

Area Churches Plan Easter Week Services

DECISIONS, DECISIONS! What's a girl to do? (Model, Heather Reetz.)

WELL, I HADN'T thought about red . . .

DON'T YOU THINK it's just a little TOO much?

NOW THIS is the real me, don't you think?

PERSONALLY, DEAR, I think a REALLY smart hairdo beats an Easter bonnet any day. (The little lady who posed for this picture is Cammie Hendrix.)

BETHEL BAPTIST
 "Risen Jesus" is the name of an Easter cantata to be presented Easter Sunday, 7 p.m. at the Bethel Baptist Church, by the Church's Youth Choir. The choir is under the direction of Mrs. Richard E. Randall and consists of 15 voices, all young people between the ages of 13 and 18. The public is invited to attend. They will also sing during the regular morning services which begin at 10 a.m. The two songs they plan to sing at this time are "Christ Is Risen," featuring Miss Joan Shugg as soloist, and "Open the Gates of the Temple."

The Bethel Baptist Church is located on Swarthout Road, just west of Pettysville Road. Rev. Robert Taylor is pastor.

HIAWATHA BEACH CHURCH
 The Hiawatha Beach Church, Buck Lake, will join the congregation at the People's Church for Good Friday afternoon services, according to Pastor Charles Michael. For Easter

Sunday Sunrise services, the people of this Church will join those who attend the out-of-door services at the Woodrow Massey home, 933 Rush Lake Rd. Following this service, the regular Sunday schedule will be followed with Sunday school at 10 a.m., Morning Worship at 11 a.m., and evening services at 7:30 p.m. at the Hiawatha Beach Church.

GALILEAN BAPTIST
 Good Friday services at the Galilean Baptist Church will be from 1 until 2 p.m. conducted by Rev. Roland C. Crosby of that Church.

The evening of Good Friday, Rev. Crosby will participate along with six other ministers in services at the Tri-Lakes Baptist Church, Lee Road near Brighton. Those services will begin at 7:30 p.m. Those who work during the day and do not attend Good Friday services for some reason, are cordially invited to attend this special evening service.

Other churches that will participate in these services at Tri-Lakes Baptist are Milford Baptist, Fellowship Baptist of South Lyon, Emmanuel Baptist of Ann Arbor, and Unadilla Baptist.

Easter Sunday Sunrise services at the Galilean Baptist Church will begin at 6 a.m., and all who attend at this time may take advantage of a breakfast immediately following at the church. Those planning to attend are asked to bring their own table service.

The regular Sunday program will follow with Sunday school at 9:45 a.m., Morning worship at 11 a.m., Youth Fellowship at 6 p.m., and evening worship at 7 p.m., all at the Church.

ST. MARY CATHOLIC CHURCH
 The Rev. Father George Horakan of St. Mary Catholic Church announces that a 7:30 p.m. Mass will be conducted Thursday evening, and Good Friday, Liturgical services will begin at 1:30 p.m.

Saturday evening Easter Vigil Services will begin at 10:45 p.m. Easter Sunday masses will

be said at the regular hours, the first being at 8 p.m., and 11:30 a.m.

COMMUNITY CONGREGATIONAL

According to Rev. Gerald Bender there will be 8 p.m. Holy Communion services Maundy Thursday, April 13, at the Pinckney Community Congregational Church. Good Friday services will begin at 1 and last until 3 p.m. and be conducted in such a manner people may feel free to come and/or go at various short intervals or of course, stay throughout the entire service. The afternoon services will be short meditations based upon the "last seven words of the Lord."

Easter Sunday sunrise services beginning at 7:30 a.m. will be conducted by the Pilgrim Fellowship. The 9:30 and 11 a.m. services of worship will be conducted by Rev. Bender.

Following the 8:30 and 9:30 morning services there will be coffee, juice and rolls served at Pilgrim Hall.

PEOPLE'S CHURCH

Good Friday services at the People's Church, according to Rev. Thomas Murphy, will be conducted between 12:30 and 2:30 p.m. allowing working people time to attend and then get back on the job by 3 p.m.

At 12 noon a light luncheon, consisting of coffee and Mrs. Mae Dailer's homemade donuts, will be served at the Church.

The theme for the afternoon services is "Dying Words To Live By," and will be presented by seven speakers including pastors and laymen. The speakers will be Rev. Charles Michaels, Rev. Ross Winters, assistant pastor at the First Baptist Church in Hazel Park, Harvey Ritz, a visiting missionary here enroute to Austria; Charles Hewlett, Bob Williams, Marvin Shirey, and Jonathon Musch.

Special music during the afternoon will be presented by a trumpet player, Dick Moore, the Senior Choir of the church, Mrs. Mary Chamberlain and Mrs. Eloyse Campbell will sing a duet and solos, and a quartet consisting of Joan Shuggs, Elma

Kay Shugg, Janice Taylor, and Bob Williams will sing appropriate selections.

At 6:15 a.m. Easter Sunday Sunrise services will be conducted on a hillside at the Woodrow Massey home, 933 Rush Lake Road. Anyone wishing to attend may do so. Rev. Miller Heron, pastor of the Gregory Baptist Church, will conduct these services. There will be special music. Following these services a breakfast will be served at the Gregory Baptist Church.

The usual morning services will follow beginning with Sunday School at 9:45 a.m., morning worship at 11 a.m., and evening worship at 7 p.m. Rev. Murphy wishes to remind the public of the Church's radio broadcast, WHMI, at 1:30 p.m. Sunday afternoons.

At 7 p.m. during evening services, a movie will be shown at the People's Church entitled "In His Steps." Rev. Murphy extends a cordial invitation to the public, claiming "this should be a real climax to the day's activities of Easter Sunday."

John F. Burg Attends Convention in Grand Rapids

John F. Burg, instructor at Pinckney High School, affiliated with the Michigan Industrial Education Society, attended the Society's annual convention in Grand Rapids, April 8, 9, and 10.

Some 2,500 persons are expected to attend the convention which will headquarter in the Pantlind Hotel. Commercial and educational exhibits are being displayed in the Civic Auditorium.

The society consists primarily of industrial arts teachers and students from junior and senior high schools, technical and trade schools, colleges and universities.

The two main speakers of the convention include Dr. B. G. Gross of Chicago, Illinois, Industrial Relations Director with the Chicago Y.M.C.A., and Dr. Robert C. Lusk of Detroit, Director of Educational Services Automobile Manufacturers Association. Both of these men are speaking under the convention theme, "Michigan Industrial Education Dedicated to Michigan Youth."

Committees Named For this Year's J-Hop Smorgasbord

Mrs. George Wlodysa and Mrs. Jerry Speake were named co-chairmen for the annual J-Hop Smorgasbord dinner at an organizational meeting held Tuesday evening in the Home Ec room. The Smorgasbord is held at the University of Michigan Fresh Air Camp each year for P.H.S. students and guests, following the J-Hop dance at the high school.

Others named to serve on various committees are Mrs. Lester Heiner, decorations; Mrs. Otto Meyer, entertainment; Mrs. Leonard Latimer and Mrs. Joe Basydio, Sr., school kitchen; Mrs. Wlodysa and Mrs. Speake will be in charge of the kitchen at the camp and they will be assisted by ten couples.

Letters will be mailed to parents soon requesting various dishes to be served at the dinner.

These Smorgasbord dinners began back in 1958, and each year have become more and more popular with students. Parents and teachers who have been in charge of the dinner previous years feel that set rules such as "only P.H.S. students and their dates may attend," and, "a couple leaving will not be allowed to return," have much to do with the success of the affairs.

Church Members Accept Bid for New Parsonage

Ground will be broken soon for a new \$22,986 parsonage for the Pinckney Community Congregational Church, according to Rev. Gerald Bender, pastor of the church.

Members of the church voted, unanimously, at a meeting following the morning services Sunday, approving the building.

The new home will be a ranch style, brick, with three bedrooms, bath and a half, full basement, fireplace, and many other interesting features. It will be located in the new Don Carol Knolls subdivision, south of Pinckney village.

Claude Hoard of Gregory was awarded the contract having held the lowest of four bids submitted.

The building committee, comprised of chairman Jack Hannett, Jerry Speake, Bob Amburgey, Bob Graf, and Russell Clark, spent many hours preparing the various drawings and plans for this proposed parsonage.

One In Mind, One In Heart

Marriage vows were spoken by James Driver and Shirley Barnard, both of Dexter, and by Gary G. Howe and Constance Larrow, both of Milan, Saturday in Putnam Township, with Justice Mel Reinard officiating. The wedding parties later enjoyed dinners at the Canopy in Brighton.

Haberdashery Open for Business in Brighton

Opening for business Wednesday, April 14, the Sean Lavan Haberdashery, 120 W. Main St., Brighton, will provide a fine line of men's clothing. The new store — tastefully decorated in elegant masculine decor — will feature many well-known brands of men's attire. Some of the famous brands to be carried by the shop will include Manhattan, Botany 500, Brookfield, Lakeland, Alligator Rain Gear, Puritan Sports Wear, Hickok gift items, Mursingwear underclothing, Superba ties, Brookfield, Lakeland, and Esquire socks.

Bill Brigham and Geraldine Nixon, along with Mr. Lavan, have been busy attending to last minute details in the "strictly for men" shop.

Mr. Lavan said, "We have done everything possible to bring to the area the finest in men's clothing, from sportswear to business wear."

Beautifully and comfortably decorated, the interior of the store features red carpeting, barnwood walls, with accessories of barrel chairs and tables. There are two dressing rooms with plans for more later.

Mr. Lavan asks that you stop in and browse around.

Missionary Conf. Here April 22-25 At People's Church

Rev. Thomas Murphy announces the annual Missionary Conference will take place in Pinckney April 22-25.

This conference constitutes several missionary people being here from many parts of the world, such as Bolivia, Austria, and West Africa. They will visit group meetings while here and relate the many experiences encountered while doing missionary work.

"Good Neighbor Teas" have been scheduled during the four day conference to take place at various homes in the Pinckney area. Further announcements of plans will be made next week.

P.T.A. Postponed Until April 20

The Pinckney Elementary P.T.A. meeting scheduled for tonight (Thursday) has been postponed until Tuesday, April 20, due to Maundy Thursday this week.

