## 1935 Murder Trial Revived By Appeal

One of Livingston county's most notorious murder trials will soon be revived due to an appeal granted by the Michigan State Court of Appeals, Saturday.

Howell attorney, R. Reed Fletcher, who was appointed by the court, successfully won the appeal for Clarence R. Frechette, who was convicted of murdering his 25 year old employer, Robert Brown, near Howell in 1935.

The murder and trial created nationwide publicity over 30 years ago, when Frechette was accused of shooting Brown twice in the head. The shooting was reported to have occurred about a mile and a half east of Howell on Grand River.

Frechette, who was 30 at the time of the crime testified during the trial that he shot Brown in self defense. He claimed that Brown had made some disparaging remarks about a young woman that Frechette was dating, and that he struck Brown in the ensuing argument. Enraged, Brown grabbed a revolver from his car, and according to Frechette, threatened to kill him. Frechette said that in the struggle to wrest the gun from Brown's hand it discharged twice, killing Brown instantly.

Frechette, who was on parole at the time, claimed that he panicked. Reasoning that no one would believe him, he stuffed Brown's body into the trunk of Brown's car, and drove to Kalamazoo, where he tried to get some money from Brown's mother. He said that he also visited his girl friend, a Grace Curran, and then he started for California, with the body still in the trunk. It was discovered by inspectors at the Nevada California border eight days after Brown was last seen alive, on Jan. 29, 1935.

Frechette, who was described in newspaper articles of 30 years ago, as Detroit's first "airplane bandit" was on parole from Jackson after he was convicted of slugging airplane pilot Harry Anderson on the head with a hammer while they were flying over Pontiac in 1927.

Since 1950 when Frechette first tried to obtain a retrial his calendar records 23 appeals, writs and answers. Fletcher was appointed to serve as Frechette's attorney in May of this year. He has based the appeal on two important facts.

The first point covered in the appeal points out that when Frechette was tried in 1935, there was no law in Michigan governing the admissibility of lie detector testimony. Frechette was tried and convicted after the admission of lie detector evidence, however his jury was never actually told the results of his test. He had volunteered to take the test in front of the jury, but the court ruled against it.

There was no law to guide either the defense attorney, Jay P. Sweeney, or the circuit judge Joseph H. Collins, in making objections to the admission of the testimony. Since that time the

## Auto Hits Tree; Woman Killed

A 42 year old Pinckney mother of three, was killed Wednesday at 8:30 a.m. on the Dexter Pinckney road. The Washtenaw Sheriff's Department report that Florence K. Kiner, who lived at 118778 Woodview Drive in Pinckney, was traveling south on the Dexter-Pinckney road when she lost control of her car and struck a tree.

She was dead on arrival at Saint Joseph's Mercy Hospital in Ann Arbor. She is survived by her husband Milton, and three children, William, Ralph, and Esther, all at home, and her parents, Henry and Jane Kenisell of Subersville Ohio. Funeral services were held Friday afternoon at 2 p.m. from the Swarthout Funeral home in Pinckney, burial in the Pinckney Cemetery.

This embankment marked the end of the road for two young Brighton boys early Saturday morning. This is the location of the fatal crash in which 16 year old Ross Russell and 18 year

old James Hatswell were killed. The embankment is located on Winans Lake Road, where Rickett Road comes to a dead end.

## Pinckney Jaycees Honored for Service

The six-month-old Pinckney Jaycee group took third place in the state of Michigan from among 224 chapters for its part in community development. It was revealed Monday night at the District 5 Fall Meeting of this district at Anchor Inn.

The honor went to the local group for their work in taking a sewage survey of Pinckney. The Jaycees went into action last November, but were not officially recognized until March. Meanwhile they had carried on a successful Christmas program, and were into plans for a noteworthy Michigan Week program that established their importance in the community. They have been studying the possibility of a new fire hall for Putnam township, are making plans for a Halloween candy sale and another Christmas program.

In Michigan there are 9,040 Jaycee members, with 600 of them in District 5, according to Milton Charboneau who reported on this week's big event.

## Committee Meets On Bus Confusion

A committee of representatives of the School Board, the PTA and bus supervisor, Robert Dunn, met Monday night to discuss the complaints of some parents concerning confusion in busing students at the beginning of each school year, particularly kindergartners. Several possible solutions to the problem came out of the conversation — better information sent to parents in advance of school opening, with perhaps maps to show bus routes, for instance, and the necessity for early registration by parents of pupils in order that the school authorities know in advance what stops will have to be made. Dunn will be working on some of the ideas presented between now and school opening next year. This, together with parent co-operation in registration of kindergartners, is expected to alleviate some of the problems encountered this and previous years.

## LIBRARY NEWS

The Pinckney Community Library made remarkable growth during the fiscal year ending Aug. 31. Our records show that 6654 adult books and 6271 juvenile books — a total of 12,925 books — were borrowed from the library. We now have 6,052 books plus 360 paperback books. Our registration of borrowers is now 1,420.

These figures compare with 12,043 books borrowed last year, 6,490 adult books and 5,553 juvenile books; 5,410 books owned by library and 1,178 registered borrowers. New books this week include Fleming, "The Man With the Golden Gun." All Fleming fans will want to read this, his last book and said to be his best. It has been published posthumously.

Sands, "My Shadow Ran Fast," the story of an ex-convict, Caryl Chessman's cellmate for two years, who rehabilitated himself after his release from prison and is now working to help rehabilitate convicts and ex-convicts. "Lofts, 'How Far to Bethlehem?'" is the story of the Three Wise Men and Mary and Joseph skillfully woven together giving the traditional story of the coming of the Messiah — color, depth and dimension never before attained in fiction.

For children we have McCloskey, "Centerburg Tales," the story of a small town where the most preposterous things keep happening along with the routine of everyday living, and Homer Price, a boy with a good supply of common sense and ingenuity.

## Pinckney Village Council Meeting

The regular meeting of the Pinckney Village Council was held Thursday, Sept. 2. Meeting called to order by president, Roll call found Thayer, Lee, Widmayer, Roth, Aschenbrenner and Clark present.

Minutes read and approved. The following bills were read: Robert Egeler, marshal's salary, \$155; Robert Egeler, marshal's expenses, \$115; Rachael Haines, postage, \$10; Rachael Haines, half of salary, \$125; Thomas Read Lumber, chloride, \$20.50; Geo. Van Blaircum be appointed to obtain bids for construction of a sidewalk extending from the existing sidewalk on south side of M-36 to the Pinckney Elem. School. Said committee to contact the Pinckney School Board and get firm confirmation of their offer to pay half of sidewalk on school property. Committee to have authority to accept the bid of their choice. Resolution seconded by Widmayer. Carried unanimously.

Motion made by Thayer, seconded by Widmayer, that the block of Hamburg Street from Howell St. to Mrs. Raymond Morris' home be graded. Carried. A resolution to offer a \$50 reward to anyone providing information leading to the conviction of any person carelessly operating his vehicle in such a manner as to deface public property was made by Aschenbrenner, seconded by Widmayer. Carried.

Meeting adjourned. Alice Gray, Village Clerk

## PINCKNEY FOOTBALL

The Pinckney Varsity Pirates had a lively, promising scrimmage under the lights Friday night, Sept. 10. Coach Reader's team looked a little shaky, but very eager. It gives promise of a season of ups and downs. The practice lasted from 7 to 9. They meet Dexter here Friday, Sept. 17. This traditionally exciting meeting will tell a lot more about the coming season.

Mr. and Mrs. James Lavey of Patterson Lake Rd. proudly introduce a recent arrival to their family, Sandra Ann, born Sept. 9 at St. Joseph Mercy Hospital, weighed in at 7 lbs. 4 oz. Sandra has one sister awaiting her arrival home.

