PRAYER: O God, help us to know when to speak for our Lord and Master, Jesus Christ, and give us the power and grace to do it. We ask this in the name of Him who gave His life interceding for us.

VOLUME 85 — No. 87

PINCKNEY, MICHIGAN — WEDNESDAY, SEPTEMBER 29, 1965

The Pinckney Dispatch is an open forum for the enlightenment of its readers—and a vehicle for community development.

THESE SIX YOUNGSTERS completed 50 miles of swimming this summer in lake swims at Winans Lake in the country club's Junior Swimming Program. They were presented trophies and certi-

ificates by Olympic Star Cynthia Goyette. Left to right they are Debbie Zube, Tim Harning, Larry Howell, Nancy Kirvan, Cynthia Goyette, Coach Roy Pouliot, Larry Allingham and Tom Kirvan.

Lakeland Junior Athletes Meet Olympic Champion

Nearly 150 members and children of the Lakeland Country Club had the thrill of meeting one of this year's Olympic swimming champions, Cynthia Goyette, and her swimming coach, Roy Pouliot. The two celebrities were guests of honor at the country club's junior athletic awards banquet.

The banquet honored all of the club's youngsters who had won awards in golfing, fishing and swimming. Approximately 90 children participated in the club's sporting events this year. Miss Goyette and Pouliot presented the awards to the children who had won swimming trophies. Miss Goyette won a gold medal last fall in Tokyo, as a member of the United States' 400 meter relay team. She swims the breast stroke. This August at Maumee, Ohio, at the national outdoor championships Miss Goyette's fast time was 7:17.4, only .2 of a second off of the listed world record. She has been swimming for ten years and holds the American record in the 100 yard, 200 yard, and 250 yard breast stroke.

Jail Too Full: Customers Turned Away

Last week-end was a busy one for law enforcement officers, so busy that the Livingston County Jail had to turn customers away. Sheriff Gehring reported that at least three youths who normally would have been jailed on a charge of minors in possession of liquor were released on bond because there was no room for them in the jail Saturday night. The jail built for 21 prisoners, lodged 31 by early Sunday morning, and by Wednesday there were still 25 prisoners in the over-crowded lock-up.

would cost the county at least \$400,000. The Livingston County Jail has been bursting at the seams for most of this year, and the overcrowded condition has been reported by sheriff Lawrence Gehring on several occasions. The Livingston county Board of supervisors had the problem called to their attention by a higher authority last week however, when the Michigan Department of Corrections officially labeled the jail as overcrowded, and ordered the supervisors to take action.

The present jail, which was built 15 years ago, was designed for 21 prisoners. Jail inspector Robert J. Russell based his recommendations on the size of the enlargement on a population ratio. He said in his letter that the projection of the county's population for 1970 is 54, 710. When planning a jail the rule of thumb is one inmate per 1,000 population plus 20 percent. According to this formula the jail would have to be built to accommodate 65 prisoners tripling its present size.

On several occasions this year the capacity of the jail has reached 30 and on one memorable occasion there were 40 prisoners.

Erwin Resigns As Municipal Judge

Howell's Municipal Judge Wilfred H. Erwin, has announced his resignation.

In a letter to Howell's Mayor Clifton W. Heller, Judge Erwin said, "In order that I may devote my full time to the practice of law, I herewith submit my resignation, effective December 31, 1965."

Judge Erwin's resignation had been expected since a recent legal opinion that a conflict of interest existed if a judge held any interest in a financial institution. Judge Erwin serves on the board of directors of the Howell First Federal Savings and Loan Association. Livingston County Circuit Judge, Michael J. Carland, sold his interest in an Owosso bank several weeks ago as a result of the same ruling. Judge Erwin continued, "I trust that the effective date of my resignation will give you sufficient time to select a new Municipal Judge so that there will be no interruption in the business of the court. "It has been a pleasure for me to serve as municipal judge for the last five years."