Mrs. Helen Lucas and Mrs. Dorothy Dinkel will be present at the April 20 meeting and will speak on hearing and vision. The two women are affiliated with the Livingston County Health Department.

Election of P.T.A. officers for 1965-66 school year will also take place.

Livingston Supervisors Approve Record Budget

By Barbara Bekkering
 The Livingston County Board of Supervisors Tuesday approved a record budget of \$1,089,924. This amount will require between 6½ and 7 mills compared to 4.4 mills last year. Included in this year's budget is \$175,000 for a county appraisal program. The budget was passed with only one dissenter, Dr. Olin Wilkinson of Brighton, who questioned money in a social welfare building fund.

The board elected Allan B. Campbell of Fowlerville chairman and Milton Conine of Howell vice chairman. Campbell replaces Clifton W. Heller of

Howell and was vice chairman last year.

Two property owners from Cunnigham Lake attended the meeting to ask the supervisors what kind of protection they would have against the Conservation Department purchasing land and tearing down property as has happened at Cunnigham Lake.

Clifton Heller speaking for the board said, "The only protection you have here in the United States is in the courts. The Conservation Dept. has to prove a need for this land in a trial in this county before twelve jurors who are selected from your township. The unfortunate part is that it would cost you money to fight

this and it seems too bad that we always have to resort to law rather than morality."

In further business the board voted to raise the pay of building inspector Lawrence Munsell \$900 which would bring his income up to \$7400 per year.

Chairman Campbell was able to vote because of a tied roll call vote regarding a Livingston-Fenton Soil Conservation District plea for \$1000 for clerical help at their office in the court house. The law states that the chairman of the Board of Supervisors cannot vote unless there is a tie. During his time as chairman, Heller never got to vote. Campbell's no vote broke the 10-10 tie on the proposal.

Allocation Board Appointments Made

Judge Francis Barron announced last week his appointment of the Livingston County Tax Allocation Board. The six member board, consisting of three appointed and three statutory officers, are appointed each year by the Judge of Probate to officiate at hearings regarding the division of the county's 15 mill tax levy.

The appointed members are: Dr. Thomas A. Barton, county at large member, Howell; Cecil Lepard, member representing a municipality, Fowlerville; Wayne Probst, representing a school district maintaining 12 grades, Brighton.

Pinckney Women Do Well In City Tournament

The women on the Monday night LaRosa Lounge bowling team did well in the City Tournament Saturday and Sunday at Chelsea. They are now in second place in the entire tournament having bowled a total of 2943 series. This includes a handicap of 558 total pins for the three games.

In the "singles" Saturday Shirley Kaiser bowled 513 series, Dottie Gerstler, 430, Opal LaBelle bowled a 419 series and Rosie Smith a 515; Sue Demarest bowled a 510 series.

During Saturday night's "doubles" Shirley and Dottie bowled a 1094 series; Opal and Rosie a 1087 series; and Margaret Wagner and Em Gilbert a 1064 series.

The LaRosa Lounge team consists of Shirley Kaiser, Dottie Gerstler, Opal LaBelle, Rosie Smith and Sue Demarest.

P.E.G.'s Name Committees for April 24 Meet

The Pinckney Extension Group (P.E.G.) met at the home of Mrs. James Williams of Buck Lake last Wednesday, April 7. It was a make-up lesson for one that was missed earlier in the year.

Lesson was on "Fit For Fashions" given by Mrs. Thomas Lane, with an able assist by Mrs. Ralph Hall. Everyone learned many good points to look for when selecting clothing, or in making them.

Plans were discussed for the Area Meeting which will be held April 24 at Parkers Corners near Howell. Various chairmen were also appointed. Mrs. John Lundin will have charge of the center piece and table flower arrangements. Mrs. James Williams, Mrs. Ansel Hodges and Mrs. H. Baker will serve on the menu committee; Mrs. Nestor Enquist on badges. Final plans will be announced at the next meeting April 21 at Miss Florence Preuss' home on Patterson Lake Road.

Mrs. Gerald Swarthout and Mrs. Earl Kimbler will deliver the Easter projects of corsages to the women patients at Howell State Hospital in time for Sunday.

There were 18 members present for this meeting and Mrs. Irene Jack, a former member was a very welcome guest. The group enjoyed a wonderful luncheon and the very delightful and informative lesson.

Big Catch in Mexico

R. L. Schmitt makes big catch . . . R. L. Schmitt, a resident of Patterson Lake Drive, Patterson Lake, is enjoying a leisurely vacation in New Mexico. Word received from that place relates how Mr. Schmitt successfully caught a 183 pound marlin while fishing in the Gulf.

Jim Wylie to Spend Summer At Howell Co-Op

Jim Wylie, a student in the Elevator and Farm Supply Short Course at Michigan State University, will be working at Howell Cooperative, Howell, this spring and summer. Six months' work experience in a country elevator is a requirement for the Short Course according to Dr. Harold Ecker, course coordinator. Jim hails from Pinckney, and has completed two terms at Michigan State University. On-the-job training will include all phases of elevator work. Jim will return to Michigan State University next fall to complete the two-year training program.

Jim is the son of Mr. and Mrs. Asher Wylie of Pinckney.

Masons and Wives Enjoy Past Master's Banquet

One hundred and six persons attended the annual Past Master's Night which was held Saturday evening in the P.H.S. gym. A swiss steak dinner prepared by the Pinckney Chapter No. 145, Order of Eastern Star, was served by Rainbow Girls and Demolay boys. This was the first year that wives of the Masons were invited to the dinner and program.

The program for the evening went like so: Invocation, Rev. Gerald Bender; Welcome and introduction of toastmaster, Daniel Van Slambrook, W.M.; Toastmaster, James Boyd, J. PROCLAMATION Future Teachers Week 1965

Education is not an end in itself, but a means of preparing for the future by making an investment through our children. . . It is the means for the full development of our human resources which are essential to the security, progress and well-being of our United States. The fulfillment of the principles of our democracy requires that every person have unrestricted opportunity to an education commensurate with his or her ability.

Fine buildings and the best textbooks do not constitute an educational system. Education requires teachers. Michigan is proud of its system of education. Our people, from the very beginning, have encouraged education and have given the support that has built our excellent facilities. But, most of all, our educational system is outstanding in the nation because of the high quality of our teachers.

The future of education in Michigan is assured because of the interest of our young people in the field of teaching. From the student bodies of today will come the teachers of the future. The deep interest of our youth in preserving our high ideals of education is demonstrated by the more than eight thousand students who are members of nearly two hundred fifty Future Teachers Clubs in Michigan high schools.

It is fitting that a special time be set aside each year to stress the need for teachers and the rewards of the teaching profession.

THEREFORE, I, George Romney, Governor of the State of Michigan, do hereby proclaim the period from April 12 through April 17, 1965, as

FUTURE TEACHERS WEEK

in Michigan, and urge all our people to encourage our young men and women who are interested in teaching careers and to assist them in every way possible to attain their goal and to demonstrate public support of education and to express appreciation for those who are devoting their lives to teaching so that we will have an informed and educated citizenry which is necessary to preserve democracy.

Given under my hand and the Great Seal of the State of Michigan this eighth day of April in the year of Our Lord one thousand nine hundred sixty-five and of the Commonwealth one hundred twenty-ninth.

GEORGE ROMNEY
Governor.

Library News

We have just received a two volume edition of The Lincoln Library of essential information. This is a volume addition to our reference shelf as it contains much information not found in the encyclopedias — especially in biography and reference to literary characters.

Other new books are: Whitney: "Sea Jade" — a romantic novel of suspense about an old family mansion on the New England coast.

Gurko, "Tom Paine, Freedom's Apostle" — the story for older boys and girls, who championed the cause of the revolution through his shell as a writer. His pamphlet Common Sense became a household word from Massachusetts to the Carolinas.

Tharp, "Louis Agassiz" is the story of the man who opened the doors leading out into the exciting modern world of natural science.

Mrs. Anna McCleer gave books to the library.

4-H Group to See Wildflower Slides

Mr. and Mrs. William Horner's Conservation Pioneers, a 4-H group consisting of ten members, ages ten through 15, are in for a big treat April 23rd at the Melvin Smith home in Gregory. That evening at 8:00, Mrs. Ester Dean of Dearborn will show slides of rare wildflowers. The group is very appreciative of Mrs. Dean, since she will also be including slides of wildflowers the club has recently been studying.

You might be interested in knowing that Mrs. Dean has just recently returned from a very interesting trip to Texas. While there she was fortunate enough to get pictures of the almost extinct whooping crane. There are only about 28 of these birds in the United States, making it a very rare occasion to see them. Michigan Deer Hunters Spend \$22.3 Million

Those red-coated hunters who stalked Michigan's famed white tail deer last November poured more than \$22.3 million into the state's economy, according to a final tabulation by Central Michigan University.

The dollar impact of the 16-day season and interesting facts about Michigan deer hunters are part of a comprehensive study of tourism and recreation by CMU's Center for Economic Expansion.

Scheduled for completion late this summer, the study is designed to give the state tourist industry a more accurate assessment of the impact of tourism on the state's economy.

It is being conducted under a grant of \$78,000 made by the Michigan Legislature.

Data obtained from interviews with 2,700 of the more than 545,000 persons who purchased Michigan deer hunting licenses in 1964 showed an average expenditure of \$41 a person, according to Charles R. Owens, survey director.

The hunters spent about \$11.5 million for food, \$3.9 million for transportation, \$2.3 million in retail stores, \$2.2 million for accommodations, \$1.4 million for miscellaneous items, he said.

These figures do not include expenditures by non-licensed persons who accompanied deer hunters, or by the more than 44,000 bow and arrow hunters who purchased Michigan licenses last fall.

The typical deer hunting party included four persons who spent an average seven nights away from home, the CMU study revealed. Male hunters outnumbered female hunters by nearly eight to one.

Some 40 per cent stayed in private cottages and cabins and a like number in tents, trailers and camping units. Ten per cent rented cabins and cottages, and nearly seven per cent found shelter in motels and hotels.

Nearly all of the hunters traveled by car or truck. The most frequently stated reasons for selecting destinations were: "The deer hunting is good there"; "Home of friends or relatives"; "We visited the place previously and like it"; "It's the site of my cottage."

