1,599 Voters Visit Polls At Hamburg Tuesday

From the nearly 1800 registered voters in Hamburg Township, a total of 1,599 citizens turned out to vote for the candidate of their choice, in the November 3 general election. This, according to the incumbent officials, is one of the most successful election turn outs the township has had in many years.

Strong opposition faced most of the incumbent officials prior to this election, and in a few cases caused the final tallies to be closer than predicted.

The weather, warm and sunny, made it ideal for the voters to get to the polls. A steady stream continued throughout the day resulting in no line at 8 p.m. the hour the polls officially closed.

This was termed unusual by election board inspectors who have worked previous years. This also allowed the inspectors to complete their tabulations earlier

than what usually takes place at elections.

The following is an unofficial report of votes cast in the Township of Hamburg. Supervisor, incumbent, Francis E. Shehan, (D) received 758 votes, against Delbert C. Leapley, (R) with 639; Clerk, incumbent Edward Rettinger, (D) with 782 won over Lester M. Sharp, (R) who had 616 votes in his favor; Treasurer, Incumbent Ellen S. McAfee, (D) with a land slide of 954 votes, won over Virginia L. Slagle, (R) who received 451; Trustee, William Backlund (D) received 708 votes to Ralph Otto Winkelhaus' (R) 626; Justice of the Peace, incumbent, Paul Bairas received 741, and Morton J. Scott, Jr. received 590. The four constables on the Democratic ticket received the following Harold Courter, 852; Henry Gallup, 845; Leonard Hoefl, 826, and Frank Vosmik, 857.

Pinckney Elementary Halloween Party

Another Pinckney Elementary P.T.A. Halloween Party has been and gone, and a very successful party it was this year, according to P.T.A. president Bob Graf. An estimated 530 little "goblins" were present for the evening's fun of games, prizes and treats to eat Saturday night at the high school gym.

Grand prize winner for the "best costume" was divided between two children, Chuck Gerdel and Steve Swarthout. They were dressed in a "homemade" Robot suit and were named the "Robot from out of Place."

First place in the age group of pre-schoolers up to 6 years was won by David Wylie. He was dressed as a "farmer boy". Second place in this grouping went to Ronald Vilel for his being dressed as an Indian squaw; 3rd place went to Lorie Myland for her "bunny" costume; and fourth place went to Laurie Schenden, dressed to look like a package of Old Gold cigarettes.

In the age group of seven to 16 years, Mike Hendee took first place prize for the "mummy" costume he wore; second place was divided between two people, Nancy Collier and Mary Chris Ledwidge. The two girls were dressed identical with pumpkins on their heads and scare crow type clothes; 3rd

place went to "hobo" John Perry; and Sara Geib took 4th prize for her costume, that of a princess.

Those in attendance, ages of 11 years and up, also joined in the fun and Fred Perry took first place prize dressed as a "beauty queen"; 2nd place went to "Pirate" Paul Singer; 3rd place went to "Dutch Girl" Kathleen Swarthout and 4th place was claimed by "Minnie Mouse" Barbara Zzulka.

In addition to the prizes given for the costumes a "Twist" contest was also held and those of various ages won ribbons for their talent. In the age group, pre-school to 6 years the winners were Laurie and Barbara Schenden, first place; Cindy Janowski and Sherril Kaerecher, second place; Larry Milam and Steve Gasper, 3rd place; and Dawn Weiss and Cindy Gilbertson, 4th place.

In the age group seven to ten years, first place went to Ann Williams and Patty Begely; 2nd place went to Hilda Gray and Pam Waite; 3rd place went to Debbie Darrow and Jacquie Kozmecheck; and fourth place went to Wendy Beckman and Ann Rogers.

In the age group, 11 years and up, Vickie Jane Widmayer and Sandra Grant took first place.

The Way We Hear It!

BY DOLLY BAUGHN

... the senior class of P.H.S. will sponsor a "car-wash" this Saturday at Jerry's Gulf on Main Street. A good wash job will cost a person just \$1.00 and it will last from 9 a.m. till 5:30 p.m. This, I hear, is a most worthwhile cause. The seniors are raising funds for their senior trip, which they hope will take them to Washington, D. C. this next spring. Good luck, kids!