Chemung Hills Elects Board

Members of the Chemung Hills Country Club voted at their Annual meeting to authorize the board of directors to borrow up to \$93,000. This money, with an addition \$27,000 received from the recent sale of club property, will make available \$120,000 for construction of a swimming pool, improvement of the club house and facilities for watering the club's nine hole golf course. Three new directors were also elected. They are, Harry Sloan, Dale Pearsall, and Fred Kowalski. Robert Akin was elected chairman.

Crackdown On Speeders Jails Two

A wild chase on a motorcycle with the Brighton City Police in pursuit has netted a 17 year old South Lyon youth 30 days in jail.

The young man, Dean Newton, was apprehended only after he lost control of his motor bike and ended up in a fence on I-96 at the Kensington Road cut-off. The chase started in Brighton Saturday night.

Newton appeared before Justice Brian Lavan and was fined \$85 plus 30 days in jail, with an additional 30 days if the fine is not paid. Lavan explaining the new get tough policy said, "All persons found guilty in my court of trying to out-run a police car will receive a jail sentence, as will all drunk drivers and all persons found guilty of being minors in possession of liquor."

Death Car Driver Will Face Trial

A manslaughter warrant has been issued in the traffic deaths Sept. 8 of two Brighton boys. The warrant is for 22 year old Kenneth Russell of Brighton. The accident occurred on Winans Lake Road where Rickett road ends, about four miles south of Brighton. Russell's brother, 16 year old Ross Russell, and 19 year old James Hatswell were killed when the car crashed into an embankment. The boys were trying to outrun a police car at the time of the accident.

Howell PTA Fights State Ban on Prayer

The PTA of the Southeastern Elementary school in Howell voted unanimously to take exception to the recent ruling by attorney General Kelly, prohibiting prayers in school.

The president of the PTA, Joe Richards told the members that the attorney General has ruled that there will be no more religion in the class rooms. "We can do something about it. It has to have a start some place and we can do it if we are determined enough," said Richards.

The principal of the school, James Zubiak cautioned the parents that the ruling of the Attorney General was law, and said, "You must not disrupt the educational possibilities of the students."

The motion read, "We the members of the Howell South East PTA go on record with a recommendation that the attorney general's ruling be reconsidered, or that the original interpretation by the Supreme Court be repealed, so as to allow the teachers of the school system the right to hold simple prayer if they so desire."

Unidentified Slain Woman Laid To Rest

The name on the death certificate reads Mary Doe, but not one of the ten persons who attended her funeral knew who she really was. Over three weeks ago her body had been found beside a deserted lane near the General Motors Proving Grounds, north east of Brighton. The woman who had been shot several times was buried in a section of Brighton's Fairview cemetery called Potter's Field.

A brief religious service was conducted by the Rev. Howard Short of the Milford Methodist Church, and then the plain wooden coffin was lowered into the earth.

Attending her funeral besides the Rev. Short were two funeral directors, prosecuting Attorney Charles B. Gatesman, commander of the Brighton State Police Post Mario Formulo, the two detectives who have vainly tried to identify her, Vincent Demsky and Ronald Schoonmaker, a parole officer, this reporter, and the grave digger.

The murder will remain under investigation until the mystery is finally solved, and once again the State Police are asking people to search their memories for help in the identification of this woman.

She was probably about 40 years old, weighed about 170 pounds, and had brown hair. She was wearing a plain gold wedding band, and was dressed in an inexpensive, sleeveless pink and white checked dress at the time of her death. She had no upper teeth, but possibly she wore dentures, however none were found at the scene where her body was located.

Perhaps at this point the most identifiable quality about her is the fact that she was the type of woman that could disappear, and no one would notice her absence or care enough to report her missing. Yet it seems incredible that in this age of modern crime detection and the age of numbers that somehow she hasn't been identified.

She must have had an address, a social security number, a telephone, and surely there is someone who by now must have noticed that she isn't around any more, even if it's just a landlord. One couldn't help but wonder standing at her graveside, if somewhere there might be even one person who would grieve for her, if they knew.

The Hell Chamber of Commerce has informed the Michigan Tourist Council and the Eastern Michigan Tourist Association that Sundays, October 3 and 10 will be the peak periods for the tourists to view the beautiful hills and color of Livingston county foliage.

