and professional men of the nation. You people like the game and are going to play it one way or another. I am with you who think like you. Semipro ball is not new to the American Public, it goes back to the turn of the century and many people have enjoyed the game on that level for many years and now you and the Pinckney All Stars have shown to the community that the same pleasures can be enjoyed by them. You young men played a rough tough game on Oct. 10th, and the amazing thing is that it was a clean game with out one serious injury to either side.

Football Fan Commends All-Star Participants, Fans

I must also extend congratulations to the hardy fans who saw fit to set in the out-doors on one of the coldest nights of the fall to witness the contest between the Hell Cats, perhaps this was the main reason for the drop in attendance, at least I like to think

least. Let's hope that we will see more of Larry Roland and Hell Cats in the near future and as an added note your new uniforms and helmets are of the best of taste. Good Luck to your squad.

Football Fan Commends All-Star Participants, Fans

To you Mr. Julius Aschenbrenner and Mr. Phil Gentile we take our hats off for the fine team you put on the gridiron Sat., Oct. 10. I am certain that you impressed the few fans who came to see you and your squad play. Let's hope the weather will be more in your favor for the next game you play at home.

Football Fan Commends All-Star Participants, Fans

The proceeds are for a worthy cause and I am sure the school does appreciate the work put forth by you and the chairman Emmett Widmayer and Ronald Darrow. All in all it took eleven (11) men besides the players and coaches to put this game on, not counting all the business people who took the time to sell tickets for the event. It takes more work on the outside than most people think to handle a successful event as this and I hope the community will see fit to turn out in larger numbers in the future for all events sponsored by the village go getters.

Football Fan Commends All-Star Participants, Fans

What I am really trying to do is to get the public interested in the events of the community; your fire dept, businessmen and school are behind all these events so why not the general public?? The same people do the same work all the time so let's show our appreciation to them. COME ON OUT JOIN THE CROWD HAVE FUN. LET'S GO!

Karl Burg, son of the John F. Burgs, has been vacationing in Canada and New England. While in Boston he visited with former Pinckney residents, the James Rogalski family and visited with John Pietras and Bob Rogalski there. From there he travelled on to Wappinger Falls, New York and spent several days with another ex-Pinckneyite, Richard

Imus. The two of them attended the World's Fair while there.

Pat Harwood, proprietor of a grocery store in Lovells where so many of our Pinckney people shop while in the north country, is at the Cliff Miller home for the opening of hunting season.

Back from a week visiting relation at Wheaton, Maryland near Washington, D. C., are Mrs. Herbert Bowles, her son Timothy, and her mother Mrs. Thomas Grainger of Hi-Land Lake.

Members of the Pinckney Library Board Mrs. Robert Tasch, Mrs. Harvey Garr, Mrs. Fred Read, Mrs. Leonard Lee, Mrs. Stanley Dinkel, and their guest, ex-board member Mrs. Al Sannes honored librarian Miss Florence Preuss with dinner at the Canopy in Brighton Monday evening, October 19.

Rod Widmayer, son of the Emmett Widmayers, was initiated into the order of DeMolay for boys Wednesday night in ceremonies at the Masonic Temple in Pinckney.

Among the 150 persons attending the First Annual Award Banquet for the Greater Detroit Sunday School Association held in the Calvary Baptist Church in Detroit were Rev. and Mrs. Thomas Murphy, Merwin Campbell,

and Mr. and Mrs. Ted Stockton of the Peoples' Church in Pinckney.

Mrs. Eugene Dinkel of Pinckney is now a patient at St. Joseph Mercy Hospital in Ann Arbor.

Miss Leola Reason of Main Street is confined to her home with a bad case of pluriy. She was unable to be installed as associate conductress in the O.E.S. at installation ceremonies Saturday night, and will be absent from her job at King-Seely for another week.

Friday was a big night in town for some group . . . and I hope they celebrate some place else next time . . . when the cleaning-up process was over, there were two five gallon cans full of broken glass and broken pop bottles swept up from Howell street at the corner of Main near the Roy Clark Grocery.

We hear there is a new pizza restaurant coming to town in the near future to be located on Main Street in the business block.

Have you visited our Pinckney Library in the Town Hall lately? Monday evening while I filled in for our regular librarian, Miss Florence Preuss, I was reminded of the beginning of our library only a few short years ago . . .

We literally started from scratch. Pinckney people donated their surplus books and bought new ones . . . and eventually, through the goodness of our residents, the hard work of many, donations from organizations, Pinckney has a thriving and well-used library.