Although primarily interested in bagging a deer, a large number of hunters took part in a variety of other activities, including picture taking, souvenir shopping, boating, visits to historical sites, fishing, small game hunting, camping, rock hunting, golf and hiking.

Results of the CMU study, combined with tourist survey work by other Michigan universities, are expected to be a valuable aid to the tourist industry, according to William T. McGraw, director of the Michigan Tourist Council.

"In addition to developing a means of more accurately determining the industry's value, they will reflect new trends in tourism and provide new data on the interests and needs of travelers," he stated.

The CMU survey got underway early in 1964 and will cover every season of the year.

American Legion Convention in Lansing July 15

The 46th Annual Department Convention of the American Legion will be held in Lansing July 15-18, 1965, is was announced by State Commander Duane T. Brigstock, Battle Creek.

Over 5,000 Legionnaires and Auxiliaries are expected to attend this state function of the largest veterans' organization in the world. Headquarters for the Legion meetings will be the Jack Tar Hotel while the Auxiliaries will meet at the Capitol Park Hotel. Also, convening during the Legion Convention will be the two Legion honorary societies the Forty and Eight and Twenty and Four.

Convention Chairman Lawrence J. LaLone, Lansing, reported that the delegates to this convention will hold three formal convention sessions during the four day meet; these will be held on Friday, Saturday and Sunday.

Prior to these business transmittal sessions, the various committees of the Legion will meet for individual progress review in the varied fields of rehabilitation, services to youth, community service, child welfare, Americanism and National Security. A new, full slate of officers to guide the organization and these programs in 1965-66 will also be selected.

Jaycees Sponsor Easter Egg Hunt

The Brighton Jaycees are sponsoring an Egg Hunt at the West Elementary School on April 17, beginning at 10 a.m.

There will be two divisions: under 5 years, and from 5 to 10 years of age. There will be a special prize for the boy or girl who finds the most eggs left by the bunny, also prizes for the lowest number found.

A special treat is in store for the child who finds the golden egg. Everyone who enters will receive a gift for their efforts.

the winter months in Texas and then travel on to the same spot in Canada each year for summer months.

If interest is great enough Mrs. Dean will show these slides at any group meetings.

Population of Michigan Continues to Increase

Lansing — Michigan's population increased 103,122 last year by natural means (births minus deaths) according to provisional figures compiled by the Michigan Department of Health.

The number of births declined for the seventh year in a row with a total of 174,904 newcomers as compared to 178,171 births recorded in 1963. It was the lowest number of births since 1951.

There was also a slight decline in the number of deaths reported last year, as a 404 increase in accidental fatalities was offset by a decrease of 479 deaths due to pneumonia and influenza and 205 fewer stroke deaths.

The total number of deaths was 71,782 — 178 less than the number recorded in 1963. The only change in the ranking of the ten leading causes of death was that diabetes moved from sixth to fifth ahead of pneumonia-influenza.

Diseases of the heart remained the leading cause of death accounting for 27,330 (up 81).

followed by cancer with 12,017 (up 25), strokes with 7,911 (down 205), accidents with 4,361 (up 404), diabetes with 2,048 (up 10), pneumonia and influenza with 1,748 (down 479), arteriosclerosis with 1,554 (down 84), cirrhosis with 1,478 (down 479), congenital malformations with 964 (up 17), and suicide with 812 (down 17).

There were 4,034 infant deaths reported last year, including 2,819 who failed to survive the first week of life. Sixty women died from conditions associated with pregnancy compared to 67 maternal deaths in 1963.

The first Nobel Prize for Peace was awarded to Henri Dunant of Switzerland and Frederic Passy of France.

The Great Seal of the United States was approved by Congress on June 20, 1782 after many delays.

Children playing with matches started 57 forest fires in Michigan during 1964.

Hartland High Holds Conferences

For the first time, Hartland Junior-Senior High School will have a Parent-Teacher Conference. The Hartland Elementary schools have participated in this activity for several years, and because there have been so many requests, the Hartland School Board has set aside April 22 and 23 for these conferences at high school level.

Parents of junior and senior high school students have been sent letters of explanation and are asked to indicate a convenient time during the two conference days when they would like to come to the school and talk to their child's classroom teachers.

An alternative plan is contemplated for this year, differing from the grade school conferences. If no appointments have been requested by parents of students who are having difficulties with certain subjects, the high school teachers will ask that specific time invitations be sent home to those parents.

The goal of the Parent-Teacher Conferences is to see that each student obtains as much help as he possibly can. Through the conferences, it is hoped that by working together, the school and the

home can better do the job of educating the young people of the community.

Tanganyika, which achieved independence within the Commonwealth on Dec. 9, 1961, became a republic exactly one year later.

Timber operators accounted for only \$390 in forest fire damages to personal property in Michigan during 1964.

Forest fire damages to buildings and other personal property totaled \$153,000 in Michigan last year.

The Conservation Department is charged with preventing and controlling fires anywhere within 20.5 million acres of forest and wild grass lands in Michigan.

In 1834, Oklahoma was set aside as Indian Territory. It remained so until April 22, 1889 when the first opening to homestead settlement occurred.

Congressman Vivian Report

In the last two weeks the House of Representatives has passed three very significant bills: The Water Resources Planning Act; The Older Americans Act of 1965; and the Medicare Bill.

Members of the League of Women Voters in the Second District were strong supporters of H.R. 1111, the Water Resources Planning Act. After passage by the Senate, it will authorize the creation of Federal-State river basin commissions and planning councils in order to foster great-

er conservation and more efficient use of fresh water. Such planning and coordination will help our efforts to clean up Lake Erie and the Raisin and Huron Rivers in the Second District.

The Older Americans Act will establish an agency within the Department of Health, Education and Welfare which will administer existing Federal programs for the aging and sponsor research and provide information useful to the elderly.

The most important and historic bill to pass the House in the last two weeks is H.R. 6675, popularly known as the Medicare Bill; it carried by a vote of 313 to 115 last Thursday evening.

The Bill, when originally introduced in 1957 contained provisions for limited hospital and nursing care benefits for persons over 65, financed by Social Security payroll taxes.

It became evident early this year that with increased Democratic majorities elected to the Senate and the House of Representatives, a bill providing hospital care for the elderly under Social Security almost surely would pass. Groups which previously had opposed such legislation providing health care for the aged, now changed tactics and instead submitted alternative versions. One of these was the so-called Eldercare Bill sponsored by the American Medical Association; it stressed medical and surgical as well as hospital care.

The leadership of the House, agreeing that such benefits were needed, then incorporated the A.M.A. Eldercare concept into the Medicare Bill.

If passed by the Senate as expected, beginning in July of 1966, senior citizens will be eligible for 60 days of hospital care

Which Came First — Chicken or Egg?

SPECIAL — Raising chickens is traditional with 4-H youngsters, but the method is not. Members engaged in poultry projects readily adopt new practices recommended by the Cooperative Extension Service and the fast-paced poultry industry.

Recently, a selected group of 4-H poultry raisers attended the Junior Poultry and Egg Finding Conference at Kansas City. This afforded the young people an opportunity to hear top men in the industry, learn about jobs available, and view a vast exhibit of automation and scientific practices in use today.

The national 4-H poultry program attracts both boys and girls. Some have family-size flocks while others are producing on a commercial scale. As a matter of fact, a flock of birds is not even necessary to participate. Investigation or experimentation with incubation, genetics or nutrition has attracted 4-H'ers

plus subsequent nursing care for each illness; these benefits to be financed out of increased Social Security payroll taxes. No doctors' fees will be paid out of this fund.

In addition, all persons over 65 will be eligible to enroll in a 100 per cent optional supplementary program that will pay for physician's and surgical services wherever performed including the home or doctor's office; diagnostic x-rays; lab tests; necessary surgical dressings; and medical equipment and aids. This part of the program will be financed by a premium payment of \$3.00 by the individual participant and an additional \$3.00 a month by the Federal Government.

A third section of the bill will provide an increase of 7 per cent Social Security Old Age and Survivor benefits.

H.R. 6675 will provide added financial security for millions of Americans. Benefits will, of course, add immeasurably to the financial security of most senior citizens. Many such citizens also will be relieved to know that they will no longer be forced by ill fortune to burden young sons and daughters with unplanned hospital and medical expenses.

I am proud that this bill is the result of a joint effort by the legislators of both political parties who, with few exceptions, recognized the need for health protection for the aged and finally combined their ideas in meaningful legislation to meet that need. I am sure most families in the Second District will welcome the added security H.R. 6675 will provide.

interested in poultry sciences. A 17-year-old Ohio boy expanded his project from 800 chickens in a two-story barn to more than 4,000 caged layers. He found better management of his flock was necessary, and with the help of his parents, took steps to bring this about.

Another teen-ager more than doubled the size of his flock by employing new practices learned in his 4-H Club. A girl used her poultry know-how as a junior leader and helped younger members. Along the way, she made more than 90 poultry exhibits and reported a gross income of some \$7,000 over a six-year period.

Efforts like these are acknowledged and rewarded in various ways. Each year the Extension Service names county, state and national winners of awards provided by the poultry program sponsor, Heisdorf & Nelson Farms, Inc. of Kirkland, Washington.

Six \$500 educational scholarships will again be given to the highest ranking members in the nation. The state winner will be a delegate to the National 4-H Club Congress next fall as a guest of the sponsor. Up to four members in each county may receive a handsome gold-filled poultry medal.

Debris burning is the No. 1 cause of forest fires in Michigan. Last year, it erupted into 362 fires, about one-quarter of the state's total, to blacken 3,435 acres.

The first European university was that of Salerno in the 9th century when it was known as a school of medicine. By the 11th century, it had become one of the most famous medical schools of Europe.

There is no such thing as an off season for forest fires in Michigan. Last year, these break-away blazes occurred in every month, destroying 18,108 acres for the highest toll since 1949.

If ye know these things, blessed are ye if ye do them. —(John 13:17).

A smile can do many things, it can even reflect our gratefulness to God and our joy in living. Many persons have been helped, cheered, encouraged, or spurred on to new efforts by a smile because it implies that one wants to be helpful.

Michigan landowners are reminded that when and wherever snow is off the ground, free permits must be obtained from the Conservation Department's field offices or local fire departments before burning may begin. It's the law.