CITY TO BUILD SWIMMING POOL

County Road Employees Join Union

The Livingston County Road Commission Employees this week became the first county workers covered by a labor contract. President Neil Hildereth of Local 589 of the American Federation of State, County and Municipal Employees, which represents road commission employees, announced that the Local signed a contract with the commission.

Under the agreement, one of the first to be negotiated in Michigan under the new state law, local 589 will have sole and exclusive bargaining rights for all workers under its jurisdiction. Dues checkoff and the union shop are also provided in the contract.

Council No. 55 of AFSCME AFL-CIO was represented in the negotiations by staff representative, Melvin McKeon. Robert Chittenden is president of Council No. 55.

Howell To Show Gemini 4 Film

U.S. Congressman Weston E. Vivian has announced that the NASA sound and color film of the flight of Gemini 4 and Astronaut Edward White's walk in space will be shown in Howell on October 4.

There will be an opportunity for interested area residents to view the 30 minute documentary film, "The Four Days of Gemini 4," at a public showing on Monday evening, October 4, at 7:30 p.m. at the Howell Junior High School.

Death Car Driver Will Face Trial

A manslaughter warrant has been issued in the traffic deaths Sept. 8 of two Brighton boys. The warrant is for 22 year old Kenneth Russell of Brighton.

The accident occurred on Winans Lake Road where Rickett road ends, about four miles south of Brighton. Russell's brother, 16 year old Ross Russell, and 19 year old James Hatswell were killed when the car crashed into an embankment. The boys were trying to outrun a police car at the time of the accident.

Pinckney Lays Plans for Funds

Area residents who work outside the Pinckney community are reminded that there will be a Pinckney Community Chest organized. Therefore, they are asked to notify their employers that they would like at least a portion of their payroll deduction for united fund giving to be returned to their local Chest.

A meeting scheduled for last week did not work out, but the consensus of opinion is that a five-man Chest Board will be organized next week. The Chest then will have the Pinckney share of the Hamburg-Putnam Chest money coming back to this community for distribution.

Since it is so late in the year, it may be that an official drive will not take place in Pinckney, depending on the new board's decision. In this case, only those organizations who need money and make application, such as Pinckney Summer Recreation, the Salvation Army and McPherson Clinic Home Care which have already applied, will receive a 1966 donation. It will be a percentage of the funds acquired without a drive.

The Home Care clinic provides home care to patients at \$5 per visit. This does not, as a rule, cover the nurses' time and mileage and the care given since the nurse also educates the family while she is at the home in the correct way to care for their all member. Contributions next year will cover the difference between the actual expense and the amount paid by the patient. The clinic is asking Chests all over the county to help. A representative of Home Care said, "We never refuse a patient who can't pay." (The clinic has previously received grants to help balance their budget, but they are no longer available.)

Pinckney Recreation served a great many local youngsters this summer in supervised play, and if contributions are made toward the to-be-formed Chest, it will mean that the community may again serve them this coming year.

Officers will be elected next week and announced. If it is decided that an organized drive cannot be carried on this year, those clubs, church groups and individuals who wish to have a part in supporting the worthy agencies who apply for help from the Pinckney Chest may send their contributions in to the Board. Anyone who wishes to earmark their contribution for particular agencies may do so.

The reason there is no local Chest is because of the split last summer between the Hamburg area and Putnam area members caused by a stroke.

Mill Pond May be Site For Beach

Ever since the tragic death of two boys in an auto chase to evade City police the City of Brighton and all its residents have sought a solution to the problems that lead to juvenile delinquency, many resulting from the lack of other recreation than "hot rodding."

Now Peter Marshall, city manager is working to install a municipal swimming pool. Beautification of the Mill Pond has been brought up as a program that should include a swimming beach and bath houses near the city library but Marshall has found legal snags that first must be worked out.

"But I am confident we'll lick our problems and build either a beach on the west side of the Mill Pond or build a real municipal pool," he says.

He points out that with such a pool available our youngsters would have a great opportunity to remain within earshot of Main street and hence not get into trouble drag racing on isolated roads or "hot-rodding" on roads that could lead to disaster.

