## Club Corner

By Mildred Bilhovsky  
628-2244

The Hiawatha Beach Church Daily Vacation Bible School had a good week. There were twelve teachers and several substitutes; 188 were enrolled and the most present in one day was 26. The Thursday Night Program was very good with many parents, friends, and children present.

Saturday morning the Christian Service Brigade Boys returned from an exciting trip to Fort Knox Army Base. They stayed in the Army Barracks, ate in the Mess Hall, visited Drivers Education for the tanks, went to the General George S. Patton Museum, visited an Airport on Base, also a Rifle range and several other exciting things. This was an informing trip, and the boys had a wonderful time.

Some of the Cherokee Riders attended the Hell Creek Horse Show. Ann Brown won a blue ribbon and trophy in Trail Class. Hal Stockman won a blue ribbon and trophy at Steer Dribbling. Gary Burg and Hal Stockman both won second place ribbons in the Rescue Race. Team-In Training were very, very tired but happy as their one week ended Saturday afternoon, making thirteen dollars for camp. Everyone had a good time and enjoyed the Billy Graham film Sunday evening despite the fact that it had to be shown inside due to the rain.

A bus load of J. C.'s also went to the Tigers vs. Yankees ballgame at Tiger Stadium in Detroit. It was a close exciting game.

**Coming Events**  
Tuesday — Kiwanis Meeting 7:00 at Jerry's.  
Wednesday — P.E.G.'s Meet at Bishop Lake for Picnic, noon.  
Thursday — Rainbow Girls Installation at 7:30 p.m.  
Thursday — Teens in Training leave Thursday afternoon for their camp trip to Bruin Lake. The group of ten will return Saturday evening.

Sunday-August 29 Peoples Church Drive In Service. Song of Harmony Quartet, recording and T.V. personalities, from Sunday-Teens in Training. 8:30 p.m.

## SPORTS

NATIONAL LEAGUE  
By John Tasch

Once again the first National League game was called off because of weather conditions. It was the last game scheduled between the Giants and the Braves as the week of the eighth was the last week of scheduled league games.

The Giants won their final game of the season Tuesday against the Dodgers, 8-5. Eddie Baier was the man on the mound for the Giants. Baier allowed only one earned run in the contest.

Giants: Ed Baier and Mal Ludwig.  
Dodgers: Sam Singer, Rick Tanner, Jim Pietilla.

AMERICAN LEAGUE

In the first game in the junior circuit the Tigers played the Orioles, and the Tigers weren't taking any chances on losing their first place position. They got 20 runs in the first inning and the game was all over except for going through the motions. In the last inning the Orioles did make a good try at catching the Tigers but they had too far to go.

Orioles: Jerry Nicholas, Terry Trumbull and Jesse Stevenson.  
Tigers: Dennis Douglas, Danny Herbst, and David Hollister and Keith Baier.

The Indians had the services of injured Chuck Miller back and put them straight to use. Miller pitched the entire game for the Indians against the Yanks and came out on top 7-6. It was a fairly well-played ball game and a close one as the score shows.

Yanks: Steve Hollister, David Mitchell and Ronnie Burgess and Terry Brennan.  
Indians: Chuck Miller and Pat Brown.

Although the regularly-scheduled games are over in the American League, the teams are having a play-off round this week. There will be a game the first four evenings if the weather permits and maybe on Friday also. There will be some real good ball played as all the teams have developed since the beginning of the season, and they are all at full strength now.

Bystanders are attempting to help an Owosso man who was an innocent party, and the only injured person in this three car accident near Howell. The car driven by 58 year old Joseph L. Mayer was struck in the rear when two cars tried to pass him simultaneously at Six Corners on East Grand River. His car was driven by the impact across the road where it crashed through the foundation of the Emanuel Baptist Church steeple. All of the cement blocks from the steeple crashed down upon Mayer's car.

## Auto Accidents Record High; Church Steeple Crushes Car; Two Panicky Deer Injure Pair

Two twenty year old Detroit men were injured in this accident on I-96. The driver of the car, Ronald Zuzack, fell asleep, and rolled the car over as he was trying to regain the pavement.

This has been the worst week this year in Livingston county for traffic accidents. Beginning Wednesday after The Argus went to press last week the accidents began to mount, involving all types of vehicles, and even including a hit and run, an injured pedestrian, and a serious personal injury accident involving a collision with a deer.

A Williamston youth, Leroy Longstreet, 18, riding a motorcycle is in serious condition after he crashed his motorcycle into the side of a truck. This accident occurred opposite the Grand Bargain Center beyond Fowlerville on Grand River. The truck was making a left turn.

Two other serious personal injury accidents occurred in approximately the same location on I-96 beyond Fowlerville. The first accident occurred early

Thursday morning when a 20 year old Detroit man, Ronald Zuzack, fell asleep at the wheel. Zuzack and a passenger in the car, 20 year old Michael Loukonen, were treated at the McPherson Health Center for serious cuts. Zuzack was ticketed for failure to have his car under control. The next accident occurred near the same spot, and involved a 66 year old Easton Rapids man, Kenneth D. Powers. According to the sheriff's department, Powers was traveling east on I-96, just east of Nicholson road, when his car went out of control. The car bounced down the highway, flipping up into the air on three occasions, traveling 630 feet before coming to a stop.

Powers received facial lacerations and injuries to his right arm. He was taken to McPherson Health Center for treatment.

Six persons were injured in an accident on I-96 near the Brighton interchange Thursday afternoon. State Police reported that apparently a 74 year old Florida man, Claude B. Stafford, became confused at the interchange, and was attempting to make a U-turn to reach the west-bound lane. He turned in front of a car driven by a Grand Rapids man, 35 year old Joseph Belisto. Stafford, and five persons in the Belisto car were injured. All of the injured were taken to McPherson Health Center. All of the Belistos were released after treatment for bruises and cuts. Stafford's injuries were more serious.

In a freak accident Thursday evening an Owosso man was taken to McPherson Health Center.

According to the sheriff's department the injured man, 58 year old Joseph L. Mayer, was driving east on Grand River at Six Corners, when two cars started to pass him simultaneously. One of the cars pulled back in time, but the other, driven by 19 year old Larry Dickinson, of Mount Morris, went across the road, into the gravel, and then back onto the pavement. It passed both of the cars going sideways, striking both of them.

The impact of the crash drove the Mayer car across Grand River into the Emanuel Baptist Church steeple. Mayer's car pushed over the foundation and the cement blocks from the steeple came tumbling down on top of the car.

The car driven by Dickinson rolled over, however no one was injured in the accident except Mayer.

Sheriff's deputies were amazed that anyone could have escaped alive from the tangled wreckage of an accident on Patterson Lake road early Saturday morning. According to the sheriff's department, 19 year old Pauline Taubke escaped with serious injuries when her car crashed into three trees at 2:45 Saturday morning.

The hit and run accident occurred Friday night. A Fowlerville youth, 18 year old Harold Bell, who was driving his parents' truck without permission, crashed into the rear of a car driven by 22 year old Francis Coffey of Howell. Bell sped away from the accident, but later turned himself in to the sheriff's department. He was charged with leaving the scene of a personal injury accident, failure to have his vehicle under control, and driving an auto without permission. He was fined a total of \$160 fines and costs and was bound over to circuit court on the charge of driving away an auto without permission. He was placed under \$10,000 bond which he could not furnish, and is presently lodged in the Livingston county jail.

The car-deer accident occurred on US-23 Sunday evening a half mile south of Hyme road. The State Police reported that two deer crossed from the median into the path of a car driven by 59 year old Emanuel Greenick of Detroit. Greenick struck one of the deer with the left front of the car and the other deer plunged through the front window on the driver's side. Greenick and his wife, Elizabeth, suffered serious cuts and were taken to St. Joseph's Hospital in Ann Arbor. This has been the first car-deer accident resulting in serious injury this year.

Four Whitmore Lake residents were injured in a head-on collision on the Whitmore Lake Road. The State Police of the

Richard Anderson, Hartland, Christine Dinkel, daughter of Supervisor and Mrs. Stanley Dinkel, Pinckney, and Mark Glover, Fowlerville, were snapped by Mrs. Clifford Van Horn of the Farm Bureau as she prepared to give them a ride home from the seminar at Camp Kett last month. Mrs. Van Horn "thoroughly enjoyed the young people" and was very favorably impressed by them. They will report at the Aug. 27 picnic at Hardy Church.

(Continued on page 2)

## Five Bachelor Brothers Beat Botherome Farm Problems

Floyd Mason, 65, youngest of five bachelor brothers who own and operate exclusively a 400-acre hog farm two miles from Whitmore Lake, displays a hand full of the four-to-five tons of bread fed to their 300 pigs each week. The bread is left over from a Detroit bakery which trucks it out weekly. The five brothers, have lived together on the homestead on Jennings Rd. for 65 years.

By Alice Blaguer

Owners of a 400-acre "spread" two miles west of Whitmore Lake on Jennings Rd. have beaten a good many of the big problems facing the farmer today — labor shortage, migrant workers, management difficulties, the new workman's compensation development and even the difficulty of getting time off.

They are five bachelor brothers whose arbitrary division of labor lets them handle the farm their parents left them without hired help.

The youngest of the Mason brothers, Floyd, 65, says, "Oh, we've slowed down a bit but we still get things done." That particular day John, 74, who is general supervisor of the operation, and Louis, whose division is cattle, had gone to the Fair. Gene had sprained his ankle and "wasn't good for much" so he was just doing some first-rate carpentry work around the house. Leo whose category is sheep was apparently tending them, and Floyd took time out to tell us about the farm which is primarily a hog-raising industry. Floyd heads this "department."

By "slowing down a bit" he means that instead of breeding

some 80 sows and raising about 800 hogs a year they're now reduced to 45 sows and raise maybe half as many pigs as before. They grow most of their feed which means 20 acres of wheat, some rye, and 60 acres of corn. "If we don't get more rain for the corn, we'll end up buying feed before winter is done," Floyd explained. "Of course, we also feed the hogs 4 to 5 tons of bread a week." A Detroit bakery trucks out stale bread that is left over. "Isn't it awful, feeding all that bread to pigs with people starving all over the world?" Floyd shook his head sadly.

The pigs are housed "60 rods down the road" from the farm house where Floyd was born. (The other brothers moved to the farm with their parents from Ann Arbor 65 years ago, and have also lived there since.)

A few of the sows with their new piglets are housed together in one shed, while most of the "mothers" are "out in the field." Their young, which have reached the age when the Masons sell their pigs to buyers who "feed them out," are in another house. Here also are those few that the men have raised to marketing size, "about 225 pounds." In all there were probably 300 hogs on hand that day, 11 of them brand new piglets.

"We're finally getting a good price this year for hogs," Floyd enthused. (Having just been to the butcher shop, we understood what he meant — but frankly didn't share his zeal.)

The rarity of five bachelor brothers, all working one farm together for 30-odd years, naturally brought out the question, "What is your philosophy as to why none of you married?" Floyd smiled, "I guess either our Dad were just so good to us that we were satisfied to help them on the farm until they both died. By the time Mother went, I was already 22."

But the Mason brothers have not lacked for paternal instinct, and are, in fact, thoroughly enjoying being "bachelor (grand) fathers."

It seems when their niece, Mary, was six months old she developed scarlet fever and had

## Children Accuse Pinckney Man

A Pinckney Man has been charged with taking indecent liberties with a minor child. The state police report that 28 year old, Ralph B. Schmidt is accused of luring two small Pinckney children into his home, where the incident occurred Thursday evening.

Schmidt was arrested and pleaded not guilty and demanded examination before Municipal Judge Erwin Friday morning. He was placed under \$500 bond which he could not furnish and is presently lodged in the Livingston County Jail.

The Brighton Mixed Bowling League will hold a meeting Wednesday, Aug. 18, at 7:30 p.m. at Brighton Bowl.

## Post Office Exams

The postmaster at Brighton has announced that a new Civil Service examination for career clerks and carriers will be open for the Brighton Post Office. To apply you must be at least 18 years old (or 16 if you are a High School graduate), and be a resident or bona fide patron of the Brighton Post Office. This examination will be open to both men and women.

These postal clerk and carrier positions offer a starting pay of \$2.48 an hour automatic annual increases, night pay differentials, liberal vacation and sick leave plans, low cost insurance benefits, generous retirement plan, and a uniform allowance.

## Parks to Share In Millions

The State Conservation Commission has approved a \$2,000,000 land acquisition program involving more than 20 existing and potential state parks and recreation areas.

Funds to finance the program will come from state appropriations for the current fiscal year. A commission spokesman says some of the \$2,000,000 in Federal money granted on a matching basis might also be used.

Most of the parks sharing in the improvement are in southern Michigan. They include the Holland, Van Buren, Silver Lake, Wells, Warren Dunes, Fort Wilkins and Sterling State Parks.

Also included are the Pinckney, Island Lake, Brighton, Waterloo, Ortonville, and Highland Recreation Areas.

## New Subdivision Opened Facing Zukey Lake Canals

New housing developments in Hamburg and Green Oak townships are beginning to relieve the pinch for homes in the area surrounding Brighton.

At Zukey Lake, just off M-36, the Slatzer Building and Development Co. of Detroit is opening a subdivision with each home facing a canal leading into Zukey Lake.

The first home, a model home, will be at 9718 Beverly Rd. The residence in the higher financial brackets, what is known as a "Blue Flame" home, it is gas heated, has sandryer, gas refrigeration, gas stove, a gas light in the yard, a gas incinerator and a gas barbecue in the yard.

The company has acquired quite a bit of property and expects to build a dozen more homes, all on canals.

Zukey Lake is not far from Rush Lake at Whitman Lake where Swank developments have attracted many Detroiters for year-round living with golfing, swimming and other sports available.

## Pinckney Teacher in Safety Class

John Burg, a teacher in the Pinckney High School, has completed a two-week Driver Education Workshop at Michigan State University.

The workshop for secondary and college teachers specializing in traffic safety education stressed the social problems of alcohol. Lecturers discussed various aspects of alcoholism social, physical and psychological.

The workshop, sponsored by MSU's College of Education and Highway Traffic Safety Center, offers three graduate credits to participants.

## Reading Awards Presented

Pam Waite was awarded a book of her choice as winner in the Summer Reading Program. Pam, who took part in the children-through-eighth grade program, read 53 books. She was honored at Open House Tuesday, Aug. 17 from 4 to 5 p.m. Mrs. Jane Tasch, chairman of the Library Board, presided as hostess.

Evelyn Freisler won the award for the high school program as she read 17 books. This summer, Mrs. Tasch reported, 229 children read 1,945 books. This outnumbered considerably the total last year when 204 children read 1,393 books. The 11 enrolled in the high school program read 93 books.

Other young people who shared the honors for avid reading this summer were awarded ribbons according to the number of books read.

Blue ribbon awards for reading 30 or more books were presented to Pam Waite, who read 53 books; Scott Dunn, who read 40 books; Micky Greenberg, 34; Gloria Henry, 34; Dan DePuyat, 34; Elizabeth Henry, 33; Theresa Leeman, 31; Danny Cooke, 30; Merrie Chris Ledwidge, 30; and Kathy Murphy, 30.

Red ribbon awards were presented to the following for reading 20 or more books: Nancy Collier, 27 books; Valerie Keiser, 26; David Murphy, 25; Mark Keiser, 24; Terry Haines, 23; Jack Kozenich, 23; Jean Kozenich, 22; Kathy Lewis, 22; Lori Schenden, 22; Mary Singer, 22; Alan Dunn, 21; Lorreta Gardner, 21; Roberta Singer, 21; and John Gardner, 20.