Mich. Safety Conference In Lansing, April 20-22

More than 4,000 persons will attend the 35th Annual Michigan Safety Conference to be held in the Lansing Civic Center, April 20-22.

There will be over 50 outstanding programs in all areas of business, industry, education, government, agriculture and women's activities, including safety in the home, according to Harvey H. Marsden, safety director of the Kellogg Company, Battle Creek, who is president of the Conference.

All facilities of Lansing's civic center will be utilized during the three days of the Conference, the objective of which is a more effective safety job in all fields. There will be in excess of 100 exhibits of all types of safety material and equipment.

Mr. Marsden pointed out that the Conference is a state-wide safety organization whose primary objective is to provide leadership and assistance to citizens of Michigan in a united effort to reduce accidents, loss of life, injuries and property damage.

There are 11 divisions in the Conference, namely industrial, public utilities, office safety, school and college, rural, traffic safety, fire safety, transportation, government agencies, women's and construction. Each division has a chairman, vice chairman and secretary.

General committee membership of the Conference totals over 200, who are representative of every area in the state.

Each division arranges and carries out its own program with speakers, forums, panel discussions and other activities relating to the over-all safety program.

On each of the three days there will be a major luncheon for delegates with outstanding speakers. On Tuesday, April 20, the luncheon speaker will be Governor George Romney who will speak on "Safety in Michigan."

The Wednesday noon speaker will be Dr. Hideya Kumata, Michigan State University, who will talk on "Communicating for Safety." Donald N. Frey, vice president and general manager,

Ford Division, Ford Motor Company, will speak on "Management's Interest in Safety" at the final noon luncheon on Thursday, April 22.

Officers of the Conference in addition to Mr. Marsden are: Kenneth S. Hedges, safety director, General Motors Corporation, Detroit, executive vice president; William D. Munro, Jr., vice president, Bank of the Commonwealth, Detroit, administrative vice president; Forrest E. Kimmel, safety medical director, KVP Sutherland Paper Co., Kalamazoo, divisional vice president; Donny W. Chiesa, district superintendent, The L. E. Myer Co., Clawson, executive secretary; Robert A. Farmer, supervisor personnel programs section, Lincoln-Mercury Division, Ford Motor Co., Dearborn, treasurer; and Harold F. Lillie, director, Safety Council of Greater Lansing, assistant to the president.

Chairmen of the various divisions are:

Construction: B. W. Stephenson, president, Safeway Steel Scaffolds, Inc., Detroit.

Fire Safety: Gerald Montgomery, director, Greater Detroit Safety Council, Detroit.

Government Agencies: George Wibby, Jr., director, safety services, American Red Cross, Detroit.

Industrial: Robert C. Wigger, manager casualty engineering, Detroit Insurance Agency, Detroit.

Office Safety: Mrs. Pat Bledsoe, education department, Dow Chemical Company, Midland.

Public Utilities: Clayt Pierce, division safety supervisor, Michigan Bell Telephone Co., Grand Rapids.

School & College: Benton Yates, superintendent of schools, Livonia.

Traffic Safety: Chief Fred Serra, Police Department, Mt. Morris.

Transportation: Loren J. Krutz, safety director, Associated Truck Lines, Inc., Grand Rapids.

Women's Division: Mrs. Philip McCabe, Dimondale.

Rural: Dr. Richard G. Pfister, Michigan State University.

Ten of the divisions will have their meetings at the Lansing Civic Center, and the Rural division will have its sessions at Michigan State University.

Tile System Aids Soil Structure

A tile system properly installed will improve soil structure. A complete tile system is used on the heavier poorly and imperfectly drained soils. The spacing varies from 4 rods to 10 rods. Random systems are used on lighter textured soils that are poorly or imperfectly drained, or in seep areas.

A combination complete-random tile system was installed on the Alois Laiser and son farm last spring. It was designed by Perry Cook, Soil Conservation Technician of the Soil Conservation Service. The laterals of the complete system were spaced six rods apart to provide adequate drainage in the low area. Bill Laiser, operator, likes the lateral lines. He comments that before the area was tiled the soil was always wet and cold in the spring. The corn was generally planted late and was always stunted. The square field

can be cropped with straight rows now. Before tiling there was an inconvenience in working the field. The low area will even be planted to alfalfa in the rotation of the field.

It is important to have an accurate survey of the area before tiling. Be sure the tile is installed according to the survey and plan. The tile on Laisers' farm outlets into an open ditch. There is more than one foot from the bottom of the tile outlet to the ditch bottom. This tile system has a good outlet with guards included at the outlet to keep out small animals.

The tile was blinded with top soil before covering the trench up. Other good blinding materials are straw and other filter materials such as fiberglass mat.

The Laisers began tiling 32 years ago. Many neighbors were asking why one should invest in tile. They will tell you "tile pays."

The Republic of Guatemala was once the site of the ancient Mayan civilization.

EASTER MESSAGE

She's as young as spring-time, as sweet-scented as a lily, beautifully serious with the total dedication of youth. People in church smile as they watch her, and they walk out into the April sunlight feeling better, happier, for having seen her.

They cannot, ever again, be as young as she is, but this doesn't seem to matter. For she is a symbol to them. She represents the wonder of spring when the world becomes new and fresh again, when flowers bloom as if for the first time, and when the Church retells the story of its greatest miracle — Christ's promise of everlasting life.

This, unquestionably, was the greatest promise ever made, and the reminder of it comes at Nature's most perfect season. Be sure that you go to the church of your choice this Easter, so that you may again hear and remember the Easter message in all its glory.

Board Minutes of the Brighton Area Schools

MONDAY, MARCH 22, 1965
A special meeting of the Brighton Area Schools Board of Education was held at the Miller School at 8 p.m. March 22, 1965. The meeting was called to order at 8 p.m. by President Probst. Mrs. Maltby, Mr. LewAllen, Mr. McMacken, Mr. Leith and Dr. Davis were present. Guests included Mr. Marshall Cooper, Mr. Peter Marshall, Mrs. Marian Heideman and Mrs. Mary Ann Belyea. Mr. Hawkins and Mr. Fitzgerald were also in attendance.

The change in the roof of the new high school was discussed briefly. Mr. Scurlock had earlier recommended a pitch of 1/4" per foot. At the March 8, 1965 meeting he suggested the building have a flat roof.

Dr. Davis read a letter from City Manager Peter Marshall addressed to him and dated Monday, March 22, 1965. (Letter a part of these minutes.) Council determinations stated in the letter follow.

- Minimum 7th Street width 39 feet.
- Sidewalks on both sides of 7th Street.
- School assessment to be 80% of cost for sidewalk, etc.
- School assessment to be 75% for 7th Street improvement.
- Annexation of property before city owned improvements can be extended is required.

Mr. Cooper and Mr. Marshall stated sewer and water connection charges would be based on actual school needs. Any cost above actual needs would be paid by the city. Mr. Marshall was asked to give the board some cost estimates. His figure was \$32,000 to \$33,000 for the 7th Street paving, sidewalks, curbs and gutter and drains.

Mr. Cooper asked whether or not Genoa Township's Board had expressed an interest in annexation of the school site. No official contacts have been made as yet between the two boards.

Mr. Marshall felt the Council would not go lower than the percentages mentioned in the March 22nd letter to Dr. Davis.

Mrs. Maltby asked whether or not we could discuss sewer and water with the city if the board had entrances and exits other than 7th Street. Mr. Cooper felt the school would generate traffic, both vehicular and foot, at 7th Street regardless of other existing entrances and exits to the site. Mr. LewAllen stated that he felt the entrance at the Stephens property would generate less traffic at 7th Street. He also pointed out an entrance outside the city would be better from the standpoint of the city police department. Mr. Marshall recommended the thoughts of the board concerning use of the Stephens property be sent to the Council.

Mr. Warner arrived at this time.

Dr. Davis was requested to write a letter to the City Council stating specific questions to be discussed with council members in the near future.

- May the school district obtain sewer and water from the city if the school district could not take part in a special assessment district for the 7th Street improvements?
- Will the city require a special assessment district be developed if the school district uses the Stephens property for all ingress and egress to parking areas on school property? (No traffic connections to 7th Street from the school site.)
- Will the council allow 7th Street to remain unchanged while traffic conditions are studied following construction of the school? If the paving program is studied, would the city allow 7th Street connection to driveway to school?

Mr. Probst requested Mr. McCrie to discuss annexation. Mr. McCrie intends to meet with the Genoa Township Board for the purpose of discussing annexation of the high school site.

Mr. LewAllen moved the tenure policy as drawn by the Teaching and Non-Teaching Personnel Committee be adopted. Dr. Davis supported this motion. Roll call vote: Dr. Davis, aye; Mr. Leith, aye; Mrs. Maltby, aye; Mr. McMacken, aye; Mr. Warner, aye; Mr. LewAllen, aye; Mr. Probst, aye.

Teachers salaries were discussed. The recommendation of the board was No. 5 of the proposals submitted to the board by the Teachers' Salary Committee. Mr. LewAllen moved the board offer No. 5 of the salary proposals. Seconded by Mr. McMacken. Teachers at maximum in 1965-66 will receive a \$200.00 increase and those teachers below maximum in 1964-65 and returning in 1965-66 would receive a \$200.00 increment plus an across-the-board raise of \$200.00. Roll call vote: Dr. Davis, aye; Mr. Leith, aye; Mrs. Maltby,

aye; Mr. McMacken, aye; Mr. LewAllen, aye; Mr. Probst, aye; Mr. Warner, aye.

The 1965-66 school calendar was discussed. Mr. Leith moved the calendar as presented by Mr. Hawkins, be adopted. Seconded by Mr. Warner. Motion carried.

The request of the Green Oak Township board to use the Hawkins School for its annual meeting Saturday, April 3, 1965, was presented by Mr. Hawkins. The board agreed to this request. Mr. Edwin Weber will be on duty at the school that day.

Mr. Hawkins announced final payment of the short term loan had been made to the Brighton State Bank.

Mr. LewAllen moved that President Probst be directed to write a letter to the following teachers concerning their status in the Brighton Area Schools. Seconded by Mr. McMacken. Letters will be directed to Mrs. Waiunas, Mrs. Ehrlinger, Miss Boehne, Miss Garlick and Mrs. Rawson.