The school board also has been asked to open the football field to boys who want to play and especially "under the lights," because the electricity so used would cost but a trivial sum and the school grounds belong to the public and not to just a privileged few, as is the present situation when the field is locked against any one except the football teams and the spectators who use the \$100,000 field only one week during only a few months of the year.

Autopsy Reveals Stroke Killed

An autopsy revealed that 49 year old Mrs. Jean Williams of Brighton died as a result of a stroke. She collapsed Sunday in a Brighton laundromat and cut her head. She was taken to the McPherson Health Center where she was treated for a head cut, x-rayed and released. Her husband reported that when he left their apartment in the Briggs Lake Motel at 11:30 Sunday night she was alive, but when he returned at 9:30 Monday morning she was dead.

The State Police and the Brighton city police investigated the death and an autopsy was held late Monday which revealed that the fall at the laundromat and Mrs. Williams' death were caused by a stroke.

A Lansing boy, 18 year old Richard Fox died of injuries Wednesday morning when his car was hit by a car driven by a Brighton woman, 35 year old Margaret Gerecke. According to the State Police, Fox drove from the gasoline station on west Grand River at Hilton Road into the path of the Gerecke car. Fox died in University Hospi-

tal in Ann Arbor of a skull fracture and internal injuries. Mrs. Gerecke and her one year old daughter escaped injury. Troopers at the scene reported that the two were wearing seat belts and this undoubtedly saved them both from serious injury. No tickets were issued. Fox, a sophomore at Michigan

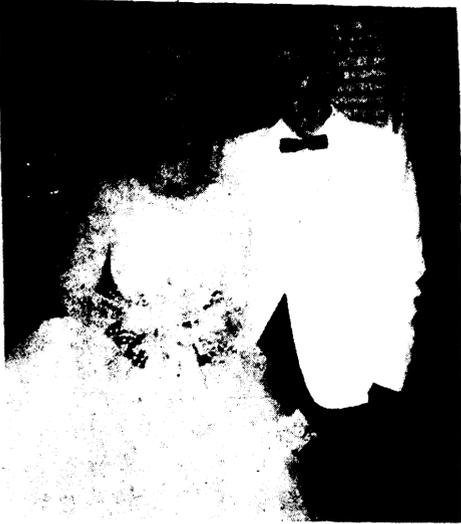

State University, was the son of Mr. and Mrs. Ernest F. Fox. The father is president and general manager of the Hager-Fox Hoating and Refrigeration Co. in Lansing.

Two persons were critically injured Thursday in an accident at Winans Lake Road and Hamburg road. According to the State Police, 21 year old Paul Lewis of Brighton, crashed into a car driven by another Brighton man, 27 year old Daniel Reese. Reese and a passenger in his car, 26 year old George Linquist, were taken to St. Joseph's Mercy Hospital in Ann Arbor in critical condition. Lewis suffered an injured knee.

The Brighton JayCees presented the city with a check this week to pay for a water fountain installed on the corner of Main and Hynes streets. The JayCees earned the money for the fountain from two car washes held last fall. The \$85 fountain is just one of the community service projects of

the newly formed Brighton JayCees. Left to right are Allen Stonex, President of the Brighton JayCees Marshall Cooper, Bob Warren, who chairmaned the car washes, Robert Richman, JayCee Treasurer Thom Jacobs, and City Manager Peter Marshall.

The many friends of Viola Parker, a former resident of the Brighton area, will be sorry to hear of her passing. Miss Parker died in the Bonnie View nursing home two weeks ago. She was in her 86th year. She was a cousin of Ben Bidwell.

Mr. and Mrs. Elmer Britton of Howell were recent callers at the Ben Bidwell home. Mrs. Elaine Stephens, Oak Knoll, is again home after a few days stay in the McPherson hospital and is improving rapidly.

Mrs. Edward Vicha, also of Oak Knoll, is a patient at the St. Josephs hospital, Ann Arbor. Her room number is 421.

Mr. and Mrs. Robert Seiders, also Mr. and Mrs. Eugene Baugher attended the recent Euchre party held at the Legion hall, and sponsored by the Jay Ceas. Mr. Seiders won the highest prize for men, and received a five dollar gift certificate from the Lavan Haberdashery. He also won a door prize, a set of snack trays.

