## School Board OK's New Bids; Recommends Church Classrooms

Although the Board of Education, at its meeting Monday night, signed final contracts with the low bidders on construction of the new high school, the possibility was cited that the overflow of students this fall might be so great before the school was completed that other space should be found for them.

The board then decided to contact the local churches to ask permission to use various church facilities for the excess students.

The school board vote on awarding the contracts was 4 to 3, the opponents being the two new school board members, Leo Kujawa and Louise Warren and also Mrs. Maltby. Those voting

for the bids were the hold over members, LewAllen, Leith, McMacken and Warner.

After much discussion, much opposition, and a few flared tempers, the newly formed Board of Education finally signed the contracts.

Many deletions to an already admitted "low cost construction" building had to be accepted in an attempt to bring the cost per sq. ft. down. The architectural firm of Kingscott, Associates had budgeted \$12.50 per sq. ft. The original bids came in at approximately \$18 and by accepting suggested changes and deletions, the price was cut to approximately \$14.50. The school will contain nearly

100,000 sq. ft.

It now appears that the equipment contracts for the school, which have not been finalized, will have to be cut by approximately \$60,000 or other money found to make up the fiscal gap. School Supt. Hawkins expressed some misgivings regarding receiving additional funds quickly.

Those in opposition to signing the contracts asked the Board to refrain from signing until the remainder of needed monies could be pinpointed and the budget balanced. The opposition also voted against many of the changes and deletions, believing that it was still possible to have a building that could compare to that now being completed in Howell, which has actually been built at \$10.03 instead of the estimated \$10.50. Included in that price are many desirable features that will not be included in the Brighton school.

## Howell Tavern Wrecked By Motorcycle Hoodlum Gang

Detroit's Highwaymen Motorcycle Club paid an unwelcome visit Sunday to Livingston County. Emulating the tactics of California's Hell Drivers, about 30 members of the club went to the Triangle Inn, just west of Howell on Grand River.

The Sheriff's Department reported that the black jacketed motorcyclists caused the disturbance that had sheriff's and state police patrols alerted in a tag match that ended pretty much in a draw.

The disturbance started in the early morning hours Sunday when a group of the cyclists, who claimed to belong to the Highwaymen Motorcycle Club out of Detroit, were asked to leave the Triangle.

They refused to leave, and began breaking beer bottles on the backs of chairs on the bar and on the floor. The owner of the bar, Gary Synder, fired two warning shots into the ceiling, and the gang left. Synder then called the sheriff's department who responded to the call with the assistance of state police.

By the time the officers reached the bar the gang had dispersed. However a group believed to be the same ones who invaded the Triangle were located a few hours later in a rented cottage at Lake Chemung.

Although Synder said he recognized one of the suspects he refused to prefer charges. It was reported that the gang had threatened Synder that if he preferred charges they would return.

Members of the group, who were reported to have been armed and threatened to return next weekend. Area law enforcement officers have been alerted.

A new hospital and nursing school, sponsored by a group of Protestant Denominations in Liberia, has been completed in Suakoko, near the central part of the republic.

## Heads Scout Trek

Harold Baker of Half Moon Lake, Rt. 1, Pinckney, is now leading 15 Scouts on a 12 day expedition over rugged mountain trails at Philmont Scout Ranch, the 137,000 acre national camping area of the Boy Scouts of America near Cimarron, New Mexico.

Baker who is a teacher, will supervise the group representing the Portage Trails Council which has headquarters in Ann Arbor.

The 214 square mile ranch is located on the slopes of the Sangre de Cristo range of the Rockies where 18,000 Explorers and older Boy Scouts are enrolled this summer for the high adventure treks.

## School May See Service

THIS LITTLE OLD SCHOOL that sets behind the bleachers by the high school may be put back into service this year. Reports went out today to the firemen who own "Hause Hall" shown above as well as to the Congregational Church in Pinckney and St. Stephen's Episcopal Church in Hamburg. They tell the requirements of the fire marshal in order to make each of these buildings acceptable to house second grade and kindergarten classes in September. If all three owners accept the recommendations of the fire marshal for the improvements that must be made before school can be held in the buildings, it will fall to the Board of Education to decide upon two of the three places to prepare for use in the fall semester. Lavatories will be built, lighting and heating improved within the six weeks following the Board's decision, according to Hamburg's superintendent, Gilbert Dunn. Other improvising will be done also to make classrooms for the increased enrollment. Classes will be held in the gym at the elementary school.

## Retires

ROY E. STRIETER

Roy E. Strieter, head of customers services for Detroit Edison's Ann Arbor division since 1945, retired on July after more than 41 years of company service.

Mr. Strieter, has lived in Ann Arbor all of his life. He served with the U.S. Navy during World War I and joined the Edison Company in November, 1923. He has been a member of the International Association of Electrical Inspectors and the Electrical Board of the City of Ann Arbor.

He and his wife, Emma, make their home at 313 S. Revena Boulevard. They have one son, Robert; a daughter, Mrs. Thomas Colvin; and seven grandchildren. Mr. Strieter is a member of the Northside Baptist Church and the B.P.O.E. Elks.

## Jaycees Spearhead Investigation Of Possible New Pinckney Fire Hall

A committee for the promotion of a new fire hall for the Pinckney area, made up of three Pinckney Jaycees and three firemen, meets tonight for the first time.

Herb Schenden, president of the Jaycees said, "Representatives from our group met last Thursday with the firemen's association to discuss the need and offer our services to promote a new fire hall. The present one is inadequate for modern day needs. There is only one stall and all the trucks are crammed into it. In fact, the fire hall is one of the worst fire hazards in town."

"Our first move will be to discuss possible sites," Schenden explained, "and narrow down the selection to the ones we recommend most highly, according to price and location. We will bring our recommendations to the fire department and then present our plans to the

Firemen have long agreed that "something should be done" and Association President Otis Matteson appointed Gerald Speake and Merlin Lavey to act along with him on the committee which also consists of Schenden, Don Wiltse and Jim Lavey, Jaycees appointed by Schenden.

township board."

Four stalls would be recommended, Schenden said. "The present building isn't even owned by the township," he explained. "We'll check fire departments in the surrounding area for ideas of what would be best for this vicinity."

The decision to approach the firemen was made at the Jaycees' July 13 meeting at Dick's Beeline. The organization meets again on August 10 at the same place. They will have Superintendent Wes Reader as their guest speaker and will hear of the progress on the new high school.

## \$12 Million Bank Grows From \$22,000 Institution

On June 1st The Brighton State Bank celebrated its 55th Anniversary, 55 years of remarkable growth by both the community of Brighton and The Brighton State Bank. The Brighton State Bank was founded in 1910 by a group of incorporators headed by Mr. William P. Van Winkle, grandfather of Charles K. Van Winkle of Howell, Mich., one of the present stockholders and a member of the Board of Directors.

The bank was organized with a starting capital of \$22,000 and was temporarily located in the building which is presently occupied by the Country Cupboard. On Sept. 16, 1910 the Board of Directors voted to purchase the Broadmore site, located on the South side of Main Street, (where Gaffney Electric is now located) for \$300. According to the records, the property was acquired, but never used, and was later sold.

Assets of the bank now exceed \$12 million. The site finally decided upon was the building in which the bank was housed until Mar. 1964, currently the Brighton City Hall. Assets at the end of 1910 were \$58,400.00 with Savings Deposits totaling \$24,182.00. The bank was managed in the beginning by Mr. L. R. Manning. In 1913 he was succeeded by Mr. Fred C. Herbst, brother of

The present Brighton State Bank: Lower left enlarged bank which was sold to Brighton for a City Hall and insert is photo of old bank building on banks of the Mill Pond.