As of Sunday, 10-year-old Janet Kellenberger is boasting of a new member at her home: a horse named "Beauty." One-year-old Jimmy Wicker of Ypsilanti spent the past week visiting with Grandpa and Grandpa, Mr. and Mrs. Don Olson, here. The Olson family then took off for two days' camping at Bruin Lake, Sunday evening a birthday celebration at the Olson home honored Jimmy's mother's (Karen's) birthday.

Former Pinckneyite, John Mayne and his fiancée, Miss Kathy Weaver of Gaylord, were in the area visiting with friends. The couple plans an October 2 wedding.

Kay McCumber was hostess Saturday evening at a stork shower for Mrs. Jo Ann Jarvis.

Saturday luncheon guests of Mrs. Florence AtLee were Mrs. Sadie Reed, Mrs. Gladys Clinton and Mrs. Jane Tashch. The ladies had a lovely lunch after which an afternoon of card playing was also enjoyed.

Saturday evening dinner guests of the Ralph Halls were Mr. and Mrs. Ralph Gustafson of Warren, and Mr. and Mrs. Lon VanSlaambrook of Gregory.

Mrs. Gladys Clinton of Pinckney and Mrs. Ralph Clinton and daughter Phyllis of Lincoln Park took a three day trip to Toronto to see the Canadian Exhibition and went on to Niagara Falls.

Mrs. Clinton's sister, Mrs. Bessie Fishbeck of Pleasant Lake, and a niece of the Clintons, Mrs. Peter Duncan of Jackson, spent a day visiting here last week. On Tuesday Mr. and Mrs. Cass Clinton spent the day at the home of Dr. Martin Clinton in Detroit. Since the doctor and Cass are brothers and since their birthdays fall on the same day, a celebration was in order.

Monday, Mrs. Clinton and Mrs. John Ruttman of Fowlerville enjoyed lunch at Webers in Ann Arbor.

The John Burgs returned home Sunday evening after their weekend in Lovells. Joel Burg spent some time in Lansing at the State 4-H Show

Two Brighton boys, Ross A. Russell, 16 of 6465 Forest Beach road and James W. Hatswell, 19 of 728 Spawker road, are dead, as result of a needless automobile accident early Saturday morning. Driver of the car was Ross' brother Kenneth Russell, 22 who was seriously injured as was James D. Lee, 18, another passenger in the car.

Stunned Brightonites both young and old, milled about the wreckage of the auto after it was towed back to Brighton, and shocked curiosity seekers were still clustering about the wreckage Sunday. Some of them took the trouble to drive out to the accident scene where Rickett road ends at Winans Lake road. Their reactions were varied, yet the same in one respect. All commented "It was so useless!"

The four boys were driving in Brighton at about 1:30 a.m. and sped past Brighton policeman Clarence Siegle.

Siegle reported that the car was going approximately 50 miles an hour in a 25 mile zone and had run a red light when he noticed it. He reported that he had to make a U turn on Grand River before he could give chase, and by that time the speeding car carrying the young men was half way out Rickett road he clocked it at 105 miles an hour.

Siegle said that he couldn't get close enough to see the license plate and he reports that he wasn't even sure at the time what make of car it was. Siegle reported that his patrol car reached 120 miles an hour, and that even at that speed he was losing the other car, and then it was over in less than three minutes the speeding car ran out of road, and the race ended with boy's car plastered against an embankment at the end of Rickett road on Winans Lake Road.

Several who came to view the wreckage, blamed Siegle. "This wouldn't have happened if he weren't chasing them" they murmured as they examined the wreckage from several angles.

Another man, who was a distant relative of one of the victims was in agreement. "I think the officer was at fault. He should have known that kids in a car like that would try to outrun any patrol car, all he had to do was wait, and they'd have come back into town."

Still another man was of the opinion that all chases should be stopped if they reached speeds higher than 100 MPH.

Most of the spectators stood behind Siegle however. Typical comments were, "You can't hold it against Siegle, it could happen."

## Putnam Chest To Reorganize

A re-organizational meeting has been called for Sept. 22 at 7:30 p.m. at Putnam Township Hall so that a Community Chest will be ready for an October united fund drive.

Hamburg and Putnam townships split their joint Chest organization last summer, leaving only four Pinckney members to carry on: Mrs. John Colone, Don Swarthout, Don Gibson and Mrs. Ralph Hall. Mrs. Colone has asked this core of workers to meet with representatives from every civic and church organization in the area to form a new Chest and immediately launch a 1965-66 campaign.

The Hamburg section of the former Chest board has as its chairman Mrs. Donald H. Kaump. A chairman of the local group will be elected at Wednesday's meeting.

The hope is that a realistic goal may be set for Putnam township so that a successful year may be met within a few years. In this way no worthy agency need be "let down" by local citizens due to the change-over. It will take diligent work by many people to accomplish almost overnight what usually takes months of forethought.

### Mrs. Glenn Jelks

Baskets of white gladiolus and mums decorated the altars of St. Joseph's Catholic Church in Howell on Saturday, September 4, for the double ring wedding ceremony of Elizabeth Anne Brady and Glenn William Jelks. The Solemn Nuptial High Mass ceremony was performed by Rev. Clair J. Berry, cousin of the bride, with Rev. Leroy White and Fr. Leo assisting. The Patal blessing was read by Fr. Pearl, S.J. Mr. and Mrs. Joseph V. Brady of 328 Lake Street, Howell, are the parents of the bride. The bridegroom's parents are Mr. and Mrs. William H. Jelks of 1301 Carob Way, Montebello, California. The bridal gown was of cameo white peau de soie blended with Alencon lace styled with Directoire grace. Pearl tracery frosted the sprays of Alencon which etched a rose motif over the fig-

ure-molding bodice, designed with brief sleeves and crescent curved décolletage dipping to a graduated tiered back with traditional buttoning. Beneath the highrise arched waistline, the semi-belted skirt, gartered with jeweled lace, swept from clustered gathers to a court train. With this she wore a family mantilla veil of delicate handwoven Chantilly lace, framing her face in petal scallops. She carried a cascade arrangement of white orchids, roses, stephanotis and ivy. Her father accompanied her down the aisle. Mrs. James R. McGettigan of Cupertino, California, served as her sister's matron of honor and bridesmaids were Mary Kay Amberg of Stamford, Conn., Kathleen Brady of Grosse Pointe (cousins of the bride), Mrs. Ward Walter of Iowa City, Iowa (nee Barbara Hubbel of Howell) and Mary Van Winkle of Howell. Miss Martha Mann of Ann Arbor, cousin of the bride, was junior bridesmaid. All six wore matching long empire gowns designed with a deep pink velvet bodice and a lighter pink brocade A-line skirt. The back was accented with a bow and streamers which reached the hem of the long skirt. A matching Dior bow of the velvet was worn on the back of the head. They carried crescent arrangements of Rubrum lilies. Mr. James R. McGettigan of Cupertino, Calif., was best man, while seating guests were Erroll McGinny of Portland, Oregon; Edward Miner of Los Angeles, Calif.; Matthew Brady, brother of the bride; Hiroshi Takahashi of Montebello, Calif., and William Peters of Lansing, cousin of the bride. After the ceremony a reception-buffet was held at the Howell Armory with music by the Don Edwards Quartet. Serving at the punch bowl were Deborah Barr, Linda Bath, Susan Schott and Marie Wayne of Grosse Pointe. The five tiered wedding cake was cut and served by Mrs. Harry Hanson (nee

Mary Robb) and Mrs. Joseph Antone of East Detroit, cousins of the bride, and Mrs. Edward Lucas of Flint. The guest book was handled by Jody and Cynthia Barr. The young couple are motoring through the East this month and will establish their home in San Francisco in October where Mr. Jelks is employed by Merck, Sharp and Dohme, Pharmaceuticals. He is a 1965 graduate with an A. B. in physiology from the University of California at Berkeley and a member of Pi Kappa Alpha Fraternity. The bride is a 1965 graduate with an A. B. in biological sciences from the University of California at Berkeley and a member of Alpha Gamma Delta Sorority.