Mr. and Mrs. William Leon rave returned home from a weeks vacation with her relatives at Richmond Ind.

Mr. and Mrs. Robert Grissom of Hanet Calif. are visiting her parents, Mr. and Mrs. Thos. Muncie Sr. of Brighton Lake road. Mr. and Mrs. Grissom are flying to Europe for a ten week vacation.

Mr. and Mrs. Walter Wegrzyn accompanied Kathy to East Lansing Sunday, and helped her get settled in her new home. She starts classes Thursday. It was a busy place, as there are 7,500 freshmen registering this year.

Ernie Bell is attending Flint Junior college. He is taking a night course and working part time at the A & P store.

Mr. and Mrs. Stanley Adams and family attended the foot ball game between Hartland and Linden Tuesday night. Their son, Stanley Jr., belongs to the JV's and plays quarterback. His sister, Lindsay, is one of the cheer leaders.

St. James Church in Bay City was the scene of the wedding of Miss Virginia M. Killey to Thomas J. Soderquist, son of Mr. and Mrs. H. Stewart Soderquist, 6236 Aldine Dr., on August 14.

The bride, daughter of Mr. and Mrs. Joseph Killey, Bay City, attended and graduated from Central High, Bay City, and is working at the Brighton Credit Bureau.

The bridegroom graduated from T. L. Handy High, Bay City, and is working at Refrigeration Research and Jim's Standard Service.

For the nuptial high Mass ceremony the bride wore a floor length skirt in cascade with sequin designed scalloped tiers. A veil of illusion was secured to a crown of pearls and crystals. She carried a bouquet of white orchids and lilies of the valley.

Two toned linen dresses in aqua with turquoise trim and matching aqua bow held the veils worn by the maid of honor and the bridesmaids, respectively, who were Miss Barbara Killey of Bay City, maid of honor, and bridesmaids Cecilia A. Soderquist, 6236 Aldine Dr., and Mrs. Dennis Portier of Midland. Larry Heatherington, Bay City,

was best man. The bride's niece and nephew, Miinda and Scott Girow, were flower girl and ringbearer.

A dinner and reception was held at Colonial Hall, Essexville.

For her wedding trip to Northern Michigan the bride wore a blue traveling suit with white accessories.

The couple arrived at home August 22 and are now living at 609 Knox Dr., Brighton.

Out of town guests were from Howell, Clare, Midland, Chicago, Detroit, Saginaw, Essexville, and Tecumseh.

Munzel Asks Rules on Use Of Courthouse

Congratulations to Danny Adams, son of Mr. and Mrs. Leo Adams, who celebrated his thirteenth birthday Sunday.

Mr. and Mrs. John Dishong are vacationing at Pigeon Mich. They are visiting Mr. and Mrs. Limberger who have been friends and former neighbors for a number of years.

Mrs. Martha Robinson of Detroit and son William who is a senior at Mich. State were last Sunday guests of Mr. and Mrs. James McCrary. Saturday guests were Mr. George Caddy and son, also of Detroit.

Get well wishes are extended to Mrs. Eugene Newton who was rushed to the McPherson Health Center last week after a relapse following surgery. At last report she was still in extensive care.

Mr. and Mrs. Chas Grimm of Detroit spent a weeks vacation with Mrs. Elvira Robinson.

I understand that a number of friends of Vera Vermette have not heard of her death. She passed away in a Lansing hospital the latter part of July after a few months illness. Vera taught music for some years both in Brighton and Howell.

BULLETIN

charged because the Ann Arbor News had been able to print the same material on fewer pages. County Clerk Joseph Ellis explained to Munzel that legal publications are printed according to the number of folios, and that the bills submitted by the Argus and the News were within a few dollars of each other. Ellis commented that if the Argus wanted to go to the expense of using more paper in order to make the notices more readable that the county should not complain.

DAWN CROWE

Mrs. Evelyn Crowe of Brighton and Mr. William Crowe announce the engagement of their daughter Dawn Lynn to Mr. Donald Roy Worthington of Howell.