Mr. Fitzgerald read an opinion of the Attorney General of the State of Michigan relative to continuing tenure and written contracts. After a brief discussion of this opinion, No. 4397, Mr. Hawkins recommended all teachers be given written contracts.

Mr. LewAllen moved the meeting be adjourned at 11:26 p.m. Seconded by Mr. McMacken. Motion carried.

Approved.

APRIL 5, 1965

A special meeting of the Brighton Area Schools Board of Education was held at the Miller School on April 5, 1965. All members were present except Mr. Leith. Mr. Hawkins and Mr. Fitzgerald were present also.

The teachers salary committee attended this meeting. Mr. Conn Doane, Mrs. Dorothy Musch, Mrs. Ethel Sutherland, Miss Delphine Root and Miss Margaret Siford were here representing the teachers.

The meeting was opened at 8:00 p.m. by President Probst. He explained that the purpose of this meeting was to discuss the proposed 1965-66 teachers' salaries with the teacher salary committee, as requested in a letter written by Mr. Conn Doane, chairman.

Base Minimum
The board has offered:
\$4,800 \$6,600 B.A. No. 5
\$5,000 \$6,500 M.A. Proposal 10 steps

Teachers Salary Committee and majority of teachers favors an indexed or a percentage increase per step instead of a flat \$200.00 per step, as proposed by the board.

\$4,700 — \$6,740 B.A. No. 12
\$4,980 — \$7,030 M.A. Proposal 10 Steps

Considering only the salaries of 76 teachers:
Present total teachers' salaries\$423,100
Proposal No. 5\$449,800
Proposal No. 12\$453,220

Estimated

The pros and cons of the salary rate proposals were discussed at length.

The board feels that proposal No. 5 is the limit to which the board can go at this time, based on the budget and the uncertainty as to State Aid and the amount that will be allowed for operation by the Allocation Board.

Mr. Doane felt that the higher maximum rate would tend to hold teachers in the school system more successfully.

The board feels that the starting rate, as well as the maximum rate, must be kept at a higher level in order to attract new teachers to the school system.

Mr. LewAllen suggested the possibility of adding the eleventh step, making the maximum for B.A. \$6,800 and M.A. \$7,000; but the total cost would have to be studied to determine if it can be absorbed into the budget. All board members favored step 11, if after study it can be done within the budget.

Mr. LewAllen asked that this compromise proposal be taken back to the teachers to be polled for their opinion.

Dr. Davis asked for the opinion of the teachers present at this time as to the adding of the eleventh step.

Mrs. Musch — Thinks this will retain older teachers but doesn't agree with steps.

Mrs. Sutherland — Thinks it would help retain older teachers but thought teachers expected index steps. Agrees the problem is from year to year.

Miss Root — Will placate older teachers, favors index for long range plan.

Mr. Hawkins — If step 11 of proposal 5 is adopted, all teachers would get the same amount of increase.

Mr. Fitzgerald — Setting a precedent. If this continues every year where will the money come from in the future? Not

particularly opposed to step 11. Mr. Doane — Will probably pacify older teachers for this year. Compares favorably with some neighboring schools.

The Board wants to affirm that step 11 of proposal No. 5 is a firm proposal and the board will vote on this proposal at the next regular meeting on April 12, 1965.

Moved by Mr. LewAllen and seconded by Mr. McMacken that the board make a firm offer of proposal No. 5 with the eleventh step added making the base rate \$4,800 and maximum \$6,800 for B.A. degree; base \$5,000 and maximum \$7,000 for M.A. degree. Carried unanimously.

The subject of teacher contracts was discussed. Mr. Doane stated teachers would like to be able to hold a contract to study before signing. Mr. Fitzgerald stated there have been blank contracts at the Principals' offices for this purpose.

The teachers and representatives present formally expressed their appreciation to the board for calling this meeting.

A short recess was called at 10:50 p.m. Meeting reconvened at 10:55 p.m.

Mr. Scurlock will be at the April 12th meeting for a progress report.

Mr. Hawkins reported on the trouble with hot water heater at West Elementary School.

Moved by Mr. LewAllen and seconded by Dr. Davis that the meeting adjourn. Carried unanimously.

Approved.

Brighton Township Board Minutes

Meeting called to order by Supervisor at 2:00 p.m.

Pledge of Allegiance to the Flag given by the Township Officers and 63 visitors at this time.

Joe Wildes asked for the floor to offer a Motion to vacate Clerk's Chair. Supervisor ruled that request was out of order at this time.

Minutes of the last Annual Meeting of the Township were read and approved as read.

Treasurer's Report was approved as read.

Attorney's annual report was placed in 11th position on agenda.

Joe Wildes made motion to vacate Clerk Ernest's chair and appoint another Clerk to replace him, as W. Ernst was not considered to be a properly registered voter and property owner of the Township. Motion supported by Mrs. Pierce. Supervisor Beers read a letter from the Township Attorney J. Brennan explaining that Clerk W. Ernst had asked for a legal opinion from Mr. Brennan prior to selling his home on U.S. 23, explaining that it was the intent of W. Ernst to rent an apartment temporarily until his new home could be built and made ready for occupancy the early part of 1965. Mr. Brennan also gave various references to previous court cases in like cases. Attorney General's assistant, Mr. Serals, opinion to Mr. Brennan was since it was a temporary move it was in order. Joe Wildes at this point withdrew his motion.

On motion by Joe Vorhies and supported by George Almashy, a Resolution was passed as follows:

Be it Resolved that the Brighton State Bank be, and is hereby designated the Depository of the Township of Brighton funds, and funds so deposited may be withdrawn upon a check of the said township.

On motion of Joseph Ellis and supported by Joseph Cronley, the township monthly meetings were set to be held on the second Wednesday of each month at the township hall. All meetings to start at 8 p.m. Motion passed.

Supervisor Beers asked if any Petitions were to be filed. None were offered.

Supervisor Beers reported on 1965-66 Road Program. Paving of Hyne Road from Hacker to U.S. 23 to be completed this year by the County. Pleasant Valley Road to be paved from I-96 north to Spencer Road at a cost of \$24,000.00 to the Township. Other road problems discussed by electors and Supervisor Beers and were noted and will be checked out under the Township's regular maintenance program.

Mrs. Pierce offered a motion to have a partition erected in the township hall which would lock out the office section of hall and allow hall to be used by any and all persons of the township for meetings. Motion supported by Joe Wildes. Motion failed to pass.

Clerk Ernst read Proposed Budget for 1965-66 and offered motion to have same approved as read. Motion supported by Jack Law.

Discussion of each item was requested by Ruth Bitten.

Mrs. Jobinski made motion to keep Supervisor, Clerk and Treasurer salaries the same as previous year. Supported by Mr. Lanehart. Motion passed.

Mrs. Dale Haviland moved that Trustees salary be kept at a Per Diem of \$15.00 per meeting. Motion approved.

At this point Supervisor Beers read Atty. Brennan report on last year's court cases.

Motion by George Almashy and supported by Mr. Samborski to reduce Constables Proposed Budget from \$2000.00 to \$1500.00. Failed to pass.

On motion by Mrs. Cromley and supported by Mrs. R. Bitten motion passed to keep Constables budget at \$2000.00.

On motion by Joseph Ellis and supported by Mrs. Pierce, the Cemetery Maintenance Fund was increased \$200.00, making a budget figure of \$400.00. Motion passed.

Motion by Ruth Bitten and supported by W. Ernst to have \$300.00 placed in budget for audit of twsp. books in March of 1966. Motion passed.

At this point the motion to approve the Proposed Budget for 1965-66 as changed was approved and passed.

A motion by Joseph Ellis and supported by Joe Wildes to have minutes of monthly meeting include the bills paid was passed.

On motion by Dorothy McDonald and supported by Norma Vorhies, motion was passed to adjourn meeting at 4:45 p.m.

Salvation Army Celebrates 100 Years of Service

Howell Couple Dedicate Their Lives to Helping

One evening in 1844, a 15 year old pawnbroker's apprentice knelt alone in a room just beneath the Methodist chapel in Nottingham, England. He was engaged in an intense spiritual struggle symbolized by a silver pencil case he had stolen from a companion. After a time, he rushed from the room and into the street to find the boy he had stolen the pencil case from. From that time forward, he decided to dedicate his life to God.

From this decision sprang a world-wide organization, the Salvation Army, which the young man, William Booth, founded some 20 years later.

Since the time of its foundation, the Salvation Army has been serving God and man, administering to the spiritual and physical needs of people.

Following in the footsteps of William Booth are men and women throughout the world who daily dedicate their lives to the brotherhood of man.

Two such dedicated people live in Howell where they devote their time and efforts to bringing aid and comfort to the poor, the lonely, the forgotten, of Livingston County.

Mr. and Mrs. G., as they are known to county people, are never too busy to lend a helping hand to those who need them.

In addition to directing the Salvation Army programs in the county, both the G's preach at worship services, lead prayer meetings, teach Sunday school, and sponsor activities of both Army "soldiers" and non-members.

The Guetschows live in Howell with their daughter, Cindy, whom they adopted from the Salvation Army Children's Home. Cindy is 11 years old.

They divide their time between the Salvation Army store, church and office, always on call when needed.

Recently, when aiding a family in moving, a lady said of Mr. G., "You need strong arms for this job." She might have added, "and a strong heart."

Mr. and Mrs. Howard Guetschow have been in Howell for a year and a half and are available when trouble besets county residents. They are on the scene at fires to bring families whose homes are burned food, comfort and assurance that someone cares. They are available at Christmas with baskets and

Supreme Shrine Drillmaster

A high honor was accorded Arch Peterson of Brighton when the Supreme Worthy High Priestess, Margaret Steel of Toronto, appointed him Supreme Drill Master to fill a vacancy created by the death of James McCreadie who had been drill master for 40 years.

Mr. Peterson will be in charge of all drills competing for awards at the Supreme Shrine Session held in Miami in May.

Cheerleader to Come Home Soon

"We had a basketball team; now we have a cheerleader," said Mrs. Clifford Ritter from her hospital room in McPherson Health Center, Howell.