Those who read 10 or more books were presented with white ribbons. They were Gary Ledwidge, Joan Gardner, Marcia Henry, Jan Keiser, Carmen Herbst, Tim Keiser, Jane Porter, Laura Bell, Jackie Gaucher, Mike Harnack, Christine Lewis, Daniel Murphy, Harrison West, Sherry Harnack, Mark Laszlo, Debbie Rowell, Barbara Schendler, Kathy Barlow, Martha LaRosa, Steve Laszlo, Joyce Nash, Susan Shehan, Phyllis Hall, Billy Keiser, Laura Keiser, Pam Rowell, Linda Singer, Patty Van Blaricum, Julia Leeman, Renee Morse, Marianna Posler, Ronnie Burgess, Tommy Harnack, Jim Henry, Laura Hewlett, Margaret Kozenich, Kathy Laszlo, Steve Lewis, Ray Shehan, Tom Shehan, Norma Jean Van Blaricum, and Jan Zimmerman.

For young people and adults we have two biographies: "Hitler and Nazism" by Snyder, and "Socrates, the Man Who Dared To Ask," by Mason.

## School Opens

Pinckney Community Schools will open their doors at 12:30 on Monday August 30 for the first day of school. Dismissal will be at 3:30.

The 9th graders will be the only ones to attend at the high school on that date. All high school students will report on Tuesday the 31st.

There will be no school for kindergarten or first graders on Monday the 30th. Kindergarten children in the entire district will attend by the following schedule: Surnames A-H on Tuesday, I-P on Wednesday, and Q-Z on Thursday. All kindergarten children will come on Friday and thereafter. First graders will be notified by their respective principals as to whether they will be attending AM or PM for the first eight weeks of school.

Bus riders can expect to be picked up about as much before 12:30 as they were before 9:00.

The high school registration days are Monday and Tuesday, August 23 and 24.

## LIBRARY NEWS

New books include:

"Where the Heart Is" the story of the happy family life, including a marvelous mother-in-law of an American girl who married a Mexican and moved to a house behind garden walls, in Mexico. The book describes the day-to-day life of the Mexican middle-class and is not only delightful reading but renders a real service to prospective visitors to Mexico.

Chase, "Mary Peters" is a novel of the Maine coast during the past sixty years, of the influence of a sea-faring heritage of New England.

Odenbours, "Catherine the Great" is a splendid biography of Russia's incredible empress, is more exciting than most novels and better written than most histories. Miss Oldenbours was

succeeded in explaining a woman who has remained an enigma.

White, "The Making of the President 1964" tells the story of the turbulent years of decision following the assassination of John F. Kennedy, the civil war within the Republican Party and the revolution of the American Negro, and climaxed in the battle for power between Lyndon B. Johnson and Barry Goldwater.

Kennetmann, "Friday the Rabbi Slept Late," a fine mystery story. Rabbi David Small, trained in the complexities of Talmudic reasoning can see the third side of every question, which proves invaluable to him as he is the prime suspect in a murder case.

For young people and adults we have two biographies: "Hitler and Nazism" by Snyder, and "Socrates, the Man Who Dared To Ask," by Mason.

**MICHIGAN CHAPTER**  
No. 314 NOTES  
Friday, August, 27th and 28th, the Michigan Chapter, No. 314 are sponsoring a Rummage Sale. Friday the Temple will be opened from 6 to 9 and Saturday from 9 to 5. If you need a pick up call Mrs. Esther Seeling, 6166 Briggs Lake, AC 9021.

**RECEIVES SCHOLARSHIP**  
David Williams of Brighton has received a scholarship. Forty-six students have been awarded scholarships. David graduated from Brighton High with the 1965 Class.

**GET TOGETHER CLUB**  
The Get Together Club was pleasantly entertained at the home of Mr. and Mrs. Lloyd Green August, 11th. This group are having a fine time together.

**C.B. Radio Club**  
Citizens Band Radio Club next meeting to be held Sunday, Aug. 22, at 2:00 p.m. at the Brighton Fire Hall. Mr. Sautoux of the Michigan Wolverine Radio Club in Flint will be the guest speaker. All licensed Citizens Band Radio operators are welcome to attend.

**Howell Banker**  
**At Ohio School**  
Ralph H. Larsen, vice president and cashier of the McPherson State Bank of Howell, Pinckney and Hartland has returned for a second session at The National Mortgage School, held Aug. 15 to 21 at the College of Commerce and Administration, Ohio State University, Columbus.

Mr. Larsen is one of 208 bankers to attend the one-week session of the school, which is co-sponsored by Ohio State University and The American Bankers Association. The student body represents 42 states, the District of Columbia, Puerto Rico, Canada, Mexico and Central America.

The school's aim is to aid banks in educating their officers and other mortgage department employees in the fundamentals of mortgage lending. The faculty is made up of educators, bankers and staff members of the A.B.A. To graduate, students must attend two of these one-week resident sessions and accomplish extension work at home between the sessions.

Upon successful completion of the two-year course, diplomas will be awarded jointly by the American Bankers Association and Ohio State University.

**NOTICE BOWLERS**  
The organizational meeting of the Monday Men's House League will be at the Brighton Bowl-N-Bar on Aug. 23 at 8:00 p.m.  
Signed:  
JACK V. COLLET, Sec'y

(Continued from page 1)  
Brighton post reported that 24 year old William Robson was driving south on Whitmore Lake Road, and 22 year old Mrs. Donna Jean Belleisle was driving south when the collision occurred. Both drivers, and two passengers, David Isaacson, 15 in the Robson car, and four year old John Belleisle in the other car, suffered minor injuries.

In addition the State Police reported two other accidents, one at 6:20 Saturday afternoon on Gould road, one mile north of Center Road in Tyrone Township. Four members of a Detroit family were injured.

Sunday morning at 12:35, two Detroit men were injured near Brighton on Teahon Road, when they failed to make a curve and their car rolled over. The State Police report that the driver, Leonard Ciochajlo, 18, received a possible concussion, and an 18 year old passenger was cut and suffered a broken collar bone.

In an accident reported by the sheriff's department, five members of the Edward Lawless family of Detroit were injured when Lawless fell asleep while driving on Burkhart road 1/4 mile south of Allen road. They were all treated at McPherson Health Center, and Lawless was ticketed for failure to have his vehicle under control.

Finally, two persons from Fowlerville, and one from Lansing were injured Sunday evening at the intersection of Byron road and M-59. The sheriff's department reported that a car driven by 17 year old Linda Lou Lasch of Fowlerville pulled into the path of a car driven by 33 year old Peter Bergin of Lansing. Bergin, the Lasch girl, and Connie Dillingham all were injured.

## Daughter-Dad Softball League

A seventh-inning rally by the twelve tired old men was not enough to counteract their earlier mediocre showing and the father-daughter softball game Wednesday night, ended with the 18 girls whipping their dads, 19-11.

With Lewallen as starting pitcher. For the dads, the score was 0-0 after one inning of play. Then Monroe broke the scoreless tie with a run in the second inning, followed by Leith, Beebe, and Pearsall scampering across the plate for three more tallies. Bauer, Jarvis and Pearsall later took the mound as relief pitchers, but their sagging efforts failed to pay off and might indicate a trip back to the minors come next season.

Kenny and Bauer shared the catching duties, while Sprague and Cook made a few errors at first base. Second was covered by Pearsall, and Cole and Lawson were not too impressive at third. The fumbling fielders were Leith, Beebe, Monroe and Hall.

Except for some weakness in their pitching, batting and fielding, the dads played exceptionally well. However, they were able to bear up under their loss and partake of cookies and kool aid with their daughters after the game. The refreshments were furnished by the bleacher set. (mothers)

This was the final softball game of the summer playground program of activities in which twenty-five girls, 9-15, have participated on Monday, Wednesday and Friday evenings at the West Elementary School playground. The fathers have been volunteering their services as umpires.

Weight conscious Americans are helping to boost the market for nonfat and low fat milk products. Sales of these fluid milk products are at an all time high.

## Methodist Church

On Monday evening, August 16th, the official board retreat committee met in the church parlor. The group planned a September 20th retreat which will take place at the Lakeside Camp from 2:30 to 9 p.m. The retreat leader will be the Rev. Donald Kraushaar, leader in the Ann Arbor district and presently serving the Saline Methodist Church.

Mrs. I. L. Bailey, president of the Woman's Society of Christian Services, and Mrs. Robert Brubaker, secretary of spiritual life, have made plans for the Woman's Society retreat on the theme of prayer. The retreat will be held at the Lakeside Camp on September 8th from 9 a.m. to 3 p.m., and all women who are members or friends of the society are welcome to attend. The Rev. James Simmons, friend of many in the Brighton area and presently pastor of the Hartland Methodist Church will serve as special speaker and leader.

Don Carney, president of the Methodist Youth Fellowship, has announced the young people will conduct their retreat at Lakeside on October 23 and 24, on a Saturday and Sunday, and all

# "ROUND THE TOWN"

**Florence Mull AC 7-7911**

A number of Presbyterian Church members attended a meeting in Alma the first of the week, returning Saturday evening.

Mr. and Mrs. Robert Leland Sr. and three grandchildren, Debbie, Rodney and Elizabeth, spent several days at the Leland's cabin at Oscoda.

Mr. and Mrs. George Dillworth of Birmingham were the guests of Mrs. Agnes Wood, 327 S. Third St., Monday.

Mr. and Mrs. Joe Mathias spent Thursday in Detroit.

Mr. and Mrs. Glenn Eastman were at Fenton Saturday night attending a square dance.

The Class of 1950 of Brighton High held a reunion Saturday evening at the House of Dougherty.

Mr. and Mrs. Ray Lanning, Pat and Dean were in Wyoming, Mich., last week with their trailer club, M.T.T.C. They attended the rodeo. They are to have a queen elected from their group in October and Patty is a candidate.

The Past Noble Grand Club held a picnic with Mrs. Bessie Anderson, 10881 Spencer Road, Tuesday evening.

Miss Catherine Hartman in company with one of her co-workers in Pontiac, spent last week at Canada Creek.

## Kindergarten - Ready Or Not

By Ernestine Carlson, Director of Special Services Livingston Intermediate School District

The question of school readiness and entrance of a five-year-old about to start Kindergarten is often a perplexing one to parents. The laws of our state set the time at which boys and girls are eligible to start school, yet when we consider a child's readiness and maturity for school we cannot always time this strictly to a birthday. Chronological age, by itself, is not a very good predictor of development. Actually some children at five or younger are more than ready to take on school experiences, while others are not ready at six.

The rate at which a child grows and develops is unique for each individual. Many factors contribute to the combination of skills that add up to readiness. These factors should be carefully considered. Readiness for school is a most significant part of a good educational experience.

The high rate of failure in first grade offers a good argument of the importance of a child being ready for school. It can safely be said a great percent of learning difficulties among children would not have occurred had admission been delayed until children were more mature.

The question of whether a child is ready for school depends likewise on the program and facilities of the Kindergarten program. If the school can provide small classes and a wide range of different experiences, relatively the immature child can profit. However, this is not usually so for today's kindergarten enrollments are large and double sessions are necessary.

The School Readiness Checklist of skills provides a fairly good instrument for determining some predictions. It is one way of helping to answer parents who wish to have some guidance in knowing what is best for their pre-school child as the opening of school draws near. Any parent wishing help may contact Ernestine Carlson, Director of Special Services of the Intermediate School District, for further information.

Members and friends of the MYF are cordially invited to attend.

The Carol Choir shared in an enjoyable rehearsal and picnic at School Lake on Thursday, August 12th. Mrs. Melvin Light serves as choir director, and many of the choir parents helped to make the outing a success.

The official board met at the home of Mr. and Mrs. Clarence Buxton on Tuesday, August 17th at 7:30 p.m. After a discussion on the meaning and mission of the Church, the board conducted its official business.

The Church School teachers will meet on Wednesday, August 18th, at 7 p.m. to make plans for the fall and consider the Church School faculty for the new church year. Norman Roe, Church School superintendent, will conduct the session.

The woman's choir will meet on Wednesday evening, August 18th, at 7:30 p.m.

The Carol Choir will meet in the church parlor for their rehearsal on Thursday, Aug. 19th, at 7 p.m.

The Rev. Robert Brubaker will be preaching this coming Sunday, August 22nd, on "An Invitation to Integrity."

**Mrs. Russell Leonard**  
Mrs. Margaret H. Leonard, 57, of 10139 Kress Rd. Lakeland, passed away at St. Joseph Mercy Hospital Saturday evening.

She was born Nov. 29, 1908 in Toledo, Ohio, the daughter of Leon and Mabel Alstaeter Hayward.

Surviving are her husband, a son Robert H. Thompson, 2 grandchildren all of Champaign, Ill. 2 stepdaughters, Sally and Kathryn both at home, and her mother Mrs. Leon Hayward of Columbus, Ohio.

Funeral services will be held Tuesday noon from the Keehn Funeral Home Brighton, the Rev. T. D. Bowditch officiating. Burial at Toledo Memorial Park Cemetery, Sylvania, Ohio.

**Paul Wegner**  
Paul Wegner, 77 of 2900 Hartland Rd. Hartland Twp., passed away early Monday morning following a long illness. He was born March 16, 1888 in Germany, coming to this country in 1914.

On May 1, 1919 he was married to Elsie Hass. Mrs. Wegner preceded him in death, Jan. 8, 1963.

Surviving are two daughters, Mrs. John (Elizabeth) Hepler of Ann Arbor and Mrs. James O. (Mary) Branson of Pontiac, six grandchildren, three great-grandchildren and a brother Otto Wegner of Linden, Mich.

Funeral services were held at 1:00 p.m., Wednesday from the Keehn Funeral Home with the Rev. James G. Simmons officiating. Burial was in the Hartland Cemetery, Hartland.

**Mrs. Mary Ferguson**  
Mrs. Mary Elizabeth Ferguson formerly of Kalamazoo passed away at the home of her daughter, Mrs. I. L. Bailev of 3783

**Bank Winners Back From N.Y.**  
Mr. and Mrs. Claude D. Root of 210 George St., Howell, left Wednesday, August 11 and returned Saturday August 14 from a four day and three night expense paid trip to New York City and the World's Fair. Their trip was won by Mr. Root in a contest sponsored by the McPherson State Bank a part of its centennial celebration in May of this year.

Mr. Root, who is the Service Manager at Russell D. Smith Co., Ford Sales in Howell, and his wife visited the Statue of Liberty, the Radio City Music Hall and Rockefeller Center in addition to attending a Broadway musical show, the World's Fair and other attractions.

**BIRTH**  
Born to Mr. and Mrs. Wolfgang Polych, August 4th in Ann Arbor, a daughter, Cheryl Anne.

# Obituaries

Kenyon Drive, Brighton Sunday morning after a long illness.

Mrs. Ferguson was born, Dec. 27, 1878 in South Haven, Mich., the daughter of George and Sarah Aronold Seelye. On Nov. 17, 1897 she was married to Ephraim Ferguson. They moved to Kalamazoo about 1903. Mr. Ferguson died Nov. 7, 1959.

She was a member of the East Main Methodist Church and a Life Member of the Women's Society of Christian Service and the Women's Relief Corp. at Kalamazoo, Mich.

She is survived by two sons, Iroy C. of Kalamazoo and George W. Sr. of Starwood, and one daughter, Mrs. J. L. (Jeanette) Bailey of Brighton, three grandchildren and eight great grandchildren and several nieces and nephews.

Funeral services will be held Tuesday, August 17, at 2:00 p.m. at the Wagan and Clark Chapel at Kalamazoo. Interment will be in the family lot at Riverside cemetery.

**ARTHUR L. PRIMEAU**  
Funeral services were held at 10 a.m. Thursday from St. Joseph's Catholic Church in Dexter for Arthur L. Primeau, 47, of Williamston, who died in that city of a heart attack. He was a resident of Dexter from 1922 to 1942.

Surviving are his stepfather and mother, Mr. and Mrs. Chester Coleman of Dexter; two sons, Leo and David, both of Howell; five daughters, Jean Louise, Diana Lynn and Donna Jean, all of Howell, Mrs. Donald Morrison of Grand Blanc and Mrs. Paul Johnson of Williamston; one brother, Norman of Santa Rosa, Calif., and one sister, Mrs. Truman Peach Jr. of Howell.