Mr. Louis W. Herbst of 7610 Brighton Road. Mr. Herbst resigned after serving six months and was succeeded by Mr. Frank Lansing. Mr. Lansing resigned December 31, 1917 and was succeeded by Mr. Roy O. Newcomb, who held his position until his death in March of 1960. Mr. W. R. Kimble followed Mr. Newcomb and is the present Executive Vice-President.

Mr. William P. Van Winkle was elected the first president of the bank and upon his death was succeeded by Mr. F. T. Hyne, who was one of the early stockholders. He in turn was succeeded by his son, Mr. E. R.

Hyne, who is still serving in this capacity.

During the years the bank continued to grow, and the Installment Loan Department was authorized by the Michigan State Banking Department on June 1, 1939 and is today one of the most active and fast-growing departments.

In 1950 the Bank found that it had outgrown its quarters and plans were made for expansion. It was decided that a wing should be added to the existing building which would provide an additional 1500 square feet of banking facilities. Completion date was set at May 21, 1951.

By 1954 the Bank felt the need to add another officer to its staff. At this time, Miss Emma J. Weston was appointed to the office of Assistant Cashier and she served in this capacity until January, 1963, when she was appointed Cashier, her present office. By 1956 another officer was needed and Mr. W. J. Probst joined the staff as Assistant Cashier and head of the Installment Loan Department.

By June 1960, the Installment Loan Department had outgrown its allotted space in the main office and was forced to open a separate office across the street.

In January of 1961, Mr. Probst was elected Vice President and Mr. Emil Krohn was elected Senior Vice President, the first man to hold this office in the history of the Bank. He was replaced upon his death by Mr. Fred J. Hyne who currently holds this position.

Mr. Joseph Martin was appointed Assistant Cashier in January of 1963 and in August 1963, became Branch Manager of the new Hamburg office. In January of 1964, Herbert D. Haughton was appointed Assistant Cashier and in June of 1964, was promoted to head of the Installment Loan Department, succeeding Mr. Probst, who became head of the Commercial Loan Department.

The fall of 1962 saw plans formulated for a new building to house the expanding needs of the bank. Assets had grown to better than \$10,000,000.00 and the total number of employees to 26, including three officers. In May of 1964, this new building was completed and in operation, and assets at the present time have increased to \$12,587,461.94 as of the Statement of Condition on June 30, 1965.

In January of 1965, the need for two more officers resulted in the promotion of Miss Alice Newcomb and Mr. George Seger to Assistant Cashiers.

The present Board of Directors consists of Mr. E. R. Hyne, President; Mr. F. J. Hyne, Senior Vice President; Mr. W. R. Kimble, Executive Vice President; Mr. W. J. Probst, Vice President; Mr. Charles K. Van Winkle; Mr. A. Colton Park; Mr. E. W. Botum and Mr. L. Perry Holden.

The Bank looks forward to a continued favorable growth and hopes to be able to contribute to the further expansion of the Brighton Area.

## Raid Two Cemeteries; Wreck Tombstones

Vandals have struck in Brighton again, destroying grave stones in two cemeteries and turning over many. This is the second time hoodlums have raided the sanctity of Brighton cemeteries, this time destroying or overturning 65 tombstones in St. Paul's cemetery and 30 tombstones in Fairview cemetery.

Brighton residents have expressed shock over this week's second instance of vandalism in the past few weeks. Brighton Police Chief, Walter LaMoria reports that the vandals tipped over, and destroyed 65 tombstones in the St. Paul's cemetery, by the mill pond, and 30 tombstones in Fairview cemetery. At least 30 of the grave markers were broken beyond repair.

St. Paul's cemetery is now closed. However some of Brighton's most famous ancestors are buried there, including one of Michigan's first governors. However the vandals were probably unaware of Governor Bingham's prominence, or perhaps that stone would also have been

overturned. Some of the broken stones had been secured in at least a foot of earth, and great clods of soil were ripped up in overturning the stones.

Chief LaMoria is continuing an intensive investigation in the case and said that the charge against the vandals will be made as destruction of property, a felony offense, since the damage will surely be many hundreds of dollars. It is a particularly sad note that some of the stones are irreplaceable, and their historical and sentimental value cannot be estimated.

There are no good leads at the present, LaMoria notes, and he is asking Brighton citizens who might have information concerning the destruction to cooperate with the police and report to them any suspicious activities that may have occurred near the cemeteries over the weekend.

One Brighton resident, Mrs. Beulah L. Prosser, on being informed of the vandalism said she would contribute \$10 toward having the stones replaced.

## News Notes

Kristen Huhman 878-3668

Mrs. Alta Meyer spent the past week visiting with her son and family, the Gauth Meyers, at Houghton Lake, and her daughter and family, the Cy Atkes, in Gladwin.

Mrs. Helen Miller, a weekend guest of Mrs. Alta Meyer, along with Mrs. Meyer and Mrs. Mac Daller enjoyed a delightful dinner at the Chicken Barbeque in Plainfield Saturday evening.

Sunday, the ladies spent a lovely afternoon attending the Past Matrons picnic at the home of Mr. and Mrs. Clifford Miller, Portage Lake. Altogether, about 55 Past Matrons, Past Patrons and their families were there.

Jimmy Murphy, of Jackson, spent the past week visiting at the Harry Murphy home, here in Pinckney. Sunday the Murphys entertained Mr. and Mrs. John Sullivan of Jackson with dinner at their home.

Mr. C. F. Hewlett, of Victoria, Tex., is visiting with his son and family, the Charles Hewletts. He will spend about a month here.

The Reverend Thomas Murphy won't be playing any baseball for a while. He was admitted to McPherson Hospital, last Monday, after suffering a slipped disc in a baseball game. He hopes to be home again soon.

The Robert Read family are spending the week at Grand Marais.

The Livingston County 4-H Horse Show was held at the fairgrounds Saturday. A few Pinckney placers were as follows: Dobbin Horner, age 14, and in the Barrel Bending Contest, Susan Horner, age 10, 6th in the Trail Class and 6th in the Pony Pleasure competition. Lori Stockman, age 11, fifth in the Riding and Leading category and Hal Stockman, age 14, placed 2nd and 8th in two other events. Mike Hendee, age 11, and LoAnn Hendee, age 13, were a couple of other Pinckneys competing at the show.

A sad thing took place on the race track that day. A bay had been racing his horse around the track and the horse, not being used to such strain, had something snap, ran into a steel railing and was killed instantly. The boy, although very upset, was not injured. A hard way to learn a lesson.

We had an almost perfect vacation but ran into a little cold weather, some places selling new night record boxes for this time of year. But, we had lots of fun on Mackinac Island and spent time at Wilderness State Park, Black Lake State Park and Higgins Lake.

Mrs. Smoyer left Monday to return to her home in Akron, Ohio, after spending a week here in Pinckney, visiting with Mrs. Ross Read. Tuesday luncheon guests of Mrs. Read were Mrs. Lulu Lamb, of Florida, and Mrs. Edith Carr, Pinckney.

Paul Gray and Larry McKenna returned safely from their trip to Kentucky. Remember these were the boys who had so much energy they traveled every mile of the way on their bicycles. "More power to them!"

The "Fifty Plus Club" will meet at the home of Mr. and Mrs. Rudolf Ratz, Cordley Lake, July 21. The meeting, which begins at noon, will be a potluck affair, with coffee and dessert furnished by the Ratzes.

Mrs. Leonard Lee returned a week ago Thursday from her two-week trip to Tucson, Ariz. She was visiting with her sister and family, the Harry Droids. An added feature of her trip was a week's trip to California with her sister and niece, Audrey and Nina. While in California the group went to the San Diego Zoo, Mammoth, Disneyland and saw the well known, all glass, Wayside Chapel. They also stopped at San Luis Rey and San Juan Capistrano before returning to Tucson via the Grand Canyon and Phoenix. At their stop in Phoenix they visited with relatives, Mr. and Mrs. Karl Shirley.

