PINCKNEY, MICHIGAN — WEDNESDAY, FEBRUARY 3, 1965

SINGLE COPY 10c

1965 OFFICERS of the Pinckney Kiwanis Club recently installed are, left to right: President Gary Eichman; 2nd Vice-President, Ray Stillwell; and Treasurer, Leonard Lee. The photographer ran into difficulty

trying to catch all the Kiwanis officers present for a meeting the same night. Those absent this night were 1st Vice-President, Frank Czerwinski, and Secretary, Don Gibson.

## Adult Art Classes To Organize At P. H. S.

There will be an Art Class conducted for adults, Wednesday evenings, 7 to 9 p.m. in the art room at Pinckney High School.

An organizational meeting will take place February 10 at the place and time mentioned.

A person interested should contact Mrs. Wilhelmina Swarthout, P.H.S. art instructor, by Friday, February 5, or, if this is not possible attend the meeting next Wednesday. Mrs. Swarthout's phone number is Pinckney 878-5183.

Two instructors, plus Mrs. Swarthout, will be available at each class. Type of art taught will be charcoal drawings and oil painting. Each class will be \$1.00 per student, plus cost of materials used.

## Farm Bureau Women Scheduled Meeting In Howell Feb. 5

Livingston County Farm Bureau Women's group will meet at the Howell Farm Bureau office Friday, February 5, at 1:30 p.m. Important business is to be transacted. Also, a special program including Red Cross representatives will demonstrate mouth to mouth resuscitation under the direction of Mrs. Lester Rider.

All committee women, or alternates, are expected to attend. All Farm Bureau women are welcome.

## No Plans for Saturday Night? Read This!

What's that? You say you have nothing to do this Saturday night? Why not join the Village Squares for a "fun night" or "night of fun"—whichever you prefer to call it... at White Lodge, 8 till 11:30 p.m. It's for Squares, and friends! Gordy Lindland will call the square dancing for this "fund raising project."

All area residents are urged to attend... even if you have never taken a square dance lesson in your life you are guaranteed a good time! Dress warm, too, because, in addition to dancing, there will be skating and sliding. The Ladies are urged to wear slacks for dancing... be comfortable!

The Squares sponsoring the affair have purchased marshmallows for roasting in the fireplace, goodies for sandwiches, and beverages, hot and cold, to drink! Rather sounds like a "fun night" doesn't it? And all this is available for just \$2.25 per couple. Better plan on going... Hear?

# Three Conventions Held Last Week

## Jay-Cee Dinner-Dance Should Be Big Hit

Charter night for the local chapter of the Pinckney Jaycees is set for February 13, at Anchor Inn. More than 100 couples are expected to attend.

Jay-cee president Herb Schenden claims this will be the most exciting event of the season, and urges Pinckney area residents to be present for the occasion, as do the remainder 27 present Jaycee members.

Tickets are \$7.00 per couple. This includes a choice of chicken, roast beef, or sea food dinner, dancing, plus a program consisting of talented people.

Many state and national Jaycee officials will be on hand to encourage the Pinckney Chapter on its progress.

The Jaycees report their "swim safari" last Saturday was a huge success. Twenty-six boys and five Jaycee chaperones journeyed to Ann Arbor for an enjoyable hour of "splashing in the pool." George Roth and Cem Charbonneau joined the boys for a game of "water polo" while Jack Blikovsky and L. D. Haines kept a watchful eye on the boys from the sidelines. The boys, all 7th and 8th graders, agreed they had a "cool" time, and the chaperones said they had a "whole of a good time."

Plans are being made now for a February 20 "swim safari" for 6th, 7th and 8th grade girls. The Jaycee Auxiliary will chaperone. (Auxiliary is made up of wives of the Jaycees.)

At the regular monthly meeting of the Pinckney Jaycees a committee was selected to formulate plans for Michigan Week coming up in May.

The winner of the \$50 door prize drawing was Dick Harvey, owner of Dick's B-Line, where the Jaycees hold their monthly business dinner meetings. President Schenden and other Jaycee members claim this wasn't planned but did make a nice arrangement. Dick thought so, too.

## Cherokee Riders

### Name Chiefs at First Meeting

The organizational meeting of new 4-H Horse Club took place January 22, at the home of new 4-H leader, Herb Schenden, 7205 Farley Road. New and old members were present numbering 16 together, and officers were elected.

The group chose to call their new club, "Cherokee Riders."

The members present were Romain, Ann, Gail, and Joy Cullen, Hal and Lori Stockman, Doug Zak, Denise and Yvonne Thompson, Allen and Wynn Schmotzer, Lou Ann and Mike Hendee, Ann and Jim Brown, and Terry Kellenger.

Officers of the Club are Lou Hendee, president; Jim Brown, vice-president; Hal Stockman, treasurer; Mike Cullen, mascot; Ann Cullen, secretary; Gail Cullen, planning committee chairman.

To raise funds for various expenses the Club might have a "candy sale" was set up as the Club's first venture. Mike Hendee was named chairman of this project.

Refreshments were served following the business meeting. Secretary, Ann Cullen, said "We welcome any and all new members in the hope that our Club will become a credit and an honor to this community."

## Dems Spend Quiet Evening Alone, But Not Together

DR. THOMAS BARTON

## Micks Lose A Pair

Whitmore Lake's seasoned Pee Wees were too much for the local St. Mary's quint Saturday.

The 7th grade team were slaughtered 44 to 7 with Mark Merna and Keiser being the luminaries for the Saints. Malcolm, Newby and Winters were all in double figures for the Lakers.

The 8th grade team ran out of wind after a quarter and were snowed under 41 to 17. However they have promise and with a few practices under their belts will show marked improvement. Pine and Ludwig turned in creditable performances for the Pinckneys.

Road work has been ordered for a daily routine with wind sprays to improve their condition for next Saturday's game.

## Two Ticketed When Car Skids on Ice On Hamburg Road

James F. Korowin, 24, 5708 Pleasant Lake Rd. stopped on Hamburg Rd. near Cowell to pick up a passenger when another car came up from the rear. Observing the parked car, the other driver, Loy W. Slagle, applied his brakes and skidded into the Korowin car. Neither were seriously injured.

Both drivers were given tickets. Slagle for failure to stop at an assured clear distance and Korowin for parking on a roadway.

Livingston County's Democrats had two quiet conventions last week: one in Howell, one in Hamburg. Both elected delegates and alternates to go to the State Convention in Grand Rapids Feb. 13-14.

About 100 delegates and interested persons attended the convention held in Howell. Chairman for the convention was Dr. Thomas A. Barton, Howell. Guest speaker, Clark Shanahan, was unable to attend due to his father's illness. Dr. Barton explained the duties of delegates to the State Convention.

Mrs. Lillian McMillan was appointed State Central Committee woman by the Lavan group.

Speaker at the Rettinger meeting was Nicholas Roche of Detroit who warned that the Democratic party would be wrecked if Negro problems are not solved.

Delegates appointed at the Lavan convention to go to the Democratic State Convention are as follows:

Orville Major, Brian Lavan, Larry Arcteau, George Belyea, Otto Wendel, Henry Hopkins, William Begley, Murray Kennedy, Alphonse Moor, and William Brigham. Alternates are Thomas Barton, George Boyd, Rexford Trembath, Elizabeth Wendel, Jenny Hopkins, Rex Hendrix, Martin Lavan, Beverly Pollack, Earl Starr, Gregg Kirchner.