Dawn is a 1965 graduate of Brighton High School, and is now employed with the Ford Motor Co. in Wixom.

Mr. Worthington is proprietor of the Cities Service gas station in Fowlerville.

There are very few young men, starting out in life, who do not believe that, within a few years, they will be rich.

Parents To Learn School Curriculum

James A. Forner, principal of the Miller Elementary School, announces that the teachers of the school are inviting the parents of the students to a series of curriculum explanation meetings.

The purpose of these meetings is to give the parents an opportunity to discover what the teacher's plans for their child at this particular grade level are for this year.

The invitation urges both parents to attend these meetings, stating, "We particularly invite the fathers to attend and assure them that they will not be the only fathers there as we have had dads attend these meetings and they seemed to enjoy them."

All of the meetings are scheduled for 7:30 p.m. promptly to enable parents to get home by

at least shortly after 9:00 to "perhaps make it easier with the baby-sitting situation."

The schedule for the meetings follows:

- Kindergarten, Monday, Oct. 4.
- First grade, Tuesday, Oct. 5.
- Second grade, Wednesday, Oct. 6.
- Third grade, Thursday, Oct. 7.
- Fourth grade, Tuesday, Oct. 12.
- Fifth grade, Wednesday, Oct. 13.
- Sixth grade, Thursday, Oct. 14.

Around The Town

By DORCAS AC 8-4483

Hi! Thanks so very much for the calls last week. I appreciate them. Dean Jamison, 12450 Jacoby Road, is home after a short stay at the hospital where he had corrective surgery the result of his almost fatal accident this spring.

Speaking of the Jamisons, George, the youngest son, there are two, George and Larry is a member of the armed forces color guards at the football games at Ann Arbor this season, so watch for him. On answering the phone at the store the other evening the voice on the other end said, "This is Hobbs Pharmacy, Florida." Imagine Church Uber's surprise. It was Gary Hobbs, whom we all remember as having been associated with Church as a pharmacist several years ago, a very

well, liked, efficient and personable young man, a young man whom we all hated to see leave. He now owns his own store at Merritt Island, Florida, which is near Cape Kennedy. He said he and the family were fine, like Florida very much and business is good. Nice to hear from old friends.

The Uber twins, Susie and Chuck. We miss seeing them around town very much. Susie is working at Webber's in Ann Arbor and Chuck is in Jackson, Jr. College at Jackson.

Russell Durk, son of Mr. and Mrs. Edw. Durk, 6738 Grand Beach Blvd., Grand Beach, is leaving for the Marines, Paris Island, N. C. Call his folks for his address so you can write him. He'd love to hear from his friends.

After quite a bit of maneuvering to find freer space for their deer, the Quiet Quivers, a group of our Bow and Arrow devotees, are leaving for a short stay up and around Houghton Lake. That is the reason their wives have been asking for your favorite recipes for cooking deer.

Mr. and Mrs. Forrest Brown will be visiting their daughter and son-in-law, Sandra and Rich Fritz, who were recently married and are making their home at Box 100, 7500 W. Grand River. Ron is Assistant Manager at the D & C Store.

Judy and Tom Koshovich, now of Milwaukee, Wisconsin, but formerly of Brighton (both graduates of Brighton High School) have a new little girl born in July. They now have two boys and a girl Judy is the daughter of Mr. and Mrs. Jos. E. Sward, City Clerk 810 Chestnut St., and Tom the son of Mr. and Mrs. Koshovich, 125 E. North St.

Mrs. Walter LaMoria (Fran), 135 Kiasane, wife of our Chief of Police Walter LaMoria, expects to return from her sojourn in McPherson Hospital, Howell, within a few days. We are glad she is so much better.

Jim Lee, son of Mrs. Wilma Lee, is much better and hopes to be released from St. Joseph's Hospital, Ann Arbor, soon, but in the meantime send your letters there. He will be so glad to hear from his friends. His home address is 11044 E. Grand River. Jim was in the recent accident in which two of his friends were killed Mrs. Mary Kosh, 7900 W. Grand River, and a group of women from St. Patrick's Church, are attending a three-day retreat at DeWitt, Michigan.