### Witt-Bennett Wedding

Pamela Jeanne Witt and Gerald F. Bennett were united in marriage Saturday, July 31, at 10:00 a.m. at St. Joseph's Catholic Church in Howell. The double-ring ceremony was performed by Rev. Father Leroy E. White before 200 guests.

The bride's parents are Mr. and Mrs. Walter E. Witt of 1666 Clark Lake Rd., Brighton. The parents of the groom are Mr. and Mrs. Joseph Bennett of 1270 Byron Rd., Howell.

The bridal gown was floor-length billowing gown of white sheer wedding taffeta trimmed with lace into a double skirt illusion. Attached by two bows to the scalloped lace, long-sleeved bodice was a full chapel train of matching taffeta and lace. The bride wore a bouffant veil with multi-leaf shaped lace trimmed with pearls and crystal and carried a cascade bouquet of white gladioli and shattered 'mums.

The matron of honor was Mrs. James Finch of Howell who wore a floor length powder blue taffeta sheath with floor length train attached by bow to bodice. She wore a head piece of blue taffeta trimmed with pearls attached to a blue veil and carried a bouquet of yellow and white gladioli.

The attendants were Miss Cathy Cameron and Miss Susan Bennett, bridesmaids, and Jacqueline Ann Witt, sister of the bride, acted as flower girl. They were dressed in costumes matching the matron of honor. Joseph

### Child Artist Loses Picture

During Brighton's Sidewalk Days, the Arts and Crafts art exhibit in the Brighton State Bank parking lot was one of the big attractions.

Speclators were thrilled and artists were happy — except for one little girl. When the crowd had gone for the day and the art exhibits were being dismantled, Shirley Comakey, 13, of 8391 Hammond rd. was unable to find her painting in which she had put her heart and hopes. She believes some one picked it up by mistake and took it home so she has given her phone number, AC 7-4778.

The painting was a tall black picture 5 feet by one foot and was of an owl and a mouse.

**SARAH CIRCLE**  
Sarah Circle of the First Methodist Church met with Mrs. Helen Richards, 11370 Grand River, Monday evening at 8:00 o'clock. Twelve ladies were present. Mrs. Ruth Bierer had charge of the devotions. Mrs. Richards served lovely refreshments.

### Trap 3 More In Wild Party

Three more Brighton young men have been arrested in connection with a wild beer party in a Woodland Lake cottage. At rested previously on a charge of entering without permission were 21 year old George L. Gooden, 17 year old Jerry Stone, and 2 year old Ronald Hittlebaugh.

The State Police have since arrested Terry Handy, 20, of Crooked Lake, Thomas Stone of First street in Brighton, and 19 year old Gary Kulpa, who lives on West Grand River in Brighton.

The six plus one juvenile were charged with entering without permission, and received ten days in jail plus fines and costs of \$85. The boys, and probably 20 others broke into an unoccupied cottage, stayed a beer party, and made a shambles of the cottage.

### Mrs. Reed Burton

Miss Elizabeth Anne Jones and Reed Allan Burton exchanged vows on Saturday, August 7, noon at a nuptial mass in St. Joseph Catholic Church in Howell. The Rev. Father Leroy E. White performed the double ring ceremony before 300 guests. The altar was decorated with white gladioli and snapdragons.

The Rev. Father Joseph E. Weber bestowed a papal blessing.

Miss Jones is the daughter of Mr. and Mrs. Gerald F. Jones of 316 E. Washington, Howell. The bridegroom's parents are Mr. and Mrs. George F. Burton of 6509 Hamburg Road, Brighton.

Soloist for the ceremony was a cousin of the bride, Laurence Seam of Howell, who was accompanied by Mrs. Fran Tamialis.

As Mr. Jones gave his daughter in marriage, she wore a white peau de soie gown which the bride chose to make herself, assisted by Mrs. Ed McKean of Howell. The gown was styled with a scooped neckline, elbow length sleeves, a bell skirt falling in a slight train and a cummerbund with a bow at the back. The bride chose to wear a shoulder length veil with a satin bow. She had borrowed it from a friend, Mrs. Harold Harmon from Brighton. Her flowers were a crescent shaped bouquet of white roses, stephanotis and ivy.

Maid of honor was Miss Mary Lou Jones, sister of the bride. Her dress was of blue patterned nylon lace and sheer organza over taffeta. She carried blue and white carnations with ivy. Her headpiece was a bow made of the same material as her dress.

Sister of the bridegroom, Miss Harriet Burton of Brighton, Mrs. Arthur Standlick, Jr., of

Brighton, friend of the bride. Miss Patricia Brogan of Ann Arbor and Miss Maria Jones of Howell, cousins of the bride, attended the bride. They were dressed in gowns identical to that of the maid of honor.

Flower girl was the bride's godchild, Miss Mary Teresa Duggan daughter of Mr. and Mrs. Daniel Duggan of Howell. She wore a white cotton organza eyelet dress lined in blue cuton. Her headpiece was blue and white roses. She carried a basket of blue and white 'mums.

Arthur Standlick, Jr., of Brighton, a friend of the bridegroom, was the best man for the ceremony. Groomsman were Harold Harmon and George Standlick of Brighton, Michael Tedman and brother of the bride, Edward Jones of Howell. Serving the mass was the bride's brother, Paul Jones, and a friend, Bradley Sparr.

Ringbearer was Kenny Potts, a friend of the couple. He is the son of Mr. and Mrs. Charles Potts of Howell.

The bride's mother wore a two piece dress of pink lace, with white accessories. Her corsage was pink sweetheart roses and white carnations.

The bridegroom's mother wore an off-white sheath dress with blue accessories. Her corsage was red sweetheart roses and white carnations.

A reception was held immediately following the wedding in St. Joseph School. Mrs. Ray Szymanski made and served the wedding cake. Mrs. Ronald Racine of Brighton assisted with the serving. Miss Joyce Carr of Howell attended the guest book. Miss Maryagnes Gaffney poured coffee, while Miss Pam Mellentine of Lansing and a cousin of the bride, poured tea. Miss Jackie Hahn attended the gifts. Pouring the punch was Miss Dorothy Pollock.

Mr. and Mrs. George F. Burton hosted the rehearsal dinner for the bridal party on August 6.

When leaving for her honeymoon trip to Niagara Falls, the new Mrs. Burton was wearing a two-piece turquoise suit with white accessories.

The newlyweds are making their home at 2204 Oak Grove Road, Howell.

Out of town guests were present from Detroit, Belleville, Bloomfield Hills, Ypsilanti, Ann Arbor, Howell, Fowlerville, and Lansing.

Special guest was the bride's grandmother, Mrs. Veronica Raymer of Howell.

Several pre-nuptial showers were given in honor of the bride. A kitchen shower was given by Mrs. Richard St. Onge, Mrs. Charles Potts, and Mrs. Robert J. Cook. There were two miscellaneous showers — one given by Miss Marla Jones and Mrs. Ronald Racine, and the other given by Mrs. Wm. C. Brogan, Mrs. Lewis Raymer, aunts of the bride, and Mrs. Wm. F. Brogan, cousin of the bride. A linen shower was given by Mrs. Arthur Standlick, Jr. and Miss Jackie Hahn, friends of the bride.

**MARRIED IN LOWELL IND.**  
Word has been received here of the marriage of Miss Nancy Lou Bennet to Mr. Larry Underwood on July, 23, at Lowell Ind. The Bennetts left Brighton several years ago. Mrs. Donald Hill is an aunt of the bride.

**BISHOP MYERS TO BE HERE**

The Wednesday Nite Ladies League will hold their organizational 1965-66 meeting Wednesday, August 25, 7:30 p.m. at Brighton Bowl N' Bar. All Captains and interested Bowlers please attend. Any information call June Richardson, AC 7-4500.

**Brightonites On Honor Roll**  
Four graduates of Brighton High School are on Michigan State University's honor roll with averages of 3.50 or better grade points (B-plus). The names on the honor roll posted in the Union Memorial building include the following from Brighton: Edmund W. Case, Charles L. Crane, Patricia Dougherty and Christian C. Klages.

**LADIES WIN**  
Sunday Mr. and Mrs. Harold Jarvis Jr. and Mr. and Mrs. Rev. Borst played golf at Tyron Hills, Fenton. The ladies were the winners.

### Dickerson-Anderson Vows

Kay D. Dickerson and Gary L. Anderson were married Sunday (August 1st at 7:30 p.m. at Milford Presbyterian Church by Rev. Frank Williams. 200 people were in attendance from Muskegon, Port Huron, Mt. Clemens, Roseville, Detroit, Rochester, and New York.

The bride is the daughter of Mr. and Mrs. Horace Dickerson of South Lyon. The groom's parents are Mr. and Mrs. Donald Farley of Milford.

The bride wore a floor length gown of white silk organza with seed pearls at the neckline and down the front of the bell shaped skirt. Her headpiece was an organza crown with seed pearls and bouffant veil. Her flowers were white mums and yellow sweetheart roses.

Mrs. Jess Winters of Rickett Rd. in Brighton, Matron of honor, wore a floor length, empire-waist sheath of aqua and carried white and yellow mums.

**P.V.S.C.**

**Which Road To Security In Retirement?**

THERE ARE MANY routes to retirement security... pension plans, endowment policies, Social Security, life insurance cash values... AND savings. Usually no one method is sufficient by itself.

Assure yourself of a comfortable income during your retirement years. Combine a program of regular monthly savings here with one or more of the other plans. If you are now 40, you have 25 working years remaining. Save just \$50 per month for these 25 years. You will accumulate \$15,000. Then, at retirement, you can draw \$100 a month for twelve and a half years.

But, through the action of compounded earnings at our high rate you will have more money on which to draw, extending your retirement income. Our savings officer will be glad to give you the exact figures based upon our current rate. So see us today about your retirement savings account.

**Brighton Airman To Amarillo**  
 SAN ANTONIO, Tex. — Airman Third Class Gary A. Taylor, son of Mr. and Mrs. Emery A. Wise of 5418 Letard, Brighton, Mich., has been selected for technical training at Amarillo AFB, Tex., as a U.S. Air Force administrative specialist. Airman Taylor recently completed basic military training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically-trained personnel for the nation's aerospace force. The airman is a 1965 graduate of Brighton High School.

**Teaches Fliers**  
 MILTON, FLA. (HTNC) Aviation Electrician's Mate Airman Duane A. Herbst, USN son of Mr. and Mrs. Donald W. Herbst of 202 E. Main St., Brighton, Mich., is serving with Training Squadron-2 at U.S. Naval Auxiliary Air Station Whiting Field, Milton, Fla. The mission of the squadron is to instruct student aviators in basic and radio instrument flying, right flying, and precision and acrobatic flying in jet trainers.

**Brighton Airman Enters Training**  
 SAN DIEGO, CALIF. (HTNC) Seaman Recruit John A. Haarer, USN, son of Mr. and Mrs. Harold H. Haaren of 11537 Hall Road, Hamburg, Mich., has reported to the Recruit Training Command, U.S. Naval Training Center, San Diego, Calif., for nine weeks of basic training. Physical fitness training, drill, naval customs and courtesies, water survival, first aid, personal hygiene, seamanship and general naval orientation will highlight the first three weeks of his transition from civilian to military life.

**Winning War On Lamprey**  
 In the Fall of 1921, a Canadian fisherman, lifting his nets off the clay bluffs at Port Crewe on Lake Erie, caught an eel quite unlike those he had taken previously. He had no idea that he was lifting the curtain on the opening scenes of a battle that would last indefinitely, and would cost many millions of dollars. He had no idea that modern scientists, using every facility available would work for a quarter of a century before coming to terms with one of the world's most primitive living vertebrates. It was not until ten years later that the discovery of the sea lamprey took on added significance, when it was firmly established in Lake Huron. The colder water seemed to be to their liking, and they flourished on trout, whitefish, and other desirable game fish. The lake trout catch in Lake Huron reached its peak about 1936, and dropped to practically nothing in 1956. Almost six million pounds of trout caught annually dropped to a mere trickle. Lake Michigan trout fishing did not reach its peak until 1943, when the catch measured almost 7 million pounds. In less than ten years the catch was reduced to zero. Lake Superior was the last to go, after reaching a peak of 5 million pounds in 1945. The drop was more gradual, and never did quite reach the bottom of the barrel by 1960. Before the lamprey came, lake trout were the mainstay of the fishing industry in many areas of the upper Great Lakes, providing a steady catch of around 17 million pounds annually. Other species of fish, such as the whitefish and walleye provided profitable fishing, but the sources were not nearly as reliable as the lake trout. The elimination program is just getting under way in Lake Michigan, but the results in Lake Superior are very encouraging and the following is offered as proof that the battle is being won. A sharp decline (from a high of 70,000 lampreys in 1961 to a low of 12,000 in 1964) occurred at electrical barriers. A drop of 80% was noted over the 1958-1961 level. Significant improvements have occurred in the survival of the lake trout, especially among the larger and older fish. The catch has doubled in most areas. Lake trout spawning throughout Lake Superior has increased. The rate of spawning trout is 100 times greater than in 1960.

**Farmers Learn To End Erosion**  
 A basic soil and water conservation plan in cooperation with 967 landowners of the Fen ton and Livingston Soil Conservation Districts has recorded decisions for planning and applying conservation practices. A basic plan was completed on the Andy Jackson farm in 1947 with the assistance of Lamar Wood. The plan was recently revised because of field boundary changes and additional conservation practices to be added. The crop rotation of 'Andy's' revised plan varies from continuous corn on one field to a rotation with no corn included in some of the fields with steep slopes. The wheel-track planting of corn helps to get another crop planted almost immediately after the old crop is plowed under. It is important to keep the topsoil covered with vegetation as much of the time as possible. The rye cover crop planted in the corn fields helps to decrease erosion of the topsoil and adds organic matter to the soil when plowed under.

**NOTICE BOWLERS**

Ads Result in Sales

Nearly everything sold in a modern retail store loses value when it is not sold within a short period. A dress which is not fashionable, cars of out-moded design, and home appliances which do not have the latest improvements are subject to "spoilage" as is the fresh produce in a grocery store.

The consumer often thinks that he gains bargains from the possibility of spoilage. It is the general belief of bargain seekers that the retailer absorbs the loss when goods are not sold during periods of greatest demand. However, the concept is false. No retailer can stay in business by selling "spoiled" goods at a loss.

One of the major economic benefits of advertising to consumer and retailer alike is the reduction of spoilage loss. Ideally, advertising eliminates loss altogether. This is often accomplished by retailers who have learned what to expect of advertising. A grocer simplified the explanation this way: "It is cheaper to advertise and sell beans at 22 cents a pound than to sell at 35 cents and allow for spoilage and increased storage costs, which is necessary without timely advertising."

TODAY'S INVESTOR

BY THOMAS E. O'HARA Chairman, Board of Trustees National Association of Investment Clubs

Q. I have been told that "dollar-cost averaging" is a good way to buy stocks. What does this mean and what are its advantages?

A. The theory of dollar-cost averaging involves buying stocks on a regular basis over a period of time, and it is one which I am in total agreement, basically. The idea is that if over a period of time you regularly put the same amount of money into a certain stock, regardless of whether the price has gone up or down since your last purchase, you will wind up paying a lower average cost per share in the long run.

Say, for instance, you invest \$400 in the stock of Company A in January and receive 10 shares. Your cost per share is \$40. In July you might decide to invest in that same stock again and find that the price per share has risen to \$60. Your \$400 will now buy about 6.65 shares. Now, instead of having paid an average of either \$40 or \$60 per share, you will find you own about 16.65 shares of Company A at an average cost of \$48.20 — when the going price is \$60.