The Rettinger faction will send twenty delegates, with one-half vote apiece. They are Edward Rettinger, Joan Desch, D. E. Newcombe, Leonard Lark, Ruth Munzel, Esther Dasehe, Gerald Sixbey, Garfield Bredvic, Joanne Perry, Robert Anderson, Dorothy Andren, Lloyd Hendee, Nelly Pierce, Elaine Black, Eleanor Ingersoll, Nina Miner, George Robb, John Layton, Leo Burke, and Gary Cotter.

The Republican County Convention was held Thursday evening at the County Court House. Charles R. Ward acted as chairman of the convention with Nannette Allen, vice-chairman and Norma Kuhn, secretary. The Republicans adopted resolutions commending Governor Romney and Rep. Thomas Sharpe.

Delegates to the State Republican Convention in Lansing Feb. 19-20 will be Joseph Ellis, R. James Cook, Lyle Glover, Paul Davis, Philip MacBride, Donald Conway, Norman Jamison, Nannette Allen, Robert Kiech, Charles R. Ward.

Guest speaker at the Republican county convention was Clifton Heller, mayor of Howell and chairman of the Board of Supervisors.

## The Way We Hear It

BY: DOLLY BAUGHN

... sorry to hear Pinckney elementary fifth grade teacher, Mrs. Mary Douglas is home with the measles... Some people have all the luck! Get well soon, Mrs. Douglas.

... just how do some people rate? Take Mrs. Jerry Speake... Sunday was her birthday... her mother picked up and took her home, to Royal Oak, with her and kept her there till Jerry went and brought her home Sunday afternoon... And you know what? She had breakfast in bed Sunday morning... I can't even imagine what that would be like... Can you?

... Mrs. Dortha Riggs baked Mrs. Speake a very delicious birthday cake and Mr. R. delivered it Monday... and several of us helped eat it... Very good!... teachers at Pinckney Elementary journeyed to a Math Clinic pertaining to the new math, sponsored by American Book School at Waverly School near Lansing. That is why the schools were dismissed early Tuesday afternoon.

... eight new students enrolled at Pinckney Elementary this week, bringing total enrollment of lower grades to nearly 750 students. Three of the new students are children of Mr. and Mrs. Charles Lewis who purchased and moved into the former William Meyer home on East M-36. The Lewis' have 8 children, all school age.

... according to Mrs. Kellenberger at Pinckney Elementary there is much sickness around... including measles, mumps, and stomach flu.

... about 75 seniors from P.H.S. attended the debate in Fowlerville last Thursday between Gus Seale and Albert LaPorte. The topic of discussion was on "One Man, One Vote"...

... first that such a week existed, I believe, Pinckney did exchange "Mayors" and people still talk about the experience of it all. Since then Pinckney has not indulged... so to speak. Last year the extent of celebrating in Pinckney was a sign that hung in the Dispatch window that declared this week set aside should be recognized... That was there, thanks to my youngest son! George Roth must receive credit, also, for his efforts. He had a display set up in the firehall exhibiting all products that are made in various factories in Pinckney. It was most interesting... I know I never realized what was manufactured here before... Would you have known?

... just what do you suppose is the answer to Pinckney celebrating Michigan Week? The same group plus other interested citizens are meeting again February 18 in Howell... Are you an interested person?... They, or even me, would more than welcome your ideas... Should Pinckney let this week... just go by... or should we do something about it?

... it seems a few years back the Village had a snow removal project that made it rather nice parking along Main Street. What ever did happen? Is that the snow scoop that was sold because of lack of storage space?... Mr. Hewlett is determined the Village "kiddies" will have a place to skate. He run a tractor with a snow blade on it over and over the Village square, producing the largest size rink ever! Many happy "Sonja Hennies" and "Freddie Trinklars" were using in the evening. Thanks, Charlie... That is a very big civic deed!

... there was a highway robbery at Dick's B-Line Tuesday night...

... the Pinckney Jaycees have taxi service...

Rita Howe had a 503 series Tuesday night.

... another "hot shot woman bowler" Mrs. Dorothy Lamb bowled a 557 series Tuesday night... Boy! Oh, boy! Those women bowlers are really something!

... John F. Burg, P.H.S. industrial arts instructor, was in Lansing Saturday to attend a Driver Education meeting serving on Traffic Safety Legislation Committee.

... many, many times Mr. Harold Riggs has walked by this office... But until recently he never had his head held so high, or his chest puffed out so far!

... You see, he is not just plain Mr. Riggs any more... He is GRANDPA Riggs... last Friday... his son, Louis and wife, Elaine gave birth to their first born, little Daniel Bond, at St. Joseph Hospital... Elaine is the former Elaine Collier... therefore, that also makes another local couple grandma and grandpa for the first time! You know, the O. Bond Colliers out on East M-36. Grandma Riggs is mighty happy too! Didn't mean to leave any of the happy people go unmentioned... Congratulations, everyone!

... this fluffy snow fall we are having these first few days of February is really nice... I do enjoy it... and I am sure glad no one comes by and offers to sweep or shovel off the sidewalk in front of this office for me each morning... I am also glad that Jerry and Joe... when they clean off their walks each side of me, that they do not come one inch farther than they absolutely have to!

... James Galloway, Jr. recently purchased the Jim Hajnal farm on Tiplady Road south of town. Bert Wylie was the salesman... we hear!

... last week's Dispatch claimed Mrs. Roberta Essenberg TOIS Queen, 1965... Well, I have been informed she is TOPS Queen, 1964... Sorry, TOPS... I was just too up-to-date!

## Like To Sing? Pinckney Chorus Needs You Now

The Pinckney Community Chorus at Society begins rehearsals February 7, 2:30 p.m. at the Pinckney High School gym.

Don Valley, conductor, has planned a very interesting and worthwhile program of music to be sung entirely in English this coming Easter Sunday. The two major works which will be performed are, Te Deum Laudamus, Jubilate Deo, by Purcell and "Requiem" by Faure.

The Chorus will be under the auspices of the Pinckney Kiwanis Club again this year. Superintendent Wes Reader has given permission for the group to use the school gym for rehearsals and performance.

The cost of music is \$2.10 per person. It would be appreciated if this could be paid this Sunday. Music will be sold in the school gym at 1:45 p.m. Sunday.

If you sang in this chorus last year, you're needed for support this year, and bring others willing to support this worthwhile community project.

## "Hale and Hearty"

Six Boy Scouts of Troop 58, and Scoutmaster Don Oleski spent the weekend camping in the Waterloo area near Jackson. They slept in the Oleski truck-camp.

"Twas a bit cold," was the report, but "lots of fun."

Terry Baumgartner, Eddie Williams, Fred Perry, Dennis Swarthout, Carl, Armond Oleski were the hale and hearty scouts who made the trip.

## Name Barton to Head Corp. Here

The Brighton Industrial Development Corporation elected a new chairman at their meeting of Jan. 27, 1965. Mr. David Barton was elected chairman of the group and will hold the position for one year.

Mr. Barton resides at 124 S. 3rd in Brighton and is an auditor for the General Motors Corporation. The Brighton Industrial Development Committee was formed by the Brighton City Council last year to promote Brighton's fine location and resources for industrial location. In addition to the promotion of Brighton for new development, the committee stands ready to assist locally established concerns in any problem, involving the community, site, zoning, etc.