Mr. and Mrs. Charles Smoyer and son Charles III, of Manchester, Ohio, Mr. and Mrs. William Gwa and Vaughn, of Cleveland, and Miss Sara Beam, from Birmingham, spent the holiday weekend at the Read cottage, Portage Lake. The John McGuires, of Orchard Lake are now spending a few weeks at the Read cottage.

### NATIONAL LEAGUE

By John Tasch

It was the Braves vs. the Dodgers Monday, July 5. The first place Dodgers came out on top in that one 9-8. Both teams were really fired up for the game. They battled all the way.

Braves — Gary Nelson and Rick Osborn.

Dodgers — Sam Singer, Rick Tanner and Jim Pietila. The Braves team played two games last week, and they took out their loss of the night before on the Giants. The Braves romped to a 20-3 victory. Jim Yesko allowed the Giants the three runs in the first inning, then shut them out for the rest of the game. Joe Yesko hit a home run for the winners.

Braves — Jim Yesko and Don Jones.

Giants — Tim Umstead, Ed Bailer, and Mel Ludwig.

	1	2	3	4
Braves	8	0	6	6
Giants	3	0	0	0

### AMERICAN LEAGUE

The Tigers and the Orioles played each other in the first American League game of the week. The undefeated Tigers were still undefeated as they won 9-6. Danny Herbert started the game for the Tigers on the mound doing a good job for the winners for the first few innings. Dennis Douglas replaced Herbert then and did a fine bit of relieving.

Tigers — D. Herbert, D. Douglas, and D. Hollister.

Orioles — Belcher, Nickolas and Stevenson.

The second American League game was as close as could be without having a tie. The Indians played the Yanks and came out on top 6-5. Both teams played to win and both made valiant efforts to do so. Ed Williams and Chuck Miller of the Indians pitched and caught and pitched.

## Presbyterian Adult Club Enjoys Campfire Meeting Friday Night

By FRANK H. SEGER

As the strains of "Kille Kille Watch Watch" softly died away, over the moonlight tipped waves of Brighton Lake, Sioux Indian Chief Stephens uttered the magic words and the camp fire sprang into instant life.

The Charles E. Howell Boy Scout reservation on Brighton Lake was the scene of the July meeting of the Presbyterian Adult Club Friday evening, with Mr. and Mrs. Sidney O. Stephens as hosts. A bounteous potluck dinner was enjoyed on the lawn of the Stephens' home, followed by a tour of the facilities offered at the camp.

Climax of the evening was the ceremonial campfire in a clearing in the pine grove on the west shore of Brighton Lake. With several hundred Boy Scouts from the Detroit Area Council gathered in a semi-circle, Mr. Stephens, who is chief ranger of the reservation, led the singing of "Kille Kille Watch Watch." He was attired in an authentic Sioux Indian ceremonial costume.

Following the startling fire-lighting, awards were made to winners of various events conducted during the week and songs were enjoyed. One of these songs was conducted by Carl Klopshinske, Brighton Area Schools band director and waterfront director of the reservation.

To conclude the campfire ceremony, Chief Stephens gave a very impressive and effective story of the history of the camp, starting from the time the Indians were encamped on this very spot.

While Chief Stephens was relating his historical narration, a startling contrast was presented by a United States weather satellite streaking across the star-studded sky from south to north.

Several members of the Adult Club commented on the fine behavior of this large group of boys, as contrasted to the increasing rowdiness by youths.

DALE HAVILAND

### PARADE HIGHLIGHTS

The Fourth of July parade was a success because of the interest shown by the businessmen of Brighton. One of the most unusual and outstanding was the Redford Highland Pipers sponsored by the Sean Lav-an Haberdashery. The Pipers added color and music to the festivities. Other displays were provided by the Mary-Jo Dress Shop, an attractive red, white, and blue float, the Jarvis' Lads and Dads, the Wilson Mid-West Marine, Inc., featuring three guitarists, Virginia's Beauty Shop, and the Dairy Queen. The Lakeview Roller Rink once again entered an attractive float, as did the Brighton State Bank, the Barracudas, and the Water Wonderland Barber Shop. An especially nice part of the parade was the old fire engine with many of our "oldtimers" riding once again. The Dexter Fire Department also brought its old-time truck for the parade.

The firemen served over 500 sandwiches at their ox roast following the parade. As a climax to the weekend celebration beautiful fireworks displays were presented Sunday and Monday evenings.

### 88th BIRTHDAY CELEBRATION

On Sunday Mr. Ernest Hardy celebrated his eighty-sixth birthday at the home of his daughter, Mrs. Austin Furrister of 7559 Crooked Lake Road. It was a very happy occasion with children and grandchildren in attendance.

### ON TRIP IN EAST

Mr. and Mrs. Dan Stengenga and Mr. and Mrs. Robert Leland, Sr. are vacationing in the east for a couple of weeks. They are making the trip by trailer and expect to visit many historical spots as well as the New York World's Fair for a few days.

Both groups were in Dallas, Texas, from June 24 to 26 at the National Convention. They are not allowed their own callers at this time, and are judged according to how well they do following the calls of a stranger.

Saturday evening the Cross-Trailers danced in Brighton. They danced two round dances "Kontiki" and "Love." The square dance caller, Mr. Chas. Thomas, did patter and singing calls for the square dance number. A folksong was used — "Understand Your Man."

The Cross Trailer group of Detroit consisted of Chas. Thomas, caller, Noble Lee, Allen Franklin, Fred Riley, Blanche Riley, Olga Herring, Betty Priest, Dolores Brewer, Jim Priest, Phil Priest, and Tanya Brewer.

The Chi-Squares of Chicago have recently returned from a southern tour, also Toronto, Canada, and were returning to Chicago after the weekend here. Their group were Zenos Morgan, caller, David Lewis, Mark Buckner, Joan Pryor, Eddie Baker, Charlotte Moody, Jerry McGuire, Mary Humphrey, Irma Morgan, Hattie McClinton.

The Promenaders — also from Chicago — are a group of young people ages ranging from 10 to 17, and are sponsored by the Chi-Trailers. This is their way of combating juvenile delinquency and finding it a great help. The young people are trained in all the calls and steps and are allowed a limited amount of travel with their sponsors. Those who came to the workshop in Brighton were William Robinson, Samuel Conery, Ralph Humphrey, Coiqua La Grone, Sharon Livingston, Brenda Adair, Emma Davis, Larry Wash, David Eatman, Lolinda Adams, and Jane Williams.

After the workshop the three groups put on a square dance where they also exchanged callers.

Sunday was a large picnic for the dancers and their friends. They then left for home. Those from Chicago were much impressed with Brighton and the beauty of its many lakes.

The Regatta was sponsored by the Portage Trail Council Sea Explorers of America.

## Brighton Girl Scouts to Idaho

Twenty-four girls and five adults of the Huron Valley Girl Scout Council left this week for the Girl Scout Senior Roundup at Farragut Wildlife Center in Idaho's panhandle. Brighton sent three participants who are Miss Lindsay Adams, 9486 Hynes Road, Miss Patricia Dopkowski, 3391 Oak Knoll Drive, and Mrs. Howard Spooner, 6019 Stephen.

Lindsay, a junior next fall at Hartland High School, and Patricia, also a junior at Brighton High, have been Scouts for eight years and are members of Mariner Ship No. 232. They departed from the Ann Arbor railroad station at one o'clock this Wednesday.

Mrs. Spooner is Brighton's neighborhood chairman for this council, and she was on her way last Saturday to Idaho.

## Square Dance

The Cross-Trailers square dance group of Detroit, were hosts over the Fourth of July weekend to the Chi-Squares and Promenaders at the home of Mr. and Mrs. James Priest, Brighton Gardens.

A workshop was held Saturday where the three groups exchanged any of the new steps or calls, etc. that they had learned during the year.