... merchants in the Village were pleased with the fact they had very little, if any, soap or wax to wash off their windows following Halloween night. This is a fantastic thing! Something that has not happened in recent years—since soap was first manufactured. I hear, there were a few Halloween house parties—do you suppose these "windows-soapers" could have been at these parties? Of course, the egg slinging was rather strong this year. Isn't it strange the activities that entertain some people? Mom and Dad do you know where your charges were Saturday night? Were they the ones standing on the street corners in the Village throwing eggs at other persons and at cars??

... Denny Williams is home from the hospital now, according to his mother. Denny was injured in the Hudson football game two weeks ago. He reportedly is coming fine, but won't be back on the gridiron this season—

... the football game at Fowlerville last Friday night was an exciting event! And I would like to add, the score of 35-0 was by

no means the slightest indication of the game played. It sounds like the Pirates might have gotten "traumated" but they certainly did not. They were at their best, and considering the changes that were made in the lineup due to players being injured, I believe anyone would have to admit they played a better game than their opponents. (I do believe I am a little partial.)

... Livingston County nurses, Club will meet Nov. 9 at the County Health Department, 204 East Grand River, Howell. Lewis Weeks will speak on "English Hospital and Health Service Plan."

... all those who wish to see this week's Varsity football game should make note that it is an afternoon game, beginning at 4 p.m.

The annual Harvest Smorgasbord sponsored by the Sunday School department of the Community Congregational Church will be held this week Saturday, November 7, at Pilgrim. Serving will begin at 5 p.m.

The smorgasbord will feature rolled, boneless turkey, ham, hot dishes and a great variety of salads, relishes, rolls and desserts.

Mrs. Robert Amburgey, general chairman for this year, is being assisted by hosts of committees to make this event even bigger and better than ever.

The public is invited. The popular family ticket at \$5.00 is again available this year; adults tickets are \$1.50; children thru 12, \$1.25 and pre-schoolers are admitted free of charge.

THESE WINDOWS are those of Mrs. Alta Meyer's seventh grade room decorated for Halloween by several students. They made for very colorful scene from the playground and were enjoyed by the students and faculty.

JAMES NASH, left and Danny Williams are the students responsible for the colorful "Thanksgiving" bulletin board display in Mrs. Alta Meyer's seventh grade class room at Pinckney Elementary. Using construction paper the boys made a "Horn of Plenty" and the words, "Thank Unto God". A poem written by Danny is displayed at one side of the board. The title of the poem is "Thank You" and it reads,

Thank you dear God
For giving to me,
A loving home
That is free.

Wonderful food
So good to eat,
Thank you dear God
For giving us all,
Life's sweet breath
A gift so free.

THE MORNING class of kindergarteners at the Pinckney Elementary School were caught last week making themselves busy preparing Halloween decorations for their room and for their party last Friday at the school.

The group will meet again Tuesday, November 10th, at the home of Jim Lavey at 8 p.m. Chairman Schenden issued an open invitation to all young men to attend next week's meeting. Goblins, Ghosts Attend Church Masquerade Party

Several adult spooks and goblins met Friday evening, at the People's Church in the dining room which was disguised with leaves, balloons and jack-o-lanterns. They were really strangers to many of us and apparently came from all walks of life.

One weary pilgrim, who evidently had worked with a road gang all day, stumbled into our group dragging his heavy chains, occasionally a snore came from his corner of the room.

A portly lady so zealously guarded her overnight bag that we became curious as to its contents. . . could it be that our Pinckney Bank has been robbed again? A shepherd, after leaving his flock safely in the sheep fold for the night, came next, still carrying his staff.

One dear little old lady with a very prominent nose came with her sun bonnet on. . . she took no part in the conversation just listened attentively to hear what gossip she could. A very dignified and scholarly Chinese gentleman was one of our guests. Could he

have been the noted surgeon from Hong Kong of whom I have read recently?

A tall witch, with an even taller hat; a clown in a nifty attire; Gabby Hayes and our host and hostesses completed our group from "all works of life".

After disguises were removed, games were played, stunts performed and refreshments consisting of cakes, sandwiches coffee and all the good cider you could drink were served. We left for our homes just worn out from laughing.

Aids Brother Escape From Training School

From the number of runaways from the Boys Vocational Training School at Whitmore Lake it would appear that they are doing very well on their own, but recently one of the boys received an assist from his brother in escaping from that institution.

Bruce Turner graduated from the BTS about a year ago, and then enrolled at Eastern Michigan University, where he spent a year. It appeared that Bruce had "seen the light" and was well on his road to being a complete citizen.