### Local Girl Wed In Carolina

Lea Perdergrass, daughter of Mr. and Mrs. Glen Perdergrass of 7520 Crooked Lake Road, Brighton, exchanged wedding vows with Albert Lee Forbes at 7:00 p.m. Monday, June 19, at the Revival Mission Church, Wilson, North Carolina. Mr. and Mrs. Joseph Forbes of 412 Forest Road, Wilson, N.C., are the parents of the groom who is a Machinist Mate in the U. S. Navy studying at the Aviation Jet Mechanics School in Millington, Tenn. After the ceremony, performed by Rev. Billy Davis before 70 guests, a reception was held in the church. Mrs. Betty Batten and Mrs. David Vick, sisters of the groom, and Mrs. Roy King, cousin of the groom, were the bride's attendants. Miss Tippi Ann Skinner was flower girl and Master Mike King acted as ring bearer. Mr. Glen Wooten served as his brother's best man. The ushers were Mr. Pete Batten, Mr. David Vick and Mr. Roy King. The couple toured the Eastern states for a month and now are at home at Rt. 4, Box 863 Millington, Tenn. The bride is a 1965 graduate of Brighton High School.

**You Pay the Bill**

In these days, federal, state and local taxes take the cream from the earnings and savings of the average U. S. family.

The total tax bill today is a major problem for the head of a family. It must be paid ahead of groceries, clothes, home payments, doctor bills and everything else. It can be no other way. Governments can't run charge accounts for individuals.

Near confiscatory taxes have been brought about by the people themselves. They vote for candidates for office and for public officials who promise them all manner of luxuries for which the various levels of governments, local, state and federal, have no money to pay.

There is only one place for governments to get money and that is from the people. The more the people seek to get from their governments, the higher will go the taxes they have to pay. It is as simple as that.

The people will get no tax relief from governments as long as they swallow the Santa Claus bait of "something for nothing" from the tax spenders. For every handout promised, they will pay through the nose.

If you think federal "gifts" come free, think again — you will get the bill in some old or new form of taxation.

Only you can control your tax bill and mounting inflation by using your vote to restrain extravagance of governments and tax waste of your earnings and savings.

Remember that the bill for all Santa Claus gifts from governments goes to you with your tax statement.

**National 4-H Club Week**

Whatever you're doing and wherever you live — during the week of September 25 through October 2 — you should give atten-

tion, interest and support to an observance that will take place at that time. It is National 4-H Club Week. It would be difficult to praise the 4-H movement too highly. Because of it, great numbers of boys and girls are helped to learn the fundamentals of farming — and farming, in these days, is a combination of business, art and craft. The ancient virtues that are an implicit element in land and nature are combined with the technology of today.

We live in an increasingly urbanized society. Inevitable as that may be, a very great deal of the strength and the character of this nation is found in the rural side of its life. The land, and those who work the land, feed and clothe and sustain us. And there, away from the congested cities with all their problems, is the strongly beating heart of America.

There are no juvenile delinquents in the ranks of 4-H. They carry on those traditions — pride of purpose, fair dealing, independence, consideration for others — that are so vital to that heartbeat.

**Our Food Is Safe**

The farm population and the amount of land devoted to farming have declined over the years, while the population as a whole has soared. Yet our farmers have been able to supply the nation with an abundance of foods of every kind, and of the highest quality. This is one of the remarkable, if little recognized, achievements of our time.

There are a number of reasons why this has been possible. One, and a most important one, is found in the general use of pesticides. These destroy the natural enemies of crops which, in past eras, vastly undermined the farmer's ability to produce. Without pesticides and the other agricultural chemicals in common use, the problem of meeting our demands for food would be critical.

However, some little time ago, there was a wave of fear that pesticides were contaminating our foods and had become a menace to health. Luckily, thorough-going "total diet" studies conducted by the Food and Drug Administration disproved this. The latest of these found that the amount of pesticide residues detected in our foods by today's highly sensitive analytical methods are insignificant from a health standpoint. Pesticide levels found in test samples were generally less than one per cent of the safe legal tolerance, and many of the most commonly used pesticides were not found at all. The tests were made on composite samples representing 12 major food groups including root vegetables, dairy products, and grain and cereal products.

What this means is that the pesticides are safe when properly used — and that the farmers are using them properly. The manufacturers' labels clearly describe the safe ways to employ the products. No one need fear that the foods we see in such succulent abundance in the markets are anything but healthful.

Car manufacturers and dealers contribute vitally to driver education in high schools throughout the country.

**REDUCING TOMORROW'S CRASHES**

Some of today's automobile accidents actually started to happen months or years ago. The mishaps could very well have had their inception in the inadequacies of catch-as-catch-can driver-instruction given to those behind the wheels of the cars involved.

It is gratifying to note, therefore, that the availability of accredited driver-education courses in high schools across the nation is escalating; that some states have made it compulsory.

The school training goes far beyond the mere mechanics of the driving operation. Students are made safety-conscious by thorough classroom drilling in careful driving rules and regulations. Included are text book theory, written projects and films on proper driving attitudes and behavior. A standard minimum course consists of 30 hours of classroom work and six hours of practice driving.

The whole idea is to instill a deep sense of responsibility in the trainee for the life, limb and property of the car-riding public and pedestrians.

These courses are expensive to operate. The amount spent annually in the schools in 31 states providing driver education has reached \$75 million.

A large share of the cost, according to the Automobile Safety Foundation, is borne by automobile manufacturers and dealers, as a public service. For instance out of the 15,284 cars used by schools for practice driving, 9,778 are loaned by local dealers.

It seems to us that the automobile industry merits commendation for this and its many other vital aids to the achievement of greater safety on the country's thoroughfares.

**TODAY'S INVESTOR**  
 BY THOMAS E. O'HARA  
 Chairman, Board of Trustees  
 National Association of Investment Clubs

Q. What is a "closed-end investment trust," and do you consider it a good place for me to put my money?

A. A closed-end investment trust is a company that uses its money to invest in other companies rather than manufacturing a product or providing a service itself. Its purpose and activity is much like the popular open-end investment trusts or mutual funds, but its shares of stock are handled quite differently. A closed-end fund has a set number of shares and these shares may be listed on an Exchange and are bought and sold like the shares of any other corporation. If you want to buy shares in such a trust after the original date of issue, you must bid for them on the open market, just as you would for the stock of any other company.

For this reason, the shares of a closed-end investment trust don't necessarily sell at their net asset value. They may sell either above or below it, depending upon how many investors are bidding for it and how many are willing to sell it at a given price.

Open-end trusts, on the other hand, issue new securities as money for investment comes to them, buy them back again when an investor decides to liquidate. As a result, open-end trust, or mutual fund, securities always sell at their net asset value.

Many closed-end investment trusts have earned a good rate of return for their investors, and when they can be bought below their net asset value the investor would certainly seem to be getting a bargain.