The two groups, Chi-Squares and Cross-Trailers travel throughout the United States and Canada, putting an exhibition dances and entertaining at different functions, also attend numerous conferences and workshops.

Both groups were in Dallas, Texas, from June 24 to 26 at the National Convention. They are not allowed their own callers at this time, and are judged according to how well they do following the calls of a stranger.

During the last 60 years  
changes in the printing industry  
were developed. When the linotype  
machine replaced the hand setting  
of type and rotary presses turned  
out 100,000 newspapers an hour —  
all of which occurred around 1900,  
the ultimate in printing technolo-

gy had been reached, it was  
thought.

Today's Argus is a reflection of  
this change.

In other words we are going "off-  
set." The first section of this is-  
sue of The Argus is printed offset  
and the second section by the old-  
fashioned "letter-press" method.

To make this transition requires  
a great deal of new skills to con-  
quer and we pray that our readers  
will bear with us during this  
changing period.

Our pictures should be far more  
beautiful than by the older method  
and the printing of the paper  
should be much faster and clearer.

We love your letters so please  
write and tell us what you think  
in order that we may give YOU  
what you want.

Then suddenly offset printing,  
which development had been in its  
infancy, came with the rotary off-  
set press. And all was changed.  
Technology had outmoded ma-  
chines that a few years ago cost  
around \$50,000. Today they are  
only worth scrap-iron prices.

As a member of the John  
Birch Society, and, in fact, a  
Chapter Leader, I also find your  
association of the John Birch  
Society and the Communist Party  
rather confusing editorial  
nonsense. This would lead us to  
believe that back in 1942 you  
would have called the Nazi and  
Anti-Nazi the same, breed of cat  
or would now associate the F.  
B. I. and the NKVD as being  
groups who operate in similar  
manner and with similar eth-  
ics.

Going still further, if you have  
heard or read lately as you have  
stated that the Communist Party  
in the U. S. has been infil-  
trated by more F.B.I. Agents  
than there are actual Commu-  
nist members and believe this to  
be true, may I advise you that  
the Director of the F.B.I., J.  
Edgar Hoover, seems to dis-  
agree with you. In a personal  
communication he has stated  
that this is flatly not true.

As to your closing theme and  
statement of your analysis of  
the John Birch Society, it might  
be well that you read the at-  
tached copy of the Congressio-  
nal Record from the 87th Con-  
gress, second session, June 12,  
1962. This is what the John Birch  
Society believes in and what its  
goals are. I would also like to  
quote you a sentence taken from  
the June 21, 1965 issue of the  
"Howell," Rotary Interna-  
tional, Howell, Mich. Quote  
"The chief speaks. It is an es-  
tablished fact that whenever one  
has dared to expose the Com-  
munist threat he has invited op-  
position on himself the adroit and  
talented of experts in character  
assassination. J. Edgar Hoov-  
er."

The John Birch Society is not  
the one who plays up to HATE.  
Not Hate but LOVE. Love of  
one's country, love of one's flag  
and love of the freedoms this  
land has given each of us. Some  
of us believe these things which  
God has given are worth fight-  
ing to preserve.

If you are sincerely interested  
in knowing what the John Birch  
Society is, why it is in your  
community and what its goals  
are, I would suggest you write  
the John Birch Society, Box 31,  
Howell, Michigan.  
Sincerely,  
Bruce Taylor.

**EDITOR**  
It is not hard to understand  
why the public is so terribly  
misinformed, confused and il-  
luminated on many subjects today,  
when you realize that the news  
media is determined to give us a  
Some anonymous editorial ed-  
itorial writer, hiding behind the  
name of The Brighton Argus  
wrote an editorial in which there  
were several untruthful state-  
ments. (Conspiracy of Silence).  
He tells us that the United  
States Constitution and the con-  
stitution of the Union of Soviet  
Socialist Republics are nearly  
identical. This I did not know  
and would be glad to have the  
Argus compare the two in a  
future issue. Or possibly a de-  
bate or forum could be held, so  
that other citizens of Livingston  
County could learn the truth.

What the writer possibly  
meant to say was that there are  
many similarities between the  
Russian Constitution and the  
United Nations Declaration of  
Human Rights. I find in "The  
Fearful Master" by G. Edward  
Griffin the following compar-  
isons:

Russia: Citizens of U.S.S.R.  
have right to work. Article 118  
U.N.: Everyone has right to  
work. Article 23

Russia: Citizens of the U.S.S.R.  
have the right to maintenance in  
old age and also in case of sick-  
ness or disability. This right is  
insured by the extensive devel-  
opment of social insurance of  
industrial, office and profession-  
al workers at state expense free  
medical service for the working  
people; and the provision of a  
wide network of health resorts  
for the use of the working peo-  
ple. Article 120

U.N.: Everyone has the right  
to medical care and necessary  
social services, and the right to  
security in the event of unem-  
ployment, sickness, disability,  
widowhood, old age, or other  
lack of livelihood. Article 25  
Russia: Citizens of the USSR  
have the right to rest and lei-  
sure. Article 119

U.N.: Everyone has the right to  
rest and leisure. Article 24  
Russia: Guarantees State pro-  
tection of the interests of mother  
and child, State aid to mothers  
of large families and to unmar-  
ried mothers, maternity leave  
with full pay, and the provision  
of a wide network of maternity  
homes, nurseries, and kinder-  
gartens. Article 122

U.N.: Motherhood and Child-  
hood are entitled to special care  
and assistance. Article 25 (2)  
Russia: Citizens of the USSR  
are guaranteed the right to uni-  
te in trade unions. Article 126  
U.N.: Everyone has the right  
to join trade unions. Article 23  
(4)

Russian: Citizens of the USSR  
have the right to education.

Article 121

U.N.: Everyone has the right  
to education. Article 26

Mr. Griffin goes on to say,  
"There are a great many other  
similarities between the Soviet  
constitution and the U.N. De-  
claration of Human Rights, but  
the foregoing comparison is suf-  
ficient to reveal a common in-  
spiration. The basic concept em-  
bodied in both of these docu-  
ments is that the government  
has full responsibility for the  
welfare of the people and, in  
order to discharge that respon-  
sibility, must assume control of  
all activities. How different this  
is from the traditional Ameri-  
can concept of limited govern-  
ment."

It is significant that in actual-  
ity the Russian people have few  
of the rights guaranteed to them  
in their constitution while the  
American people have them in  
abundance even though they are  
not guaranteed. The reason, of  
course is that material gain and  
economic security cannot be  
guaranteed by any government.  
They are the reward of hard  
work and industrious production.  
Unless the people produce one  
loaf of bread for each citizen,  
the government cannot guaran-  
tee that each will have one loaf  
to eat."

## Woman Banker For 40 Years

MISS EMMA WESTIN

Miss Emma J. Westin, cas-  
hler of the Brighton State Bank  
is celebrating her 40th anniver-  
sary with the bank. Miss Westin  
who was appointed cashier in  
January of 1925 was born in  
Wishaw, Penn. and moved to  
Brighton in 1920.

She was graduated from Bright-  
on High School in 1925 and  
started her banking career on  
July 13, 1925 with The Brighton  
State Bank. Since that time she  
has served in all the various  
functions in the bank and was  
appointed assistant cashier in  
January 1955.

During her career with the  
bank, Miss Westin has been ac-  
tive in St. George Lutheran  
Church, serving as treasurer,  
member of the planning com-  
mittee for the educational unit,  
choir member assistant organist  
and Sunday school teacher. She  
has also held the office of treas-  
urer of the Brighton Commu-  
nity Chest. A party was given in  
her honor at the bank on Tues-  
day, July 13, attended by her  
co-workers.

## Senator MacNamara Speaks About Washington Legislation

Greetings! The 89th Congress  
continues to roll up an unprece-  
dented record of legislative  
achievement.