Then on October 15 he drove to the BTS and asked to speak with his brother Charles Turner, 17. After talking for some time, it appears that from previous experience Bruce knew a few "tricks."

Anyway, it is reported that he kept his foot in a door and prevented it from locking and soon the two brothers ran to the waiting car and took off.

They slept in Wayne over night and then took off for Oklahoma, where they spent a few days.

But the urge to return home was too strong, and soon they returned to Detroit where they were picked up October 26.

Bruce was arraigned before Justice of the Peace Eric Singer where he waived examination on a charge of aiding in the escape of his brother from the BTS. He was bound over to the December term of Circuit Court and in lieu of a \$2500 bond is being kept in the Livingston county jail.

TEENS 'N TRAINING
By Shirley Hollister Sec.

Sunday Oct. 25th, our youth group, T 'N T, had a surprise party for our sponsors, Chuck and Mary Hewlett.

At the Sunday night service we presented them with a bible with their names engraved on the front. This was done all in appreciation for what they have done for our youth group.

We had a Halloween party Oct. 31st in the basement of the church inviting Hiawatha Beach Church to join us.

November 6th we have planned a going away party for Elaine and John Darrow. They are going to Florida for a few weeks.

So Teens, we've got a bus, with loads of room in it, and if you want to come to T'N T at the Peoples Church every Sunday at 5:30 give Rev. Murphy or Chuck Hewlett a call and they'll make sure you get a ride. We'd love to have you come and bring a friend or better still bring many friends.

telephone lines

By NICK PRAKKEN, Manager

SOME OF YOU HAVE ASKED why we don't somehow prevent annoying telephone sales calls from reaching our customers' homes. One reason is that the law requires us to provide service for any lawful purpose. And selling by phone is entirely legal. Another reason is that many sales-by-phone organizations really do offer outstanding bargains. We wouldn't want our customers to miss out on those.

We do try in many ways to encourage better telephone manners among business people. Gradual improvement can be expected as a result.

Meantime the law of self-defense certainly applies. When a telephone salesperson is rude or overly insistent on the phone . . . feel free to hang up.

THIS CHRISTMAS, GIVE YOUR PHONE AN EXTENSION—and give yourself the added convenience of two phones at a fraction more than the cost of the first one. What can say more at Christmas, and all year long! To order your Christmas extension phone, call our Business Office or ask your Telephone Man.

SHOP EARLY for the best buys at Christmas. Equally good advice: shop by phone, whenever the weather's too bad or you're too busy for shopping in person. You'll enjoy the season twice as much, because of all the time and trouble you save.

This reporter's house was in mild chaos most of last week—a happy, happy event shook the household.

Tuesday, Oct. 27, Christine Schroeder became the bride of Kurt Haaxma of Ann Arbor at St. Paul Lutheran Church in Hamburg with the Rev. Prof. Eugene Nielsen officiating. Linda Shelhart, dressed in a pale blue suit, was her attendant and James Kiess was Kurt's best man. Ralph A. Schroeder Jr. and David Haaxma were the ushers. Christine wore a white two piece dress with pink accessories. A reception at the Ralph Schroeders followed the ceremony. The couple will live in Ann Arbor where both are employed. Kurt is the son of Mr. and Mrs. William Haaxma of Ann Arbor.

Henry Eskola returned home Saturday after a week in McPherson Community Health Center. He is doing very well. Mrs. Velko Hammari of Ishpeming, Dr. and Mrs. Roger Mattson of DeWitt, Mr. and Mrs. Paul Mattson of Saginaw and Mr. and Mrs. J. J. Samuli of Northville visited him over the weekend.

Ray Kohn visited his parents in Port Huron last week.

The elections are causing a good stir even in this area. By the time this comes to your attention, the polls will have decided the issues. I hope you exercised your right to vote.

Munzel Upsets Spicer in Green Oak Twp.

In one of the major upsets in local townships, Herbert L. Munzel, Democrat, won over incumbent Howard Spicer, Republican, for township supervisor, 819 to 746 Spicer had been supervisor of Green Oak for the past 14 years, but has been in trouble the past year as one controversy after another has come before the township board.

It is evident that all this controversy hurt Spicer as Green Oak has been predominantly Republican over the years.

Other contests in Green Oak are:

Township clerk: Mona Wenzel (R) 775, Howard Clair (D) 758.
Treasurer: Pauline Kravetz (R) 780, Robert Anderson (D) 766.
Trustee: Gerald Sixbey (D) 758, Arthur Standlich (R) 746.