Other members of the Industrial Committee are, Brighton Mayor Marshall Cooper, Detroit Edison Manager Robert Bauer, Editor and advertising specialist (retired) Jack Holt, local business man Donald Keim, Brighton Councilman Emil Engel, and City Manager Peter Marshall.

## New Head Pins for Pinckney Pinheads

We had to elect a new vice president and secretary, because Debra Powell and Joy Cullen quit. Our new vice president is Valerie K. and our secretary is Sheryl Vedder.

AT ONE TIME all the women shown above have been an active member of the local chapter of the TOPS Slenderizers Club. Some have dropped out, but, did attend the recent banquet held by the Club in celebration of their first year anniversary. The women are, left to right, back row: Faye Roberts, Judy Gramsden, Connie Koeppen, Dorothy Kennedy, Louise Rindle, Mary Walker, Izetta Van Skiver, Evelyn Moffat, Alice Gray, Devis Wright, Judy Bech-

ler, Eileen Singer, Norma Lemm, Margaret Parker, Margaret Rogers, Wilma Darrow, and Eleanor Tomasik. Seated, left to right: Amy Gramsden, Mrs. Evelyn Porter, Queen Roberta Essenberg, KOPS Eva Engquist, and Marion Bechler. Not shown, but present are Gathel Gramsden and Gale Begely. The members claim as a group they suffered (?) a total loss of 442 pounds during the year's time.

## A Bit Of Reminiscing

10 YEARS AGO—1955

Rainbow installation found Miss Nancy Spittler being installed a Worthy Advisor; Robert Ackley, Worthy Associate; Pat Thayer, Charity; Mary Boyd, Hope; Nancy Slayden, Faith; Joyce Allen, Recorder; Sally Miller, Treasurer; Karen Gustafson, Chaplain; Doree Kale, Love; Karen Beck, Nature; Nancy Reason, Fidelity; Sharon Allen, Patriotism; Joan Porter, Service; Doris Umstead, Immortality; Pat Palmer, Confid. Advisor; Rosina Hill, Outer Advisor; Marilyn Gustafson, Musician; Shirley Wyle, Choir Director; Ann Reason, Prompts; Barbara Miller, Drill Leader; Mrs. Anna Boyd, Mother Advisor.

Livingston Lodge No. 76 held a pancake supper.

Pinckney General was robbed for the fifth time since they opened. The robbers gained entrance by forcing the door. The combinations were smashed off the safe and the lock knocked out with a punch. About \$2000 was taken. The robbers left by a rear door.

Pinckney eagles beat Manchester, 50 to 38, at Manchester.

The Pinckney girls' basketball team beat Manchester girls 47 to 38. Kathy Wiltse was high scorer with 20 points; Marilyn VanSlaam, brook had 14 and Janet Shirley had 10.

Prof. John Burg and Rev. Wingert took a busload of industrial students to the Ford Museum at Dearborn to see the new models.

Win Baughn, Cliff Miller, Merlin Amburgey, and Harold Henry spent the weekend at Lovell's hunting and fishing. The snow was 14 inches deep.

Eric G. Rose was secretary of Board of Education.

35 YEARS AGO—1930

The old Pinckney livery stable barn on North Howell St. is no more. Mrs. Marion Pearson bought it and is tearing it down to move to her farm at Silver Lake. This was started back in the nineties by James Wilcox. His bus met all trains and he had about 12 horses for rental and carried the mail to and from the depot. A drive to Dexter or Howell was about \$2. On Sundays all horses were usually hired by Romeoos to take out their girls. Other proprietors after him were P. H. Swarthout, Horace Sayles, Will Dunning, Leta Musell, Wayne Bennett.

About 100 Masons and wives attended the Ladies Night at Masonic Hall. Cards were played and refreshments served. A one-act skit entitled, "A Day in the Justice Court at Tompkins Corners," was presented. The cast included N. O. Frye, Ross Read, W. C. Miller, Norm Reason, Percy Ellis, Mrs. Iva Reason, Mrs. Lucy Reason, Mrs. Beulah Miller, Oma Campbell, Fred Road, Glenn Slayton, John Chambers, Alta Meyer.

82 YEARS AGO—1883

It was the opinion of Editor Jerome Winchell that some of the young men of Pinckney who go to Jackson so often will find the railroad a great convenience when it comes. They can go over oftener, and not stay so long (unquote).

With the railroad nearing completion Pinckney became overrun with tramps.

The Dispatch office was located across from the Globe Hotel, in the new drug store. (Where Roy Clark's Grocery is located today must be the place.)

This was the first year Pinckney had a newspaper. Jerome Winchell was a newcomer and took up the printing of The Dispatch.

## St. Marys Pee Wees

## Pirates Worry Dansville First Three Quarters

For three quarters of Friday night's basketball game, the Pinckney Pirates had the visiting team, Dansville, wondering if they were going to be able to pull out a victory against the last place team of the Ingham County League, or not!

Near the end of the first half, the Pirates were leading 27-23. However, before the half ended the Aggies passed the home team and took a lead of five points. The Aggies held on to their lead of five points. The Aggies continued to hold their slight lead throughout the third quarter. At the beginning of the fourth, Dansville broke the well executed, up to that point, game, and chalked up a 90-67 lead by the end of the game.

The Pirates really gave it the old college try, even though the

score didn't give that indication. Alan Steffan led the scoring for the first time this season, netting 14 points for the Pirates. Steve Randolph and Gary Henry garnered 17 and 16 points respectively, for their losing team.

Ernie Ernst and Joe Curtis scored 29 and 21 each for Dansville. Miles Cone controlled the boards for the Pirates as he pulled down 15 rebounds before he fouled out in the fourth period. He boosted his total to 106. The Pirate Junior Varsity fell 76-48, scoring only nine points in the whole first half. However, they came back in the second half with 37.

The two Pirate teams will go to Fowlerville this coming Friday to play.

## Lions Roar On By; Pirates Lose Game

The Pinckney Pirates took quite a beating Tuesday, January 26, as South Lyon Lions rolled over the Pirates on the home court 101-59.

The Lions were really hot, looking as though they couldn't miss throughout most of the game. The visitors hit on many field goals. Tom Duncan netted 21 points to lead the Lions. Other players in double figures for the winners were Rick Duncan, Bob Rath, and Jim Smith. They scored 20,

16, and 14 points.

The Pirates hit on a few field goals themselves. Miles Cone led the scoring with 15 points; Steve Randolph with 14, and Alan Steffan with 12.

Miles Cone pulled down 15 rebounds to lead the Pirates in that category.

The Pirates now are 1-8 overall. The Pinckney JV's also lost to South Lyon JV's, 61-48. Jim Douglas and Randy Brown each scored 8 big points for the little Pirates.

## Engagement Told

Mr. and Mrs. Robert Edwards, 10283 Kress Road, Strawberry Lake announce the engagement of their daughter, Jeanne Ann, to Michael W. Rooke, son of Mr. and Mrs. Gilbert Rooke, 11744 Algonquin Drive, Portage Lake.

Jeanne and Michael are both Pinckney High graduates. Jeanne is presently employed at Ann Arbor Employers, and Michael is affiliated with European Cars, Inc. in Ypsilanti.

A June wedding is planned.

## Library News

New books this week include: Robertson, "A Flag Full of Stars" — a story of the American scene at the time of the 1948 election when Truman won over Dewey, in the biggest election upset in American history.

Slaughter, "The Purple Quest" — a historical novel of the ancient Phoenician port city of Tyre just before the war with Abyssinia.