Q. Please discuss penny stocks.

A. I will, if we can proceed on one premise: "penny stocks" — that is, those selling from a few cents to around \$1 a share — usually have a great deal of risk connected with them. I'll admit there has been, and likely always will be, a high degree of romance attached to penny stocks. Many people are naturally attracted by the idea of getting a lot (in quantity, if not quality) for their money and

they are intrigued by the prospects of phenomenal growth — the good old get-rich-quick or something-for-nothing lure.

Just enough penny stocks — which are most common in the highly speculative oil and mining industries — turn into good investments to act as a magnet for those stock buyers who are really gamblers at heart. But by far the greater number of such stocks end up worth less than the paper they're printed upon.

Many reputable brokerage firms refuse to accept orders to purchase penny stocks. Others, if they do consent to handle such transactions, demand a letter from the customer stating that the stock is being bought at his insistence.

Remember this: You must realize that you're speculating not investing when you start buying them. I'd say your chance of hitting on a really good penny stock and clearing up is about the same as buying a ticket in a lottery.

Q. My father died recently. Going through his papers, I found some bonds issued in 1923 by a Chicago suburb. I had never heard him mention them, and want to know if they have any value.

A. The best way to find out is to take the bonds to a reliable brokerage firm. They have the facilities to check on them and should be able to give you a report within about a week. My guess is that you'll find they're valueless; but don't destroy them until you've made certain.

**County Loans**

Livingston County has been designated as an emergency loan area, the designation to extend until December 12, 1966. Emergency loans are authorized to established farmers who are unable to obtain needed credit from other sources. Applications for the loans will be handled through the local county office of the Farmer's Home Administration. This area is being so designated as an emergency loan area because of damage to crops and pastures this year.

**Point Of View**

Communication is the biggest missing link in our human relations chain beginning with the individual family rights on through county, state, national and international governments. People may converse but only rarely do they truly "communicate." Here is a quotation (author unknown) that typifies my point:

"I know you believe you understand what you think I said, but I am not sure you realize that what you heard is not what I meant." Oh Lord! How true. Sidney Harris, Free Press Columnist wrote last week. "Two men may argue about 'democracy' for an hour without ever realizing that they are arguing about two different things-for neither has tried to define the word rigorously and consistently, even to himself."

"There is no Doubt that 'democracy,' for instance, has a tremendous range of meanings—one in Maine and one in Mississippi, one in England and one in Egypt, one in the country club and one in the bowling alley, one in the landlord who writes a lease and one in the tenant who signs it."

There is another Classic example of lack of communication. This one concerns a young married couple and what sometimes happens to their communications. Young wife kissed young husband good bye to speed him off to his job this particular morning. Later in the day she went in town to do her shopping and enroute espied a cute little Doberman Pincher puppy. She petted and fondled the youngster and went her way. All the rest of the day she mused on how pleasant it would be to have a duplicate of that little Doberman pup to raise and have for company throughout her lonely day.

That night after dinner and dishes she said to her husband, "Darling, let's buy a Doberman puppy." She was crushed when her husband, whom she thought would deny her nothing in reason, snapped, "nothing doing I wouldn't have one of those (blankety blanks) in the same block with me if I could help it."

What young wife didn't know was that very same morning on his way to the bus a big, full grown, rowdy Doberman had jumped up on him with dirty front paws and made a mess of his top coat.

What young husband didn't know was that loving young wife had experienced the puppy episode and that it filled her void of daytime loneliness and for something to mother. No communication.

The other day a Technical Engineer dealing in precision equipment told me, he and his Company had discontinued talking to technicians and each other in terms of decimal equivalents such as "add or minus two, ten thousandths of an inch," but used instead the terms "point zero zero two."

They did so because they found too often the communication was in error but when the technician was asked, how many zeros, almost immediately the error was caught. Personnel and management consultant people are constantly researching to learn how inter-departmental people can communicate more precisely with each other. Even a simple functional order can often be completely misinterpreted.

Realizing these communication weaknesses at these levels, it is easy to understand what a problem our various nations have when the language barrier, strangeness of customs and national origin differences add to the confusion.

And while we're on this business of communication let me add it includes the written as well as the spoken word. Awhile back, Judd Arnett in his Free Press column interviewed Arjay Miller, President of Ford Motor Co. He had this to say of the hundreds of college grads Ford Motor interviews and hires each year.

"Most are rather punk when it comes to written communication," says Mr. Miller "They can't put on paper what they want to say." We ought to spend as much time on grammar as we did on math after the Russian scared us with their Sputniks." Educators take note!

**Letter to the Editor**

Dear Mr. Editor:

Please accept my sincere congratulations on your recent editorial relative to parking meters.

Certainly many thousands of dollars that should have been spent in Brighton have gone elsewhere simply because a mechanical gadget we call a parking meter stands there very calmly in front of every shop and to its own immutable way says "scram."

Many people drive out of their way to spend money just to keep from putting their pennies in the cantankerous gullet of that "gadget." Who suffers? Why the Brighton business man of course.

This parking meter program is just another tax. And why we ask, are we being forced to pay a parking tax to leave our cars in an area that our taxes are used to maintain. A very puzzling condition. We pay, forcibly, a tax to park our cars on a street constructed and maintained by taxes to shop in a store where we pay additional taxes for the privilege of spending our dollars.

Don't blame the Police Department, as they are merely following the orders given them by the city fathers who apparently haven't given much thought to the damage sustained by the Brighton business people as a result of those orders.

However, this situation is not indigenous to Brighton as many other cities are hounded by the same problem. Taxes, Taxes and more of the same. This can mean the ultimate ruin of all Americans. My fellow citizens, please stop and think for your own good. The editor enumerated items on which we are paying a tax. However, he failed to include the idle money we carry in our wallets, pockets and purses. That is right. This is money borrowed from the International Financiers and even through you carry it and claim ownership, you must still pay for that so called "ownership" privilege.

I wonder how many people are aware of the fact that there are two kinds of \$5.00 bills. One is the Abraham Lincoln Greenback or the US Government note on which we do not pay interest. The other is the Federal Reserve note on which we do pay interest to the International Financiers. Is it any wonder with a National debt of over \$300 billions, that we tax payers and the tax assessors and collectors are spinning like tops? But then this really isn't enough. Along comes Mr. Parking Meter to add to our woes.

Why not eliminate some of the tax burden? Let's junk the meters from the front of our business places.

Very truly yours,  
 George Almsby

**DEAR EDITOR**

I quote from the Annual Report for the year 1961 of the House of Representatives dated November 5, 1962, entitled "HOW INDIVIDUAL AMERICANS CAN FIGHT COMMUNISM."

Many people believe that they need not worry or do anything about the problem of Communism because appropriate governmental agencies are taking care of it. Others feel that the only threat posed by Communist forces in foreign countries, others feel that the best way to dispel communism is to ignore it and pretend that it doesn't exist.

It must never be forgotten that the U.S. Communist Party is also a part of Moscow's Army that is carrying on the same basic attack on the United States within our borders that the foreign Communist forces are waging against us from without; and that its activities are carefully coordinated by the Kremlin with those of all other troops.

The U.S. Communist conspiracy, then, must be fought, too. To ignore its operations and give it free rein could have the most serious consequences. The American people must be made to understand that this Communist war is total, involving both internal and international Communism. The attack is both from within and without. The counter-attack must be the same.

While the House Committee on Un-American Activities and the Senate Internal Security Subcommittee have found Communists operating in nearly every important phase of American life, Government, Armed Forces churches, in the legal and teaching professions, etc., it is impossible for these two small congressional bodies to obtain and give the American people of our 50 states the knowledge of local Communist activity which they may have if they are to play the role they should play as good citizens in combating this conspiracy.