Hamburg Twp.

Voters in Hamburg township turned out in record numbers Tuesday as 1,599 visited the polls out of a total registration of nearly 1800. All Democrat incumbents were all re-elected by safe margins. The tabulation is as follows:

Supervisor: Francis Shehan, (D) 758; Delbert Leapley, (D) 638; Clerk Edward Kettinger, (D) 782; Lester M. Sharp, (R) 616; Treasurer: Ellen McAfee, (D) 954; Virginia Slagle, (R) 451; Trustee: William Backlund, (D) 708; Ralph Otto Winkelhaus, (R) 626; Paul Bairas, (D) 741; Morton Scott, Jr., (R) 590; Constables: Harold Courter, (D) 852; Henry Gallup, (D) 845, Leonard Hoelt, (D) 826, and Frank Vosmik, (D) 857.

Genoa Township

There was only one contest in Genoa township for local office and that was a run-away as perennial winner Mary Koch easily outscored her opponent, Mary Merrow, for township treasurer.

The township vote is as follows: Supervisor, John Seim 624; Clerk, Dorothy Verellen 598; Treasurer, Mary Koch 640, Mary Merrow 278; Trustee, Henry Itzell 594; Constable, George Prieskorn Sr. 1.

Brighton Twp.

Brighton township was another local township with only one contest, that for clerk, with Wilfred Ernst polling for a 200-vote majority.

The tabulation: Supervisor: Robert Beers 761; Clerk, Wilfred Ernst 813; Elaine Black 428; Treasurer Mae Schmadke 819; Trustee, Lawrence Young 765; Justice of the Peace, Kenneth Weber 780; Constables, Roland Bair 756, Jack Law 729, John Hochreiter, Jr. 705, Rudy Sistik 38.

Putnam Twp.

PUTNAM TOWNSHIP: Supervisor, Stanley Dinkel, (R) 500, no opposition; Clerk, Murray Kennedy, (D) 657; Treasurer, Helen Reynolds, (D) 623; Trustee, Louis Stackable, (D) 604; Justice of the Peace, Bertrand Wylie, (D) 631; Constables, Phillip Gentile, (D) 588; Arthur Rentz, (D) 644, Louis Rogers, (D) 530, and Herbert Schenden, (D) 581.

Pinckney Prattle

BY ALICE GRAY

Well Halloween has come and gone for another year and it was a remarkably quiet night in the old town. Halloween seems to be getting more civilized each year. It was but a few years since when a city or village did not find more than a thousand dollars worth of damage to repair after Halloween they considered themselves lucky. In the old wooden sidewalk and horse block days (not too distant a time in Pinckney) was when the damage was really done. And hardly a Halloween went by without the inevitable tipping over of the "Chic Sales" which had been carelessly built behind a large shrub.

For one, an everlastingly thankful that "Trick or Treating" has been limited for several years now to only one hour in

the village.... the youngsters have just as much fun and their bag of treats seem just as full (at least my children thought so). Mr. and Mrs. Ronald Bond (the former Linda Lee) and youngsters Kelly and Bradley, have bought a home in Brighton and have moved there from Portage Lake. Mrs. Bond is now a practical nurse at the McPherson Health Center.

HUNTERS RETURN

Pinckney's Marshal Robert Egeler and Mrs. Egeler have returned from a two week long hunting trip near Helena, Montana where Bob was lucky enough (and shot well enough) to collect an 8-point deer. Mrs. Egeler was equally proud of the three pound rainbow trout she snagged. The Egeler also visited his uncle that lives in Helena.

Mrs. George Holt attended the Zahn estate auction at the Zahn farm at Parker and Waters Road last Saturday. We hear there were some lovely antiques auctioned off to the large crowd there.

Mrs. Leona-Marie Bonner spent last Sunday in Grand Rapids where she was the guest of Judge and Mrs. Thaddeus B. Taylor.

Little David Wylie, youngest son of Bert and Rose Wylie, was the proud possessor of first prize in the pre-school group of Halloween costumes judged at the party sponsored by the PTA and Pinckney Village Council on Halloween night. Bert tells us Dave was dressed as a "drought-stricken farmer".

Miss Dorothy Rohl is visiting friends and relatives in St. Joseph, Michigan this week.

Weekend guest at the home of Mr. and Mrs. Stanley Dinkel was their friend Miss Nora Riding of Lapeer.