Cooldige, "Winston Churchill" — a biography of the great statesman which young people, too, will enjoy.

Churchill, "The River War" — Churchill's own account of his experience as a young lancer in the Sudan.

For older boys and girls we have a story of mystery and adventure, Ormaondroyd, "Time at the Top!" When Susan Sharr returns from school she enters the elevator to take her up to her apartment, but the elevator keeps going up and up and up until Susan finds herself in a strange time and place where she meets two new friends and with them forces a challenging adventure.

For all boys and girls we have "The Key To Your Future — Reading." Get your key from the Librarian and use it to mark your progress in the Winter Reading Program now underway.

Mr. O'Dell gave books to the library and the William Austins Jr. gave magazines.

## Residents Invited To Sunday Concert At Ann Arbor High

The Ann Arbor Symphony, under the direction of Emil A. Holz, presents its third concert of the 34th season on Sunday afternoon, February 21. It is at 4:00 P.M. in the Ann Arbor High School Auditorium. These are free concerts and family groups are especially invited. This concert is of unusual interest to young people as both soloists were winners in the annual Youth Soloist Competition sponsored jointly by the Ann Arbor Symphony Orchestra and the Music Department of the Ann Arbor Public Schools.

The following program will be played:

Overture to the opera, "The Sicilian Vespers" — Giuseppe Verdi

Concerto in A minor, Op. 33 for cello — Camille Saint-Saens — Soloist: Robert Hodesh, cellist

Romance in C for strings — Jean Sibelius

Ballade for flute — Frank Martin — Soloist: Eric Graf, flutist

Matinee Musicales — Benjamin Britten

Robert Hodesh is a junior at Ann Arbor High School. He is principal cellist with the Ann Arbor High School Orchestra, has attended the National Music Camp, and earned superior ratings in district and state festivals. He is a student of Douglas Marsh.

Eric Graf is also a junior at Ann Arbor High School. He is principal flutist in the Ann Arbor High School Orchestra and Concert Band. He has attended the National Music Camp, and earned superior ratings in district and state festivals. He is a student of Nelson Hauenstein.

## It's Easy to Join

If you have the mistaken impression that skiing is a sport that only the wealthy can enjoy, consider the following.

The Michigan Tourist Council reports that for a minimum of \$50 to \$80 for clothing, a beginner can easily join the thousands of persons who enjoy skiing at Michigan's 89 winter resorts.

Most experts recommend that beginners rent skis, boots and poles for a nominal fee. This will cut the initial investment for a starting skier by more than half. Tow fees, entailing a skier to a full day on the slopes, vary from area to area, but are roughly comparable to greens fees paid by golfers.

Lodging, meals and transportation are other cost factors. There are hotels and motels nearby most ski areas and many resorts have their own accommodations, ranging from modest to plush.

Many Michigan winter resorts also feature an economical ski-week, beginning Sunday evening and continuing through the following Friday. The slopes are less crowded during the week and the price includes the cost of lodging, meals, tow fees and daily instruction.

Ski professionals recommend that the skiers' basic wardrobe be sturdy and water-repellent to keep the owner warm, dry and eager to spend hours on the slopes.

This includes warm underclothing, heavy wool and cotton socks, a long-sleeved shirt, a heavy

sweater, parka, stretch pants, ski gloves or mittens, a light weight sweater for extra cold days, and some sort of head covering.

By renting his skis, boots and poles the first few times out, the beginning skier will have an opportunity to decide what type of equipment will best suit his needs.

At latest count, there were nearly 300 types of skis, 275 makes of boots, 147 kinds of bindings and 133 brands of ski poles.

The cost for equipment has been described as comparable to outfitting a golfer with a good set of clubs, bag, cart, shoes and a few accessories, or roughly \$70 to \$100 and up.

When a skier is ready to buy his own equipment, he'll find that most ski shops have professionals to help him get the most for his money.

# FARM REVIEW and FORECAST

## Local Farmers Feted At DHIA Banquet

Six local dairymen were recognized at the annual DHIA Banquet last week for outstanding milk production. Clifton Blakely of 11557 Oak Grove Rd. received the plaque for the greatest increase in butterfat production over the last three years.

Five certificates for the "500 lb. Club" were also awarded. Herds in the "500 lb. Club" must have averaged 500 lbs. of butterfat or more in each of the last five years. Receiving the certificates and their five year herd averages were: Glenn Hanson, Soboss Farm, Gregory, with 15,534 lbs. milk and 582 lbs. butterfat on 46 cows; Mervin Steinacker, Mer-Stein Farm, Howell, with 18,080 lbs. milk and 568 lbs. butterfat on 21 cows; Bill Bamber, Werimber Farm, Howell, with 15,568 lbs. milk and 562 lbs. butterfat on 18 cows; George Robb, Rustic Farm, Fowlerville, with 15,568 lbs. milk and 562 lbs. butterfat on 41 cows; and Ralph and Mary Rose, Rainbow Farm, Fowlerville, with 13,921 lbs. milk and 530 lbs. butterfat on 32 cows.

Two new members were elected to the DHIA Board of Directors. The newly elected directors were George Robb and Kenneth Steinacker who are replacing retiring board members Kenneth Peckens and Charles Itzell. Paul Wilkes, Supervisor of Official Testing in Michigan, spoke briefly. The main speaker of the evening was Dr. Raymond Cook, Chairman of the Soil Science Department at Michigan State University. Dr. Cook spoke and showed slides on his recent trip to Europe.

If we seek it in earnest prayer God's radiant life will fill us through and through and help to heal the ills that may befall us. By acknowledging that He is the Spirit of health and perfection we can more easily put aside any ideas that disease cannot be cured.

## Once again many Long Distance rates are reduced

Low Evening Rates now apply to daytime calls on Saturday. Low Night Rates now in effect anytime on Sunday and one hour earlier on other nights.

Here's what it now costs you to make a 3-minute station call from Michigan:

	To Anywhere in Continental U.S. (except Alaska)	To Anywhere in Michigan
Mon.-Fri. 4:30 a.m. to 6 p.m. (Day Rates)	\$2.10 or less	\$1.00 or less
Saturday 4:30 a.m. to 8 p.m. Mon.-Fri. 6 p.m. to 8 p.m. (Evening Rates)	\$1.40 or less	\$.70 or less
Sunday anytime Mon.-Sat. 8 p.m. to 4:30 a.m. (Night Rates)	\$1.00 or less	\$.50 or less

The above rates apply only to station calls. They do not include the 10% Federal excise tax which applies to all calls, or the 4% State sales tax which applies only to calls within Michigan. Rates for "collect" station calls between points in Michigan are somewhat higher.

## New Herbicide Controls Weeds In Potatoes

The U. S. Department of Agriculture has accepted Caparol 80W, brand of Prometryne herbicide, for selective weed control in potato fields.

With the acceptance of Caparol, potato growers have available a preemergence herbicide which effectively controls many annual broadleaf weeds and grasses. It does not prevent weed seeds from germinating, but kills the weeds by absorption through the root system. A chlorotic effect is apparent after weed emergence as the herbicide is taken up by the roots and the weeds soon die. Weed seedlings may also be killed before they are visible.

Caparol is also effective when applied after weeds have come up, having considerable activity through foliage contact; the addition of a surfactant enhances this action and weeds up to two inches tall will be killed when they are wet by the herbicide spray.