On the other hand, say the price per share has dropped to \$20 when you decide to buy again in July. You will get 20 shares for your \$400 and will now own 30 shares at an average cost of \$28.67 per share, instead of your original per-share cost of \$40.

I do have one word of caution: It's not necessarily a good idea to buy a stock just because the price has come down even though it improves your dollar-cost average. A little study of the stock between your first purchase and a possible second one can provide the answer: When a stock drops, look at the earnings; if they are down too, it might be a good idea to stay away for the time being. Though this may not necessarily be a reason to sell your first purchase, the dip in earnings—and in the cost—may be a temporary thing.

tion of Investment Clubs. Buying of stock on a regular basis, whether the market as a whole is up or down. This is one cornerstone of a successful investment program.

Q. I have heard that it is a good practice sometimes to buy convertible preferred stock. What is meant by "convertible"?

A. Convertible preferred stock is a preferred stock that the buyer can exchange for another security (usually the common stock) of the same company, at a set rate. For instance, you might have a preferred share of a company, bought for \$100, with an option of converting it into two common stock shares. When this preferred share investors would company, its common stock might be selling at \$40 a share. Preferred share investors would hope that the company's business would grow and the common stock become worth more in time, in which case it might be to their advantage to convert to common, if the common rose to \$50 or more, and appeared fairly sure of staying there.

There is some "income" insurance in convertible preferred stock. If a company isn't prospering, you are more likely to get a dividend on your preferred stock. On the other hand, if the company does prosper and its common stock price reaches a point where you would be financially ahead in converting, you will have had a greater income than you would have had in buying common stock in the first place.

Convertible may have a call date by which time the preferred stock must be converted into common stock or be redeemed. Frequently, such preferred stock will sell for less than its face value for several years. When the call date approaches and at which time a stated price will be paid for the stock by the company, the market price will generally rise, because buyers see a chance to make money in converting in a fairly short time.

Have you a question about your investing? Mr. O'Hara will be glad to answer it. Write to T. E. O'Hara, National Association of Investment Clubs, Box 10556, Detroit, Michigan 48231, enclosing a stamped self-addressed envelope.

Congressman Wes Vivian Reports

Last week I outlined the schedule for manned space flight. Today I would like to tell you a bit about some of the unmanned satellite efforts.

The entrance of the United States into the Space Age was marked by the orbiting, early in 1958, of a little satellite named Explorer I. Signals from this first of a long and productive series of Explorer satellites, told us for the first time of the existence of the now-famous Van Allen belts of radiation.

From this modest beginning has evolved a growing family of increasingly complex instrumented packages, orbiting the earth and probing the depths of space.

Very down-to-earth information is obtained every day from some of these satellites. For more than five years, Tiros weather satellites have been sending back each day pictures of the earth's cloud patterns; from these pictures, meteorologists learn of vital events affecting the earth's weather, and aid farmers, merchants, airlines and other enterprises that are affected by the vagaries of the weather. In the near future a fully operational weather satellite system will provide weather information of a quality inconceivably better than that possible from ground-based weather predicting systems.

Communications satellites such as Echo, Telstar, and Syncom paved the way for Early Bird, the first commercial step in an eventual worldwide communications satellite network. Early Bird now links Europe and North America, making possible television, radio, and telephone communications between these two continents.

Other instrumented satellites have moved out from earth far into space to bring back information about the nature of our solar system—information that could never be obtained by earth-bound instruments.

Rangers VII, VIII, and IX have brought us pictures of the moon with a resolution giving details as small as 18 inches across. Mariner II returned much new information about our nearest planetary neighbor, Venus, establishing the temperature of that planet and the density of its atmosphere. Recently, Mariner IV returned pictures of Mars over a distance of 135 million miles of space, giving us pictures of the Red Planet which were of a quality equivalent to that of earth-based photographs of the moon.

Other satellites and space probes are giving us new insight into the structure of the universe. We are adding to our knowledge of cosmic rays, magnetic fields, and solar winds. It is extremely rewarding, as a member of the House Science and Astronautics Committee, to work on the legislative issues that affect the National Aeronautics and Space Administration, and the Nation's space program.

Letter To The Editor

Dear Editor:

Several months ago we all read and heard a great deal about the United Nations in celebration of its 20th anniversary. Radio, TV and the newspapers have certainly done all they could to sell the world on this much vaunted UN program as being the only instrument that can keep peace in the world. Everyone wants peace, and especially so after two disastrous World Wars. We were so determined that there be no more war, that we grasped at the first program promising peace. The charter was presented to the Senate as a treaty which was signed without careful examination. How could this possibly be a treaty when treaties are agreements made between nations.

In retrospect, we can now see that the purpose of the UN was not peace, but rather a communist scheme to build a world government, to be controlled by the communist conspiracy and their dupes in the United States. Communist architects of the charter must be delighted to see the UN tentacles gradually encircling the United States government. Slowly but surely it will emasculate our Constitution and Bill of Rights. Eventually the Soviet plan is to control our arms, education, transportation, communication, labor, religion and State Department. On the other hand, the UN has been a miserable failure in keeping the peace. If anything, it is the cause of more world strife than we have ever had. It failed to operate when Russia murdered thousands of Hungarian youthful Freedom Fighters in 1956. In 1960 it backed the congo communist leader rather than the

SCIENTIFIC TOUCH

News Note: Of the total water consumed in the United States industry's share is only 2%. Each gallon is used more than 2 1/2 times before it is discharged.

EFFECTIVE WATER USE

In the face of drought in many sections of the country, national attention has been focused on the availability of water and its use.

Industry has taken the lead in more effective utilization of water and the latest developments in pollution control. A nationwide study of 2,900 firms, which account for 90% of the total water intake by manufacturing industry, confirms these facts:

- Industry returns to the streams approximately 93% of the water it takes out. The 7% consumption accounts for only 2% of the water consumed in the United States by all users of water.
• Industry uses on the average each gallon of water two and one-half times before it is discharged.
• Two out of every three gallons in industry are used for cooling purposes and normally do not require treatment before discharge.
• Industry spends \$100 million per year to operate the facilities it has installed at a replacement cost approaching \$1 billion to treat its final wastes before discharge.
• More than half of the plants reporting treat incoming water before use, while 69% treat water before its release.

Today, the processes of many newly built plants are designed to minimize the production of wastes. Industry, also withdraws large quantities of sea water and brackish water, thus helping to conserve fresh water supplies.

one who believes in freedom and successfully murdered thousands of those on our side. Was the UN operative at all when India seized the Portuguese possession, Goa? What has it done in the Indian-Pakistan dispute, which is still unsettled? Korea, Berlin Airlift, Berlin Wall, Cuba, Viet Nam, Dominican Republic—was the UN of any value in any of these areas?

Now, believe it or not, our own State Department proposes a plan for "General and Complete Disarmament in a Peaceful World."

Under this plan we voluntarily and unilaterally transfer all Army, Navy, and Air Force fighting equipment to the UN Under-Secretary General. Bear in mind that the Under-Secretary General will always be a Communist, because of an agreement between our Secretary of State and the Communists at the time of the writing of the charter. Does it make good sense for us to totally disarm while Russia and Red China are arming to the teeth? How are we to protect ourselves, our country, our freedom, our Constitution? Before I can ever support the United Nations, UNESCO (United Nations Educational, Scientific and Cultural Organization) or UNICEF (United Nations Children's Emergency Fund) I will insist on answers to these questions I have raised.

It wasn't so bad twenty years ago when the Western Powers had the balance of power, but today the Afro-Asian bloc plus the Russian bloc overpowers our vote, thereby controlling the General Assembly. Now the World Government proposes a World Congress where members are elected according to the population of the member nations. This means that Soviet Russia and Red China will control that government.

After examining this record, can anyone doubt that the United Nations was purposely set up to do to this country what could not be done by force of arms, but through the blandishments of communists, fellow travelers, and dupes, get us to surrender our liberty without firing a shot?

Why does this government permit the recognition of Soviet Russia, when it is known by all, including the administration leaders, that from the Russian Embassy in Washington there is a constant flow to all parts of our country of propaganda that is inimical to the United States?

Why do we remain in the UN when we can plainly see that the whole scheme is directed to our destruction? Why do we so foolishly continue to bolster the UN financially while Russia and France refuse to pay their share? It might be well for us to take a second look at this great UN monster. G. Edward Griffin gives a good insight into the part played by the UN in the Congo, which is good to know. We Americans must be vigilant if we prize freedom and liberty. P. H. MacBride

Conscription Vs Duty

By Tom Kizer

Last week this column suggested some ideas for conscription mugged youth to help them, and at the same time defer drafting the well oriented, tax paying, career youth.

Just to further give you something to chew on, has anyone ever given you a sound reason why the military is a forced conscription with little pay and a two to six year loss of time, while the city and state police and sheriff's offices are career jobs with career pay and fringe benefits befitting their responsibility and importance?

Is the defense of our national welfare less important than the defense of our local and state welfare? No citizen is dragged by draft to fill the quota of local or state police. Why, then, must we do this to fill the quota of our standing army, navy, etc.

Of course the answer is obvious - the federal military is an obligation to country that all able bodied men are supposed to want to fulfill. For the most part our youthful citizenry has risen to the occasion, if not willingly, then at least with dedicated resignation.

But why not make the enlisted man's military career something comparable to our other law enforcement agencies by making the pay and the other rewards something a young man could embrace as a career? Can you imagine the superior value of a standing army made up of such men trained, not for two years but for their career life. They would be men dedicated to the military — proud, independent and happy in their profession. This could well eliminate the

+ KNOW YOUR MICHIGAN LAW +

By Attorney General Frank J. Kelley This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.

REPORT from LANSING State Representative Thomas G. Sharpe

The right to drive a motor vehicle upon the public highways of the state of Michigan is a privilege that should not be taken lightly. It may be jeopardized by bad and irresponsible driving, and lost entirely through continuous abuse.

A driver's license may be secured by the payment of a reasonable fee, and renewed from time to time by a modest expenditure. When originally issued it is clean and unblemished. It constitutes an official certification that its holder may be entrusted with the operation of a motor vehicle upon our highways. What thereafter becomes of the license and the licensee depends entirely upon the manner in which the licensee accepts and exercises his responsibilities.

Michigan has a comprehensive program, the fundamental purpose of which is to make the highways safer for the millions of motorists who travel its roads.

The Department of State is charged with the responsibility of administering the drivers' licensing provisions of the Vehicle Code. It is authorized, under different circumstances, to deny, suspend, and revoke licenses, or to prescribe certain restrictions and conditions under which the licensee may continue to drive.

For a number of years this state has followed the "point system." For each moving violation of which a licensee may be convicted, the Secretary of State is required to assess a given number of points. Twelve is the magic number, which may result in the suspension of driving privileges.

Other common grounds for revocation or suspension, aside from those following the accumulation of points, are court convictions of such offenses as manslaughter, negligent homicide, perjury, drunk driving or leaving the scene of an accident resulting in the death or injury of another person.

The suspension or revocation is not necessarily the end of the line. An appeal may be taken to a License Appeal Board, and to the circuit court, if necessary.

Victory before these tribunals is not always complete. Although restoration may be granted, conditions and restrictions are often imposed, and the licensee is permitted to drive only at certain limited times and for limited purposes. Otherwise, he is kept off the road.

Appeals are costly and the outcome uncertain. Safe and prudent driving and strict observance of all traffic laws afford the best protection of the driving privilege.

draft in all but times of "all out" war and then, of course, duty to country comes before all else.

Why not get some common sense into our military? Put the life of a Soldier, Sailor or Marine on a professional basis-pay him accordingly-train him well. Doesn't it make sense he would SERVE well and be a much better equipped defender of our country than the draftee who is there because he can't help it and who is simply marking time till his service sin is over?

THIS AND THAT A few days after Mr. Johnson's war escalation speech I saw a sign on the car ahead of me, it read: "Don't blame me, I voted for Goldwater."

Warn Doctors Of TB Tests

Livingston county physicians are urged by Dr. Paul T. Chapman, president of the Michigan Tuberculosis and Respiratory Disease Association, to begin including the tuberculin skin test as a regular part of their immunization program when conducting pre-school physical checkups on children.

Dr. Chapman provided each of the physicians with information about the newly enacted tuberculin skin test law passed by the current legislature which specifies that all children entering in any school in Michigan for the first time shall be tuberculin tested to determine infection from tuberculosis and immunized against smallpox, diphtheria, tetanus, pertussis, and polio.

He suggested that parents of children entering school for the first time make appointments with their family physicians to have their children immunized and tuberculin tested or to contact their local health department about arranging for the tuberculin test and immunization.

There were numerous measures affecting local units of government in the record-breaking number of bills enacted by the 1965 Michigan Legislature. In addition to those which will be dealt with in subsequent columns — under such subjects as "elections," "labor," and "safety" — were the following bills to:

Require a county to pay the salary and expenses of a visiting probate judge.

Authorize counties to construct and operate county rehabilitation camps for juvenile offenders.

Authorize county road commissions to participate in the cost of insurance for their employees and their dependents where the board of supervisors has not provided such benefits.

Require that county probate registers be paid not less than \$2400 annually. The current range is from \$400 to \$4,000 based upon a county's size.

Extend minimum fire department standards for Class 6 fire classification to all cities, townships and villages of 70,000 population or more (presently 50,000).

Establish permanent license plates for public vehicles that are eligible for plates at a reduced weight tax.

Provide that county treasurers after January 1, 1968, shall collect from inheritance taxes probated after that date an additional one-half of one percent for county general fund purposes.

Require that every county be served by a local health department, provided that two or more adjoining counties may organize a regional health department.

Increase state aid to local health departments, with no county receiving less than \$7,000 per year.

Extend the range of permissible investments for municipal fire and police pension funds.

Permit policemen and firemen to leave service without forfeiting their later retirement benefits.

Prohibit cities from denying employment to police officers who are members of law enforcement officers' organizations.

Permit the sale of revenue bonds by authorities created to establish or build parking lots or structures.

Require only a simple majority rather than the present three-fifths vote for home rule city electors to authorize the issuance of certain city bonds.

Eliminate the requirement that the tax roll must be a copy of the assessment roll.

Allow a local governing body to contract for repairs to rundown houses which absentee owners refuse to repair, and to repair or remove dwellings if unoccupied for six months. The owner is given 90 days to correct violations and then charges for repairs or removal authorized by the local unit must be paid for by the owner or become a lien on the property.

Allow townships to establish retirement systems for their employees and provide for the financing, funding and payment of benefits under the same conditions imposed on counties.

Establish procedures for a central city and its surrounding suburban municipalities, to consolidate into a single new city.

Extend for one year the 1964 law authorizing Northfield Township in Washtenaw County to purchase the sewage treatment facility of the Maxey Boys' Training School at Whitmore Lake.

Require a 48-hour notice for all meetings of township planning commissions.

Group To Save State History

The Historical Society of Michigan has appointed a Capitol restoration advisory committee to preserve and improve the historical meaning of state buildings, principally the State Capitol.

George A. Osborn of Sault Ste. Marie, society president, announced selection of the blue-ribbon committee which will be headed by Gov. George Romney and which will serve as an advisory body to the society in this new and unique project.

"The Capitol and other state buildings are symbols of our state's political and social heritage," Mr. Osborn said. "This special committee will fill a current void in making our citizens and visitors to our state more aware of Michigan's heritage."

The committee named by Osborn includes Lt. Gov. William G. Milliken, speaker of the house Joseph J. Kowalski, Senate majority leader Raymond D. Dzendzel, University of Michigan president Harlan Hatcher, Michigan State University president John A. Hannah, and Wayne State University president William R. Keast.

Thursday: Bible Study and Prayer Service at 7:30 p.m.  
Choir Practice at 8:30 p.m.