Dorothy Trainick is away from work for a few days because of an injury to her foot. We hope she will soon be back as we miss her at Leland's.

The Dick Jumps and the Harry Cusics celebrated their wedding anniversary together this week, at it is the same date. They report having had a good time, and we wish them many more such happy occasions. Many have asked the question, "What is to be done with the Old Library when the new one is in use?" The City Council has to decide how it is to be used and by whom. It has been mentioned possibly it will be made available to groups such as the Get-Together Club (Seniors Citizens), Livingston Arts and Crafts, and others, but the decision is with the Council.

There are approximately 20 trees to be planted yet encompassing Grand River and Main Street and this will be completed this fall. The landscaping and trees are items which will be up for bids and there are not adequate funds at the time.

The JCOEs are donating the fountain (and the City is very grateful and proud of them) which is next to Ratz Hardware. A picture was taken of the ceremony at which a representative of the JCOEs, Al Stonex, Mayor Cooper, and City Manager Peter Marshall, were present. You will note the picture elsewhere in the paper. It is good to see the Chamber of Commerce emblem displayed in the windows of the merchants and other place of business. The Chamber is planning on obtaining some new Christmas decorations for the streets and brackets, the appearance of which everyone is anticipating. The curbs on West Main St. will be constructed according to schedule.

It is indeed gratifying to see that the work planned is going along without any delays, thanks to City Manager, Peter Marshall and his crew. Construction on the New High School is rapidly progressing and the City expects to begin laying the water pipe to the High School site in the near future.

Mr. and Mrs. Ivy Van Conant, Mrs. John Evans of Alenton, Mrs. Maurice Scrimger, Mr. and Mrs. Richard Scrimger, Mrs. William Daly of North Branch, Mr. and Mrs. Walter Bailey of Royal Oak, Mr. and Mrs. Harry Bismund of Clawson, Mr. and Mrs. Ray McMorrin of Lake Orion, Mrs. Barbara Hoff and Dennis Bradwood of Livonia were entertained at the William Scrimger home Sunday on Old Lake, Brighton. The occasion was Todd Vance's fourth birthday.

Mrs. Birdella Jasper and daughters, Matilda Johns and Mildred Harrington spent Sunday with Mr. and Mrs. Harold Hayden at Brown City. The family gathering was to get acquainted with the Haydens infant son Brian, who represents the 9th generation, making Mrs. Jasper great, great grandma and Mrs. Johns great grandma. Also present were little Brian's grandparents, Mrs. & Mrs. Wayne Hayden & Mr. & Mrs. William Rehkopf of Reed City. Mrs. Jasper was pleasantly surprised for her 83rd birthday. They also called on Mr. & Mrs. Charles Brecker & family at Lake Orion.

Holly Warren, 10400 Grand River, is at E. Lansing attending Michigan State College. She has been employed at Brighton State Bank this summer.

Capt. and Mrs. J. B. "Buck" Stratton, 730 S. 3rd St., spent an enjoyable three weeks vacation in September using their boat as transportation. They went from Brighton to Petoskey, then used the lakes and river route to Cheboygan, then Lake Huron to Mackinac Island, from there they went across Lake Huron to the group of Islands, Les Cheneaux. They visited the cities of Hessel and Cedarville. Although their neighborhood "Gin" their dog were glad they had fun, they were mighty happy to wel come them home. They were missed.

Donald Moon, Brighton attorney, purchased the building formerly occupied by the Brighton Plumbing and Heating Co. at 134 W. Main St. and has transformed it into a beautiful office building. He has a spacious reception room paneled in maple from which are two lovely private offices. The back half of the building he has rented to Barney Ewald for the operator of his Detroit News business. Donald recently completed his beautiful gray brick home at 7000

Brighton Road, which is indeed a "show-place" admired by everyone. Congratulations Donald Moon!