The Maurice Darrows had callers from Ann Arbor last Sunday. Mrs. Darrow's sister, Mrs. Hazel Thompson, former Pinckney resident, is spending a few weeks in Ann Arbor visiting her daughter Mrs. Betty Cleavinger. Mrs. Cleavinger and Mrs. Thompson spent Sunday with the Darrows.

JINGLE BELLS PASSES ON

For the past thirty years a small grey pony called Jingle Bells grazing in the fields at the L. J. Henry farm has been a familiar sight to travellers on East M-36. The Henrys got the pony when their son Gerry was only six months old and it had been a family pet for the other little Henrys that followed, too. But last week, Jingle Bells, succumbed to old age and the frailties it brings to all creatures and so another

Pinckney "landmark" will become a legend.

The George Holts of Patterson Lake Road had as their Sunday guests their daughter and her husband, Mr. and Mrs. Jerry Mulligan of Berkley. Mr. Mulligan keeps his horse at the Holt Pony farm and took this opportunity for riding.

After services Sunday at the Swarthout Funeral Home for Ben A. Sanderson, Don Swarthout and Duke Van Blaircum took the body to Minneapolis, Minn. for burial.

Mrs. Helen Van Blaircum was the honored guest at a family get-together at the John F. Burg home last Sunday night on the occasion of her birthday.

Mr. and Mrs. Abner Watkins were in Detroit Wednesday visiting his sister Mrs. Grace Lincoln.

Last week Thursday Mrs. Leona-Marie Bonner, Mrs. Fred Read and Librarian Miss Florence Preuss were in Lansing attending the Michigan Library Association meeting.

Mr. and Mrs. Leland Grant and family traveled to Clarkston Sunday to visit with the Grant's son, John, at Columbian College. His grandmother, Mrs. Fred Wylie, went with them also.

WEDDING BELLS

Pinckney's Justice of the Peace Bert Wylie united a young couple in marriage last Saturday at 6:00 p.m. The ceremony took place in the bride's home on Hamburg St. Carolyn Fletcher and Al Doan spoke their wedding vows at that time.

Mr. and Mrs. Harold Henry are deep in blueprints these days as their new home at Portage Lake is being constructed at a good rate of speed.

Mr. and Mrs. Larry Camburn were up north at their cabin for several days last week.

This weekend will be a big one for all square dancers in Michigan when the Annual Michigan Square Dance Convention will hold forth for two days, Friday and Saturday November 6 and 7th at Lansing. The Pinckney Village Squares have cancelled their regularly scheduled dance for Saturday to enable their members to attend this annual event.

Percy Ellis was taken to a Nursing Home in Chelsea by the Swarthout ambulance Sunday.

The annual exodus from Pinckney to the warmer climates has started. Mr. and Mrs. L. W. Umstead left last Thursday for Sebastian, Florida where they will stay for the holidays.

24TH ANNIVERSARY

Mr. and Mrs. Robert Read of Portage Lake were honored on the occasion of their 24th

wedding anniversary at a family gathering at the home of Bob's sister and her family, the John McQuire, at their home in Orchard Lake. Present were Bob's parents, Mr. and Mrs. Fred Read, and his sister and her family, the Jim Whitelys, Rosemary Whitley came in for some of the celebrating, also.... It was her birthday, Mrs. Sadie Read, Bob's aunt, was also present.

Mr. and Mrs. John C. Burg (the former Bonnie Lee) and daughter Mary Helen have moved their mobile home from the Burg farm to the Starlite Trailer Park in Brighton. From there John will commute to his teaching position in Redford.

The mighty hunters have returned from the north.... we mean, Cliff Miller, Win Baughn, Harold Henry, Dale Miller, Ted Gary and Dutch Baughn. The kick for the extra point was good as was true on all five Fowlerville TDs.

At 6:55 in the second quarter Fowlerville blocked a Pirate punt and recovered. On the first play from scrimmage a pass was good for six more points.

With 2:30 left in the first half John Haas broke loose on an end around and fought off opposing tacklers for 40 yards. This one

Fowlerville JV Beat Pinckney JV

The Fowlerville Junior Varsity beat the Pinckney J.V. team last Thursday 19-0.

Twice fumbles within the Fowlerville 20 yard line cost the Pirate JVs possible touchdowns. Another time a failure to make a first down within the Fowlerville five stopped a big scoring threat.