The most dangerous type of Communist activity is the day-to-day, semi-concealed party agitation and propaganda work that is being carried out in the cities, towns, villages across the

country; in schools, in trade unions, in the press, in industry and in clubs and organizations of all kinds. This is the fifth-column weapon with which the Communists have subverted other nations and weakened them for the kill. It must be fought on the community level by Mr. and Mrs. America; by businessmen, labor leaders, educators, clergymen, municipal officials, the press, people in all walks of life.

Americans cannot possibly comprehend what we stand to lose, should we ever yield to international communism, unless we first fully understand and appreciate what we have. Do you want to be an intelligent, effective, anti-communist? Then know your America, and do all in your power to see that every other American knows it as well as you do.

The following suggestions would have to be included in any meaningful individual or group program combating communism:

GET THE FACTS. Study communism. You can't fight an enemy you don't know.

ACT. Knowledge that is not put to use is wasted.

GET THE HELP OF OTHERS. Two heads are better than one. Ten are more powerful than two.

ORGANIZE your helpers and PLAN your action.

BE SCRUPULOUS about your evidence.

NEVER BACKTRACK. Stick to your guns. Although unjustly attacked, never retreat.

THE TRUTH AND EXPOSURE are your most powerful weapons.

Don't forget the POWER OF THE PURSE. Don't support those who support Communism.

This is good, reliable advice and counsel coming from the United States House of Representatives (87th Congress, 2nd Session.) It can happen here and it is happening here!

P.H. MacBride  
 (Editor's Note: Mr. MacBride's letters to the editor express one side of a debated issue. If his letters are of interest to our readers we would appreciate letters from you expressing your opinions on the subjects he writes about.)

**Congressman Wes Vivian Reports**

Last week I reported on the assistance which had been rendered to victims of the Palm Sunday tornadoes by the Federal Office of Emergency Planning. Reference was made, in Governor Ellington's letter, to assistance which had been given by the United States Department of Agriculture. I should like to report on this USDA assistance in this column.

In Lenawee County, a total of one hundred and seventy-five farmers applied for funds to assist them in clearing farmland and rebuilding fences. Aid in the amount of \$83,300 was allocated by the USDA to provide assistance up to 80% of the total cost of this work, on privately-owned land. In Monroe County, five farmers applied for such aid, and a total of \$3,164 was allocated to them.

In addition, fourteen farmers in Lenawee County applied for and received feed livestock feed grains. The total amount of grain provided was 2,427 bushels. Additional feed grain was offered for those who needed it, at reduced cost.

In the two counties, there were a total of twenty-one applications for emergency housing loans. Fifteen of these loans were ultimately provided from other sources. The Farmers' Home Administration made loans to the other six applicants, in the total amount of \$85,500. Finally, there were two applications for emergency operation loans, and a total of \$28,500 was allocated for these two applicants.

As was pointed out in Governor Ellington's letter a great deal more help would have been provided, had not eighty-five per cent of the individuals affected by the tornadoes been covered by private casualty insurance.

**GOVERNOR ROMNEY REPORTS**

I am happy to report that the state's surplus stood at \$135,500,000 at the end of the 1964-65 fiscal year June 30 — \$7,500,000 more than was expected.

This is good news. The State Controller informs me that most of the added surplus is a result of administrative efficiency and improved management of state government, which has been a major goal of my administration.

In addition, our Michigan economic growth continues to run well ahead of the rate of national economic improvement, and revenue collections continue to set new records. This, too, is good news.

But these facts still do not change Michigan's basic financial picture. They should not lead us to believe that we are adequately prepared to meet our growing future needs.

First, there is not certainty that Michigan's economic growth will continue at a record pace for three more years. As a matter of fact, the slippage in August tax collection improvement from auto sales should remind us that economists generally expect a slackening in the rate of automotive expansion.

Second, Michigan's tax structure is unjust and needs improvement without regard to the need for added revenue.

Third, population and the resulting rise in the cost of education, health and other state services has exceeded the rise in revenues from our present tax structure — despite the unparalleled rates of economic and revenue increase.

Fourth, implementing funda-

mental tax reform on an orderly, efficient basis requires more than a year after such a legislative program is enacted. To be certain that we avoid an unmanageable financial crisis, we must do our financial planning on a two-year basis until we have an improved tax structure.

The latest improvements in our revenue and surplus figures do not change our basic financial situation. We still need tax reform, and we must have fiscal integrity — we must pay for what we spend.

In the absence of tax action, we will run a very tight ship of state through 1966 and 1967, making whatever reduction in the level of public services may be required to live within available revenues and surplus, if the funds available make this course of action necessary. It is essential that the Legislature take needed tax action before we exhaust our surplus.

In view of our recent progress in the effort toward ultimate legislative action on a bipartisan tax reform program, the latest revenue and surplus figures for last year take on a special meaning. There is no question that the continuing improvement in our state's fiscal picture will make it even more of a miracle if we achieve tax action, including reform — but I still believe in miracles.

However, I for one do not believe that the improvement indicated is reason for shortchanging our state by being shortsighted in our approach to our basic needs in education, mental health, water pollution, youth programs, law enforcement, parks and recreation, etc.

**MICH. LAW**

By Attorney General Frank J. Kelley

(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

December 31 is an important date for most Michigan residents. Each year on that day all real estate and personal property is assessed for tax purposes. The tax is for the current year and not the following; thus, if the taxpayer sells or otherwise disposes of the property on the next day, January 1, he is nevertheless taxed on the property he owned on the prior day, December 31.

Each district levying a tax has its own assessor or assessors and board of review. The assessor determines the value of the property to be taxed, its location and who should pay the tax. The board of review in each district determines whether the assessor's decision is fair and uniform. The assessor is not required to give the taxpayer notice of the results of his assessment.

If a taxpayer does not agree with his property's assessment, he may protest to the local board of review. The board's first session is held on the Tuesday following the first Monday in March. The second session is held a week later. Usually the second session is set aside for taxpayer's complaints. Detroit taxpayers first protest to the Board of Assessors.

If that board's ruling is unsatisfactory to the taxpayer, he may appeal to the Detroit Common Council. If the taxpayer is not satisfied with the decision of the Board of Review, he may file a written protest with the State Tax Commission. This protest must be filed before the first Monday in May.

## PLEASANT VALLEY NEWS

Vergilne Housner

Mr. and Mrs. Bob McDuff and children and the latter's grandmother, Mrs. Harold Seger were Sunday September 5 luncheon guests of Mr. and Mrs. Holis Swartout and family of Pinckney. Earlier that day they called on Mrs. Segers brother-in-law and sister, Mr. and Mrs. Clare Swartout of Gregory. Holis is Mrs. Segers nephew.

Sunday, September 5, Mr. and Mrs. Donald Warner and daughter Donna drove to Flint where they spent the afternoon and evening visiting Mr. and Mrs. John Stahl and family, former Brighton residents.

Mrs. Peter Leitz will entertain the members of the Pleasant Valley Social Club at her home this afternoon. A 1 o'clock dessert luncheon will be served by the hostesses.

Get well wishes are sent to Mrs. Frank Davis who is a patient at Bonnie View Convalescent Home in Howell. Mrs. Davis is the mother of Mrs. Thelma (Don) Werner. Cards would be appreciated by Mrs. Davis, from her many friends in the Brighton Area.

Russel Morgan is slowly convalescing at his home since his hospitalization and surgery this past July.

The members of the Pleasant Valley Farm Bureau will meet at 8 p.m., Thursday, September 16 at the home of Mrs. Franc Crawford.

Mrs. Joe Ellis will entertain the ladies of the Second Friday club at her home Friday, September 17th.