## THE CHURCH FOR ALL

**ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday Deuteronomy 4:9-14	Monday Jeremiah 10:1-10	Tuesday Matthew 11:25-30	Wednesday 1 Corinthians 13:8-13	Thursday Ephesians 4:7-16	Friday Colossians 2:16-19	Saturday 1 Peter 3:14-18

# Board Minutes of the Brighton Area Schools

July 28, 1965

A special meeting of the Brighton Area Schools Board of Education was opened at 8:00 p.m. by President Ralph Lew-Allen. Members present were Mrs. Maltby, Mrs. Warren, Mr. McMacken, Mr. Leith, Mr. Kujawa, Mr. Warner, Mr. McCrie, board attorney, Mr. Hawkins and Mr. Fitzgerald were also present. Guests were Mr. Richard Judge and Mr. Henry DeKoning of DeKoning Construction Co., Mr. Lowe and Mr. Robbins of Kingscott Associates, Mr. Earl Crawford, Mrs. John Gyr, Mr. Tim Hurst, Mr. Clay Will, Mrs. Everett Morrison, Mr. and Mrs. William Hyne, Mrs. Barbara Bekkerling, Mr. Richard Truhn, Mr. Phil Krupa, Mr. Ray Maltby.

The minutes of the previous regular meeting of July 12, 1965 were read and approved after corrections were made.

Mr. DeKoning and Mr. Lowe were invited to the board table to discuss with the board the Kingscott letter of intent, specifically the section concerning "Liquidated damages." There was some amount of discussion between the two firm representatives having to do with supply of plans, etc. which apparently is going to delay the completion date of the new high school. It should be noted that the Board of Education should not be held liable for any delay. Mr. DeKoning requests a 30 day extension in completion time - target date for completion now is October 3rd, 1966.

A motion was made by Mr. Kujawa and supported by Mr. McMacken to extend this request to Mr. DeKoning. Motion carried.

Mr. McCrie brought the information to the board that the city council should be contacted as to the sewer, water and paving of 7th Street and recommended that the Board meet with the Council to clarify these several items. These proposals had been ratified 5/10/65 by the board by a vote of 4-2. Mr. McCrie was directed to meet with the Council to make the final ratification.

Mr. Lowe requested a meeting with the board on Monday, August 2nd for the purpose of selecting the colors and exterior brick in the new building.

Mr. McCrie recommended that the board request annexation of the Leith property and Stephens property to the city of Brighton from Genoa Twp. Motion by Mr. McMacken and supported by Mr. Warner to do the same. Motion was carried unanimously.

Mr. McCrie said that he had no answer to Mr. Agee's question of pay not received. It was discussed by the board and according to the Michigan Public School Employees' Retirement Board, Mr. Agee has retired from school employment and no decision could be reached at this time. It was tabled at this time for re-consideration at the first board meeting following June 1, 1966.

Oil bids and milk bids were next brought before the board. The oil-gasoline bids were read and discussed, then a motion was made by Mrs. Warren, supported by Mrs. Maltby, to table the bids temporarily. Motion carried.

A five minute recess was called at this time for Mrs. Warren to check on other oil and gas suppliers.

Milk bids were opened and read from four milk distributors. On the basis of the low bid, Mr. Kujawa moved that the low bid be left to Heatherwood Farms Dairy at a firm price of .05 per half pint according to specifications. Motion was supported by Mrs. Warren and carried unanimously.

It was brought to the attention of the Board by Mr. Hawkins that the three Chevrolet bus chassis have not yet been delivered to the Wayne body plant. The bids were let to Van-Camp on 5-10-65.

A request from GMPG for the use of a school bus for shuttle service on the Grounds from August 5 to August 23. The bus to be returned after use in a repaired condition. It was agreed that this could be done and bus No. 6, a 1964 Chevrolet, was to be let to the Grounds.

The continuing vandalism and trespassing on the new high school property was brought up by Mr. Hawkins. Several areas were discussed as to the control of the property. It was recommended that in order to deter some of the damage, the windows be boarded up.

A letter of resignation was read from Miss Ragna Waggoner. Mr. Leith moved the acceptance of the resignation. Motion supported by Mrs. Maltby. Carried unanimously.

Teachers, classes and schedules were discussed with the board by Mr. Hawkins and Mr. Fitzgerald for the upcoming school year. Mr. Fitzgerald reports that 10 teaching personnel are still required to fill the stations.

A letter from Mr. Tim Hurst was read. Mr. McMacken moved that the Brighton Board of Education contribute \$250.00 to the Livingston County Community College study. Motion supported by Mr. Kujawa and carried unanimously.

Mrs. Maltby asked if there might be a general evening get-together among the teachers, administration and board members. Mrs. Morrison volunteered to contact the presidents of the PTA and see if something can be worked out.

No further business appearing it was moved by Mr. McMacken and supported by Mr. Warner that the meeting be adjourned at 10:55 p.m.

Approved:  
Ralph D. LewAllen, President  
Thomas H. Leith, Secretary

## BRIGHTON AREA SCHOOLS BOARD OF EDUCATION

August 2, 1965

A special meeting of the Brighton Area Schools Board of Education was opened at 8:05 p.m. by President Ralph Lew-Allen. Members present were Mrs. Maltby, Mr. McMacken, Mr. Leith, Mrs. Warren and Mr. Warner. Mr. Lowe and Mr. Micuda, representing Kingscott Associates, were present as was Mr. Fitzgerald. Guests were Mrs. Heideman, Barbara Maltby, Mrs. Gyr, Mrs. Morrison, Mr. Edwards and Mrs. Warner.

Mr. LewAllen asked Mr. Micuda to present to the board the different possibilities of colors to go into the new high school building.

Brick was discussed quite thoroughly as to color and cost, the cost range was from \$58.00 to \$65.00 per thousand. Mr. Leith moved to accept the \$58.00 brick and motion was seconded by Mrs. Maltby. Roll call vote: Mr. McMacken, nay; Mrs. Warren, nay; Mr. Warner, nay; Mrs. Maltby, aye; Mr. Leith, aye; Mr. LewAllen, aye. This ended in a tie vote and Mr. LewAllen asked for a new motion.

Mr. McMacken moved to accept the \$65.00 per thousand brick. Motion supported by Mrs. Warren. Roll call vote: Mr. Warner, aye; Mr. McMacken, aye; Mrs. Warren, aye; Mr. LewAllen, nay; Mr. Leith, nay; Mrs. Maltby, nay. This again ended in a tie vote - three for and three against.

Question of selection of brick was put aside temporarily and there was further discussion on choice of colors for the interior of the building. Mr. Micuda discussed with the board very completely the selections of colors for rooms, corridors, etc. His choice of colors was very acceptable to the board.

Mrs. Maltby moved that we accept the color selections that Mr. Micuda presented. Motion supported by Mr. McMacken and a unanimous approval by the board.

Selection of brick was brought up again at this point. Mr. McMacken moved that if Mr. Micuda can obtain the \$65.00 brick for \$63.00 to go ahead on that selection. Motion supported by Mrs. Maltby. Roll call vote: Mr. McMacken, aye; Mrs. Warren, aye; Mr. Warner, aye; Mr. Leith, abstain; Mr. LewAllen, nay; Mrs. Maltby, aye. Motion carried.

Mrs. Warren moved, supported by Mr. McMacken that Mr. LewAllen contact the president of the Livingston County Board of Education to set up a meeting between the two boards to discuss plans on the special education room for Brighton's new high school. Motion carried unanimously.

Mr. Fitzgerald was asked what information he had on the use of temporary classrooms. He quoted from an article in "News of the Week" published by the State Department of Education that schools desiring to use this type of classroom must request approval from the State Fire Marshal by August 15, 1965.

Mrs. Maltby reported that she had been in contact with several people concerning temporary classrooms and had considerable information for the board.

Mr. Fitzgerald was directed to contact Dr. Fales of the D.P.I. concerning use of the Methodist Church and the Tri-Lakes Baptist Church for use as temporary classrooms.

Mr. LewAllen read a letter to the Board from Mr. Milton Conne, director of Civil Defense in Livingston County, requesting signing of a license to order supplies for a fallout shelter for Brighton High School as has been previously designated.

No further business appearing, Mr. Warner moved that we adjourn. Motion supported by Mr. McMacken. Just previous to adjourning three more teacher contracts were signed. Motion to adjourn carried unanimously and meeting closed at 12:05 a.m.

Approved:  
Ralph D. LewAllen, President  
Thomas H. Leith, Secretary

## Livingston 4-H In MSU Show

Livingston County 4-H members are invited to participate in the State 4-H Show at Michigan State University August 30-September 2. Many members will take their exhibit which was on display at the recent Fowlerville Fair. Others will participate in contests and demonstrations.

Home Economics 4-H members are as follows: Suzette Eggleston, Nancy Ridley, Julie Bitten, Catherine Krych, Kay Herbert, Pam Sommer, Kathy Dendel, Irene Stewart, Mary Ann Vogt, Mary Ellen Skym, Janice Rix, Charlene Vogt, Elaine Nichols, Shirley Richardson, Carolyn and Catherine Smith and Sarah Jonckheere.

Mature Cow: Fred Krebs, Chris Morris, Melvin Wilkinson, Nancy Patrick, James Fergus, Barbara Fergus, Carol Fergus and Deborah Ferguson.

All State Show participants must attend a pre-show meeting on Tuesday, August 17 at the Howell Courthouse Annex, 8:00 p.m.

## College Survey Finances Sought

Money to finance the study being made on the feasibility of a Community College for Livingston County is being contributed from many sources, says Bob Parker, general chairman of the citizens' committee.

He feels the active backing from companies, organizations and individuals in various parts of the county is evidence of the growing interest in the study, and in the very real benefits of establishing a Community College in this area.

Contributions should be sent to Walter Hampton, Livingston County superintendent of schools, Court House Annex, Howell, Michigan.

## Area Activities

Various summer activities planned in the Brighton area are as follows:

In Brighton the PVSC dessert luncheon will be held at 1 p.m. Aug. 18 in the home of Mrs. Donald Gibson on Buro Rd.

Brighton churches' summer schedule changes:

St. Patrick's Church, Sunday Masses 6:30, 9 and 10:30 a.m., also 12 noon; Week day Masses, 6:30 and 7:30 a.m.; Confessions, Wednesday and Thursday evenings; Holy Communion 6 and 6:30 a.m.; NTOM Perpetual Help Wednesday 5:30 and 7:30 p.m.

First Methodist Church, Church school 9:30 a.m. with worship service 8:45 and 10:45 a.m.; choral choir 7 p.m. with senior choir 8 p.m. both on Thursdays; Youth Fellowship 6:30 p.m. Sundays.

Presbyterian Church, Short family worship 9 a.m.; church school 9:40 to 10:40 a.m., age 3 years through adult department; worship service 11 a.m.

First Baptist Church, Sunday school 10 a.m.; worship 11 a.m.; evening worship 7:30 p.m.

Wesleyan Methodist Church, Bible school 9:45 a.m.; Junior Church 11 a.m.; worship 11 a.m.; WY service 6:30 p.m.

At the Whitmore Lake Rod and Gun clubhouse on Lemen Rd. a barbecue, chicken or ribs, noon to 6 p.m. Aug. 22.

In Pinckney the summer recreation schedule: Youngsters 7 through 14 years, every Tuesday and Thursday 10 a.m. to 3 p.m.; 1 to 4 p.m. on Fridays; now through August; held at elementary school ground.

Education is one of the commodities of civilization that costs money but the chances are that it pays back a substantial profit.

# ANNOUNCEMENT 1965-66

## BRIGHTON AREA SCHOOLS

### Good Community Schools Serving a Fifty-Lake Area

### Elementary School Registration

Children will register in the same elementary schools as last year. During the first two weeks some elementary children will have building changes to equalize sections. Children whose last names begin with A through M will register on Tuesday, Aug. 31 from 9:00 to 12:00 and from 1:00 to 3:30. Children whose last names begin with N through Z will register on Wednesday, Sept. 1 from 9:00 to 12:00, and from 1:00 to 3:30. Kindergartners must have Birth Certificates, Immunization Records and T.B. Test results.

## TEXT BOOKS

All students are urged to be prepared to purchase text books at the time of registration. Please bring credit slips received when the 1964-65 books were turned in. High School students with definite schedules may purchase books each morning the week of August 23-27.

## NEW HIGH SCHOOL STUDENTS

Students new to Brighton High School District may arrange their schedules any afternoon during the week of Aug. 23-27.

## BUS ROUTES AND STARTING TIME

To begin the 1965-66 school year buses will operate on approximately the same routes and on the same time schedule as at the close of the 1964-65 year. Some route alterations will be made where there have been increases or decreases in the number of children in certain areas.

## CLASSES COMMENCE

A regular day of school for all grades except Kindergarten will be held on Thursday, September 2. Kindergarten children will not attend classes until Friday, Sept. 3 to allow time for arranging the special Kindergarten bus routes. At the beginning of the 1965-66 year Hot Lunches served in the Cafeterias will be 30c. High School Mechanical Drawing students will purchase their own essential tools. Typing students will purchase typing books the same as other texts. A small additional fee will be charged for new text books used in Industrial Arts and Homemaking.

## Alfalfa State's Richest Crop

To some people, hay is "something cows need to make milk." But to Livingston County farmers, it's a whole lot more. The state ranks 10th in the production of alfalfa hay and 16th in the production of all hay in the United States. According to 1964 estimates, Michigan farmers produced 3.2 million tons of alfalfa on 17 million acres which, at \$22.50 per ton, was worth about \$75 million. MSU scientists have found a way to renovate pastures in less than half of the time that was formerly considered possible. This renovation procedure will help to bring into production about two to three million acres of unproductive grass pastures in Michigan alone. To make one-season renovation work, all weeds and existing grasses must be killed by July 1, and seeding (band seeding) must be completed in late July or early August.

- BRIGHTON WELCOMES YOU -

### Scholarships Offered 4-H

The Chicago and North Western Railway is offering 11 educational scholarships of \$400 each to 4-H youths in its eight-state service area.

One grant will be made in each of the eight states to a student in agricultural economics or agricultural business. The other three scholarships are offered to students in forestry, agricultural economics or agricultural business.

### Green Oak OFFICIAL MINUTES

A regular meeting of the Green Oak Township Board was called to order at 8 p.m. on August 10, 1965 by Herb Munzel, Supervisor, with all members present.

1. The Pledge to the flag was said.

2. The invocation was given by Rev. Reidesel of the First Presbyterian Church of South Lyon.

3. The minutes of the July 13th meeting was read. Gerald Sixbey corrected as follows: 11a should have read as amended,

4c should say Pauline voted No. Herb Munzel corrected 13f to read ask permission to put up a sign.

4. a. Mona Wenzel read a letter from the Sokol Camp asking permission to display fireworks on Aug. 21, 1965. Pauline Kravetz made a motion that we grant their request. Motion carried.

Herb Munzel read the following letters:

1. Livingston County Treas., concerning the sale of Lot 189 at Island Lake. Gerald Sixbey made a motion that we adopt the resolution allowing the people a chance to pay up their taxes before being sold by the State. Motion carried.

2. State Highway Department concerning M-36.

3. Livingston County Road Commission report.

4. McNamee, Porter & Seeley, concerning sewers around Whitmore Lake.

5. Northfield Fire Dept., stating they would like section 4 to read \$150.00 per fire call.

6. Robert Biers concerning having a tri-township building inspector, instead of the one from the county. This was discussed.

7. Grand Trunk Railroad Co. concerning the problem East of Rushton Rd. The company is investigating this. Also fishing off the bridge on Rickett Rd. was discussed. Herb Munzel will contact county to put up a No Fishing sign there.

b. Herb Munzel read a tax report from South Lyon School Dist.