Mrs. Ritter and the entire family—her husband, Cliff, and FIVE boys are in the pink since the arrival of Lisa Joy on Saturday, April 10. Lisa Joy's arrival home at 712 Spencer Rd., Brighton, is anxiously awaited by her brothers: Cliff, Jr., Richard, Roger, Bruce, and David.

ONE OF THE ANNUAL TASKS of "soldiers" in the Salvation Army is the sorting of food donations that is collected to make Christmas merrier for needy families.

MRS. GUETSCHOW is shown among the bundles of clothing collected by various agencies for people who need their help each year.

SHERIFF LAWRENCE GEHRING purchases a War Cry magazine from Mrs. Guetschow each month.

BPW to Host Safety Program

The regular April meeting of the Brighton BPW will be held April 27 at the Brighton State Bank community room.

The program concerns safety and will be presented by Deputy Sheriff Eugene Ali who will show a new film produced by the Ohio State Patrol titled "Wheels of Tragedy" and photographs of Livingston county accidents.

Deputy Ali has always been interested in safety education but claims the triple fatality

near Gregory last year was his greatest single stimulus. Much of his off-duty time is devoted toward developing a general safety program. Through his efforts five of our schools now have a combined bicycle-auto safety program.

Deputy and Mrs. Ali moved to Howell from East Detroit in 1962. He served three years as an MP and approximately two years on the Howell City Police Force before joining the Livingston County Sheriff Department.

The business meeting will commence at 7:30 p.m. and includes the annual election of officers. The public is invited to attend the program at 9 p.m.

IT WAS MOVING DAY for a family who asked the assistance of Howard Guetschow. Cadet Guetschow of the Salvation Army in Howell aided the family in finding a home recently.

THE SALVATION ARMY HELPED this family find a home. They came here from Alaska some months ago.

MR. AND MRS. RALPH P. BARTOLACCI, 5118 Island Shore Dr., Lakeland, announce the engagement of their daughter, Sharon Kay to Duane L. Bennett. Duane's parents are Mr. and Mrs. Manley W. Bennett, 10857 Hamburg Rd., Hamburg. The bride-elect attended Pinckney High School and is employed at Hamburg Pharmacy. Duane is also a graduate from Pinckney High School and is presently employed by R & B Manufacturing Co., Hamburg. No date has been set for the wedding.

Legion Auxiliary Holds April Meet

The American Legion Auxiliary, Brighton Unit, met for a short business meeting on Thursday, April 8. The rest of the evening was social.

During the business meeting several reports were given. Among them that Girl's State representative is to be Miss Sue Stone, her alternate, Miss Mary Schorn. Unit President and Secretary had named a Memorial Scholarship for Miss Jane Morgan.

Community Service Chairman, Mrs. Barbara Shelters, sent a report that four books had been purchased for the Brighton City Library. They are Enchantment of America, Reference Book on Michigan, Life and Thoughts of Albert Sweitzer and We Were Five.

Mrs. Inez Hamburger was elected as delegate to attend the meeting of Sixth District Association to be held in Grand Blanc on Sunday, April 25, beginning at 2 p.m. with the Joint District Memorial Service. Mrs. Elva Singer was elected to serve as alternate.

Points of information were cleared up, paving the way for the Joint Rehabilitation Committee to call a meeting and so begin to function again.

This concluded the business portion of the meeting.

Mrs. Ellen Millar, chairman of Foreign Relations, gathered members around an attractively decorated table. Mrs. Millar then read and gave much useful and educational information on Costa Rica. This was followed by everyone searching the hall for packaged products of Costa Rica. Then the Costa Rica word game was played, with prizes given from the table decorations.

Mrs. Millar and her committee served delicious refreshments at the close of the game period.

MRS. DAVID BOSWORTH

Mr. and Mrs. Leo R. Singer, Pinckney, announce the April 3 marriage of their daughter, Rolene, to David P. Bosworth, son of Mr. and Mrs. A. Bosworth of 6421 Suppen, Brighton.

Miss Singer, a 1964 graduate from Howell High School, is currently employed at Citizens Mutual. He attended the University of Michigan and is presently employed by the Ford Motor Co. in Dearborn where the couple plan to reside.

Mrs. McPherson Hosts DAR for April Meeting

Mrs. Wm. McPherson IV was hostess for the April 6 meeting of Philip Livingston Chapter DAR. Following the opening ritual of the society, with Mrs. John S. Page presiding, the program chairman, Mrs. Ross, presented Mrs. August Schmitt who reviewed the book "Time and All Eternity" by Paul Bailey, the story based on many facts of life of the Mormons in early years in Utah. Mrs. C. A. Robitaille, a member of this Chapter and also an associate member of Philip Livingston Chapter, gave a report of the State Conference held in March in Detroit.

Six Girl Scouts of Troop 297 with their leader, Mrs. Don F. Misslits, and Martha McPherson as Honor Guard, gave a most impressive Flag Ceremony using six beautiful silk flags of the United States which were loaned for the occasion by the Elks Lodge of Howell.

The first two were replicas of those used by the colonists, the third, the thirteen stripes with the Cross of St. George, the emblem of England, in the upper corner.

This flag was replaced by the thirteen stripes with thirteen stars in the blue field, made by Betsy Ross, which remained the American ensign until 1795 when, upon the admission to the Union of Vermont and Kentucky, the design was changed to fifteen stripes and fifteen stars. This flag was used during the War of 1812 and passed on to Francis Scott Key to write the "Star Spangled Banner."

LEA PENDERGRASS

Mr. and Mrs. Glen Pendergrass, 7520 Crooked Lake Road, Brighton, announce the engagement of their daughter, Lea, to 2nd Classman Al L. Forbes of Norfolk, Virginia.

He is the son of Mr. and Mrs. Joseph Forbes of Wilson, North Carolina. A July 17 wedding is being planned.

The members of the Chapter joined the Scouts in the Salute and the National Hymn. Following "Taps" the flag was retired.

The guests of the afternoon were the Scouts and Mrs. Hiram Smith. The next meeting will be May 4 in Fosterville with the design luncheon at the home of Mrs. J. J. Hendon, and the meeting at 7:30 p.m. at Mrs. C. A. Robitaille's well talk on Sandwich Islands will be at the home of Mrs. B. H. Glenn.

★ P.H.S. Track Team Ribbon Winners ★

Pinckney track team was defeated last Tuesday, April 7, at Chelsea running against a strong Dexter team 68-32. The local boys ran well considering this was the first outdoor meet.

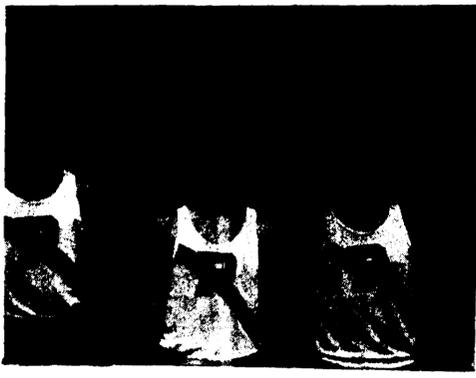

John Haas was a triple winner, being first in the 100 yd. dash, and 220 yd. dash, and 2nd in the shot put.

Nick Marsh finished 3rd in the 220 yd. dash and 4th in the 100 yd. dash.

Jim Jennette placed 2nd in both high and low hurdles. Doug Gow won the high jump and 3rd in the 880 yd. run.

Bob Umstead had the best time of the six schools in the mile run at 5:06.2.

With improvement the squad should place high in the standings of the Chelsea Duals Meet.

DOUG GOW, on the left, 1st high jump, 3rd 880 yd. run; Bob Umstead, 1st mile run; Clyde Gow, 3rd mile run.

Pirates Take Hornets In First League Game

Friday, April 9, the Pinckney Pirate baseball team opened the season with a victory. The Williamston Varsity came to Pinckney and went home carrying a 4-3 loss.

It was the first time the Pirates had been outside, for because of the weather conditions the team had had to practice in the school gym.

Dennis Williams was starting pitcher for the Pirates in the first game and he was relieved by sophomore Roger Nesbitt, who was recorded with the victory.

Merle McMichael was the big gun for the Pirates at bat, getting three hits for three at bats including a double.

Although the Pirates won their first league game by beating Williamston on the 9th, Monday April 12, South Lyon Lions came to play at Pinckney only to return home with a 13-2 victory.

Mike Stevenson, Merle McMichael, and Gary Henry made up the battery for the losers.

The Pirates are now 1-0 in Ingham County League play and 1-1 overall. The team is hoping to make up for the basketball season this spring.

Want to Help?

Your help is more than welcome for the annual P.T.A. Carnival which will be held April 23 at the Pinckney Elementary School.

The Carnival will run 6 till 10 p.m. Anyone that could work in the concessions give Mrs. Jane Widmayer, 878-3422, or Mrs. Kathy Graf, 426-8447, a call. They will be happy to assign you to a job.

Committees plan to have a food concession as well as many various games, spook houses, fish ponds, etc. A door prize drawing will take place and the winner will go home with a 19 portable TV set.

As a readiness factor in beating the clock with forest fires, Conservation Department field workers each year build and maintain hundreds of miles of roads to give fire units quick access into remote, high danger areas.

Sisters Mrs. Marge Davis, of Pinckney, along with Mrs. Clesie Altenburnt, of Dexter, recently drove down to visit another sister, Mrs. Leola Sheeks, in Hudson, Florida.

Mrs. Donna Ledwidge won in "Kroger Bingo." She thought she had really hit the jackpot upon opening her little bingo card and seeing "you won," but was slightly disappointed after receiving her fifty free TV stamps as the prize.

Mr. Ray Coons has been transferred from McPherson Hospital in Howell to St. Joseph Hospital in Ann Arbor. He is expected to undergo surgery on Thursday. Anyone wanting to wish him well, his room number is 6003.

Mrs. Ruby Goucher of Highland Lake is another patient at St. Joseph. So far she hasn't been allowed any other than family visitors, but anyone wanting to wish her well may send cards to room 4056 - 5th floor. Mrs. Goucher's son and family, the Roy Carpenters, have come home from California and are staying at the Goucher home.

Miss Joanne Kennedy, a tenth grader at Pinckney High, threw a slumber party for seven of her friends a couple of weeks ago. The girls sure had a good time but mom thought she'd never get to sleep and morning came all too soon for her.