Bill Ellis has been enjoying a 15 day furlough at home with his parents, Mr. and Mrs. Joe Ellis. Bill, who is with the United States Navy, left Sunday for his new base at Norfolk, Virginia. While home here, he and his mother drove to Battle Creek one day and visited his brother-in-law and sister, Mr. and Mrs. Michael Frazer and children. His other brother-in-law and sister, David and Joan Bellmard and niece Kelly Jo and Sally are now living in Memphis where David was transferred with the US Navy from Norfolk, Va.

Deepest sympathies extended to Mrs. Fred Green of 506 East Grand River in town whose husband passed away recently at the Bonnie View Nursing Home in Howell. Mr. Green had been ill for several years. Burial was in the New Hudson cemetery. Besides his wife as survivor he leaves a son Wilford of New Hudson and six grandchildren.

Mr. and Mrs. Franklin Anderson and family spent the Labor Day weekend at their cottage near Lewiston.

Mrs. Diane Housner and Mrs. Roberta Edwards accompanied their granddaughters and son, Mrs. Ed Faussett and Mrs. Wayne Probst and son Dewayne to Ann Arbor last Thursday.

## TRI-LAKE NEWS

## TR- LAKE NEWS

Velma Bafford 229-9771

Welcome to Miss Tamara Bernice Christensen of Briggs Lake Tammy, who was born August 28 at St. Joseph hospital in Ann Arbor, is the new little daughter of Mr. and Mrs. Kenneth Christensen of E. Grand River. She tipped the scales at 7 pounds, 10 ounces. She is now holding court at home with her parents, two brothers, Kevin and Matthew, and her sister Karen.

Mrs. John Brewster of Briggs Lake and her son Mike Kelley of Detroit, returned home from a 14 day trip to Mt. View, Calif. where they visited Mr. and Mrs. James Hendry. Mrs. Hendry is the former Pat Kelley. While in California, they visited Sonora, Lake Tahoe, and the Jack London country. Of course, they also had a big day in San Francisco. Mike, who has enlisted in the Naval Reserve, will soon be going in service.

Mr. and Mrs. Tom Brewster and sons, Ricky, Robbie and Rusty left Thursday, September 2, for Belfast, Ireland after a visit with the John Brewsters. Tom is Mr. Brewster's son. He was sent to Ireland a year ago by the Ford Co. and will be there another year.

Guests at our home Saturday, September 4, were Mr. and Mrs. Jack Borders and three children of Detroit. Mr. Bufford and Mr. Borders had planned a canoe trip on the Huron River, so in spite of an overcast sky, they took off. Steve and Mary Borders, Karen Bufford and Sandy Wilkinson went with them. Needless to say, all received a thorough soaking before they came home. However, everyone declared they had a great time.

"Snakes Alive!" was the battlecry of Mrs. Eugene McCann of Fonda Lake one day last week. Mrs. McCann was walking on Superior after a visit with Mrs. Ida Williams when a snake jumped at her, winding itself around her foot. After shaking it off, I imagine she set some sort of track record getting to the corner where the men were pitching horseshoes. After killing it, they took it to the Conservation Department where they found it was a red King snake. This snake is not dangerous, Conservation says, and actually cuts down the rattler population.

From our shut-ins: I was glad to hear that Mrs. Robert Foster of Briggs Lake is feeling better and is able to get around more now.

Mrs. Velma Beach continues to improve. Her mother, Mrs. Adam Sayles of Morroe has been staying with her the past week.

Mr. James Sutherland, who is in the Veterans Hospital in Ann Arbor is getting around more since his transfer here.

Mr. John Danich of Island Lake, who spent ten days at McPherson Health Center, returned home September 8, and is improving slowly.

Labor Day weekend guests at the B. A. Witting home on Fonda Lake were Mr. and Dale Witting and son Terry of Kalamazoo.

Sandy Swiencki, daughter of Mr. and Mrs. Chester Swiencki of Fonda Lake, still has a cast on her arm. Sandy fell from a slide, breaking her arm, August 29.

Mrs. Swiencki received a letter from her son, MM3 Larry Swiencki aboard the USS Ozburn, headed for Vietnam. He left the States August 20, the Ozburn escorting an oiler to Japan. At the time he wrote, the ship was in the Pacific between them and Japan. Larry is his second tour.

One of the highlights will be a panel discussion which will cover the area all the way from newspaper and radio advertising to the best way to open a new branch.

Milo J. Cross, president of the Michigan Bankers Association, and chairman of the board of the Pontiac State Bank, will preside at the Wednesday banquet.

Any speaker, or writer, who pleases everybody, says nothing.

More than 200 Michigan bankers and their wives, among them Mr. and Mrs. Whitney Kumble of Brighton, are expected at the fourth annual business development conference being held at the Park Place Motor Inn in Traverse City, Sept. 15 and 16 by the Michigan Bankers Association.

Mr. and Mrs. James A. Berry of 7884 Hamburg road entertained the members of the Let's Get Together Club at their home today for a pot luck dinner.

Congratulations and best wishes to Ralph Miller who recently retired from General Motors Proving Grounds near Milford where he has been employed for many years. Ralph was a special test driver with Buick and will now be able to just relax and enjoy his favorite hobby of fishing and hunting.

A speedy recovery is wished for Mrs. Floyd Gross of 731 S. 3rd Street who is convalescing at her home since recent hospitalization.

## Notice of Adoption of UNIFORM TRAFFIC CODE

Notice is hereby given that pursuant to the provisions of Act 62 of the Public Acts of 1956, State of Michigan, the Uniform Traffic Code for cities, townships and villages was adopted by reference by the Village Council of the Village of Pinckney on the 1st day of September, 1965.

The purpose of such Code is to regulate the operation of vehicles, to provide for the regulation and use of streets, highways and alleys and other public and semi-public places within the Village of Pinckney and to provide penalties for the violation of said Code.

Complete copies of the Uniform Traffic Code are available at the office of the Village Clerk and in Pinckney Library for inspection by and distribution to the public at all times.

No further or additional publication of the Uniform Traffic Code is required or contemplated. Dated: Sept. 1, 1965.

ALICE GRAY, Village Clerk

# Check the many extra jobs a modern GAS DRYER can do for you...

**IN ADDITION TO ENDING LIFTING, LUGGING AND HANGING CLOTHES ON WASHDAY!**

- **VALET SERVICE** - wrinkles can be removed from corduroy, velveteen or wool garments by placing them in dryer for short tumbling period with damp sponges or bath towels. Place sponges or towel in dryer before putting in clothing to build up steam. Use medium heat setting. Bath towels leave lint on dark cottons, so damp, color-fast sponges are best. There must be moisture to release wrinkles and prevent shrinkage. Remove garments before completely dry and hang on wooden or plastic hangers until completely dry.
- **FLUFFING OR DUSTING** draperies, chenille bedspreads or other articles that need airing. Place in dryer on "no heat" setting and allow to tumble for 5-10 minutes.
- **REMOVING MOTHBALL ODORS** from clothes that have been stored. Use "no heat" setting and short tumbling time.
- **BATHING SUITS & SNOW SUITS** can be dried in preheated dryer with bath towels (which have been in dryer during preheating). Dark towels are advisable with dark fabrics.

# Landmarks of a Great People

This is one of the snapshots from my vacation trip. Friends ask why I made this the frontispiece in my album rather than that shot of the bald crest of Mt. Marcy — or the telescopic close-up of the Old Man of the Mountains.

Sure, I know this scene is commonplace. I saw a hundred villages with their white steeples peering above the trees and their comfortable old houses nestled around the church. And each one had a pond with pines and birches guarding its shore.