If you are not a regular patron it might be well to browse through the many selections there.

Monday morning Bruce Esenberg took Mr. and Mrs. Fred Berry, Sr., to Metropolitan Airport where they caught a jet back to their home in California. They spent two weeks here visiting and attending the various festivities connected with their son's wedding which took place on Saturday.

Mrs. Charles Dewey and Mrs. Nester Engquist had an experience which they could just as well have done without last Thursday when they were looking the countryside over and collecting wild flowers and various weeds for dried arrangements for the PEG's Extension Group. While riding on Cedar Lake Road they saw a snake sunning itself on the road. Upon closer investigation it proved to be a rattlesnake complete with five rattles. The snake very obligingly remained while Mrs. Engquist backed up and ran over it.

Bob Meabon who has been an employee of the Read Lumber Co. for some time now is returning to his former trade doing carpenter work with Weber Construction Co. at Chelsea. This of course leaves an opening at the lumber yard . . . see the classified page for details.

Thirty-four members of the Pinckney Chapter of O.E.S. attended the Grand Chapter of O.E.S. meeting at Grand Rapids last week. Luella and Larry Camburn, Worthy Matron and Worthy Patron of the Pinckney Chapter took part in a beautifully executed drill work performed in the Civic Auditorium. At a luncheon at Lako's (formerly Win Schullers) Wednesday, Mrs. Camburn was presented with a lovely pink lounging robe from the Pinckney members attending the convention.

Mr. and Mrs. John C. Burg and daughter Mary Helen and friends from Taylor (a fellow tea-

cher of John's and his family) spent the weekend at Hillman. The boys hunted while the girls relaxed.

Mrs. Fred Read, Mrs. Sadie Read, Mrs. Charles Smoyer and Mrs. Robert Read were in Birmingham one day last week calling on Mrs. Wheatly.

Moran and Mrs. Gauss. Mrs. Sadie Read and Mrs. Charles Smoyer were Saturday evening dinner guests at the Fred Read home.

The young people of the Pilgrim Fellowship at the Congregational Church enjoyed a roller skating party at the Island Lake Rink on Wednesday evening, October 21. They are busy planning their Halloween dance which will be held the 31st.

Esther Kiner, daughter of the

Nelson Kiners of Patterson Lake Road, was initiated into the Rainbow Assembly for Girls last Thursday at ceremonies held in the Masonic Temple.

Who are you?

A person is much more than meets the eye. How deeply have you pondered this question of who you really are? Basically, a man's identity is spiritual. It depends upon God. When you stop to think about it, a clearer idea of who you are can change your life. You're invited to join us for a one-hour talk on this subject by Lenore D. DUMPING GROUND

It's always a problem when Tabby has kittens as to what to do with the little things... And a favorite dumping place for these little mites seems to be by Ore Creek as it comes out from under the city parking lot.

Hardly a week goes by but what some heartless person dumps one or more of these kittens... and usually they are of the female variety... This is a cruel thing to do to these little animals.

If you have kittens, or pups, you don't want or can't find a home for, all it takes is a phone call to the county dog warden and your problem will be solved.

Last week some duck hunter dumped a bag in the creek containing FIVE coots... Evidently he did not know his ducks very well and thought he was shooting mallards or some other species and he either tried to eat one of them, or a friend told him they were mighty poor fare.

Anyway, they were dumped in the creek to be disposed of by someone else.

THIS AND THAT...

There is nothing wrong in having nothing to say — unless you insist on saying it... Some men have more money than brains — but not for long... Wonder if the holes in our blacktop streets in Brighton are going to be patched before winter?

JOYCE HATTON

IT'S HARD TO BELIEVE

It's hard to believe as good looking a gal as Joyce Hatton could be a politician, but that's the way it is... She's a candidate for the four year term on the State Board of Education... But don't get your hopes up, boys, she's married and the mother of six children... She's still going to get my vote! How about it John, are you going to vote for her?

WHY THE FUSS?

I cannot understand why everyone is afraid to mention the real reason for anyone objecting to the Massachusetts Ballot... and that reason is that it will prevent the ignorant and illiterate person from voting.

Intelligent voters seldom cast a straight party ballot, because no party has a corner on ALL the good candidates.

And if a voter doesn't have enough intelligence to read about the various candidates he is going to vote for — or lacks the energy to do so — we are in a pretty sad state.

The Massachusetts Ballot should create interest in elections, because it will be necessary to spend time to learn who the

candidates are and what they stand for.