Mr. and Mrs. Earl Schuman and Fred helped Mr. and Mrs. Vaughn Williams celebrate their 30th wedding anniversary, March 30. Mr. Schuman had baked a lovely cake that was appreciated by all.

Mrs. Marie Vedder of Pinckney and Mr. Claude Swarthout of Monks Road also have been recently admitted to St. Joseph Hospital in Ann Arbor. Grandmother, Mrs. Katherine Heath, is helping out at the Vedder home while Mother is gone, probably about five or six days.

With her operation over, Mrs. Barbara Baxter of Patterson Lake will be returning from McPherson Hospital soon. Hubby says it wouldn't be so bad if he could cook a little better.

Miss Susan Horner has returned to fourth grade class after having been out for two weeks with bronchial pneumonia. The Cass Clintons of Main St. certainly have Easter spirit. How pretty and eye-catching their little Easter Egg Tree is!

Mr. and Mrs. Otis Matteson and children returned Tuesday from a two week trip to Florida. They spent most of their vacation with the Ted Olsens at Ft. Lauderdale. One sight of particular interest and fun to the Mattesons was Marineland at St. Augustine. They report that "it's really fantastic" to see a trained whale.

Victims this past week have been Jody Lynn, age four, Cheryl Jean, age three, and little Doug Hammill, one year, all children of the Corky Hammells.

Miss Lonnie Morgan, 13, is feeling much better and will be returning to school again soon. Lonnie had an appendectomy and was hospitalized for about a week at Howell.

Mrs. Marie Vedder of Pinckney and Mr. Claude Swarthout of Monks Road also have been recently admitted to St. Joseph Hospital in Ann Arbor. Grandmother, Mrs. Katherine Heath, is helping out at the Vedder home while Mother is gone, probably about five or six days.

shopping in Ann Arbor last Tuesday. Mr. and Mrs. John Burg and family enjoyed visiting with Mr. and Mrs. Paul Burg at Grass Lake Sunday afternoon. Paul and Sandy have just recently moved from Pinckney to Grass Lake.

Mr. and Mrs. Gary Eichman and Mr. and Mrs. Robert Tasch enjoyed attending the Industrial Exhibit at the Howell Armory Saturday evening. The ladies took special interest in the style show and the lovely spring fashions.

Saturday the Russell Clarks attended the wedding of Mr. Clark's cousin, Karen Hendee, in Lansing, Sunday, Palm Sunday, was a big day for the Clarks boys, Michael, David, Ricky and baby Bobby were all christened at the Congregational Church. The Clark family enjoyed attending the open house at Nielson's Greenhouse in Ann Arbor and then welcomed some Sunday afternoon company. Reverend Gerald Bender and family and the Gordon Coreys of Dexter, the Clair Hendees of Maryland, and the Edward Clarks of Ann Arbor all stopped in to visit.

Tracy Bock and Carey Bilkowski were also baptized Sunday. Baby Carey didn't seem to mind at all, but two year old Tracy didn't hold back her feelings a bit.

Mr. and Mrs. Leonard Lee held a dinner at their home in honor of little John Leonard Burg's baptism. Those present were Mr. and Mrs. Ron Bond and family of Brighton, Mr. and Mrs. John Burg and family of Brighton, Mrs. Lucille Ploes and Mrs. Elva Calver both of Goodrich, Miss Ruth Lee and Mrs. Robert Lee and daughter Debbie, all of Flint; and Mr. Jack Lee and his guest, Miss Lynn Howd, of Buck Lake. Mr. Grover Burg of Ann Arbor and Mrs. George Holt of Pinckney also visited at the Lee home Sunday.

The T.N.T. group of the Peoples Church gave a surprise party for Mr. and Mrs. Charles Hewlett Saturday evening at the Hewlett's home. Then, Sunday evening, following the church services, the monthly surprise party for the T.N.T. group was given at Rev. Murphy's home. With all these games, refreshments and "surprises," the teenagers needed a couple of evenings of recuperating.

SCHOOL Mrs. Morris' civics class was honored with a special guest speaker last Friday. Since the group has been studying Israel and their guest visited with his grandparents there last summer. It was a special treat to have Dan Chelsky of Howell, talk about and show slides of that country.

Dr. Chelsky, during his son's meeting with the civics class, had a special talk with Joyce Cocanower and Rochelle Randle. Joyce has already been accepted at the Henry Ford School of Nursing and Rochelle is planning on an M.D. The girls found the chat quite interesting and also had a few questions answered. Then, before returning to Howell, Dr. Chelsky answered a few of the questions that the class had in mind for him. All in all, it was a very informative day for the students, who certainly enjoyed it.

Mrs. Irene Miller and tenth graders Bob Keiser and John Tasch really enjoyed a full weekend at the State F.T.A. meeting at Battle Creek. Our representatives stayed at Clear Lake Camp, 16 miles from St. Mary's Camp, where the voting for State Officials of "1965" and "66" took place. There were 228 delegates there, representing about 75 Michigan schools.

The CARE Club of Pinckney High, sponsored by Mrs. Raymond Morris, will present a special Easter program at the Howell State Hospital Thursday. As a little extra gesture the club is filling the Easter baskets, made by Mrs. Swarthout's art classes, and will distribute them among the patients there.

Mrs. Valbert Keiser entertained 29 party guests Saturday evening in honor of her husband's birthday. The guests came from a variety of cities, including Michigan Center, Grand Rapids, Ann Arbor, Flint, Gregory and of course Pinckney. A gay time was had by all with plenty of laughs over a few novelty gifts given to Val.

Little Miss Lynn Olsen celebrated her seventh birthday last Thursday. Her six guests certainly enjoyed the party and had special fun playing musical chairs and winning prizes.

Sunday dinner guests at the Harry Murphys home were the Bernie Murphys and the Richard Murphys, all of Jackson.

Mrs. Clair McMaken and daughter Angela, Mr. and Mrs. Robert Harding and Marcia and Becky Morris' guest, Tom Jensen of Detroit, were all dinner guests of Mrs. Raymond Morris Sunday.

Saturday Mr. and Mrs. Howard Thayer drove Mrs. Maud Dailey to Sandusky, Ohio. Mrs. Dailey will be visiting with her granddaughter, Mrs. Jack Hubbard, over Easter.

Mrs. Midge Hammel enjoyed a little shopping in Detroit Monday and also stopped in to visit with her daughter, Mrs. Beverly Horst, in Farmington.

Mrs. Mae Koepen and Mrs. Robert Bennett of Portage Lake enjoyed making "a day of it"

The Way We Hear It

By DOLLY BAUGHN

I am certainly convinced that no matter how large the headlines in this paper, people would not take heed to them. This was determined two weeks ago when I used an old style print the boss thought of using it read, "ANNUAL MEETING APRIL 3" and not one person, I am quite sure, attended this meeting because they were influenced by those words! There were 19 citizens present one was a high school student sent by Mr. Gibson. Two were constables that would undoubtedly have been there anyway. The library board was on hand and the remainder of the group were going to attend according to their plans steamed from last year. Some though the big headlines brought those people out. BUT sorry to say they didn't!

Pete Rahrig claims people do read the classified ads though! He advertised a table saw he wanted to sell, and before the Pinckney Dispatch was on the newstand, someone called and bought the saw! How about that? You remember, of course, those ads go in the Brighton Argus too, and that is where the person called from. The Argus comes out about six hours before the Dispatch. Is to all clear now?

The Pinckney Jaycees will hold a special meeting Tuesday, April 20, in the Home Ec Room at the high school. All Jaycees are urged to attend. Plans will be made for Michigan Week and Memorial Day activities. If you want to work, come and sign up. If you DON'T want to work, better be there to defend yourself!

Some members of the Pinckney Community Library Board spent Saturday visiting many libraries throughout neighboring counties. They picked up many helpful hints which they plan to use when they move into the new library in Pinckney. Rev. Thomas Murphy of the People's Church reports that soft ball leagues from various churches are organizing now.

any dog loose in open fields after today will constitute a law violation. State Conservation officers have issued warnings to all dog owners, warning them to keep dogs tied between April 15 and July 15.

recent advances in communications have been quite spectacular. Yet there still much to be said for the wink!

I hope each, and everyone of my readers has a very pleasant Easter Sunday.

Pinckney People

Pamela Seefeld spent Saturday at Olivet College. She had lunch with other students she had the pleasure of meeting last summer while attending art classes at the college. Mary Cosgray of Pinckney accompanied her to Olivet for the reunion.

Mr. and Mrs. Lucius Doyle, Jr., spent the weekend in Milwaukee, Wisconsin, where Mr. Doyle attended a printers' conference.

The Louis Rogers named their newborn daughter, They chose Cheryl Lynne.

Two we must wish "happy birthday" to this week are Eddie Paul Colone, April 9, (better late than never!) and Mrs. Barbara Baughn Haines, April 13.

Cadet Roger Asa Bonner and schoolmate, Bob Lewis of Helena, Montana, were expected to arrive here Wednesday for a five day Easter vacation from their studies at Onarga Military School in Illinois.

Roger recently participated in the Illinois State High School Band contest. He was a member of the group (playing the tuba) which won first place in the brass quintet ensemble. He was also a member of the group which won first place in the vocal octet. Roger enjoys attending Onarga Military School. His being fourth highest scholastically in the senior class proves that! (Roger says, "Mrs. Meyer, please make note of this!")

Luncheon guests of Mr. and Mrs. Nestor Engquist April 9 were Peggy and Dale Preuss. Dale is in the Navy submarine service and just returned from Holy Scotland. He is now enroute to computer school in Virginia.

Mrs. Beulah Hendee reports she had a letter from her daughter, Mrs. Jim Nash, a resident of Coldwater, where the recent tornado caused so much havoc. Mrs. Nash says the damage was done at Coldwater Lake, about five miles from the town of Coldwater, and their home was not damaged at all.

Mr. and Mrs. Jim Nash and daughter Marilyn spent the weekend with Mrs. Hendee. The entire group attended the wedding of Karen Hendee, daughter of Dr. and Mrs. Cecil Hendee in Lansing, Saturday evening.