But this picture says more than all the others. It speaks not just of beauty and natural wonder . . . it tells of a good land populated by a great people. It reminds me of God . . . and of my neighbor. It whispers that all I cherish can endure for generations.

The landmarks of a great people proudly point to Faith. The Church belongs at the center of our life. But only you and I can keep it there!

## THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Hell To Play At Pinckney

Kern Charbonneau, coach of the Dam "U" Pigskin artists at Hell, announces the first game of the season is scheduled against the Pinckney All-Stars at Veterans Field in Pinckney on Saturday, Sept. 25, at 7:30 p.m. under the lights.

Proceeds of the game will be turned over to the Pinckney High School Athletic Fund. Charbonneau realizes he has a difficult job in making a showing of any kind against the rugged All-Stars led by Coach Julius Aschenbrenner and Co-Captain Phil Gentile, who have been working out their charges in an effort to reduce sizable poundage.

The Green and White Hell unit expects to be all fired up for their initial encounter, years interested in taking on DAM "U" should write Kern Charbonneau, care of the Hell Chamber of Commerce, Hell.

## Hamburg Happenings

We would like to extend our sympathy to the family of Mr. Malcolm Rutledge of Hamburg who passed away Wednesday morning. The funeral was held at 1:30 p.m. Saturday. Mr. Rutledge owned and operated Scotty's Laundromat in Brighton.

The Lakeland Pinocchio Club No. 2 will start the fall season Wednesday Sept. 22 at the home of Mrs. Clara Edwards on Kress Rd.

Mrs. Agnes Tepatti, former owner of the Blue store, is in St. Joseph Hospital in Ann Arbor undergoing tests and observation. I'm sure she would like to hear from her friends.

Mr. and Mrs. James Vasher had their 14th wedding anniversary last week and had as their guests from Advance, Indiana, her parents Mr. and Mrs. Louis Lay.

Mr. and Mrs. John Schroeder of Bishop Lake Rd. were dinner guests at Mr. and Mrs. Edward Linderman's summer home at Portage Lake. Mr. Linderman and Mr. Schroeder went to Brooklyn, Mich. to visit Mr. Henry Linderman.

Mr. and Mrs. Duane Leach and children and Mr. and Mrs. Vale Jacoby and children of Detroit spent all day Sunday at the Detroit Zoo.

Enjoying a corn roast at the Leaches home Friday night were Peg and Ken McConnell, Larry and May Wallace, Jerry and Shirley Fisher of Whitmore Lake, Ruth Ann and Jack Marryfield of Brighton with their cousin from New York, and Jim and Pat Belbeck of Belleville.

Mrs. Duchane and son and her mother and father, Mr. and Mrs. James DeWolfe and Mrs. Fred DeWolfe had cake and coffee at the home of Mrs. Vance Wiseman to celebrate the birthday of Helen Janke.

The Winans Lake Service Club will hold a rummage sale Friday Sept. 24 from 5:00 to 8:00 p.m. and Saturday the 25th from 8 a.m. to 3:00 p.m. at the Rebecca Lodge on Main St. in Brighton.

The Reverend Carl Welser moved into his new parish last week next to the church.

A double birthday dinner was held at the home of Mr. and Mrs. Richard Becker to celebrate the birthday of Allan who was 11 yrs. old on the 10th of Sept. and his grandmother, Mrs. Walter Grey whose birthday was on the 15th.

Mr. and Mrs. Richard Eggert had an anniversary the 16th of Sept. It was their 4th.

Mr. and Mrs. Kenneth Coats returned from a 10 day trip around Lake Superior. They stopped overnight at Terrace Bend, Ontario. They then went to Duluth, Minn., where they visited the Mesabi open pit Mines. They could see down 600 feet where the men were working.

They then went to Madison Wisc. where they attended the wedding of their Nephew,

## Brighton GI In Germany

WILDFLECKEN, GERMANY — Army PFC William C. Young, son of Mr. and Mrs. Kenneth E. Young of 622 W. Main st., Brighton, Mich., is undergoing three weeks of intense field training at Wildflecken, Germany.

Young, a rifleman in the 2d Battalion, 9th Infantry, left Berlin to undergo battalion level training in the Rhoen Mountains of West Germany.

He is taking part in live-fire exercises and problems to determine his combat readiness.

Young entered the Army in September 1964, completed basic training at Fort Dix, N. J., and arrived overseas in February 1965.

The 18-year-old soldier attended Brighton High School.

## Hartland Grads Off To College

A large number of the 1966 graduates from the Hartland High School are freshmen this year in various institutions of higher education. Among them are:

Michigan State University: Cindy Hull and Gilbert Joy.

Flint Junior College: Randy Piron, Claude Remsing, Christine Almand and Anna Suidberg.

Eastern Michigan University: Dorothy Youelis, Tom Risher, Phil Johnson, and Barbara Thomas.

Ferris State College: Kathleen Christensen, Jacqueline Piron, Nancy Schaefer, and William Klein.

University of Michigan: Kathy Ottwell and Lynn Frisbey.

Sam's Technical Institute in Indianapolis, Ind.: Alfred Gure.

Data Processing School, Detroit: Sharon McGinley.

Pontiac Business Institute: Sandra Garrison and Kathy Wiles.

## Hartland Scouts Back From Camp

Nine scouts from Hartland Troop 54 attended summer camp for a week at Bruin Lake Scout Reservation. Those attending, along with their Scoutmaster, Robert Perkins, were Senior Patrol Leader, Bob Perkins, Jr.; Assistant Patrol Leader, Albert Robertson; Karl Endebrock, Phillip Foley, Michael Gurnee, Joseph Nicholes, Ricky Perkins, Franklin Robertson, Jr. and Kim Stanley.

## Girl Scout Head

Mrs. Patricia J. Yinger has been named the new executive director of the Huron Valley Girl Scout Council.

Mrs. Yinger, the former executive director of the Tulip Trace Council in Bloomington, Ind. became a professional Girl Scout five years ago because she believed in the future of the movement.

Mrs. Yinger is convinced that the young women of today receive something extra in their lives, a broader understanding and insight in the total picture of living as a successful citizen and community member.

## Green Oak

A special meeting of the Green Oak Township Board was called to order at 8:15 p.m. on September 7, 1966, by Herb Munzel, Supervisor. Other members present were Ray Lanning, Gerald Sixbey, Pauline Kravetz, and Mona Wenzel.

Problems of the township were discussed, such as purchasing Green Oak Signs, Saxony Water problem, redoing the kitchen, etc. No action was taken on any of them.

Meeting was adjourned at 9:30 p.m.

**Pat Reynolds admits she was wrong!**

(She was sure electric dryers were more expensive. Then we showed her these money-saving facts.)

- 1 Gas dryers cost a couple of pennies less per load to operate; we'd be the first to admit it. But with electric dryers you still come out ahead. Read on.
- 2 Electric dryers cost less to buy. Model for model, prices run about \$20 to \$40 lower than gas dryers.
- 3 And now, for a limited time, this lower price includes installation and wiring, if needed, when you buy from one of the many dealers participating in this special sales event.
- 4 Electric dryers cost nothing for electrical repairs or labor. Gas dryers? Well, you can get a manufacturer's repair service policy—but it will cost you up to \$120 over the first five years of operation alone. Of course, if your dryer is electric, Edison comes out, repairs electric operating parts, and leaves without leaving you a bill! (It's the only no-charge dryer repair service offered by a utility company in this area.)

Add up ALL the costs and you'll see what Pat Reynolds saw —electric dryers actually cost less to own.