The first two Fowlerville touchdowns came very early in the game. The first and second time they got the ball they drove right down the field to score, but the Pinckney team's defense tightened up and didn't allow another six pointer until much later in the game.

Jim Douglass played a good game for the Pinckney Junior Varsity catching 6 of 6 passes thrown to him and playing his defensive end well.

This Thursday the Pirates Junior Varsity play Dansville's Junior Varsity in Pinckney.

Northwestern game at the stadium in Ann Arbor.

Mr. and Mrs. Thomas Elmer of Pinckney are the proud parents of a baby girl born to them October 26 at McPherson Health Center.

Pfc. Gary Szalwinski of the US Marine Corps enjoyed a five day stay at the home of his parents Mr. and Mrs. Pat O'Leary enroute from San Diego, Calif. to his new base at Portsmouth, Va. when he will be attending Cripto School.

Pirates Beaten By Fowlerville

The Pinckney Pirates played the Fowlerville Gladiators last Friday to decide first place in the Ingham County League. Fowlerville dominated throughout the game and ran away with it 35-0.

At first it looked as if it was going to be an even game as both teams forced the other to punt on the first few series of downs. The Gladiators then put on a scoring drive topped off by about a three yard plunge. The kick for the extra point was good as was true on all five Fowlerville TDs.

At 6:55 in the second quarter Fowlerville blocked a Pirate punt and recovered. On the first play from scrimmage a pass was good for six more points.

With 2:30 left in the first half John Haas broke loose on an end around and fought off opposing tacklers for 40 yards. This one

In the third quarter there was no scoring. Another pass was good for six in the fourth quarter. With 1:36 left in the game the Gladiators got their last seven points. The time ran out on the clock and on the Pirates.

This Friday the Pirates go to Dansville, for an afternoon game.

ELEMENTARY SCHOOL

Because the American elementary school reaches the greatest number of our citizens for the longest time, it is responsible for laying the groundwork for healthy intellectual and personality growth.

Elementary school gives the child his first glimpses into the worlds of the social studies, art, science and literature — and it gives him an awareness of the vastness of information about these worlds. Here the child learns to read and use libraries. He learns to make judgments and identify fact and truth from fallacy and half-truth. He learns the power of his mind and becomes familiar with his talents and his shortcomings.

Elementary school helps the child develop his personality and teaches him to work and cooperate with others. It strives to give him independence and self-confidence.

The teacher is the child's idol during the elementary school years. Aware of this responsibility, the elementary school teacher works hard to set a good example for her students. She knows that everything she says and does makes a lasting imprint on the minds and memories of her pupils.

The young child is a delight. He is bold, and honest, and fun. The elementary school works to preserve these good qualities while it equips him with the tools for a satisfactory future life.

THIS IS ONE OF A SERIES OF EDUCATION FEATURES PUBLISHED AS A PUBLIC SERVICE IN COOPERATION WITH THE MICHIGAN PUBLIC EDUCATION ASSOCIATION, THE MICHIGAN EDUCATION ASSOCIATION, AND THIS NEWSPAPER.

Methodist Church Happenings...

The church school teachers of the First Methodist Church of Brighton met on Wednesday, October 28th, from 7:30 to 9:10 p.m. for their monthly session. For the first time this year, they brought in outside speakers to give them fresh ideas and suggestions for effective teaching. Mrs. Louis Eaton, Mrs. Bernie Franklin, and Mrs. Jack Wylie, all of the Howell Methodist Church, led the session and offered many exciting and helpful suggestions that have come out of their experience. Every other month, special programs such as this will be offered to the Brighton teachers.

On Saturday, October 31st (Halloween), members and friends of the Episcopal, Presbyterian, and Methodist Churches joined together to collect money for UNICEF from 6 to 7 p.m. The Rev. Robert Coffey showed a filmstrip of the United Nations Children's Fund and materials were distributed between 5:30 and 6 p.m. at the Methodist Church in preparation for the calling. The Rev. Robert Fildon distributed materials to Church School teachers and students on Friday night, October 30th, at the Episcopal Parish Hall.

The Rev. Robert Brubaker was in Parchment, Michigan, October 31 through November 3rd sharing in the Michigan Methodist Outreach in that area.

On Sunday, November 1st, Mrs. Clarence Taylor led the membership training class for adults in the parsonage in the absence of the pastor, Mr. William Lamoreaux, professional writer and editor of the Michigan University alumni magazine, gave the message at the morning service of worship, and other leaders included Fred Kerslake, Lloyd French, and Stuart Leach.