**Bills in the mill:** Between now  
and July 16, Senate Committees  
and Subcommittees of which I  
am chairman, will have held 17  
days of public hearings on pro-  
posed bills.

Our Labor Subcommittee al-  
ready has heard testimony on  
my bill to repeal Section 14 (b),  
the so-called "Right-to-Work"  
clause of the National Labor Re-  
lations Act, and on amendments  
to the Labor-Management Re-  
porting and Disclosure Act.

On June 28-29, the Select Sub-  
committee on Poverty will con-  
duct public hearings on legisla-  
tion to double appropriations  
for the President's War on Pov-  
erty program.

Beginning July 6, the Labor  
Subcommittee will hold nine  
days of public hearings on the  
Administration bill to extend  
coverage of the Minimum Wage  
law to an additional 4.5 million  
workers now unprotected, and to  
provide double-time pay for  
over-time work.

Meanwhile, the Senate Public  
Works Committee held two days  
of hearings last week on a new  
Federal Disaster Relief Act.  
Michigan's experience with the  
Palm Sunday tornadoes this  
year, has shown that existing  
Federal disaster programs are  
inadequate.

**Medicare - Action soon:** The  
House-approved Medicare-Social  
Security bill may be the pend-

ing business of the Senate by  
July 4th.

The Senate Finance Commit-  
tee has completed its work on  
the bill, after rejecting a dan-  
gerous attempt to gut the medi-  
care program by tying hospital  
benefits to income, under the  
guise of unlimited hospitaliza-  
tion.

As reported from Committee,  
the bill includes a new provi-  
sion for extended care. Total hos-  
pital stay per illness is increas-  
ed from 60 to 90 days, with the  
patient paying \$10 per day dur-  
ing the last 30 days. The bill  
also would add 80 more days of  
nursing home care, at a cost  
to the patient of \$5 per day.

It is difficult at this time to  
predict the final formula of ben-  
efits.

But it is almost certain that  
medicare — in some form —  
will be enacted into law by the  
Congress, hopefully before the  
end of July. And I shall contin-  
ue to work for the most com-  
prehensive program possible.

The \$4.6 billion cut in Fed-  
eral excise taxes has been  
signed into law and Congress  
will be watching closely to see  
whether these savings are pass-  
ed on to the buying public, so  
that the intended effect of boost-  
ing the economy through in-  
creased purchasing power will  
be realized.

I was particularly pleased  
with the virtual elimination of  
the onerous excise tax on cars,  
which will be reduced in stages  
to one per cent by January 1,  
1969.

## Joins GM Team

Melvin Sanch of Brighton has  
recently joined the GMC Truck  
and Coach Division at the GM  
Proving Grounds. Mel, his wife  
Barbara and Mel Jr., Cindy  
Lou, Donald, Lorrie Sue and  
Tracy Lee reside at 718 Wash-  
ington Street.

## Father Drowns; Son Can't Help

James H. Scoggins was  
drowned Saturday afternoon  
while swimming from a boat in  
the middle of Welle Lake. His  
six year old son Jim watched  
helplessly as his father slipped  
beneath the water.

A neighbor, Carl Eldrid, re-  
covered the body almost imme-  
diately, however attempts to re-  
vive Scoggins proved futile, and  
he was pronounced dead by Liv-  
ingston County Medical Exam-  
iner, Dr. Boyde Shitzer.

Welle Lake is located behind  
the Scoggins home at 8051 Malt-  
by Road.

## Track is Fast

Veteran Fowlerville horsemen  
have pronounced the Fowlerville  
half-mile harness racing oval in  
excellent shape for the Four  
Day meet, a feature of the Fow-  
lerville Fair which begins July  
28 and lasts through, July 31.  
Recent work miles indicate that  
the track could produce some ex-  
ceptionally fast time for spec-  
tators at the 1965 events.

Long considered one of the  
finest of the half-milers in the  
Michigan area, the Fowlerville  
track boasts track records that  
give current competitors much  
to shoot for.

## Letter to the Editor

Taylor's letter to editor ...

The Brighton Argus

To the Editor:

Your recent editorial on the  
"Conspiracy of Silence" has  
come to the attention of a great  
many readers, as well it might  
have. It is humorous, however,  
to see such a format at this day  
and age coming from what is  
supposed to be one of the major  
sources of current news in Liv-  
ingston county. One can only  
assume that you and your writ-  
ers have been too engrossed in  
your work to have seen what is  
really the truth of the John  
Birch Society.

Way back in 1961 the Senate  
Fact Finding Subcommittee on  
Un-American Activities of the  
State of California began an in-  
vestigation of the John Birch So-  
ciety. Two years in the making,  
their report was released in  
June 1963. I quote as follows:  
"The attack against the John  
Birch Society commenced with  
an article in the Peoples World,  
California Communist Paper in  
February 1961. Our investigation  
and study was requested by the  
John Birch Society which had  
been publicly charged with be-  
ing a secret, fascist, subversive,  
un-American, Anti-Semitic or-  
ganization. We have not found  
any of these accusations to be  
supported by the evidence. The  
organization is open to people  
of all religions, all races and  
from all sources we found that  
there was little more secrecy  
about the John Birch Society  
than any other private organiza-  
tion. Indeed, seeing that there  
has been so much publicity  
about this movement, it is now  
probably less secret than the  
Elks Club, Moose Club or other  
well known groups."

## NOTICE OF REGISTRATION AND ELECTION

NOTICE IS HEREBY GIVEN that pursuant to Act  
137 of the Public Acts of Michigan for 1929, as amended,  
an election will be held within the territory below described  
on Saturday, July 17, 1965, to determine whether the entire  
territory comprising the subdivisions and lands below  
described shall become entirely incorporated under the  
provisions of said Act 137. Said election will be held at  
the garage on the premises of Stanley Mendygral, 8956  
Rushside Drive, Rush Lake, Pinckney, Hamburg Town-  
ship, Livingston County, Michigan, and the polls will be  
open from 7:00 o'clock A.M. until 8:00 o'clock P.M. of  
said day to permit all registered qualified voters to vote  
upon the proposition submitted. All persons who are free-  
holders, who have resided week-ends within such territory  
for one month prior to said election and who are qualified  
voters in any voting precinct in the State of Michigan are  
qualified to vote at such election. Persons qualified to vote  
may register at the garage on the premises of Stanley  
Mendygral, 8956 Rushside Drive, Rush Lake, Pinckney,  
Hamburg Township, Livingston County, Michigan, at any  
time between the hours of 9:00 o'clock A.M. and 7:00 o'clock  
P.M. on the 10th to the 16th days of July, 1965, inclusive,  
and at such other times prior to July 17, 1965, as the regis-  
tration board may permit. The names and addresses of  
the persons comprising the registration board for such election  
are Edwin Elliott, 3357 Orchard Drive, Grace Straas,  
8807 Rushview Drive and Joseph Basydio, 8956 Pettysville  
Road, all at Pinckney, Hamburg Township, Livingston  
County, Michigan. The subdivisions and lands to be affect-  
ed by such election are described as follows:

- (1) Herndon's Rush Lake Estates, a part of the  
Southeast Quarter of Section 17, Hamburg Town-  
ship, Livingston County, Michigan.
- (2) Vista on the Lake, a part of the Southwest Quar-  
ter of Section 17 and part of the North Half of  
Section 20, Hamburg Township, Livingston Coun-  
ty, Michigan.

## Little League Standings; Purples Beat Scarlets

### LITTLE LEAGUE STANDINGS

	W	L
Oranges	5	3
Blues	5	3
Greens	5	3
Golds	5	3
Purples	4	4
Scarlets	0	8

The Oranges further complicated the Little League by making a four-way tie for first place. They defeated the Purples 5-3 and the Greens 6-2 in 9 innings.

In the Oranges' first victory of the week John Guerrero pitched a 3 hit game and struck out 10 Purples. Bob Arnold, Purples' pitcher, threw a 2 hit game but walked seven Oranges.