The Lloyd Hendee family also attended the wedding. The Rex Hendees were not able to go due to them having measles at their house.

being among those attending a Consumer Power Company banquet for gas appliance dealers, service men, and newspaper people from Livingston County last Wednesday evening in Howell was an experience not to be forgotten soon! Those steaks were delicious! Those from Pinckney area that attended were Mr. Lee Lavey, Bob Lavey, Bill Baughn, and Ye Editor!

employees at McPherson State Bank in Pinckney are now ready for more cold weather! A new furnace was recently installed. They are preparing for "open house" activities coming up the first week in May. It will mark the 10th anniversary for the bank being here.

schools in the Pinckney Community system will not be in session on all on Good Friday

Out of the year there are two days that the school is not in session. Good Friday and the Friday following Thanksgiving Day. This year these days were made up the Monday and Tuesday before Christmas vacation.

Pinckney is scheduled to get new street lights, bigger and brighter, soon. The Council approved this Tuesday night.

Mrs. Marvin Liverance found some papers from her billfold, but no money, billfold. She lost her billfold between George's Market and Dexter-Pinckney Road a week or so ago. It contained a large sum of money and valuable papers. She had a "lost" ad in last week's paper

but all in vain. The papers that were returned were found behind the post office. Someone evidently did away with the rest of the contents. Might be worth your time to check, if you see a youngster with a large sum of money. You could do a good deed and perhaps see that the "goods" are returned to the owner.

communications have been quite spectacular. Yet there still much to be said for the wink!

I hope each, and everyone of my readers has a very pleasant Easter Sunday.

Michigan, spent Sunday with Mr. and Mrs. Lawrence Campbell.

Rev. and Mrs. William Hainsworth were in Pinckney visiting with friends Sunday. Rev. Hainsworth performed the baptismal services for Rev. and Mrs. Gerald Bender to have their tiny daughter baptized.

Mrs. Erma Shaner is spending all her time at the McPherson Health Center these days rather than just the usual working day. Mrs. Shaner, who is secretary for Mr. James Sullivan at the hospital, fell from the horse she was riding Saturday at her farm. The cinch strap broke allowing Mrs. Shaner to fall. She fell on her left side, breaking her upper arm and fracturing her shoulder badly. She is not certain how long she must remain a patient, rather than an employee, at the hospital.

On Display at Bank in Howell

There is now on exhibit at the McPherson State Bank's Howell office a display of Invasion Currency which is on loan from the Manufacturers Hanover Trust Co., New York. There are more than 100 samples of different notes mounted in groups on a series of 21 panels and each panel bears an explanatory caption.

The notes displayed were contributed by members of Manufacturers Hanover's staff and include money printed by the Japanese government in anticipation of the invasion of United States territory and Axis "propaganda" money bearing a facsimile of U. S. Currency on one side, and on the other a message denouncing the Allied cause.

The McPherson State Bank invites the public to come in at any time during bank hours to view this interesting exhibit, which will be in Howell for a limited time only. The bank's hours are: Monday, Tuesday and Thursday 9 a.m. to 3 p.m.; Wednesday and Saturday 9 a.m. to 12 p.m.; and Friday 9 a.m. to 3 p.m. and 4 p.m. to 6 p.m.

SPECTATORS JAMMED the Hartland High School Gym last Friday night to watch the Detroit Sparks Wheelchair Basketball team play.

Sent Out Weather Balloon, All Set for Pinckney Game

After three games being called by snow, sleet, rain and whatever is left, the Bulldogs from Brighton engage arch rival, Pinckney tonight on Brighton's home field starting promptly at 8:30 p.m.

The Orange and Black were due to start their 1965 campaign at Howell last April 5 but alas the field was sloppy. Next on the schedule, Clarenceville. Instead of playing on the Trojans' diamond the Bulldogs would have needed scuba equipment! Oh happy day, the officials rescheduled the Howell game for last Saturday and I myself thinking it would be played tried to lure the Brighton fans to root for the local boys by putting a

big write-up telling the fans there was to be a game. Heh, Heh, sorry fans if some of you went Saturday, the game was cancelled. I thought I'd tell ya.

So I wouldn't disappoint you loyal B.H.S. followers, I took all the necessary precautions Tuesday night I sent out a weather balloon, checked for precipitation, and most important of all, I watched Sonny Elliott. I believe in him and he'd better be right or I'll just break right down and cry.

Pinckney, who for the last three years has beaten Brighton in baseball, plans to raise this figure to four while the Bulldogs' plan is to disappoint them.

A total of 20 players are competing for positions on the varsity team this year. Out of the 20, 11 are veterans from last year's squad. The following boys are practicing with the varsity baseball team: Cliff Ritter, Bob Cameron, Joe Kearns, Bruce Evenson, Hank Gallun, Dave Anderson, John Korny, Pat Faulkner, Lou Scheffer, Ken Lattimore, Doug Zimmerman (all these boys from last year's squad), Terry Foret, Larry Flowers, Jim Funsch, Tom Grostick, Dave Williams, Mike Stollwag, Dave Hair, Mack McFarland and Don Herbst (newcomers). Coach Al Stewart doesn't plan to carry all the boys, but competition is running strong.

If Brighton's game is cancelled today maybe one of the suggestions a player gave would help: "maybe we cau start in July!"

Seniors Feature Hilarious Comedy
"January Thaw" a three-act comedy by William Ross, based upon the novel by Bellamy Partridge, will be presented by the Hartland Senior Class, April 23-24, Friday and Saturday. We are planning to have the Hartland Music Hall full by 8 p.m. so don't miss this prime of laughs.
The Gage family seek peace in an old farm house. There, Mother remedies coffee grounds into lamps, while Father tries to write a best seller novel in a blitz of interruptions instead of in that country quiet he sought.
In the hit, he ignores the arrival of Jonathan and Malthilda, who have the right to live in the Gage home. No one had worried about that clause in the deed, since the Rockwells were supposed to be dead.
A contest for possession begins, with neither able to turn the other out. And so the play goes with one bit of hilarity after another.
Tickets may be purchased from any Senior Class member and at the Music Hall door.

The weather might be most anything by the time you read this — but at this time, Spring is gallantly struggling to gain some headway! Her sunny disposition turns into tears of despair as her shoes get cut on the last remnants of ice and get covered with mud. She's made some inroads — the crocus is blooming on our hillside and each blossom is covered with honey bees. She's enticed the purple martin back eight days early! There are wide-eyed colts being born at the Bowlin's stables and baby lambs are showing up in barnyards. One tiny baby goat met with tragedy — it either was too cold at birth and died — or was killed — but a neighborhood dog dragged it home one dog, miserable morning. There is open water in the creeks where the wild ducks and herons are already busy setting up housekeeping and foraging for food.

Mrs. Dennis Muellerleile visited the Glowackis Wednesday. Having lived in Highland for the past ten months, she lost her "touch" in driving on dirt roads! Her car got stuck on Bishop Lake Road and she had to walk the rest of the way — carrying her year old daughter! Her son Danny didn't mind the mile hike — but!

That day was Darryl Gene DeWolf, son of Mr. and Mrs. Larry DeWolf. His godparents were Mr. and Mrs. Vance Wiseman and Mr. Gary Wiseman.

Following the baptism, brunch was served at the Larry DeWolf home. In addition to the godparents and parents those in attendance were: Mr. and Mrs. Fred DeWolf, Mr. and Mrs. Leslie DeWolf, Mr. and Mrs. Jack Terry and children Vicki and Mark, Mr. and Mrs. Gary Wiseman and children Donnie, Vance, and Scott, Mr. and Mrs. Glenn Knight, Mr. and Mrs. Karl Baschal and children, Freddy, Jimmy, Carol, Suzanne and Debbie, Mrs. June Baschal, Mr. Philip Baschal and daughters, Karen, Robin and Joyce.

Nancy Jean Lobb became the bride of Everett Emery Lenhart, Jr., the 27th of March. The newlyweds left for the state of Washington Tuesday.

Enjoying Easter Sunday with Mr. and Mrs. Robert Radtke will be Mrs. Herman Radtke of Ludington and Greg, Austin of Dearborn.

The Hamburg Brownie troop 34 recently finished making posters for the P.T.A. Smorgasbord. They are presently working on a play and songs for "Flyup," which will be held in May.

There will be a P.T.A. Smorgasbord April 27 at the Hamburg Township Hall from 5:00 p.m. to 8:00 p.m. Prices for adults are \$1.25; under 12, 50c; children under five, free. Tickets may be purchased from 4th, 5th and 6th graders.

Happy birthday wishes go to Walt Dohor, April 15; Thelma Elm and Marjorie Bray, April 16; Margaret Verellen, April 18; Larry Chapman, April 19, and John Cote, on the 20th.

Janice Heiner, Alice White, Mary Hathaway, and Tessa Padley, representing Girl Scout troop 232, traveled to Centerville, Ind., last weekend. In Centerville, they attended the Girl Scout Conference International Hootenany, and were entertained by the number one college hootenany group "The Clear Creek Singers." Later in the day, the girls were the guests of several foreign exchange students from nearby colleges. The group returned home late Saturday evening.

The men living on Bishop Lake Road have been parking their cars near Chilson Road and walking the distance. It has made for a nice, healthy, rosy-cheeked gang of men, but their

dispositions have not always been ideal after slogging along in the pioneer fashion. The women? They're staying home — getting some housecleaning done.

The Mark Mattesons are home again after a delightful vacation in Florida.

Mr. Ernest A. Botke, Jr., supervisor of Brighton Recreation Area, and Mr. Wm. Smith, assistant, attended a meeting at Haven Hill, Highland, on Thursday and Friday.

The Rex Davenport of Toledo visited Mr. and Mrs. Orville Nash Saturday, Monday Mrs. O. Nash, Mrs. Lloyd Nash and little Suzy spent the day in Pontiac.

Miss Mary Schroeder attended the races at Mustang Acres with the Kurt Haaxmas Sunday.

There is still time to plant that tree for Arbor Day, April 22! Trees provide food and shelter for wildlife and provides man with 4500 different materials for homes, paper manufac-

ture, food, heat, plastics and many chemicals. Did you know that a newspaper, with 90 pages, has a weekly consumption of 800 cords of pulpwood — the product of 80 acres of wood? We cannot stop progress with the soulful "Woodman, Spare That Tree," but we can replace the ones that are used in everyday living.

A happy and blessed Easter to all of you.