Application rates depend on the soil type on which the herbicide is used. Caparol 80W (80 percent wettable powder) should be used at the rate of 2 1/2 - 3 pounds per acre on light soils, and at 3 - 3 1/2 pounds per acre on medium soils. The herbicide should not be used on muck soils. Broadcast application in 20 to 40 gallons of water per acre is recommended.

Preemergence application (before crop has come up) should be made after planting and before weeds are one inch high. Drag-off application should be made immediately after drag-off before potato crop emerges. Only one application should be made on the crop. No more than 3 1/2 pounds of Caparol 80W should be used on an acre of potatoes.

For best results, the precautions and application information furnished on the Caparol label should be observed.

## Holstein Exports At Record High in '64

Registered Holstein breeders in the United States have just completed a record year for export sales of breeding stock. More than 2,000 animals of all ages were shipped to 28 different nations and principalities during 1964, reports Holstein-Friesian Association of America.

Holstein Association figures are based on official transfers of ownership processed by that organization. A total of 397 bulls and 1,695 females were consigned from United States herds to foreign buyers. The majority of exported Registered Holsteins went to Mexico, Caribbean and South American herds. Transoceanic shipments increased also, in keeping with the growing awareness of the productive abilities and pronounced "dairy" type conformation of U. S. cattle.

In recent years, 37 different countries have imported Registered Holsteins from the United States. Of the 28 destinations listed in the 1964 report, Mexico led in number of purchases. Other volume recipients were Venezuela, the Dominican Republic, Italy and Canada, ranked in that order. Holstein cattle have successfully completed long trip to the Philippines, Japan, Nigeria and Germany.

The national Holstein Association conducts an active market development and technical assistance program in cooperation with Foreign Agricultural Service of the USDA. Major dairy cattle shows are judged by qualified Association personnel. Type classification, technical management and breeding consultation is also rendered by Holstein staff inspectors working on numerous foreign assignments. These programs are carried out mutually with Holstein herd book societies of other nations.

The growth of supervised production testing and type classification programs in recent years has made available a vast pool of information regarding the performance levels of U. S. pedigreed dairy cattle. These breed improvement programs directly benefit dairymen in this country and abroad by increasing the statistical tools needed to make sound breeding selections.

This growing ancestry background knowledge has meant genetic improvement in U. S. herds and greater opportunities for selection on the part of foreign dairymen purchasing cattle for their own breeding herds.

The national Association does not participate in actual export selections, but will assist foreign buyers who desire additional information for purchasing dairy cattle from Registered Holstein herds in this country. Association members or cooperating export agents handle all negotiations and shipping details for Registered Holstein breeding stock.

## Holstein Breeders Set Good Neighbor Date

State and local organizations of Registered Holstein breeders have set March 20, 1965, as the date for their second "Good Neighbor" observance. The nationwide program of personal, on-the-farm visits was first carried out in 1964 to encourage dairymen to switch to pedigreed black and white cattle. More than 30,000 active adult and junior members are expected to participate.

"Building on last year's success, the national organization will support its 500-plus state and local Holstein clubs with program planning and direct mail materials," explained Robert H. Rumler, executive secretary of Holstein-Friesian Association of America. Individuals and groups of Registered Holstein dairymen will make calls on other farm operators in their locality. Still other groups will invite their neighbors to planned functions as field days, barn meetings and dinner programs.

"Long-term goal of Holstein 'Good Neighbor' Day is to increase the number of Registered Holstein herds in all parts of the country. This in turn will furnish a broader base of breeding animals to support the proportionately larger populations of Holstein dairy animals in commercial milk producing areas."

The March 20 event is primarily a contact program to acquaint dairymen with the opportunities for faster herd improvement and increased income potential with Registered Holstein dairy cattle.

"This personal contact approach with local success testimonials is considered one of our finest assets for continued growth of Registered Holsteins within the dairy industry," Rumler noted.

## New Farm Feed Grain Base May Be Established

A new farm feed grain base may be established under the 1965 Feed Grain Program for farms which did not plant feed grains in 1959 and/or 1960 that meet eligibility requirements, Mr. Bontekoe of the Livingston County ASCS Office announces.

To be eligible for a new farm feed grain base, the operator must expect to receive 50 per cent or more of his livelihood in the current year from the production of agricultural commodities on the farm; must have had at least two years experience in the production of feed grains in the last five years; must have adequate equipment for the production of feed grains; the land must be suitable for the production of feed grains; and neither the owner nor the operator may have an interest in any other farm for which a feed grain base has been established.

Interested producers who can meet these requirements should contact the County ASCS Office not later than March 1, 1965, and file an application, Mr. Bontekoe said.

A farm for which a new farm base is established will not be eligible to participate in the 1965 program. However, producers will qualify for price support loans and purchases by planting within their feed grain base and maintaining the conserving base.

## TEACH BIRD DOG PUPPY BASIC COMMANDS

By Bob Bartos, Manager Friskies Pet Foods Research Center

If you're planning to train that bird dog puppy you got for Christmas to hunt, don't wait 'till he's six months old or until you get out to some wide open spaces. The latest and fully tested theory is that every puppy can and should be started on simple obedience training at seven weeks old, regardless of what his career is to be.

Much can be done indoors in the largest, least cluttered room, or outdoors, right in your own backyard.

The basic commands for the hunting dog are the "sit" and "stay" which can be taught by the usual method, and the "come" and "whoa" which are not.

The "come" should be taught by word, by hand signal (the drop of an extended arm) and by whistle—two blasts or whatever you decide on. The whistle is for use when the dog is out of sight and at great distance. The hand signal should be employed when he's within sight. The latter serves another purpose. It gets the dog accustomed to looking back at you for direction.

Put your pup in the "sit", "stay" position. Call "come". Simultaneously drop your raised arm, blast away on the whistle and turn and run away from him, clapping your hands as you go. He'll come running.

For the "whoa" which is necessary to curb a dog's natural instinct to rush in and grab the bird, put the pup in the "sit", "stay" position. Command "come". Run full steam away from the pup and then suddenly reverse and turn into him shouting "whoa" and extending your hand in the "stay" position. Repeat the procedure, each time using less of the hand signal until finally he's responding to the voice command alone.

Feeding tip: Friskies Puppy Food, which is formulated especially for the nutritional needs of the growing puppy, has a special beefy flavor which perks up his appetite. It makes him eat as a puppy should.

## Around Bishop Lake

E. C. Schroeder 227-3430

Clear skies, gentle winds, crisp sunshine — I brought out skaters and ice fishermen to our lakes. The skaters were able to enjoy the ice, not only on the lakes, but were able to travel over fields and roads! The fishermen seemed to be having some luck and the rabbit hunters found that the little animals were not going too far from their protective holes! Sledding and tobogganing was lightning fast over the glazing ice covering our hills.

Tuesday, Feb. 9, J. W. Buerge of the Southern Michigan Nursery is inviting interested persons to drop in to hear how and where to plant young trees in order to get their full value. Movies will be shown. Mr. Vic Horvath, District Forester, will give a talk and answer any questions you may have. Time — 7:30.