5. Mona Wenzel read the bills as follows: Constables \$280.40; Detroit Edison \$417.95; Mich. Bell \$2.50; City of Brighton \$450.00; Marjorie Berz \$32.88; Ace Chemical \$78.00; Mayer-Schattrer \$37.12; South Lyon Herald \$37.35; Brighton Argus \$58.78; Shoup Voting Machine \$1867.70; Clarence Webster \$20; Brighton Block \$29.70; Detroit Cut Stone \$84.28; F. T. Hyne \$76.05; Ronald Campbell \$12.50; Anna Rasmussen \$125.00; Ray Lanning \$15.00; Gerald Sixbey \$15.00; Pauline Kravetz \$5.85; Joseph Brennan \$150.00; Reg. of Deeds \$23.50. Pauline Kravetz made a motion that these bills be paid as read. Motion carried.

Mona Wenzel made a motion that the Detroit Edison bills and the Michigan Bell bill for \$2.50 be paid as soon as received instead of waiting for a meeting. Motion carried.

6. Pauline Kravetz read the treas. report with the following balances: Saxony water fund \$7,895.45; Zoning \$252.47; Cemetery Fund \$584.88; Revolving Fund \$17,788.33; Tax Collection \$4,877.64; Contingent Fund \$5,859.24. Gerald Sixbey made a motion that the treas. report be approved as read. Motion carried. Investing more of Township funds was discussed. Pauline Kravetz will check into this further.

7. The Michigan Township Association membership was discussed. Pauline Kravetz made a motion that we pay the dues. Motion carried.

8. Title Insurance wasn't ready for discussion.

9. a. The proposed unsafe building ordinance was discussed. Gerald Sixbey made a motion that we adopt this ordinance as amended. Motion carried. Roll call vote 5 yes.

The publishing of this is to be handled in the same manner as the Anti-Blight.

b. The proposed subdivision control Ordinance will be discussed at the next meeting after Mr. Brennan and the board have time to read Herb Munzel's suggestions.

c. The Anti-Blight Ordinance was published in The Brighton Argus on July 21, 1965, and is effective August 20, 1965.

d. Gerald Sixbey made a motion that Stuart Leach be appointed as Chief Enforcement Officer for all township ordinances and the other three Constables assisting. Motion carried. Paying the Constables for this enforcement was discussed and will be decided later.

10. Herb Munzel read a letter from the County Clerk and Mr. Brennan read a report from the State Tax Commission. Both of these stating that Green Oak Twp. will receive 1.0 mill instead of the 0.5 mill previously allocated.

11. After discussion Pauline Kravetz made a motion that the next time the chloride truck comes through that Spicer Rd. from U.S.-23 to Musch Rd. be chlorided without breaks. This is because of all the dump traffic and gravel trucks going through. Motion carried.

12. The Zoning Board of Appeals have okayed two trailer permits, Mrs. Williams and Orville Arquette, subject to regulations.

13. Herb Munzel made the following announcements:

a. Water sample bottles are now available at Township Hall.

b. On August 30 there is to be a meeting to discuss proposed changes in the zoning ordinance. Everyone interested is welcome to attend.

c. He has a Yearbook of Agriculture he finds very interesting. Anyone wishing to have one write your Congressman. If available he will send it to you.

d. He has a Social Welfare report.

e. He has an article from the paper, which he read, titled Keep Michigan Beautiful.

f. He has a road report from the County Road Commission.

g. There is being offered a Civil Defense Course in Brighton.

h. There is a Tax Assessors' Conference in Detroit. He would like to attend some of the sessions.

14. a. Gerald Sixbey spoke about trash problem on Harbor Road. Herb Munzel will contact Lyon Twp. on a solution.

b. Gerald Sixbey reported on the No Litter signs.

c. It was decided the man using machinery, such as a lawn mower for township use, get paid for this. The lawn mower wears out and needs repair, also uses gas and oil. Mona Wenzel will contact Mr. Webster to see what he thinks is a reasonable amount. Also it was decided that the clerk order a load of dirt for filling holes and etc. at cemetery.

d. Herb Munzel reported about the Board of Supervisors meeting. 1. A petition was presented and referred to the drain commissioner concerning the lake level study for Whitmore Lake. 2. Herb Munzel made a motion which was supported to appoint a committee on reapportionment. Motion failed 18-2.

e. The County has received the bids for asphalt on E. Shore Dr., and Stephen St., in Saxony. The bid on E. Shore Dr. is close to the estimate, but the one for Stephen is higher due to the error in figuring footage. Pauline Kravetz made a motion that we accept the revision and proceed as planned. Motion carried.

f. Herb Munzel read a letter to Supervisors of this county concerning the duplication of names of lakes. This was discussed.

g. The Township Board had met at 7 p.m. on August 10 at the dump to look over and discuss the condition. This was again discussed further at this meeting. Pauline Kravetz made a motion that the township board get prices on rubbish pick up for each home in Green Oak Township and discuss at next meeting. Motion carried.

15. Pauline Kravetz made a motion that the meeting be adjourned at 11:05 p.m.

Mona Wenzel.

Sincerity is a great virtue, rarely exhibited and seldom appreciated.

what he thinks is a reasonable amount. Also it was decided that the clerk order a load of dirt for filling holes and etc. at cemetery.

Unsafe Building Ordinance

An Ordinance defining unsafe buildings or structure; to provide for their removal or repair; to provide penalties for the violation hereof.

By the authority vested in the Township Board by Act 246, P. A., 1945, as amended.

The Township of Green Oak Ordains:

Section No. 1 Rights of Condemnation.

All buildings or structures that are or hereafter shall become unsafe, unsanitary, or deficient in adequate exit facilities, or which constitute a fire hazard, or are otherwise dangerous to human life or the public welfare shall be deemed unsafe buildings or structures. All unsafe buildings shall be taken down and removed or made safe and secure, as the enforcement officer may deem necessary and as provided in this ordinance. A vacant building, unguarded or open at door or window, shall be deemed a fire hazard and unsafe within the meaning of this ordinance.

Section No. 2 Examination and record of Damaged Building.

The Township enforcement officer shall examine every building or structure reported as dangerous, unsafe structurally or constituting a fire hazard; and he shall cause the report to be filed in a docket of unsafe structures and premises, stating the use of the building, the nature and estimated extent of damages, if any, caused by collapse or failure and such other particulars as may be appropriate.

Section No. 3 Notice of Unsafe Buildings.

If an unsafe condition is found in a building or structure, the enforcement officer shall serve on the owner, agent or person in control of the building or structure a written notice describing the building or structure that is deemed unsafe, and a legal description of land on which it is located and specifying the required repairs or improvements to be made to render the building or structure safe and secure, or requiring the unsafe building or structure or portion thereof to be demolished within a stipulated time. Such notice shall require the person thus notified to declare immediately to the enforcement officer his acceptance or rejection of the terms of the order.

Section No. 4 Restoration of Unsafe Building.

A building or structure deemed unsafe by the enforcement officer may be restored to a safe condition provided no change of use or occupancy is contemplated or compelled by reason of such reconstruction or restoration; except that if the damage or cost of reconstruction or restoration is in excess of forty (40) per cent of its replacement value, exclusive of foundations, in judgement of enforcing officer, such building shall be made to comply in all respects with the requirements for materials and methods of construction of buildings of the Township of Green Oak or Livingston County Building Codes and with Green Oak Township Zoning Ordinance.

Section No. 5 Order to Show Cause.

If such owner, agent or person in control of an unsafe building shall refuse or neglect to comply with the said notice from the enforcement officer, such person shall be ordered to show cause before the Township Board at a time and place to be specified in said order why the Township Board should not order the unsafe building to be torn down or otherwise made safe. A copy of the order shall be served upon the respondent not less than ten days before the date of hearing.

Section No. 6 Posting Notice

If the person addressed with a notice of unsafe building or an Order to Show Cause cannot be found within the Township after diligent search, then such notice or order shall be sent by registered mail to the last known address of such person; and a copy of the notice or order shall be posted in a conspicuous place on the premises; and such procedure shall be deemed the equivalent of personal notice.

Section No. 7 Disregard of Notice.

Should the owner, his agent, lessee or other interested party, after the hearing, fail to remedy the unsafe conditions, the enforcement officer or his assistants, with the sanction of the Township Board, shall proceed to have torn down or otherwise made safe the unsafe condition and shall report the facts and the costs of doing this work to the Supervisor who shall order the cost paid to the one performing the work, and shall assess the sum against the property in question.

Section No. 8 Penalties.

Any such owner, agent or person in charge who fails to comply with the notice of the enforcement officer after a hearing before the Township Board, shall be guilty of a misdemeanor and on conviction thereof shall be punished by a fine not exceeding \$100.00 or by imprisonment in the county jail for not exceeding 90 days or by both such fine and imprisonment in the discretion of the court.

Section No. 9 Separability.

The provisions of this Ordinance are separable and should any section, paragraph, sentence or word be held to be invalid by any court or competent jurisdiction the remaining terms of the Ordinance shall not be affected thereby.

Section No. 10 The enforcement officer shall be appointed by the Township Board.

Section No. 11 Effective Date.

This Ordinance shall become effective thirty days after publication in a newspaper circulated within the Township.

MONA WENZEL, Township Clerk

Approved August 10, 1965.

MEMBERS OF THE LIVINGSTON County Gun Club at Brighton are giving their clubhouse the "new look."

They all turned out in force to clean the club inside and outside and to paint it.

Enters Rifle Competition

The National Rifle Association of America announces that L. P. Anderson of 524 Flint Rd., Brighton, is a competitor in the 1965 national high-power rifle championships, during the national matches, at Camp Perry, Ohio, Aug. 15 to 29. The national matches bring together, in a competitive spirit, more than 6,000 shooters who will fire in shoulder-to-shoulder competition.

Anderson and his fellow shooters, who number more than 2,600, represent this nation's top high-power rifle shooters.

Youth League's Final Standings

KIWANIS LEAGUE CHAMPIONS (Mgr.), Bill Reicks; Robert Mickelson, 1965: GREENS - 1st row, L. to R.: Brad Sieloff, Phil Kearns, Jeff Clay; 2nd row, L. to R.: Tom Kearns

FINAL YOUTH LEAGUE STANDINGS

Table with columns W, L, R, H, E. Tigers 8-3, Yanks 7-4, Dodgers 6-5, White Sox 1-11.

The Tigers with Rip Lietzau as manager and Frank Biers as coach are the champions of the Brighton Youth League for 1965. They defeated the White Sox 4-2 to maintain their one game margin over the Yanks. Karl Lietzau pitched a one-hitter as the Tigers beat the Sox. John Kearns managed the only hit in the first inning. Ray Luttermoser homered and Tim Biers doubled for the winners.

Final 300 Hitters table with columns AB, H, Av. Matt Caid, Yanks .34 13 .384, Dan Schmidt, Yanks .37 14 .378, Dan Carney, Tigers .21 7 .333, Karl Lietzau, Tigers .37 10 .323, Kevin Rosswurm, Yanks .31 10 .322.

In an extra inning game the Yanks defeated the Dodgers 2-1. Roger Ritter allowed 3 hits to pick up his first win as a pitcher for the Yanks. Matt Caid had a double and single and Dan Schmidt had two singles to lead the Yanks at bat.

In a miserable evening with intermittent showers a team of All-Stars won a loosely played game from the Champion Tigers 8-5. Pat Arnold shut out the Champs for 3 innings without a hit. The All-Stars scored 5 runs in the 5th inning on one hit. Tom Bowditch had two singles and Matt Caid a double to lead the Stars at bat. Dan Carney led the Tigers with two singles.

R H E All-Stars .001-052 8 6 5, Tigers .000-032 5 4 2, W. P. Carl Arnold; L. P. Stan Adams.

Final 300 Hitters table with columns AB, H, Av. Matt Caid, Yanks .34 13 .384, Dan Schmidt, Yanks .37 14 .378, Dan Carney, Tigers .21 7 .333, Karl Lietzau, Tigers .37 10 .323, Kevin Rosswurm, Yanks .31 10 .322.

Congratulations to the Tigers on a very successful season. Also thanks to the other managers and coaches: Russell Tarrant of the Dodgers, Larry Elliott and Frank Grochowski with the Yanks, and Tom Grostick of the White Sox.

Fun and Fumble

The American Legion ball club finished their season on the same note as they started. As the team manager stated "Every game produces a loser and a winner, but the team that can accept a loss with the grace of a winner is by far the leader in any league. He added there would be few changes next year in the line up because this year's team produced a splendid example of exactly what Fun and Fumble stands for.

The legion would also like to acknowledge the fine umpiring and good conditioning of the field by the firemen of Brighton.

Overall it was a real blast and the legion looks forward to the next season. Congratulations to Van Camps on their success as the winners of the league this year.

Ends Training

Pvt. Ronald A. Vogt, son of Mr. and Mrs. Robert A. Vogt of 735 E. Main, Brighton, Mich., has completed an eight-week central office telephone switchboard operation course under the Reserve Enlistment Program at the Army Southeastern Signal School, Fort Gordon, Ga. The 21-year-old soldier is scheduled to complete his military obligation with Company B of the 107th Signal Battalion, an Army National Guard unit in Howell, Mich. He was graduated from Brighton High School in 1961.

Scouts 'Rough It'

In New Mexico

Thirty-two Livingston county and Washtenaw county Boy Scouts are on their way to spend a glorious two weeks roughing it in New Mexico. Three Howell boys in the group that left Aug. 13 are Ron Emerson, 14; William Peavy, 15; and Robert Hopkins, 14.

Three scoutmasters are in charge of the group going by train to the big Philmont scout ranch in New Mexico. They will return on Aug. 31.

According to Howell's new Police Chief, Tholan Wiles, Howell can boast of having the equivalent of a 20-man police force. Wiles was referring to the 13-man Auxiliary Department which is directed by Bud Bekkering.

Front Row: Tholan Wiles, Howell Police chief, left, Don Gibbons, Elmer Smith, James Woodruff, Dick Cole, John Behman, Robert Ryan, Louis

Bekkering. Back Row: John McClain, Louis Ramer, Earl Holley, Gerald Henry, Ed Nauss, Don Smith.

The new Auxiliary Police Department has been trained to a high degree of usefulness, and is able to back up the regular officers in every way. Under Director Bekkering's supervision the men have participated in the Civil Defense Shelter Management course. They have taken the Red Cross First Aid Courses, and have had a special instruction in cardiac resuscitation. This course was sponsored by the Michigan Heart Association. They have also been trained in mouth to mouth resuscitation, and manual resuscitation.

Their training has included many hours of actual patrol work, plus instruction by the Michigan State Police on crowd control.

According to Chief Wiles he is in full accordance with Bekkering's plans to have the auxiliary officers as highly trained as possible. One of the classes that the auxiliaries will be participating in the near future along with the regular police department is one in the principles of proper interrogation.

Tim Anderson, son of Mr. and Mrs. Robert Anderson left last Thursday after spending a 14 day leave with his parents. Tim graduated from Boot camp at Great Lakes, Illinois on the 23rd of July. Bob and Ruth attended the spectacular affair. Tim is now stationed in Memphis, Tenn., where he will complete 28 weeks of training at the Avionics School there.

Bob and Ruth Anderson moved last Friday to Bishop Rd.

We would like to welcome Mr. and Mrs. Donnie Schrader and their twin daughters who moved into the Anderson home last Saturday.

Mr. and Mrs. Bernard Kirby and children returned home recently after spending a week vacation touring northern Michigan and Canada. They crossed the Mackinaw Bridge and the Soo Locks. They also made two trips to Mackinaw Island by boat.

Congratulations to Mr. and

Mrs. Ed Bellinger, of Stephen on the birth of a daughter, Victoria Lynn was born on Sunday, August 8th and weighed 7 pounds 2 ounces. This is the first child in the family.

Last Saturday Mr. and Mrs. William Adams entertained Mrs. Adams' sisters Mr. and Mrs. Neely Miller of Howell, Mrs. Eunice Williams and daughter, Barbara from Detroit, and Mrs. Clara Gilcrest of Howell. Last week they were visited by Mr. and Mrs. William Hyland of Sun City, Ariz.