Helping Pam Hardesty celebrate her fifth birthday Friday were Jeff and Lroi Ann Reimold, Robbie Sites, Christy Brewer, Dean and Don Glenn, Kim Brewer, Terry and Sherry Hardesty and Tim Hardesty. The children played several games and later enjoyed cake and ice cream.

We wish to welcome Mrs. Margie Pickerry and sons new residents on Marlowe Dr.

Mr. and Mrs. John Holderness enjoyed going to a picnic at Potter's Park in Lansing given annually for former patients and employees and present employees at Mich. State Sanatorium, which is held the last Sunday of June each year.

The Ray Maltby family have returned from a month's vacation touring Colorado, Arizona, New Mexico and Utah.

## 680 in County

The recent "X-rays for Health" survey conducted in Livingston county to encourage approximately 800 residents in the county who reacted to a tuberculosis skin test to be x-rayed was quite successful, according to G. B. Wickstrom, M.D., Director of the Livingston County Health Department.

A total of 680 persons were x-rayed. Tentative figures indicate that 475 of those x-rayed were tuberculin reactors who had received personal invitations for their first annual x-ray check-up. The other 205 persons availed themselves of the services of the x-ray unit while it was in their neighborhood.

Of those x-rayed, Fowlerville turned out 175 residents; Howell 278; and Brighton 227 residents. In Fowlerville registrars were enlisted by Mrs. Robert Gustafson; in Howell by Mrs. George Landon, and in Brighton by Mrs. Bert Bair.

Among those who assisted were Miss Arlene Cronewett, Mrs. Gladys Crandall, Mrs. Glenn Wilkinson, Mrs. John Sherston, Mrs. Henry Roggenkamp, Mrs. Jack Vince, Mrs. Alex Arthur, and Miss Marion Baldwin, all of Howell; Mrs. Loretta DeWaters of Fowlerville, and Mrs. Donald Rolison of Brighton.

Dodgers	3	3
White Sox	1	4

The Tigers climbed into first place this week by overpowering the Dodgers 10-3. The Dodgers had made this possible when they had defeated the Yanks 2-1 without the benefit of a hit.

Kevin Rosswurm and Pat Arnold combined their pitching talents and did not allow the Dodgers any hits but their team lost 2-1. A walk batsman, a sacrifice, and a Dodger error allowed David Reed to score the Dodgers' first run. The second run was scored on 3 walks and another Dodger misplay. The Yanks scored on Kevin Rosswurm's single and stolen bases. Pat Flaherty was the winning hurler for the Dodgers and permitted just two singles.

## SUMMER BASKETBALL LEAGUE

	W	L
Falcons	1	0
Badgers	1	0
Titans	0	1
Wolverines	0	1

The summer recreation basketball league for boys 12-15 years old was opened with the Kevin Rosswurm's Falcons defeating the Dan Carney's Titans 40-39. The Larry Luttermoser's Badgers outshot the Matt Caid's Wolverines by a score of 48-35.

Kevin led his team in scoring with 19 points and sank the deciding free throw with 8 seconds to play. Dave Fisher scored 15 points for the Falcons. Dan Carney led his team with 14 points and "Rip" Lietzau Jr. contributed 10 points for the Titans.

In the Badger's victory Tom Bowditch led all scorers with 20 points. Ray Luttermoser helped the Badgers by adding 12 points. Matt Caid and Dan Schmidt scored 23 of the loser's points.

All games are played on Tuesday and Thursday mornings at 9:30 at the High School.

## Grand Slam Homer

A tape measure, grand slam home run by Ted Kuderko, broke the spirit of the Bowl & Bar nine and gave the American Legion club their third win in their last five outings. The game at that point was an eight to six contest, favor of the Legion. The final score being 14 to 6.

The legion sights are set on Van Camp's team for tonight's contest. Small arms and heavy guns are the order of the day, for this game, according to the team manager, and if this target is blasted enough, our position in the fun and fumble league is assured.

Drop everything and come out and cheer for your favorite team evenings at 8:30. There are still a few choice seats left at the Fireman's field for the remaining games. Women and children under 12 admitted free.

## Enters Derby

A Hartland boy, Michael Wesley, of 1010 old US-23 North, has again entered the Soap Box Derby to be held Saturday in Detroit at 8 Mile and Mound roads. This is Michael's second try for a prize and all of his Hartland classmates are pulling for his victory. His parents are Mr. and Mrs. Donald Wesley.

**FISHING DATA**  
Pan fish have been hitting good on most lakes in the Brighton Area. Among the good lakes are Chemung, Woodland, and Island.  
Nice bluegills have been found in 3 to 4 ft. of water. Nice croppies have been taken out of 3 to 4 ft. of water.  
Nice bass have been seen in the past week, in the 4 1/2 to 6 lb. class — largemouth, in the deep water at Buck.  
Good bass lakes are Woodland, Island, Ore Lake, Appleton Lake, and Bentley Lake.  
The recommended live bait is Golden Shiners.

In Michigan,  
after a day's fishing  
beer's the one...  
for good taste,  
good fun

Wherever you fish for sport—on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport—bowling or strolling, golfing or gardening—a frosty glass of beer makes a naturally great accompaniment.

### Moonshine Profits Boosted By Tax

How to make huge profits fast — but dangerously — was disclosed this week by a U. S. Treasury agent who visited the office of The Brighton Argus.

The profit is in moonshine whiskey of which thousands of gallons have been destroyed in Michigan and 179 stills seized by federal agents this year.

To the credit of the Livingston county sheriff's department no still has been discovered in Livingston county in many months, the last one only being revealed by it exploding and

seriously burning the operator. But the treasury agent says he thinks he is on the trail of moonshiners somewhere north of Brighton toward Howell and he is gathering clues and evidence.

He explained that the cost of making moonshine whiskey is less than \$1 a gallon, and it sells easily for \$8 a gallon. Moonshining has recently increased by leaps and bounds because of the ever increasing taxes

### Hamburg Shindig Saturday Night

Teens, are you bored with the usual Saturday night routine? Do you just go riding around because there is nothing else to do? Then cheer up! Thanks to George Katone, of the Hamburg Pharmacy, ever Saturday night there is a Shindig for teens and it's free.

The Shindig is from 8:30 to 11:00 p.m. a the parking lot in front of the Hamburg Pharmacy.

Tom Andrews, Dave Katone, Radger Munson and Pat Peck, all juniors of Dexter High make up the band, called the Dextelex, and it's great.

Chaperones are Mr. and Mrs. Paul Lenoard, Mr. and Mrs. Radloff and Mr. and Mrs. Vosmik.

#### WALLYNE RAGEL

Mr. and Mrs. Peter Ragel of Roseville, Mich., announced the engagement of their daughter, Wallyne Frances, to Michael A. Small, son of the late Mr. and Mrs. Troy A. mail, and grandson of Mr. and Mrs. I. J. mail of Welle Rd., Brighton.

Miss Ragel, presently attending Wayne University, was runner-up in the 1961 Miss Michigan contest. He also represented her state as Miss Michigan Peach Queen in 1962. Mr. Small, a graduate of the University of Detroit, recently returned from a Far East tour as a lieutenant in the U.S. Marine Corps. He is presently attending the University of Detroit Graduate School.

The Matteson Parakeet is still since he decided to try his wings in the wide blue yonder. We saw a glimpse of him in the cedar tree one day at high noon but he disappeared again before anyone could entice him back into his snug cage. The last time he "flew the coop," he turned up near M-59 — which is quite a trip for a bird who's only exercise is flitting thither and yon in a house! If you see a flash of blue flying in our shade tree, it could be Dickie. He came to the Mattesons with the rather colorful vocabulary, so his remarks are not any reflection in their training!