It will no longer be able to lead the illiterate voter to mark an X at the top of the ballot... and that should make for better government.

"You'll not get one little bit of that beef. It's for the waker!"

Milk Production Costs Compared

Milk at \$4.00 per cwt. can be worth as much to a Michigan dairyman as \$5.00 milk is worth to his California counterpart.

The reason: lower costs in the Wolverine State.

C. Ray Hoglund, Michigan State University agricultural economist, reports that many dairymen in metropolitan markets such as Los Angeles contract for a high percentage of their milk at a net price of about \$5.00 per cwt. But the grain fed to these dairy cattle is valued at about \$62 per ton.

"Is there anything I can do to make you more comfortable?" the good wife asked mournfully.

"Yes, there is. Could I have

6 REASONS WHY YOU SHOULD ELECT

MARTIN J. LAVAN

MARTIN J. LAVAN

PROSECUTING ATTORNEY
LIVINGSTON COUNTY
DEMOCRATIC

FIRST REASON

Elect a full time prosecutor. If I am elected I will devote full time to the office of prosecutor.

SECOND REASON

I will move the office of prosecutor back into the courthouse where it belongs (And out of a lawyer's private office where it does not belong)

THIRD REASON

Elect an experienced lawyer who has practiced law in Livingston County 30 years and knows the problems of its citizens.

FOURTH REASON

Elect a lawyer experienced in county government: now serving as a supervisor and Brighton City Attorney.

FIFTH REASON

Elect a man whom you would want as your prosecutor for the next four years (Now all county offices are elected for 4 years, not two).

SIXTH REASON

The people of Livingston County have been very good to me and my family and I want to repay them by doing a good job for them and devoting full time to the performance of my duty.

I promise, if elected to represent every individual in the County fairly and without prejudice. And I further promise that all cases brought to the office of prosecutor will be processed immediately without fear or favor.

This adv. sponsored and paid for by friends electing Martin J. Lavan for Prosecuting Attorney.

Bake - Rummage Sale Saturday

HEY GALS! According to the Pinckney Elementary P. T. A. officials, the time of year has arrived when everyone should be shifting clothes around — putting summer ones away and bringing out the warm ones for winter. Therefore, they are making a plea for all your discards, items that won't fit Frankie, or that can't be used by Frankie, etc. You know?

You are wondering why? Well, October 24, at 9 a.m. till 9 p.m., they are staging one of the biggest and best Bake-Rummage Sales yet to be had by the P.T.A. Jane Widmayer, publicity chairman for this affair, claims they are out to make this year's profits surpass last year's by far, and last year's sales was terrific.

Homemakers are urged to collect these items and if so desire, call anyone of the following people for "pick-up-delivery" service. P.T.A. President Robert Graf, 426-8447; P.T.A. vice-President, Harold Neuman, 426-4316; Mary Lou Halliburton, 426-4543; Virginia Amburgey, 878-3423; Jo Ann Matteson, 878-3483; Jane Widmayer, 878-3422. They prefer picking up your items or have them dropped off, on or before Friday, October 23, enabling them to have ample time to prepare them for the sale Saturday.

Baskets of white mums and lighted tapers adorned the altar of the Bethlehem United Church of Christ, Ann Arbor, for the wedding of Miss JoAnne Steeb to Mr. Frederick Dee Berry last Saturday, October 10. The ceremony was performed by the Rev. E. R. Klautt.

Mr. and Mrs. Ralph M. Steeb of Pinckney and Mr. and Mrs. Fred S. Berry of Venice, Calif., are parents of the couple.

The bride, given in marriage by her father, walked down the aisle wearing a dress of ivory crepe featuring a floor-length sheath skirt with a detachable chapel train. The bodice and cuffs of the dress were trimmed with bugle beads, crystals and mock pearls. A matching pillbox crown fashioned especially to match her gown held her shoulder-length veil of French illusion, in place. She carried a bouquet of white and bronze chrysanthemums.

Mrs. Joal J. Berry of Pinckney was her sister's honor attendant and Miss Margaret Garner of Ann Arbor, friend of the bride was bridesmaid. Both girls wore emerald green crepe floor-length dresses, fashioned with velvetene bodices. A large rose bud made from velvetene and emerald veiling made up their headpieces.

Jerry Berry of Ann Arbor assisted his brother as best man. Seating the guests were Norman Bock, James Knight, and James Amburgey all of Pinckney.

Mrs. Steeb chose for her daughter's wedding a peacock blue crepe dress with matching accessories. Mrs. Berry wore a beige knit suit with gold and white accessories.