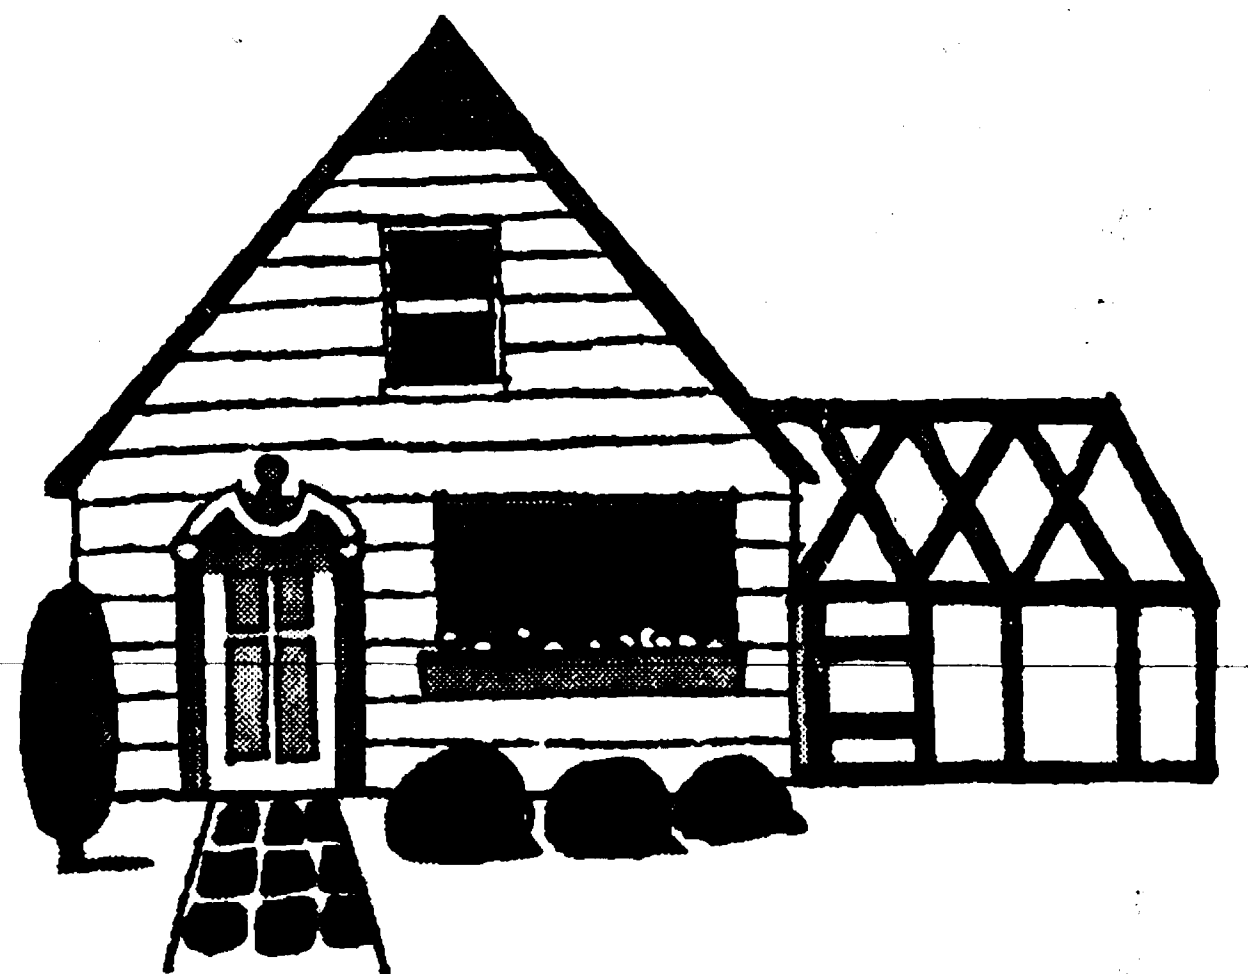

Mr. Edsel Eskola of Las Vegas is visiting his father, Mr. Henry Eskola, this week. They plan to leave Wednesday — Edsel returning to Vegas, and Mr. Eskola going to Dallas, Texas, to visit his daughter and her family — the R. L. Caldwell.

Mr. Dwight Matteson is finally off the "sick list" and returned to work at the Brighton Bank Monday.

The Rev. and Mrs. Kenneth Spomer, of Ann Arbor, were dinner guests of the Ralph Schroeders Sunday. It was the last week that Pastor Spomer served at St. Paul's Lutheran Church, Hamburg. He will now devote his whole time to his missionary church in Ann Arbor.

The Olive Drabers of Appleton Lake moved to their home on Hamburg Road this weekend.

## How to add a room...

without cooling off the rest of the house

consider electric heat

Give your new room its own heating system—a modern flameless electric heating system. Electric heat is clean, comfortable, perfectly controllable. Simply dial the warmth you want and you get it exactly—without stealing heat from the rest of the house. How much will electric heat cost to install and operate? That depends on your particular home. One thing sure, it won't cost you a cent to find out. An Edison Heating Specialist will gladly come out to discuss equipment and cost of operation with you. No obligation for this estimate, of course. Just give us a call.

## Police Dog Training Outlined by Abbott

Cpl. Abbott of the Michigan State Police Department at East Lansing gave a most interesting presentation on police dog training to a group of 85 people at the NW Livingston Soil Conservation District Annual Meeting last Wednesday evening. The meeting was at the St. Agnes Catholic Church in Fowlerville.

Four German Shepard dogs graduated from the training course in 1961 and four more were trained in 1962. These dogs are used by the Michigan State Police force. During the first four weeks of training the dog and owner become acquainted with each other. The assigned owner trains and even feeds the dog. Corporal Abbott was assigned to the training of one of these dogs.

Obedience training is taught to the dog in the field. The chosen area for training is similar to the area the dog will be confronted with while on actual duty. Discipline is stressed when the dog is learning. The dogs reward, after learning a feat, is petting the dog or talking to him. Food is never given to show praise.

Corporal Abbott's next step is to give the dog agility training by teaching it to jump over hurdles. Any type of jump is used for training that the dog might be faced with when on duty. One dog climbs over a straight up and down nine foot wall. When trained the dogs can broad jump 12 to 15 feet.

The search training, using the scent of the person being sought, is the next part of the training process of the dog. A 25 foot leash is always used. The dog is a silent tracker and wants to run ahead. The policeman wouldn't be able to stay with the dog if the leash were not used. There are two things a dog will do by instinct without a command; protect himself and protect his handler. It is therefore important to train the dog not to hurt the one being sought because the person can be a lost child, deer hunter or a criminal.

When the training period is completed the dog is assigned to a handler. Only the handler and the immediate family are allowed to play with the dog when on duty. When off duty the dog is always kept in the kennel. Each of the eight trained dogs is stationed in a part of Michigan. These dogs have already been credited with saving lives of people.

Harry Kreeger was re-elected a district director for a three year term. The other four directors of the Northwest District are Frank Herbert, chairman; Clarence Earl, secretary-treasurer; Cecil Benjamin and Joe Miesle.

Others present at the meeting were Emmanuel VanNierop, State Soil Conservation Committee; Keith Russell, Farmers Home Administration; Duane Girbach, County Extension Director; Clyde Yelland, formerly with the ASCS County Committee; Jim Cooper and Vern Anderson of the Soil Conservation Service.

The meal was sponsored by the ladies of the St. Agnes Catholic Church.

## Peace Corp to Give Tests in

### Ann Arbor Feb. 13

Brighton area residents who are interested in the Peace Corps may test their aptitude for service Saturday, Feb. 13, in Ann Arbor with a Peace Corps Placement Test. Testing will be done

in the Civil Service Room at the Post Office, Downtown Station, 220 N. Main.