The Lloyd Nashes spent the last few days of his vacation visiting the Jerry Ritzerts at St. Ignace. One of the highlights of their trip was a scenic ride on a train that takes the tourists into the Canadian wilds from the Soo. It is a full day's journey.

full of beautiful scenery and the traveler may stop off at any station along the way and spend his time fishing or hiking until the train returns.

The employees of the Southern Michigan Nursery, Brighton and Island Lake Recreation Areas got together at a picnic to bid farewell to the Cliff Martins who are moving to Gladwin. Mr. Martin has been a Conservation Foreman at all three locations for several years. They also said goodbye to Stewart Williams who just came to Brighton as a Ranger a month ago and is now leaving to become a Heavy Equipment Operator at the Waterloo Recreation Area.

Mrs. John Schroeder celebrated her birthday Sunday by having the Ralph and Paul Schroeders and the Kurt Haaxmas over for a picnic dinner. The Art Glowacki's attended the wedding of Mrs. Glowacki's brother Jim Pierzinski, in Detroit Saturday. Jim's parents are the Peter Pierzinski's of Rush Lake.

Have you ever wondered who the big authority is who condemns one healthy plant a weed and makes the other a flower? The one grows under the most adverse conditions, is as pretty and valuable as the scraggly, weakling we have to beg, tease

feed, cultivate and cajole to make survive.

Mr. and Mrs. Hank Gallup daughter Carol Ann and son David left Tuesday for the Marine Base at Bridgeport Calif., where they will visit Captain and Mrs. W. H. Osgood, who is stationed there. Mrs. Osgood was the former Helen Small and the sister of Mrs. Gallup. The Gallups will also visit friends in Oregon and Pacific Grove Calif.

Mrs. Scot (Ruth) Dunham of Brighton, a step-son, Lawrence Wilkinson of Hart, Mich., 8 step-grandchildren, 3 step-grandchildren, and several cousins.

Funeral Services will be held at 2:00 p.m. Wednesday from the Keehn Funeral Home with the Rev. George T. Nevin officiating. Burial in Fairview cemetery, Brighton.

## PLEASANT VALLEY NEWS

Velma Bufford 229-6071  
Canoe enthusiasts are at it again. The Melvin Deckers have spent two weekends recently in Northern Michigan, on the Pere Marquette and Rifle Rivers.

Saturday, July 3, George Bufford Sr., Keith Bufford and Joe Smith enjoyed a day on the Huron River. Accompanying them were Mr. Jack Borders and children, Steve and Mary of Detroit. Mrs. Borders and son Johnnie spent the day with me. We had a backyard cookout and of course took in the carnival.

Glad to see Joe Wilkinson of Oakdale Drive is back to work after being off several days due to a badly smashed finger which he received while on the job. Happy Birthday to Mrs. Jean Todd who celebrated on July 2. Sherry Lyn LaFata was five on July 4. She celebrated with her family at a steak roast and a trip to the carnival. Other guests were Mr. and Mrs. James LaFata Sr. and Mr. and Mrs. Edward LaFata all of Briggs Lake.

The LaFata clan gathered again on Friday, July 9, to celebrate two more birthdays. Mr. James LaFata Jr. had his birth day on Friday, while his wife's was on July 10. Incidentally two-year-old Terry LaFata who suffered 2nd and 3rd degree hot water burns on her legs several weeks ago is doing very well now. She will have small scars only around her ankles.

Beth Williams celebrated her 11th birthday on July 7 with a family dinner.

Mr. Harold Raymond and his sister Mrs. Florence MacLeod entertained Mr. and Mrs. Harry Beaton of New Jersey for a two week visit. The Beaton's returned to their home July 6. Other guests over the holiday were Mrs. MacLeod's son and family, Mr. and Mrs. Fred MacLeod and daughters Dee and Laurie of Medina, Ohio.

Guests for the long holiday weekend at the home of Mr. and Mrs. Ernest Root on Fonda Lake were Mr. and Mrs. E. Dale Root Jr. and five children of Saginaw, Mrs. Helen Root and son Wayne of Detroit, and Miss Nola Boyd of Saginaw. Joining them on Sunday, July 4, were Mr. and Mrs. Sam Volte and family, and Mrs. Joyce Norred, all of Detroit.

Sunday, July 11, guests of Mr. and Mrs. Root were Mr. and Mrs. Marvin Root and grandson Brian of Kalamazoo.

If some of you Fonda Lake residents were rubbing your eyes last Saturday and wondering if you were seeing straight, you were. That was a car in the lake! Dave and Mike Marderosian of Detroit brought an Arabian out to Dr. Merritt's cottage next door to us. It looks like a lot of fun — just drive to the lake, and into it — no fuss, no muss, no bother.

Mr. and Mrs. Robert Singer and family of Mesa, Arizona have been enjoying their vacation here visiting his parents, Mr. and Mrs. Eric Singer and Maxine's parents, Mr. and Mrs. Herbert Warner. While spending their three week vacation here they also visited their brothers and sisters families and many friends. During the Firemen's four day celebration in town, they were able to meet many of their former friends who had also come to hear the Howell band, see the parade and fire works.

Mrs. Norma Housner of Court Street Howell, attended Children Bible Camp at the Wesleyan Methodist Camp Hastings last week.

## Autos Collide; Pedestrian Hurt

The State Police of the Brighton Post report that a 41 year old Ohio man, John E. Heath, is in critical condition in Hurley Hospital in Flint after being struck by a car as he was walking on US-23 near White Lake Road Sunday morning.

According to the troopers, Heath was struck by a car driven by 81 year old William Bluth of Temperance, Mich.

Bluth said his brakes failed and he was unable to avoid hitting Heath who was walking on the shoulder.

A witness to the accident, Salvema Martinez, was driving directly in front of Bluth, and he slammed to a stop when his daughter saw Heath's body fly through the air. Bluth's car then crashed into the rear of the Martinez car, and Bluth suffered minor facial lacerations. Heath suffered a skull fracture, internal injuries, and fractures of both legs.

### WE GOOFED

Lyle Kinsey was elected treasurer of the Board of Education in Pinckney on July 5 by acclamation. In last week's story his name was spelled "Kinsey" and "Kinzie" and he was said to have been elected secretary. Apologies on all three counts, Mr. Kinsey! To err is human...

### Ford Sales High

Ford dealers in the Lansing sales district sold more passenger cars in June than in any month since the office was established in 1947. Six-month sales records for cars and trucks also were set.

A total of 4,953 cars were sold in June — an increase of 35 percent over the 3,664 units in June, 1964. The former single month record of 4,650 cars was set in May of this year.

Car sales for the first six months in the Lansing sales district, which encompasses all of Michigan's Lower Peninsula except the Detroit Metropolitan area, totaled 24,117 units.

## Arts and Crafts

This fall the Livingston Arts and Crafts will have a demonstration and lecture on the art of lapidary. We would like to tell you a little about this ancient art which is one of Michigan's fastest growing hobbies the family can enjoy.

Many of you will come back from your vacations this summer carrying samples of nature's production of rocks. You will have gathered them on trips to the beach, walks through the woods with your children. Many of you will find interesting rock or pebbles in a rock pile or even in your own driveway and wish you could do something with it.

With the art of lapidary the uses to which you can put these rocks can be almost endless. They can be tumbled, slabbled, ground, polished and can be made into necklaces, bracelets, tie clasps, paper weights, book ends, or just displayed as beautiful stones. By picking up these unusual stones families have started in the interesting art of lapidary and then find that this art develops the skills necessary to do something creative with the stones.

Lapidary pertains to the cutting or engraving of precious stones. The art of lapidary goes back to before 4000 B.C. when, in Babylon, jewels consisted of turquoise, lapis lazuli, and amethyst and carving was common in the form of engraved seals. The art has progressed through the ages developing a large variety of related methods and forms of gem cutting.