The Methodist Youth Fellowship met at the First Methodist Church at 2 p.m. on Sunday, November 1st, and visited the Chelsea Methodist Home. Along with other Methodist churches in the Livingston Sub-District, the Brighton young people presented a worship service for the older people, conducted a sub-district meeting, brought food and money for the residents of the Home, and shared in refreshments. Don Carney was one of the leaders in the service of worship.

Members of the Commission on Missions under the leadership of Mrs. Lyman Daniels will meet in the fellowship hall on Thursday, November 5th, from 7:30 to 9 p.m. The commission will make detailed plans for the School of Missions, or "Church at Work in The World" program to be conducted January 10, 17, 24, and 31. This is a new venture and the commission is excited about its possibilities. Missionary doctors and pastors will speak during the Sunday night programs and classes will be held for all age groups.

On Saturday, November 7th through Tuesday, November 10th, the Commission on Membership and Evangelism, under the leadership of Mrs. Clay Whit, will conduct a special Methodist Outreach Program in the Brighton area. The Rev. Charles Fry of Parchment, Michigan, will preach in special services of consecration on Saturday, Sunday, Monday, and Tuesday evenings. On Monday, at 8 a.m., all Methodist men are invited to a breakfast and discussion in the fellowship hall. That same morning, at 10 a.m., all Methodist women are welcome to attend a discussion group session at the home of Mrs. Clarence Taylor. Then from 7:15 to 8 p.m. that evening, the "Friendly Callers" will meet for a training session in the fellowship hall led by the Rev. Charles

Fry. The callers will visit in the homes of prospective members during the week at their convenience.

On Sunday, November 8th, the concluding membership training class for adults will be conducted by the Rev. Robert Brubaker in the parsonage from 8:30 to 10:30 a.m.

The Methodist Youth Fellowship will meet with young people from the Episcopal, and Presbyterian Churches at 1:30 p.m. Sunday, November 8th, to go to the Detroit Masonic Temple to hear the famous Bryan Green of England. The youth will leave from the Presbyterian Church, and all community young people are cordially invited to attend.

The membership training class for 7th and 8th graders will meet at the First Methodist Church from 4-5:30 p.m. on Monday, November 9th.

On Wednesday, November 11th, at 9 p.m., the Commission on Christian Social Concerns under the leadership of Leo Fitzgerald will meet in the room off the sanctuary of the First Methodist Church.

An early worship service from 8:45 to 9:30 p.m. will be initiated beginning Sunday, November 15th.

This coming Sunday, November 8th, the Rev. Charles Fry will preach during the service of worship.

Wesleyan Methodist

Dr. H. K. Sheets, General Superintendent of the Wesleyan Methodist Church of America, from Marion, Indiana, was the guest speaker on Sunday evening, Nov. 1, at 7:30. His challenging message emphasized the work of church extension. His visit here concluded a week long tour of the Michigan conference in which he visited a number of the churches.

On Saturday, November 7, at 6:30 p.m. there will be a Christian Fellowship meeting at the church, beginning with a potluck supper.

The Church Board will meet at 7:30 p.m. on Monday, November 9, in the pastor's study.

Each Tuesday Morning at 9:30 the ladies meet for prayer and Bible study. They have been having a profitable time in the study of Genesis and will continue through the Bible from week to week.

From 7:15 to 9:30 p.m. on Tuesday evening, November 10, the Conference Sunday School Convention will be held in the Brighton church. This includes all the Wesleyan Methodist churches of the Michigan Conference in the eastern half of the state. The program will include a number of workshops designed to present IDEAS for every department of the Sunday School. A skit entitled "10 SECONDS... 66..." prepared by the National Sunday School Association will also be presented at this convention.

At 6:00 p.m. on Wednesday, November 11, the annual W.C.T.U. family night program will be held in the fellowship hall of the church. All members and their families are urged to attend the potluck supper and program.

Christian Science News

The materialistic view of man contrasted with the perfectibility of man in Christ will be the theme at Christian Science churches this Sunday. The subject is "Adam and Fallen Man."

Golden Text: "As in Adam all die, even so in Christ shall all be made alive" (I Cor. 15:22).

References from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include: "Morals must gravitate Godward, their affections and aims grow spiritual,—they must near the broader interpretations of being, and gain some proper sense of the infinite,—in order that sin and mortality may be put off" (p. 265).