The test is not passed or failed, but simply indicates where your greatest potential lies. A questionnaire which must be filled out and brought to the exam unless previously submitted, tells what an applicant has done in the past. But the placement test is aimed at showing what he or she CAN do in the future. Applicants do not have to register for the test ahead of time.

You can obtain a copy of the Peace Corps Questionnaire in post offices, or on college campuses, at placement centers or the offices of Peace Corps Liaison officers, who are members of the faculty or college adminis-

tration. If you can't find a questionnaire write the Peace Corps, Washington, D. C. 20525.

Applicants should plan on about one and a half hours at the testing center, unless they wish to take the Spanish or French achievement test. For this optional test, another hour should be added.

No passing or failing marks are given out, nor will the applicants ever learn their scores. The results are used, with the character references and Questionnaires, to estimate the applicant's potential for completing the intensive training program and his ability to be an effective volunteer overseas.

"Most butchers would rather wait on newlyweds—they don't remember what prices used to be."

The name of "Old Glory" was given to the American flag on August 10, 1831, by William Driver of the merchant ship Charles Dager.

The attack aircraft carrier USS Forrestal was placed in commission October 1, 1955, at the Norfolk Naval Shipyard, Portsmouth, Va.

## 1965 March of Dimes Is Launched To Score Birth Defects Knockout

A "one-two" punch will be aimed at the problem of birth defects this January during the annual March of Dimes campaign across the nation.

"The objective of the drive is two-fold," explained Dr. Daniel Bergsma, director of the medical department of The National Foundation-March of Dimes. "More than 250,000 seriously defective children are born each year in this country—one every other minute. Given the facts, the American public will recognize the problem of birth defects for what it is—a national emergency that requires immediate action. We invite the public to help us meet this emergency."

"The second goal is money. With public contributions to the January March of Dimes, we expect to establish the additional March of Dimes-supported birth defects centers desperately needed for the faster diagnosis, evaluation and improved treatment of these defects which cripple or disfigure a child before it's born. Funds are also needed to enable scientists to continue their search for the causes and possible ways to prevent birth defects."

To support medical and scientific workers in the front lines of the battle against birth defects, The National Foundation-March of Dimes has a behind-the-lines army two million strong. These are volunteers from the more than 3,000 March of Dimes county chapters throughout the 50 states—men, women and teenagers, too, who dedicate their efforts to the success of the January campaign and the year-round programs of The National Foundation.

### Visit 15 Million Homes

To acquaint families with the aims of The National Foundation-March of Dimes, these volunteers will join the Mothers' March at the end of the month during which some 15 million homes are visited. Other volunteers will address about 30 million informative mailers. March of Dimes volunteers also organize fund-raising events to support the work of local chapters and the national organization.

These volunteers devote a great deal of energy to the important task of informing parents of defective children about the March of Dimes birth defects centers and in encouraging families to seek medical help for the afflicted child, whether from the centers or from private physicians.

About one in 10 American families experiences the heart-break caused by the birth of a seriously defective child. By no means are all of these children receiving medical attention which might make such a difference in their lives.

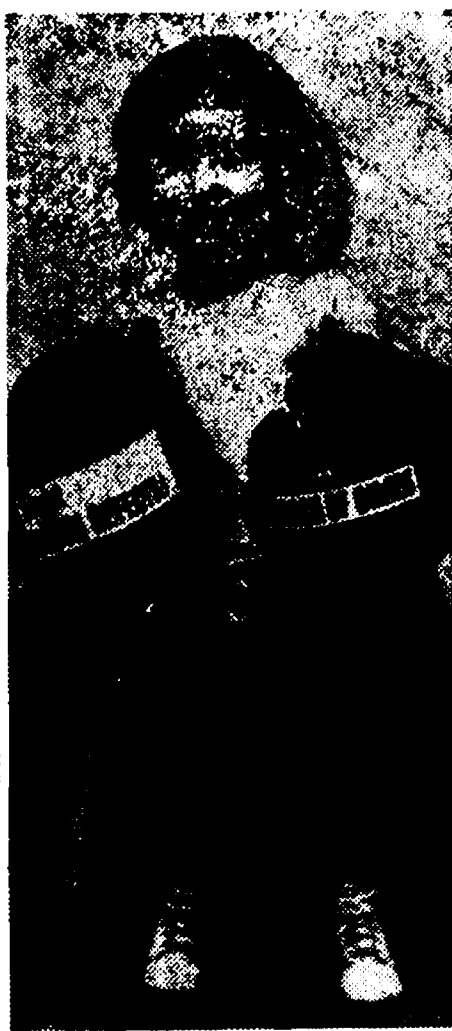

### Some Give Up Hope

"Too often families are overwhelmed by helplessness and despair," Dr. Bergsma said. "They frequently give up hope without exploring all possibilities for their child. But with the continued progress of medicine in this field, conditions which were once beyond treatment can often be helped by newly-developed methods. Also, the individual's condition may change and make help a possibility."

Her parents' persistence paid off for 4-year-old Mickey Heinicke, the 1965 National March of Dimes child. Mickey was born with a spinal deformity that paralyzed her from the waist down. At one time it seemed unlikely that she could ever walk.

Yet today the spunky youngster goes darting around with pint-sized crutches and braces. Not perfect—but certainly an improvement over crawling. The increased mobility means an expanded world to little Mickey and her family.

In research within the past few years, scientists supported by March of Dimes funds produced new or improved tests to detect inborn errors of metabolism, so that prompt treatment can prevent permanent

damage to the infant's body or mind.

"The progress made thus far is significant and promising," Dr. Bergsma noted, "but we have taken just the first step on a long road. When the American people recognize the magnitude of the problem, they will demand and support an efficient and effective attack against the many birth defects that cripple or disfigure 700 infants each day. With their generous help, we can build up our chapter center programs and birth defects centers throughout the country and we will continue to support individual scientists in the quest for knowledge in this critical area."

## Thomas Sharpe Reports

The 73rd Session of the Michigan Legislature is now off the ground, amid wide and vocal speculation as to the prospects for a productive and harmonious year. While bipartisanship prevailed during the two-day organizational meeting, many of my friends who profess to be Capitol veterans were cautiously optimistic about the continuation of this honey-moon atmosphere.

Such reluctance may well have some foundation, as this is a year of great change. Of the 143 legislators who took the oath of office, 73 are freshmen. Although a Republican administration remains, the Legislature is heavily dominated by Democrats for the first time since 1933. The party lineup in the House is 71 Democrats and 37 Republicans — in the Senate, 23 Democrats and 14 Republicans.

Although the Republicans will be in the minority, we will be a positive force for the Governor's programs. I believe it will be our responsibility to lead in the building of bipartisan support for furthering the tremendous progress developed over the past two years.

Highlight of the second day was Governor Romney's State of the State message. The Republican reaction to his message was one of enthusiasm and high praise. Our caucus chairman and Dean of the House, Republican Arnell Engstrom of Traverse City, summed up the minority response by saying, "In my 24 years of legislative experience I have yet to hear a governor present such an accurate assessment of the challenges we face as did Governor Romney."

## Don Hillman to Give Seminar in Howell

Two meetings on dairy cattle nutrition have been scheduled for Thursday, February 11th and Thursday, Feb. 18th. Don Hillman of the Michigan State University Dairy Department will be the instructor. The sessions will run from 10 a.m. to 3 p.m. each day. The topics for the first session on Feb. 11th are:

Basic concepts of ruminant nutrition; Digestion of feeds, synthesis of protein and vitamins. Requirements for energy, protein, vitamins, and minerals. Use of urea and other non-protein nitrogen. Metabolic disturbances of cattle: Bloat, milk fever, ketosis, grass tetany, nitrate poisoning. Balancing rations for dairy cattle.