Michigan ranks sixth for all fifty states, which is twice the national average Michigan has 21 clubs in the lapidary field which are active in sponsoring informative programs, field trips. Art Fairs in Michigan are increasing in number and lapidary clubs participate by exhibiting finished products, as well as demonstrating lapidary procedures.

One of the most popular and widely used stones is the Petoskey stone found near Petoskey

Michigan. It is basically a calcified sea animal which existed many thousands of years ago. Glaciers have deposited the Petoskey stone in Lake Michigan and the ice of the lake each winter pushes the stones to the beaches where they are easily found by rockhounds.

The greenstone found on Isle Royale, is considered a scarce stone and is greatly sought after. At present, Isle Royale is closed to the collecting of the greenstones. A more recently discovered native Michigan stone is mohawkite, a metallic alloy in combination with the white marble. After cutting the stone and polishing it, the metallic alloy tarnishes, resulting in a very beautiful display of red, green, blue and yellow hues.

A rule of thumb in lapidary is when you see a stone that is pretty when wet, it usually appears this way when polished. Watch for our special meeting on lapidary this fall we promise you an interesting show and perhaps your new hobby, the art of lapidary.

We hope to hold classes in this art, if enough persons show up, who are interested. So if you are one who has been asking us to bring this program to you,

### METHODIST CHURCH NEWS

The Methodist Men held their monthly breakfast Sunday morning, July 11 at 7:30 a.m. Dr. Eugene Ranson, director of the Wesley Foundation at the University of Michigan spoke on "The Ministry of the Laity."

Dr. Ranson's sermon for the Sunday morning services was "The Revolutionary Jesus."

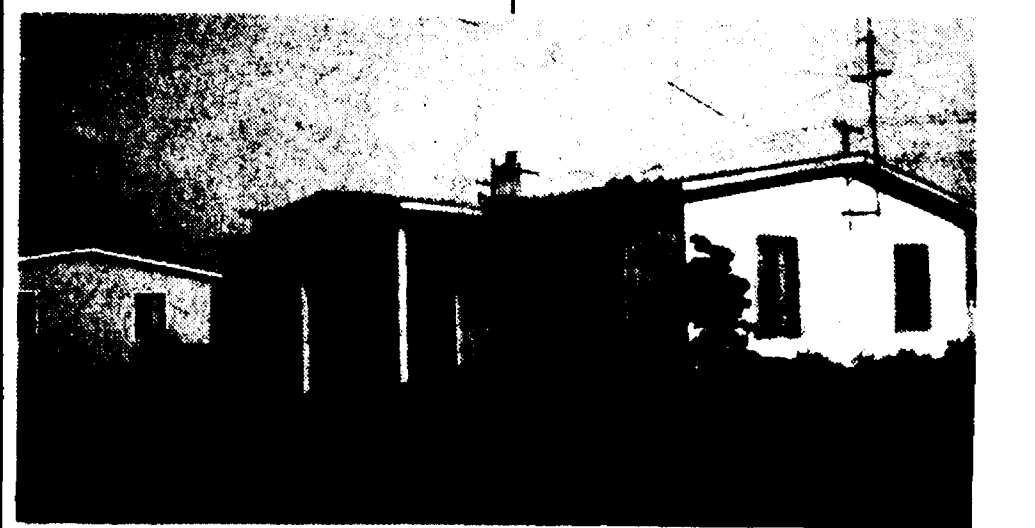

We have enjoyed our guest speakers the past two Sundays, but will also be glad to have Rev. Brubaker and his family back with us for services on Sunday, July 18.

We are replacing our hymnals with the new edition of The Methodist Hymnal. Anyone wishing to purchase then as memorials or gifts may sign the list on the bulletin board.

The Church was saddened by the death of Mrs. Marion Goodchild last week. Mrs. Goodchild has served the church as a Sunday School teacher, a member of the W.S.C.S. and a faithful member of the choir.

Dates to remember: Don't forget Ibsen's "An Enemy of the People" Thursday, July 22. The Official Board will meet Tuesday, July 20.

Thursday, August 5, the Annual W.S.C.S. luncheon will be held in the fellowship hall. Anyone planning to attend contact the circle chairmen or Clara Daniels.

When Indians were the chief inhabitants of Michigan the Winan family moved west to find peace, happiness and an ideal home for their generations to come. Cuddled amid the hills of Livingston county the elder Winan came to a beautiful lake, an ideal clearing for farming and a homestead unequalled in any state he had traveled through.

Today that spot is known as Winans Lake where Edwin Winan was born and grew up. He was later to become one of Michigan's greatest governors serving in the late 1870s and early 1880s.

He built his home there, in fact he built several homes for his children, all overlooking the lake. One of his sons, the last survivor, Gen. Edwin Winan who died only about 20 years ago, was prevailed upon by a group from Detroit to sell his land for development of a golf course and home sites.

Thus was the beginning of Lakelands Golf and Country Club less than 5 miles from Brighton.

The development has been kept rather exclusive and today the membership is restricted in numbers.

However many of the original members now live there in happy retirement, among them Ken-

neth B. Coates, former vice president of the Great Lakes Steel Co., Frank Bucher, former vice president of the Great A & P Co., and Art Meyers, a vice president of the Michigan Bell Telephone Co.

Coates is president of the 5-member board of trustees and Stuart Bud Kirvan is president of the club.

The club and property is entirely free of debt and although many retirees reside there the year round, the beautiful greens are always crowded with golfers who may be younger and more agile, but not more gifted in the art of making a hole in one, as two golfers did last month.

How the club started is best told by Ken Coates:

As the golf craze spread throughout the country after World War I, hundreds of clubs were organized. Most of these were adjacent to a city where they were quickly accessible to members. A small group of Detroit businessmen found something lacking in this usual picture. The average golf and country club was too formal and did not give the entire family all the recreational facilities it desired. While papa liked to golf, some members of the family liked to fish, swim, or hunt. But all agreed an ideal recreational facility should be far enough from the city to get away from the stress and strain of city liv-

ing and from the gaseous air which was getting worse and worse.

After a long search the group found Pleasant Lake teeming with fish, a good graduated beach for swimming and gently rolling farmlands to the west for a golf course. Months of negotiations followed and a deal was consummated; first with the Hulls, then with the Winans and Hendricks. The entire area to be developed included some 900 acres.

The organizing group formed the Pleasant Lake Hills Corporation and proceeded to bring in a famous Scotch golf engineer to lay out the golf course, and William Stout, noted aviation engineer, to lay out the landing field.

While the Club was organized and sponsored by the Company in 1925 it was not until 1932 that the members felt the infant was ready to walk on its own. There were about 25 members who undertook the responsibility. The first officers of which we have a record being R. H. Curtiss, president; J. J. Uchel, 1st vice president; George W. Langford, 2nd vice president; H. L. Spedding, treasurer, and Thomas L. Brooks, secretary.

In 1933 the Company agreed to deed the golf course, the Club House, the row of lots facing Chilson Road opposite the District School and the lot where the club fishing boats are now parked, to the Club.

After the Second World War things began to look up. A few pieces of property began to move and splendid homes around the lake appeared. Membership was boosted to 125 and we were on our way.

In 1944 the Company deeded Winans Lake, the swimming beach and the out-lots to five trustees. The Club was made the agent of the trustees and enforced the rules for the lake through a Fishing Committee. A few much needed water lines were laid and the golf course improved.

Lakelands is a permanent thing. It is time tested and has come through crises of the past that saw other clubs fall by the wayside. It has a hard core of membership that will never fail no matter how many members may come and go during times of stress. A number of younger members are showing their faith in the community by investing hundreds of thousands of dollars in beautiful, new, permanent homes. More will be coming in the near future.

Lakeland members are proud of their heritage and are extremely loyal to the Club and to its members. The dreams of the founders are coming into being and the picture so fondly painted more than 40 years ago is now becoming an accomplished fact.