### Radio Buffs Form Club

A new C. B. Radio Club has been formed in the Livingston county area, known as the Michigan Wolverine Radio Club, Livingston Chapter.

The primary purpose of this club is to unite citizens band radio operators throughout this area and pledge them to use their radios to help anyone in any emergency. The secondary purpose is the education of all citizens band radio operators, in Courtesy, Correct Procedure and F. C. C. Rules.

An emergency unit is to be formed consisting of members trained and graduated by the American Red Cross in giving aid to the injured. Mobile units belonging to these members will be equipped for any needed emergency. The units will cooperate with all sheriff's departments. Headquarters are in Hell, Mich.

Every year, Americans eat new record amounts of cheese. In 1964 the average per capita consumption was close to nine and a half pounds per person.

### MICHIGAN + MIRROR +

Unfortunate consequences of teenage drinking are seldom considered by the violators, especially if the warnings come from parents, school authorities and other officials.

The one group getting short term gam from this law violation now hopes that perhaps teenagers will listen to its plea for a realization of the hazards. This group is the alcoholic beverage industry.

The trade publication, "Michigan Beverage News," is conducting a campaign aimed at persons under 21 who might now or at some future time be tempted to participate in teen drinking parties similar to those which have caused such official frustration this summer.

By circulating a leaflet entitled "The Choice is Yours," the Detroit-based publication hopes to "tell teenagers in honest terms what could happen if they are caught drinking or even with alcoholic beverages in their possession."

The leaflet is being distributed through church groups, schools, libraries, civic and community organizations and retail outlets. Teenagers are warned that reckless acts now may jeopardize their admittance to college, a military career or future job prospects. It emphasizes the law and the fact that violation could produce a criminal record.

"What is needed most is education, we feel," says publisher Ken Davison. The Michigan Liquor Control Commission had hoped to publish a similar pamphlet on its own but did not receive funds for this purpose and has endorsed the leaflet prepared by the Beverage News.

The thought-provoking message on the four-page leaflet is a simple and yet complex one: "Is taking 'a little drink' worth risking all your hopes for an honorable and rewarding career?"

WHO AUDITS WHOM Some accomplishment was recorded by the legislature this year in the continuing implementation of the still new state constitution, but gaps still remain.

One gap which fortunately involves little time pressure is the enactment of laws relating to the new job of legislative auditor or general.

Democrats control both houses this year and best guesses indicate future elections will find them in the majority in at least one house. They appointed Albert Lee to this new position.

Gov. George Romney said the bill as written would have given this new officer much broader powers than were intended in the constitution. He also used his line item veto to withhold from the legislative auditor general \$17,859 designated for race track audits, which he also said was outside the province of the job.

Veto of the main bill had little effect on the continuing operation of Lee's department. It simply meant the Democrats will have to do some work to meet the governor's objections.

Very specific language is used in the constitutional section dealing with the legislative auditor general.

In a single paragraph the constitution provides for a certified public accountant to be appointed by the legislature to an 8-year term. It prohibits the appointee from being named or elected to any other state public office during or for two years following his term.

The constitution designates that he is to conduct performance and "post-audits of financial transactions and accounts of the state and of all branches, departments, offices, boards, commissions, agencies, authorities and institutions of the state."

MORE CRACKUPS Important gain has been made so far this year in one area of traffic safety, but it has been almost totally offset by a worsening in another area.

"Highway fatalities have dropped, but unfortunately the number of injury accidents has climbed to an alarming degree," reports State Police Commissioner Frederick E. Davids.

In the first five months of the year, Michigan motorists recorded 56,518 traffic injuries as compared with 51,786 in the same period of 1964. The number of accidents also jumped from 108,000 last year to 125,000 this year.

THIS HOME at Winans Lake originally built by Gov. E. B. Winan in 1890 for his son is now owned by Andrew Stan. Once the showplace of the neighborhood, this four bedroom home stands now in the midst of 3 landscaped acres. The original land included approximately 350 acres mostly in apple and peach trees. Ownership goes back to 1855 when much of the property was sold by Thaddeus Mapes. The Stans have owned the house 14 years.

**Boys Killed**

(Continued from page 1)  
pen to any police officer, he was just doing his duty."

One mother who had teen age youngsters of her own said, "I think all kids under 21 should have governors on their cars, especially the ones who have been arrested before."

"If they want to go 120 miles an hour they should have a drag strip" was the comment of one woman, and another claimed that even while she felt pity for the grieving parents, that "accidents like these could be prevented if kids were not allowed to operate powerful cars and parents should be more aware where their kids were and what their youngsters were doing."

The tragedy shocked Brighton and perhaps a few drivers re-examined their driving habits. Ross was a senior in the Brighton Area Schools. Surviving in addition to his parents is a sister, Mrs. Ralph (Janet) Cowell of Wayne, 5 brothers, Kenneth, Ronald, Mark, Tim, & Max, all of Brighton, his Maternal Grandfather, John Russell of Milford, 4 aunts and 3 uncles.

Funeral services were held at 2:00 p.m. Tuesday Sept. 14, from the Keehn Funeral Home with the Rev. T. D. Bowditch officiating with burial, Oak Grove Cemetery, Milford.

Jim was a senior in the Brighton area schools, a member of St. Patrick's Catholic Church of Brighton.

Surviving in addition to his parents are 6 brothers, Bill of Milford, Bernard of Pinckney, Thomas, John, Joseph and Timothy all at home, 5 sisters Mrs. William (Eleanor) Watson of Detroit, Mrs. Ronald (Bernadine) Strom of Brighton, Patricia of Milford, Donna and May at home the grandmother, Mrs. Mary Hatswell of Brighton, 1 aunt, and 2 uncles.

The rosary was recited at 8:00 p.m. Monday from the Keehn Funeral Home. Funeral services were held at 10:00 a.m. Tuesday Sept. 14, from St. Patrick's Catholic Church the Rev. Fr. Leo McCann officiating with burial in Calvary Cemetery.

**1935 Murder**

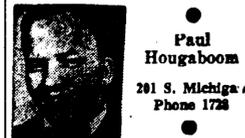

(Continued from page 1)  
results of lie detector tests have been ruled inadmissible in Michigan courts.

It was also brought out in the appeal that because each and every juror admitted that they had read of the crime before they were called for jury duty, and because the case was so fully tried in the press before the jury was drawn, that the defendant could not possibly have had a fair trial.

Stanley Berriman was the prosecuting attorney and Claude Faucette was then the Livingston County Sheriff.

Only two persons who participated in the original trial are still alive, Berriman and the defendant.

Brighton Township Lions Club having had its most successful picnic, serving nearly 1,000 guests at Mount Brighton, have voted to donate \$200 toward improving the Mill Pond site.

The Club also voted to pay the initial cost of having special large printed text books made at the state prison to assist students in the Brighton Area Schools who have a sight problem. A group will attend a special meeting at Leader Dog for the Blind School at Rochester Thursday at which time a check for \$300 will be presented for this wonderful program.

In spite of poor weather conditions everyone seemed to have not only a good time, but enjoyed the fine food served at the Mount Brighton Ski Lodge picnic on Aug. 28.

# You can make REAL money Playing

## HERE'S HOW TO PLAY!

Pick up your FREE "Make Money" envelopes at your Kroger store—only one envelope per store visit. No purchase necessary. Get your FREE "Make Money" envelope at the end of the check lane. Adults only eligible to play. In each sealed "Make Money" envelope is a half of a "Make Money" bill—either \$500, \$100, \$20, \$10, \$5 or \$1. Save your half bills. When you collect both the left and right half of these bills, you will get that amount in cash. Kroger and Top Value Stamp employees and members of their immediate families are not eligible to play.