A reception for the two hundred guests was held at the Newport Beach Club at Portage Lake immediately following the wedding ceremony. After a trip through Northern Michigan, the couple will live at 11245 Algonquin Drive, Portage Lake, Pinckney.

A dinner for the wedding party was held at the home of Mr. and Mrs. Bruce Essenburg Friday evening following rehearsal at the Church.

Bob Umstead Begins 18th Year

Twenty-one friends and relatives gathered at the William Baughn home Friday evening to help, what turned out to be, a very surprised Bob Umstead, celebrate his 18th birthday. Ideal weather, warm and quiet, and a beautiful Harvest moon helped make a weller roast most pleasant. After the fire died down, the group moved inside for dancing and ice cream and cake, and to watch Bob open his gifts. Bob's mother, Mrs. Pat Roslecki, assisted as host for the fun-filled affair.

On Wednesday, October 14th,

Rights Commission and interest-
ed guests met in the room of
the sanctuary in the First Meth-
odist Church of Brighton.
The Methodist Youth Fellowship
and friends had a delightful time
at their fall hayride on Saturday,
October 17th. After the hayride
led by Clarence Taylor, the young
people and their counselors (num-
bering over 40) returned to the
church for refreshments.
During the worship service of
October 18th, members of the con-
gregation indicated their declara-
tion of intention to support the

The day (Loyalty Sunday) culmi-
nated in a Victory Celebration at

cial responsibilities, and the call-
ers were very pleased by the re-
sponse of people in the worship
service as well as in their homes.
Kaye Hood and Don Carney,

project by taking time to assem-
ble the UNICEF boxes which the
children will use in their calling.

troit on Monday, October 19th, to
hear E. Stanley Jones, famous

FIVE YEARS AGO
October 14, 1959

The official dedication of Brighton's new, modern Post Office was to be held Sunday, October 18 at 2 P.M. with U.S. Senator and Mrs. Pat McNamara, Congressman Charles Chamberlain and A. C. Peterson, director of Postmasters in attendance.

Over 45 interested and curious people and witnesses crowded the top floor of the Brighton City Hall today near capacity to see and hear the preliminary examination of Alvin W. Knight, charged with the murder of Trooper Albert Souden last Sept.

Mr. and Mrs. Orville Nash of Swarthout Road celebrated their golden anniversary at a dinner for 35 guests at the home of their son Lloyd Nash. The Nashes are lifetime residents of this area and lived at the same address these 50 years.

Valiant attempts were made by Officer Harry Russell of the Conservation Dept. and on lookers to capture a 45 pound monkey. Mrs. Potysch of Eight Mile Road coached the large monkey into her home with bread and jam and then closed the door. Needless to say the room was a shambles when he escaped again. It was finally necessary to shoot the animal.

She is the sister of Jack Lucas, Woodland Lake.

Sunday morn Mr. Lucas and son Joey got up bright and early to go into Detroit for Mass. they then accompanied their sister and aunt to the Metropolitan air port. We all wish her happiness in her chosen field.

The Livingston players put on a very well received play again. Among those that went from North Brighton were the mesdames Beverly Adams, Sally Taggart, Inez Lucas, and Ruth Dishong. They all enjoyed it. Get well wishes are sent to Mrs. Gerry Gerard who had a painful accident Saturday evening. She went to reach for some-

Cold Water Soap Has Advantages

Cold water detergents for your home laundry? Try them, say Michigan State University home economists, but proceed slowly and thoughtfully.

The new cold water detergents do mean less shrinkage, less fading and less ironing, according to Georgianne Baker, home management specialist with the MSU Cooperative Extension Service. And they are a boon to clothes that need warm or cold water wash.

Industry representatives also say that cold water detergents prevent stains from setting, save on heating bills, insure longer fabric life and save hot water for other uses.

County to Get A New Potato

Thanks to a scientific "crash program," Michigan potato consumers will soon be enjoying the taste and quality of a brand new potato variety. And growers may be reaping some added income from the change.

The new variety, Russet Arenac, is the product of a "population explosion" aimed at putting the new potato on the market in record time.

The Russet Arenac, which has excellent baking and chipping qualities, will start appearing in Michigan stores as soon as the 1965 crop is harvested.

The Russet Arenac will be easily recognized by its russet-like skin color. It will carry many of the same characteristics as the White Arenac which is already gaining popularity in Michigan.

Do we really need a Medicare Tax ?