The meetings will be held at the Colonnade at 408 West Grand River in Howell. The total cost is \$3.00 for the two noon luncheons. You may purchase a ticket which will cover both lunches from any of the following Dairy Council members: L. D. Dickerson, Tom Lound, Bill Bugard, Mel Saunich, George Robb, Andy Jackson, M. Kingsley, Clinton Alstott, Ken Peckens and Bob Rutman or at the Cooperative Extension Service office in Howell.

Be sure to get your tickets by Feb. 8th.

The Marine Corps Recruit Depot, San Diego, Calif., was established on August 11, 1923.

**WE WISH** to thank the Brighton Fire Dept. for the prompt action on our garage fire which no doubt saved our house. Also the two men from Clark Lake that helped get our car out. Mr. and Mrs. Owen Richards 2492 Hacker Road 2-3x

**JOHN HILLS,** who is convalescing at his home at 10287 Spencer Rd., wishes to thank all the thoughtful people who sent him "Get Well" cards during his recent illness. The cards, which covered the emotions from abject cowardice to raw courage, added a chuckle to what otherwise would have been an other drab and dreary day in the hospital. 2-3p

**I WISH** to thank all my friends and neighbors from Woodland Lake for the beautiful bouquet sent at the time of the death of my husband, William Rice. Mrs. William Rice 2-3x

## Card of Thanks

I WOULD like to thank all my friends and relatives for the cards, gifts and visits I received during my illness.  
Dwight Matteson

2-3p

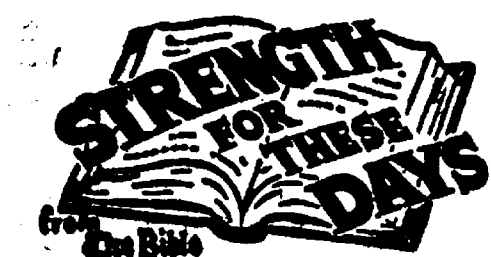

IN THIS HUMBLE way I wish to extend my sincere thanks to my many relatives, neighbors and friends for the many acts of kindness, gifts, cards and calls which made my stay at McPherson Health Center more pleasant. I wish to thank the Health Center for my wonderful care, Dr. Wilkinson and Rice, also St. George Lutheran Church, Rev. Olsen for their prayers, Brighton Rebeccah Lodge, Past Grand, Brighton Kings Daughters. May you all have such wonderful friends in your time of need. God bless you all.  
Alice Ruth Wright

Every good gift and every perfect gift is from above.—(James 1:17).

God loves us so much that He gave us all His wonderful qualities that we may, in turn, give and share them with His other children. God's love is in our hearts as kindness, forgiveness and tolerance and we should treat it as such in our dealings with others.

## The Driver's Seat

It's frightening to realize that an alert driver with perfect vision can look at an object and not see it — especially since 90 per cent of all driving decisions are based on sight, according to the American Optometric Association.

This lack of visibility isn't caused only by lack of light, as most people believe. It can result from peculiar physiological and psychological phenomena:

—TEMPORARY BLINDNESS: If an oncoming driver shines his high-beam headlights directly into your eyes, you may be partially blinded for as long as a full minute.

—DISTANCE: Sight distance shrinks in proportion to the speed of travel. At 20 m.p.h. a driver can see and identify objects 80 feet farther away than at 40 m.p.h.

—AGE: The older you are, the more light you need to see by. The average 55-year-old with 20-20 vision needs twice as much light as the 20-year-old with the same visual rating.

—FAMILIARITY: A driver can see expected or familiar objects much farther away than those unexpected or unfamiliar.

—RED DEFECT: More than 80 per cent of the nation's motorists have eye defects that

cause them to think red taillights are farther away than they really are. So said Dr. Merrill J. Allen, recently. He is director of the Motorists' Night Vision Research Project at Indiana University, Bloomington.

A reflective license plate glowing on the rear bumper of a car ahead at night can eliminate the danger caused by this "red defect" — and other visual distortions involving distance, said Dr. Allen. In sixteen states and the District of Columbia, reflective plates are standard issue. They glow in headlight beams for as far as 2,000 feet.

As for visual defects resulting from age and other uncontrollable factors, we can only advise you to be aware of them and drive so safely that you compensate for them.

## "HAPPY BIRTHDAY!"

The Ray Kellenburgers entertained a houseful Sunday, with the occasion being the celebration of Mrs. Marge Kellenburg's birthday and her granddaughter, Margie Bilkovsky's birthday. Those present were Mr. and Mrs. Jack Bilkovsky and daughters, Mrs. Eva Lobdell and sons, Mr. and Mrs. William Johnson and Mr. and Mrs. Lyle Dorance.

Sandra and Linda Shirey were involved in an automobile accident Sunday, when their car slipped on the ice and hit a tree. Both girls are home from the hospital, Linda having several face and head lacerations and Sandy suffering quite badly. The girls are feeling quite lucky that their injuries were as slight as they were and are now looking forward to "Happy Healing Days!"

The funeral of the newborn son of Mr. and Mrs. James Charbonneau was held Sunday at 2:00 p.m. with the Reverend George P. Horkan presiding. Burial was at St. Mary's Cemetery, in Pinckney.

### UPCOMING EVENTS

Let's not forget the Community Choir will be starting up again next week. The group, including you, if you like, will be preparing and practicing for a special Easter program. If you are interested in joining this choir, you will find more about it elsewhere in this paper. Also, be sure to watch for following announcements concerning this.

The Pilgrim fellowship, of the Congregational Church will sponsor a dance for teenagers at Pilgrim Hall, Saturday evening, Feb. 6th.

This sounds like a lot of fun—A "mortgage burning dinner at the Peoples Church." Saturday the 6th, at 6:30 p.m. It will be the "carry-in type" of dinner."

## TRAIN TRIP FOR THREE

Mrs. Willard Wiltse, Mrs. Don Wiltse, and Mrs. Lambert Henry attended a train ride Saturday to Mamazoo. There, they attended the wedding of a cousin and nephew, John Hill, to Mary Yonke. The wedding took place in Kanley Chapel, at Western Michigan. The women returned Saturday Sunday, after having a very enjoyable but short weekend.

Mrs. and Mrs. Willard Wiltse celebrated seventeen people last night, at a birthday celebration of Mrs. Answn Wiltse, of Howland. Mrs. Christine, of Flint. Guests were also present from Ed Lake and Pinckney.

The Jet Cadets (girls, ages 11 through twelve) of the Peoples Church, certainly have been busy bees lately. Last Sunday evening, they performed a special program. The program included a puppet play, and slides movies of the girl's campout last summer, after which girls served refreshments to the audience. The audience, the way, was delighted, with a very interesting entertainment.

After completing their weekend of painting, the Jerry Bridges and the Jim Janow, enjoyed a lovely dinner at Ledwidge home, Saturday night.

It'd like to remind you howl—that it is against all rules bowl, two nights, in one week, on the SAME LEAGUE. You think it isn't, just try it—I did. Things can get messed up in a hurry.

Mr. and Mrs. Robert Tasch John certainly have nothing good reports on the movie rye Poppins." They enjoyed their Sunday afternoon, pre-dinner at Fowlers, in Ann Arbor.