Bobby Cooper, son of Mr. and Mrs. Loren Cooper, returned home last week after spending a week at the University Hospital in Ann Arbor.

Mr. and Mrs. Hiram DeCamp left Saturday for a two weeks vacation at their cottage in Kalkaska.

Mr. and Mrs. Alfred Caroen along with Mrs. Coroen's aunt, Mrs. Collins, spent a week ago Sunday in Findlay, Ohio.

Guests of Mr. and Mrs. Tom Jacobs last week end were Mrs. Jacobs' parents, Mr. and Mrs. Forrest Nelson of Muskegon.

Sally Maltby, daughter of Mr. and Mrs. Ray Maltby, spent a week ago Monday, Tuesday and Wednesday attending the

Orientation at Michigan State University. She will be entering here this year as a freshman.

Mrs. Muriel Sites held a surprise baby shower at her home two weeks ago Friday night for Mrs. Dorothy Stone of Pinckney. A small banquet was served along with cake and coffee. Ladies who were present were Mrs. Sally York, Mrs. Jaunita Doty, Mrs. Pryllis Hubbel all of Brighton, Mrs. Mary Lark, Mrs. Betty Baker both of Pinckney, Mrs. Audrey Holbin, Mrs. Joan Stone, Mrs. Gail LaGrow, Mrs. H. Lamay, Mrs. Arlene Tennant and Dorothy's aunt Erma.

A week ago last week end Peter and Cless Greenfield along with Bob and Mary Harding toured northern Michigan and into Canada. Points of interest was going to Mackinaw Island by ferry boat, National Fort where they went bike riding and took surry rides as there are no cars there. They crossed the Mackinaw Bridge and hiked 2 1/2 miles through a woods along the shore where they found an iron

boat that had been built by the Indians many years ago. They crossed the Soo Locks and into Canada.

**Homes' Tour Plans Formed**

The planning committee for the Home Tour which the women of the Livingston County Republican Club are sponsoring on Sept. 16 held a special meeting last Friday at the home of Mrs. Calvin Gatesman, who is chairman of the formal tea which is included on the tour.

Those present to make the final tea arrangements were Mrs. Andrew Jackson, president of the Women's Club; Mrs. Jess Allen, chairman of tickets; Mrs. John Spohr, chairman of publicity, and Mrs. John Cronan at whose home the tea will be served from 3:00 to 5:30 p.m. on Sept. 16. Refreshments are included in the price of the Home Tour.

Tickets will go on sale within the next two weeks and can be purchased for \$1.50 from all Republican Club members and from various Drug Stores in the Howlerville, Howell, Brighton and Pinckney area. Ticket holders will be entitled to tour six homes which are of historical and contemporary interest.

Mrs. Dolores Epley and her daughter, Marie, of 10536 Lakeview Drive, Whitmore Lake, recently attended the annual sales pilgrimage to Stanley Home Products, Inc., Westfield, Mass.

**SWIM CLUB WINNERS** in the fifth annual age group swimming meet at Lower Huron Metropolitan Park near Belleville on Wednesday, Aug. 4 are shown with their winners' medals. Left to right are Lifeguard Bob Stone, presenting medals to

Debbie Bauer, 11, of Brighton; Bruce Crouch, 14, of Ann Arbor; Anne Stephenson, 12; and her brother, John Stephenson, 13, both of Ann Arbor; and Margaret Stevens, 13, also of Ann Arbor.

### Girls Feature Of State Fair

Michigan's prettiest girls and most talented baton twirlers were reminded today that entry deadlines are approaching for the Michigan State Fair's beauty queen and baton twirling contests.

The fair opens Friday evening, August 27, and runs through Labor Day, Monday, September 6.

The deadline for entering the Miss Michigan State Fair contest is August 20. Only winners of other beauty contests during the past year in the state of Michigan are eligible.

For baton twirlers, the entry deadline is August 25.

The teen set will have its own special area at the Michigan State Fair this year.

Avenue A-Go-Go will be a 75,000-square-foot area featuring entertainment, fashions, sports, and career information beamed especially at today's youth.

Contests for the kids will be big again at this year's fair.

They'll be held daily at 10 a.m. in the TV Fun Circus area. An exception will be the shiny pole contest, slated for the Picnic Grove area on Thursday, Sept. 2.

New contests this year include one for old-fashioned dress of girls competing in the pony tail contest and a hot-dog eating contest.

The contest schedule:

Saturday, Aug. 28 — Pony tail and old-fashioned dress; Sunday — Bubble gum blowing; Monday — Hot dog eating; Tuesday — Watermelon eating; Wednesday — Cow milking; Thursday — Shiny pole; Friday — Blueberry pie eating; Saturday — Sack race; Sunday — Balloon blowing; Monday — Egg toss.

### Livingston Beans Bring Thank You'

Livingston county donors to CROP, especially those farmers who gave much of their bean crop to the overseas charitable organization will find gratification in a letter which follows:

(The state sent 119,415 pounds of beans last October.)

Shinyanga, Tanzania  
July 26, 1965

Dear Friends in America:

In behalf of the patients of this hospital and leprosiarium, I would express most sincere gratitude for the shipment of split pea beans which recently came to us for distribution.

We wish you could meet our wonderful Christians among the lepers and hear their expressions of thanks. These are among some of the most appreciative people of the world for what has been done for them.

This is a near famine year in this immediate vicinity and in some other areas of Tanzania. Rains failed us and corn that was planted in December and January never matured. Many homes have little or no food. Our leprosy patients were hard hit, and we have found it difficult to obtain sufficient food for the folks who are critically sick in the hospital wards. That is why we have a special THANK YOU for this food. It came at an opportune time. Food from the gardens cannot be expected again until harvest time next May. Government has to restrict the movement of food from other areas because of low supplies everywhere.

Yours very truly in Christ,  
Cecil F. Petrie, business manager Kola Ndote Hospital

### 443,000 Visit Kensington

More than 443,000 persons visited Kensington park, near Milford in July compared to 370,000 in 1964. Kensington was opened in 1945 and the record attendance for July was in 1958 when 483,000 visited the park on Kent lake.

The large attendance this year was a surprise because Michigan weather in July this year had many record cool days while in 1964 there were 15 days of 90 degree plus temperatures. This year's cooler temperatures seemed to help promote picnicking while the hot days encouraged beach and swimming use.

### Seeks Mich Week County Chairman

Edward L. Baker, Detroit postmaster, will again be the deputy general chairman of Michigan Week directing preparations for the big springtime state promotion in this section of the state.

Preparations, said General Chairman Paul Penfield of Detroit in announcing Postmaster Baker's acceptance, will be under way intensively by early fall.

The 13th annual Michigan Week will be next May 15-21.

Deputy General Chairman Baker, who was first appointed to the post for 1965 after outstanding service as Wayne County Michigan Week chairman, will immediately name chairmen for the three regions in his jurisdiction. Region 18 is composed of Lenawee, Livingston, Monroe, Washtenaw.

The Livingston County sheriff's deputies have almost completed their emergency equipment project which started two months ago. The project started when a private citizen donated a trailer frame that the deputies decided could be converted into an auxiliary power unit.

Starting with only a bare frame, the deputies worked on their off hours and rebuilt the trailer, furnished it with power generators, and painted it to conform with the rest of the department's equipment. They then acquired a van type truck which they completely reconditioned, and are equipping with life saving devices, and a radio system. Countless hours of time have been donated by members of the department, along with most of the \$300 to \$400 worth of materials used in the restoration of the two vehicles.

The vehicles will be used in rescues and emergencies, and for underwater recovery operations.

According to Sgt. Charles Hards of the sheriff's department, the Emergency vehicle still needs some equipment, but the completion of the project is contingent on acquiring more finances. Several private citizens, and some businesses have contributed to the project.

The two emergency unit vehicles will be presented to the county at the next Board of Supervisors meeting.

### Kujawa Visits WMU Campus

Steve Kujawa of Brighton is among the more than 4,000 students who will enter Western Michigan University this fall.

Kujawa visited the WMU campus to map out future study programs, meet his counselors and learn his way around university buildings. When Western Michigan's year begins on August 30-31, the freshmen will only need to check into their living quarters on the opening Monday and begin classes on Tuesday.

**ENDS TRAINING**

San Antonio, Tex. — Airman Third Class Larry W. Hammock, son of Mr. and Mrs. William L. Hammock of 8245 Donna Lou Drive, Brighton, Mich., has completed U. S. Air Force basic military training at Lackland AFB, Texas.

Airman Hammock is being assigned to Suffolk County AFB, N. Y., for training and duty as a heating systems specialist.

### Scholarships Awarded 16

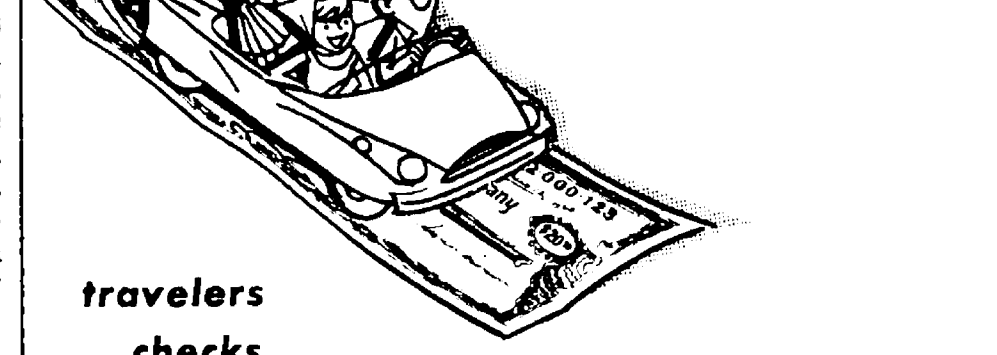

Sixteen Livingston County area students were among the additional 1,500 to be awarded scholarships for 1965-66 through expansion of the state program of the higher education assistance authority.

Dr. John Porter, director of the authority, noted that the \$2,000,000 appropriated for 1965-66 scholarships has enabled the authority to direct \$500,000 toward renewing 1,250 scholarship awards made last year and \$1,500,000 to support the new scholarships.

The examination date for the 1966-67 scholarship program will be Saturday, Nov. 20. Students desiring information about the state scholarship procedures for the 1966-67 year should contact their high school counselor or principal.

The one Brighton student is David L. Williams of 8850 Evergreen, Michigan State University; one from Howell is Linda L. Reader of 904 S. Michigan Ave., Michigan State University; one from Pinckney, Shirley Hileman of 8834 Haines Rd., Western Michigan University; six from Ionia: Aleta D. Melvin and D. Anita Melvin, both of 220 N. Collins St., Andrews University; Susan J. Miller of 9091 Nicholson St., University of Michigan; Linda S. Rudnicki of 501 Grand Ave., Michigan State University; Charlene Vogt of 7388 N. Fowlerville Rd., Central Michigan University; and John Wainwright of 7900 Lange Rd., Lansing Commercial College; two from Gregory, Julie A. Gibney of 14140 Worden Rd., Jackson Commercial College, and Russ Schuchaskie of 20457 Wasson Rd., Michigan Tech University; two from Milford, Mary C. Batchelor of 127 Peters Rd., Wayne State University, and Mike A. Jeffers of 401 E. Liberty, Highland Park Commercial; one from Stockbridge, Valerie D. Ward of 5419 Dansville Rd., Northern Michigan University; and two from Whitmore Lake, Kathi Mary Snell of 182 E. Shore Drive, Aquinas College, and Jackie L. Stauch, Central Michigan University.

"Celebrating Our Centennial Year"

**We can keep you in hot water.**

**In fact, we guarantee it!**

**SATISFACTION GUARANTEED** by **DETROIT EDISON**

An electric water heater is for the people who don't like to run out of hot water. We're so sure you'll like one, we guarantee your satisfaction—for a whole year! What do we mean by satisfaction? Simply this: If you don't get all the hot water you want, when you want it, you get all your money back, including any you may have spent on installation. And it doesn't matter where you bought your electric water heater. The Edison guarantee still applies. No strings attached. Fair enough?

**EDISON**

P.S. Average-size families with electric water heaters pay as little as \$3.88 a month—a standard rate—for hot water. How much are you paying?

**Sellingest Fords in history**

**Savingest sale of the year**

## Oriental Sauce Seasons Lamb For Appetizer

Serving an appetizer to your guests gives them a chance to get acquainted with each other before dinner. Let them ladle fruit punch or pass chilled vegetable juice in small glasses while you put the finishing touches on dinner.

A hot appetizer is always a certain compliment-catcher. This one made with ground lamb is easily prepared, maintains meat expert Reba Staggs because both the meat balls and sauce can be prepared in advance, then heated for serving.

Once the ground lamb has been mixed and shaped into the small balls, make certain it's refrigerated. Any ground meat is highly perishable and should be kept cold.

### Oriental Lamb Balls

2 pounds ground lamb  
1/2 cup fine bread crumbs

1/2 cup finely chopped almonds or pecans  
3 tablespoons soy sauce  
1/2 teaspoon ginger  
1/2 teaspoon salt  
1/2 cup cornstarch  
3 tablespoons lard or drippings  
Oriental Sauce  
Mix lamb, crumbs, almonds or pecans, soy sauce, ginger and salt. Form into balls about 1-inch in diameter. Roll in cornstarch. Brown in lard or drippings. Pour off drippings. Add hot Oriental Sauce to lamb balls. Yield: 6 dozen lamb balls.

**Oriental Sauce**  
1 tablespoon cornstarch  
1 teaspoon ginger  
1/2 cup brown sugar  
1/2 cup soy sauce  
1/2 cup tarragon vinegar  
1 cup pineapple juice  
Mix cornstarch, ginger and brown sugar in saucepan. Gradually stir in soy sauce, vinegar and pineapple juice. Bring to a boil and cook, stirring constantly, until thickened and clear. Yield: approximately 2 cups sauce.

Well, the weatherman did finally come to traditions rescue with some long hot humid late summer days. The only thing that isn't going in slow motion is the children playing in the back yard.

The St. Pat's Baseball team and their wives surprised Leon Bagenski with a belated birthday party July 31st.  
The Ore Lake Corp. counted ballots last Saturday to decide who will be the new board members.  
The Leon Bagenski attended a going away party for Gil Janowski, Jr. a week ago Saturday. Gil is going into National Guard Active Duty.  
Stroh's finally settled their strike after seven weeks!  
The Fun and Fumble All Star game will be scheduled later on. Tickets are one dollar a piece and proceeds will go to the Rickett School.  
Honorable Gladys B. Lee has been going to Howell every other day to see her sister, Mrs. Jack, who is seriously ill at McPherson Health Center.  
Mrs. Ida May and Mrs. Leo Wolfe enjoyed luncheon in Detroit with Mrs. William Stohra, August 12th. The three ladies have known each other for 45 years and spent the afternoon reminiscing.  
Mr. and Mrs. Robert Cuhn will be here at their summer place on Downing Dr. The Cuhns of Garden City formerly lived in Hamburg.  
Mr. and Mrs. Walter Jahncke of Tempe, Arizona, were visit-

ing here last week with Mr. Jahncke's sister, Mrs. Ida May. They attended a family reunion Sunday at the home of Mrs. May. Relatives and friends from Pontiac, Royal Oak, Warren, Detroit, Allen Park, Redford and Berkley attended. They left Tuesday morning for their return trip.  
Mr. and Mrs. John Marz of Ann Arbor were the dinner guests of Mr. and Mrs. Binning last Thursday.  
The William Damms went to the Old Man's Cave State Park in Logan, Ohio for their vacation recently.  
The King's Daughters meeting was held at the home of Mrs. Cortiana of Cordley Lake a week ago Tuesday.  
Mrs. Herbert Walker sold her home in Lakeland and is moving to Detroit. For her friends in Lakeland who wish to write to her, the address of her new home is 13449 Greiner, Detroit, 48205.  
Mr. Hollis White and Mr. and Mrs. Rudolph Koepen attended a wrestling match a week ago Saturday night.  
Belated Happy Birthday to Vance Wiseman, who was five years old, August 17th.  
Tom Toon escorted Mrs. Rudolph Koepen to the Nibbly Nook for dinner last week.  
Happy birthday to Mr. Jerry Nowak, who will celebrate his birthday the 20th.  
Guests of Mr. and Mrs. Rudolph Koepen a couple weeks ago were Mrs. Koepens sister and family, Mr. and Mrs. Willard Shaver of Nebraska, and their sister, Mrs. Minnie Van Wey from the state of Washington.  
The Hamburg Preschool Center is still taking registrations for the coming nursery school year, with Monday and Wednesday sessions for three year olds, Tuesday and Thursday will be for four year olds. Class will be held from 9:00 to 11:15 a.m. School will begin Sept. 7th at St. Paul's Lutheran Church in Hamburg. For more information call Mary Denmore, registrar at 229-9096 or Janet Morgan at 227-2631.