Health care is now available for "over 65's" who cannot afford to pay

If you are over 65, facing medical expense and can't pay for it... It's yours for the asking, already provided for by law. The Kerr-Mills Act offers a Health Opportunity Program for the Elderly with the federal and state governments sharing the cost.

In most states this care is far, far greater than that offered by Medicare proposals... and no additional tax is necessary!

If you are elderly, and without funds for needed medical care, ask your doctor about the Health Opportunity Program for the Elderly, or call your local medical society.

Harry and Becky Seger Honored For Service

Harry and Becky Seger have been honored by the Brighton Kiwanis Club for their many years of civic service to the Brighton area and have had a plaque prepared to be presented to them.

Mr. and Mrs. Seger left Brighton two weeks ago to make their home in Arizona. Harry had been a barber here and served on the school board, while Becky was school nurse for many years.

A letter from the Kiwanis Club follows:

This letter in the name of the Kiwanis Club of Brighton, Michigan and all its members, is an acknowledgement of the many years of service you have given to this community.

A plaque is being prepared in your honor, HARRY & BECKY, and will be forwarded to you at your new residence, and we hope it will bring many pleasant memories of your civic work and achievements during your many years as a servant of the citizens of this community on the School Board and as School Nurse and the many other activities in which you involved yourselves.

May we extend to you at this time, our heartfelt Best Wishes in whatever endeavor you undertake in your new location and may success smile upon you in the years to come.

Thank you again Harry & Becky for having given us so many years of effort and may God bless and keep you both.

Your friends in Kiwanis, Douglas N. Parmenter President

Find Pesticides Kill Few Birds

The fear that the use of pesticides in agriculture may be creating menaces to human and animal life which far outweigh any advantages has been exceedingly well publicized in recent times. A common charge is that birds in great numbers are being destroyed.

Now, an analysis has been made of figures compiled by the Audubon Society which keeps track of the bird population through the counts of bird watchers. The substance of it is that, over a period of about 20 years, there have been large increases in the birds counted. Specifically, in 1940, 2,200 counters listed a total of 2 million birds; in 1961, there were 77 counters and their total was 37.8 million.

Inescapable conclusion is that the chemicals used by farmers to kill pests, a major factor in the phenomenal production of U. S. agriculture, are not at the same time killing birds on a larger scale. Nearly everyone will be happy that noisy, rather than silent springs are in prospect in America.

Here is another significant contribution to the mounting pile of evidence that criticism of pesticides use, no matter how well-meant, has reached totally unjustified dimensions.

Speed Cause of Fractured Skull Friday Night

Friday night was a bad time for accidents in this area, with Livingston county's 21st fatality being recorded, as reported elsewhere in this paper, and two other serious accidents occurring.

Tim R. Schaffer, 22, of 1375 E. Grand Blvd., Detroit, was driving on M-36 at excessive speed and near Merrill Road failed to make a curve, the car hitting an embankment and rolling over. Schaffer was taken to St. Joseph Mercy Hospital with a skull fracture and lacerations.

The same evening Frank Strzalkowski, 46, of 5280 Bauer Road, was driving on Brighton Road and as he came over a hill lost control of his car, which went off the left side of the road down a 25 foot embankment. He was taken to McPherson Health Center by Keehn ambulance.

Sgt. Adams Cited By Commander

SGT. BENNY ADAMS

Sgt. Bennie I. Adams, son of Mr. and Mrs. Ira Adams, has received a very high commendation from his commanding officer, while serving in Korea.

Sgt. Adams is now stationed at Fort Bragg, North Carolina, and has been in the United States Army seven years. He is married and the father of two children. He is a Brighton High graduate. The letter follows:

"I should like to take this opportunity to commend you for your superior performance of duty as a member of the Battalion S4 section.

"During your tour in this battalion you have served as supply specialist and then ration sergeant. Late in the training cycle a sergeant was needed. Even though you had no previous training in this field you accepted this challenge. With perseverance and hard work you have done an outstanding job as ration sergeant. Our units have never been without a meal even under most adverse conditions. Aerial supply has been employed, in some cases, to insure prompt delivery of supplies.

"As you depart this battalion for a new assignment I am confident you will continue to progress professionally. Aggressive young non-commissioned officers such as you are the backbone of the Army. Continued performance of duty, as you have in this organization, will insure continued advancement. It has been a pleasure to have you in my command and I wish you the best of luck in your future endeavors.

Reno A. Mazzucchi
Lt. Col., Artillery
Commanding.

Sgt. Adams also received several other letters of commendation from the commander of the quartermaster group, the adjutant general of the quartermaster battalion and others.