**Falls Off Truck**  
A 6 year old Fenton boy was injured Friday when he fell from the rear of a moving truck. According to the State police, the boy, Steven Young climbed onto the back of the truck without the knowledge of the driver, 51 year old Wayland Ries. Ries pulled out of his driveway, and the child fell from the truck after he had traveled several hundred feet. He was taken to Hurley hospital in Flint suffering a concussion.

**Della Vartoogian - 228-8888**  
Mrs. Helen Gilmore and son Clyde of Playsville, Pa., were guests of Mrs. Nannie Woodruff and son James of Hyne Road for a few days last week.  
A rather unusual accident happened last week at the Ben Hur Club when a car entered the dining room. The lady driving the car got out to clean the windshield and the car continued on. The passenger in the car tried to use the brakes, but hit the gas pedal instead. A large hole in the wall resulted. I understand the damage was repaired before Saturday.  
Our sympathy is extended to the Jerry Gerard family in the loss of Mrs. Gerard's sister-in-law, Mrs. Edna Honeberger of Winton, Ohio. She had been ill for some time and was recovering from a serious heart operation, and passed away in her sleep July 23.  
Congratulations to Pamela Haesley of Novi. She has passed her Junior Lifesaver exams, and is now a Junior Lifesaver. She has been enjoying a summer holiday with her grandparents, Mr. and Mrs. Jerry Gerard, School Lake.  
Fred Kerslake is now home after undergoing surgery for a back injury. He is doing as well as can be expected, and hopes to be back to normal in a very short time.  
Mrs. Houston returned from Florida and brought her parents, Mr. and Mrs. Irving Hayes, back for a summer vacation. Mr. and Mrs. Hayes have their home in Fort Lauderdale.  
Billy Petzold has had another attack of pneumonia and was in the hospital for a few days. He has fully recovered again and we all hope this will be his last attack.  
Mrs. S. Wilson is seriously ill in the Ypsilanti hospital. Mrs. Wilson is the daughter of Mr. and Mrs. James McCrary.  
Mrs. Albert Kramer, Hilton Road, has returned after a month's vacation on the west coast with her son-in-law and daughter, Mr. and Mrs. H. Moore of Ben Hur Drive. They motored to Oregon to the home of Mrs. Kramer's sister and family, Mr. and Mrs. Albert Nolrot. While there they visited the sea lion caves on the Oregon coastline and watched the antics of those fascinating beasts. Following the shore as much as possible, they continued into California, visited the petrified forest, saw the redwoods, and many more sights of interest. Coming home they visited Yellowstone Park, stopped at an early American village where everything was kept as it was in the stagecoach days. They saw an old fashioned steam engine running a merry-go-round, and many other interesting sights.

**MARRIAGE LICENSES**

The following persons were issued marriage licenses last week by Joseph H. Ellis, Livingston County Clerk:  
Robert L. Oliver, 19, 10601 Owosso Rd., Fowlerville, Mich.; Janice R. Hollingshead, 18, 11537 Braden Rd., Byron, Mich.  
Ray Lee Keikenberger, 19, 3925 Marks Rd., Pinckney; Peggy Ann Schmitt, 18, 9122 Chilson Rd., Lakeland.  
Donald Floyd LoGue, 20, 3003 Barker Rd., Whitmore Lake; Lula Mae Taubee, 20, 6452 Richalle Dr., Brighton.  
Wayne Spalding, 20, 5750 Curdy Rd., Howell; Eileen Asbury, 23, 5750 Curdy Rd., Howell.  
Dana Lynn Snowden, 18, 405 E. Rockwell, Fenton; Pamela Kay Haas, 16, 7400 Hartland Rd., Fenton.  
Robert Bruce Kilgour, Jr., 24, 3792 Byron Rd., Howell; Roberta L. Housner, 18, 10973 Spencer Rd., Brighton.  
Oscar A. Shooter, 51, 628 Fleming St., Howell; Dorothy V. Konen, 51, 117 Pulford St., Howell.  
Jerry J. Wiles, 23, 11720 Sherwood Rd., Webberville; Suzanne Nichols, 18, 427 S. Second St., Fowlerville.  
Russell E. Coddington, 27, 1740 Pinckney Rd., Howell; Doris R. Nichols, 22, 1820 Euler Rd., Brighton.

**ROGER VERVAET**  
However, Lloyd Allred of Lakes Sport Shop having heard of Vervae's prowess with a bow and arrow, called to prevail upon him to start a class for teenagers and adults desiring to learn the finer techniques of target shooting and live game bowhunting.  
As a result, Vervae will hold evening classes Tuesdays and Wednesdays, commencing on Aug. 24 and through Sept. 2. A nominal fee of \$1.00 per hour is being charged for class lessons. Classes will be held behind Roger's Beauty Shop, next to the Lakes Drive-In Theatre.

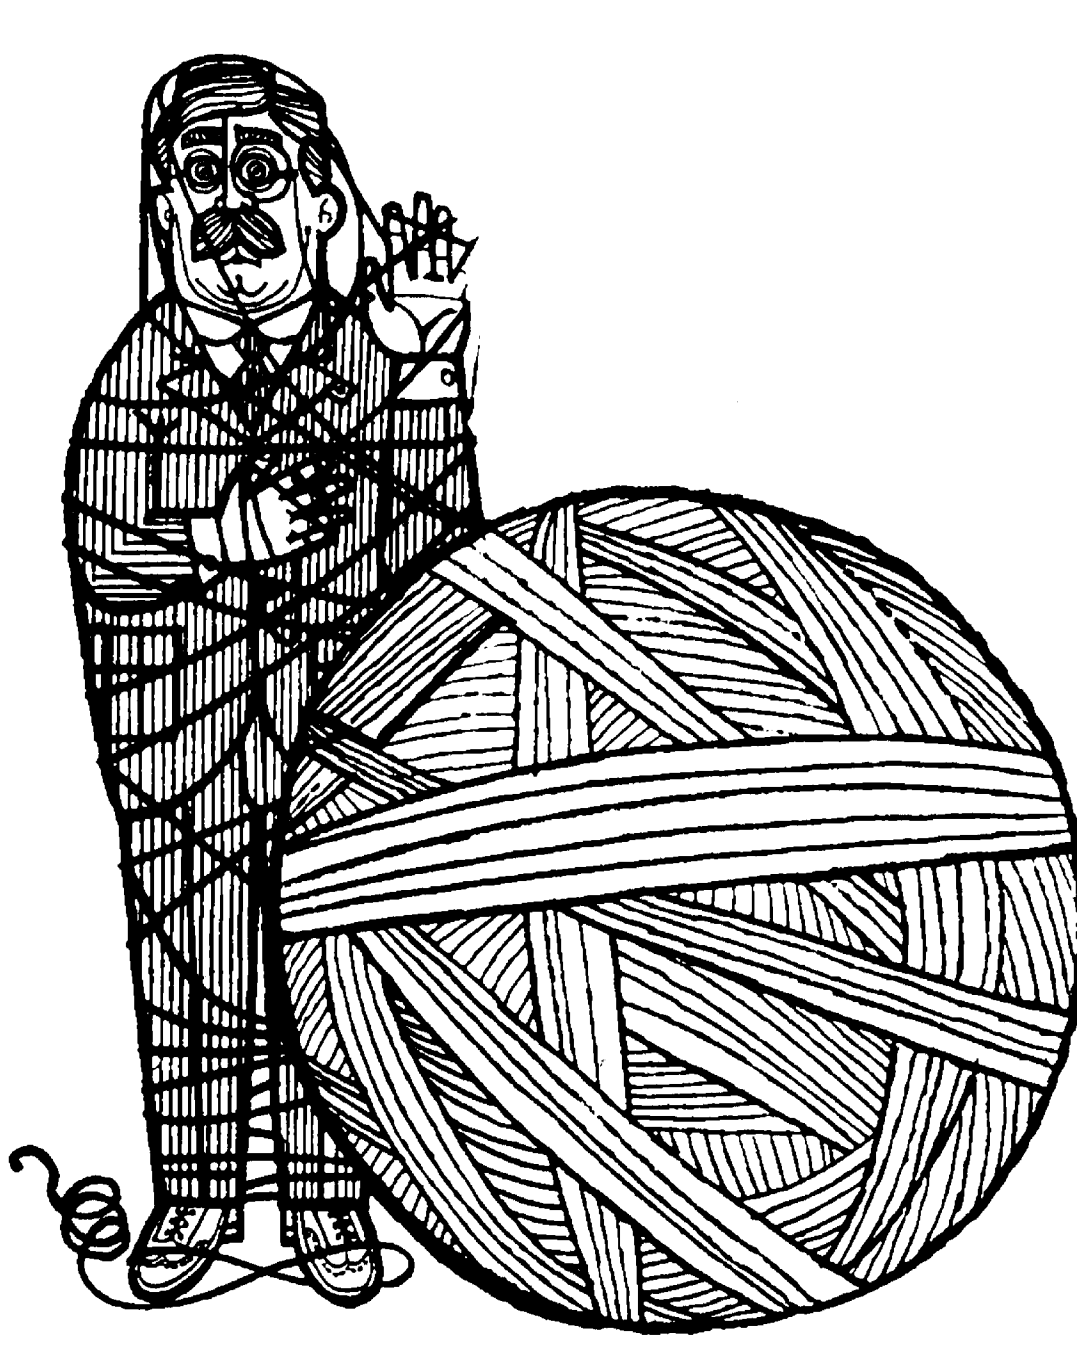

feathers 40 inches long and are a mixed shade of black and a golden tan. Anyone interested in this hobby is welcome to stop and look them over. They are not for sale, just a hobby. The Farmers live at 5045 Culver Rd.  
Mr. and Mrs. Richard Westler and son of Richmond, Ind., are house guests of his sister and brother-in-law, Mr. and Mrs. Wm. Leon.  
John Metatic of Clark Lake is home again after being in the hospital for a week. He will be fine if he will just learn to take things easy.  
Our best wishes go to Pamela Wood and Gerald Bennet who were married July 31st. Pamela is the granddaughter of Mr. and Mrs. Metatic.  
Mrs. Lois Wall of Los Angeles, Calif., was a weekend guest of Mr. and Mrs. R. Burrell. She has been busy renewing old friendships with Howell and Brighton friends that she knew when she lived in Brighton Gardens.

**Fish! Beware!**  
With fish abounding in 50 lakes within gunshot of Brighton, some one has come up with a bright idea of catching them. Just wear the right kind of spectacles.  
"Fish-locator" glasses permit the wearer to look at the surface of the water and see what is below instead of the usual surface reflections.

### NEW POWERS

Michigan's 1963 Constitution maintained the attorney general as a part of the elected executive branch of government but says nothing of substance regarding his responsibilities.

As chief law enforcement officer of the state, all his duties are prescribed by statute.

First, the attorney general is legal counsel for the Legislature and every state officer, department, board and commission. He is required to assist in the conduct of all official hearings held by the various units of state government.

In addition, this office gives him the power to intervene in any law suit in which he believes the interests of the people of the state are involved.

Power is given the attorney general to advise the prosecuting attorneys throughout the state and he may exercise supervisory powers over them. He has some inquisitorial powers and he may request the call for grand jury proceedings to investigate crime, election frauds and complaints for removal of public officials.

To fulfill these many powers and responsibilities, the attorney general maintains a good sized staff of licensed attorneys, many of whom are specialists in a particular field of law.

Some assistant attorneys general are assigned to specific state departments and commissions while others work on a broader scope within one of several divisions within the attorney general's offices in Detroit or Lansing.

Ultimately, however, the No. 1 state legal officer is responsible for all work done by his staff. Thus all of the legal work performed is approved by him before it leaves the office for its destination, whether it be a formal opinion, official state document or court proceeding.

By virtue of his office, the attorney general himself is a member of the State Administrative Board, Municipal Finance Commission and State Employees' Retirement, Judges' Retirement and Corporation Tax Appeal Boards.

### CREEPING CHANGES

Thousands of Michigan residents are affected by changes made almost daily in state government regulations, but barely noticed.

Many go unnoticed because they are one small part of a major project and only the main work is deemed important enough to spread the word about.

In the important field of civil rights nearly every state agency has had some involvement, although generally only executive pronouncements or directives have gained note.

Michigan's education system has been involved most notably in the area of school integration.

Teacher assignments have played a part as have the tools of education. Civil rights leaders' influence on the latter has been heavily felt though the impact has been a subtle one.

More than two years ago the state department of public instruction announced as an almost accidental activity the adoption of a formal policy on the treatment of minority groups in textbooks.

Designed as a guide to school book publishers dealing with the state, the statement was billed as a tool giving Michigan a national leadership role "in securing a more accurate treatment of minority groups in school books."

It was developed by a group called the Committee for Better Human Relations of the Michigan Curriculum Program, a voluntary group of educators. Before adoption, the policy was reviewed by officials of the American Textbook Publishers Institute.

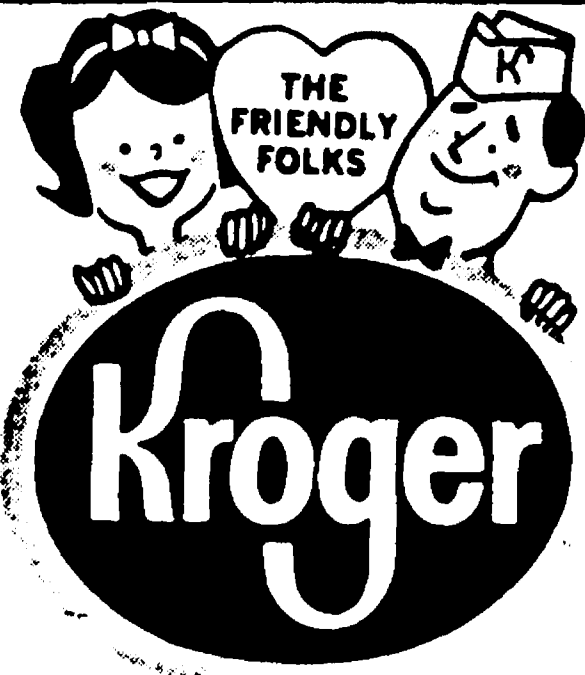

Education leaders in the state said it was unfortunate that textbooks generally stereotyped American families as upper-middle class, blue-eyed and blond rather than giving full recognition to the greatness of the U. S. because of its differences in people.

No other state had adopted any formal policy in this area up to the Michigan action, the Publisher's Institute representative said.

Basically this policy statement was aimed at the textbook suppliers. The direct effect, however, can now be seen in the school books used in the elementary and secondary schools in Michigan.

Major points suggested a greater use of illustrative materials depicting minority group members taking part in the normal activities of American life. An inclusion of human relations content in all subject matter areas at all grade levels was recommended.

Full effect of this policy will not be seen for some years but chances are parents could see a part of it in the newest textbooks children used this past school year.