Asphalt Terminal Robbed Sunday

A breaking and entering was reported to Brighton police Monday morning when it was discovered that a door had been forced open at the Standard Oil Asphalt Terminal on Center Street. It was reported that 43 gallons of gasoline, seven quarts of oil and a section of hose were taken. Some time Tuesday night 250 gallons of waste oil were taken from Cole's Standard station. The oil was kept in an underground tank and evidently the thieves used a tank truck to pump the oil out.

Last Thursday night someone knocked out a windshield in a truck belonging to Warren Andersen, contractor on the street paving in Brighton. The truck had been parked on Cedar street.

Purchasing Dept. Saves County Money

Joseph H. Ellis explained last week at the supervisors meeting the importance of the purchasing department which was added to the county this year.

He said that from a revolving account set aside for purchasing that only \$700 was used this year. The account originally had \$2000 in it.

Mr. Ellis said that establishing of the purchasing department was saving the county money.

Mr. Ellis, who is the county's purchasing agent in addition to his duties as county clerk, receives \$1000 per year for this job.

Hamburg Community Chest Drive Began Tuesday, Oct. 20

Mrs. Donald Kaump, chairman of the Hamburg-Putnam Community Chest Drive reports that sixty women have volunteered from Hamburg Township to assist with the drive. Hugh Radloff, is directing the business contacts in Hamburg. All materials were in the hands of the workers in time for the "Kick-Off" date which was Tuesday, October 20th.

Members of the board from Pinckney have met and formulated their plans for the Drive. This group lists Mrs. Colone, Mrs. Ralph Hall, Don Gibson, and Don Swarhout.

Persistent Work Pays Off For Esther Seeling

Persistent efforts of Mrs. Esther Seeling, Child Welfare Chairman of the Department of Michigan, Legion Auxiliary, was rewarded when the Legislature passed a law requiring a prescription for the sale of paregoric. We are pleased to reprint an article in the October issue of National News of the American Legion Auxiliary as follows:

On January 7, 1964, the Child Welfare Committee of the Department of Michigan, along with the Department President and Secretary-Treasurer, held a meeting to discuss the programs presented at the Area D Conference in South Dakota.

It was at this time that Senator Youngblood and Representative Toepp were campaigning to have paregoric classified as a narcotic. With the feeling that this was a good time for the Auxiliary to help to have the bill passed, Department President Edna Claraham contacted the Department Legislative Chairman, who immediately had fliers put out to every Unit requesting assistance in the form of letters to members of the Legislature urging enactment of a law making a doctor's prescription necessary for the purchase of the depressant drug.

The bill was passed by the Legislature and was signed by Michigan's Governor Romney. The measure requires a pharmacist to dispense paregoric only on a written or oral prescription from a registered physician, dentist or veterinarian.

Election School Thursday Night

Joseph H. Ellis, Livingston County Clerk, announces that an election school will be held this Thursday night, October 22 at eight p.m. in the court house at Howell. He urges all precinct election inspectors to attend.

There has been a record number of absentee applications from military personnel and government workers for absentee ballots. Our local township and city clerks are busy processing and getting the ballots in the mail, many of them to foreign countries by airmail special delivery.

"As of the close of registration October fifth there was a record number of people registered; the total registration for the whole county being 19,759," said Mr. Ellis.

LETTERS TO THE EDITOR

Dear Mr. Seger:

A few old-timers would be interested in knowing of the death late in August (I do not know the day) of Dr. L. A. Farnham (Gus) who has practiced medicine in Pontiac, Michigan, for about fifty years. He was the son of Rev. Philip A. Farnham who preached at the Kensington Baptist Church about 1900, and later in Brighton. Very truly yours,
Henricka B. Beach

Here are the five northern areas where Michigan's first elk hunting season in modern times will be held Dec. 5 - 13. Hunter quotas totaling 300 licenses have been set for these areas, four of which will be open to taking elk of either sex. Area No. 2 will be restricted to hunting antlerless animals. License applications are now at the Conservation Department's regional headquarters, field offices, and Publications Room in Lansing. They are available only to residents of Michigan 14 years and older. Full-time Conservation Department employees are not eligible. Each entry must be accompanied by a \$25 check or money order and mailed to the Department's Lansing headquarters. Aug. 10 is the deadline for postmarking applications. A drawing is scheduled later that month to determine who will receive licenses to hunt areas where applications exceed hunter quotas. License fee will be refunded to unsuccessful applicants. — Mich.