Mr. and Mrs. Robt. Fitzpatrick with their children and Mrs. Zella Madden spent the week-end with Dr. and Mrs. W. W. Madden, 722 So 3rd St. Mrs. Fitzpatrick is Dr. Madden's sister and Mrs. Madden his Mother. The Fitzpatricks are from Kalamazoo and Mrs. Madden from Detroit. I guess we are just grippers, Spring is too rainy, Summer too hot, Fall is soon over, and Winter is not. REMEMBER, call AC 9-4483 with your news. Thanks.

Livingston County Women Attend Safety Seminar

Three Livingston County women, Mrs. Raymond Maltby, of Brighton, Mrs. Richard Britton of Howell, and Mrs. Elmer Harmon of Gregory, were among the 85 Michigan delegates who were invited by Gov. George Romney to attend the Third Traffic Safety Conference for Michigan Women's Organizations, September 20-22 at Kellogg Center, Michigan State University, East Lansing.

The delegates were from 41 organizations that represented 500,000 Michigan women.

The conference objectives were to acquaint Michigan women's organizations with the current traffic accident situation in the state, to learn about the moral, psychological, economic and legal aspects of traffic safety, to encourage Michigan women to seek the many opportunities available for self-improvement in their daily driving tasks, to consider the status of traffic safety legislative and administrative recommendations, to determine how citizens, especially women, can support action that would implement improvement in Michigan's traffic situation, and, to study selected programs and activities that Michigan women can undertake within their own organizations and communities to bring current and future traffic problems to the attention of all Michigan citizens.

The President's Letter to the Press

TO THE NEWSPAPERS OF THE UNITED STATES:

It is with both pride and pleasure that I participate in this traditional tribute to our nation's newspapers.

Too often taken for granted, America's countless daily and weekly papers have been vital guardians of her time-honored traditions and eloquent spokesmen for the cherished ideals of her freedom-loving people.

It is up to us to safeguard the freedom of our papers to inquire, to criticize, to express divergent views and to stand as sentinels for the public wherever the public's business is being transacted.

I am confident that Americans everywhere wholeheartedly join me during National Newspaper Week in high recognition of the indispensable role of our free press in the everyday life of our beloved nation.

LYNDON B. JOHNSON President

News vs. Advertising

Very reluctantly, but every once in a while, we must, as a matter of editorial policy, remind that a newspaper is a business and as such, depends for its revenues, in large part, on an enterprise that is known as advertising.

Recently we have been barraged by a wealth of material submitted by some individuals as well as organizations concerning their activities, which are not news — but in large part, an expression of senti-

ment on the part of those submitting items.

They want their thoughts given as wide circulation as possible without the expense or effort of making direct correspondence with those they seek to contact.

In other cases, there may be some newsworthy activity for very good causes, usually affiliated with money raising enterprises.

In this case we do give publicity. We particularly appreciate the consideration of those who realize that the preparation of a newspaper involves considerable cost and make the suitable gesture of buying a little advertising space to offset at least a fraction of the expense involved in preparing their free publicity.

We are very unappreciative of about money raising enterprises, some of those who expect write-ups and then blatantly suggest that "Just the write-up will be enough, we're putting up window posters all over town."

We fully appreciate the fact that each and every chairman of an activity believes that his own project is particularly worth while and should be given special consideration. We appreciate the fact that anyone who turns down requests, becomes a community ogre to be feared and regarded as a heartless soul.

If it isn't news, it's advertising in some form.

War on Delinquency

The fight against juvenile delinquency is dear to the heart of The Argus and last week when a group of boys came into the office, with the blessing of one of our finest teachers, we listened to their plea for a place to practice football at night instead of "hot rodding."

Because the lights were on at the Kroger parking lot they proceeded to play there — about 25 boys. Soon the police arrived and shooed them away. The police had been called because the boys' noise had upset the neighbors and they were on private property which the police are paid to protect.

Officer Seigel was only doing his sworn duty when he ordered them to leave. Now as for a playground, why isn't the football field behind the old high school available?

This field is locked up at night — a \$100,000 property which belongs to the taxpayers and yet is unavailable as a playground at night. Cost of turning on the lights for a group of boys to play "under the lights" would be trivial and would give great happiness to our youngsters who want to practice football.

Let the school board unlock the gates to our property that would give impetus to our fight against the tragedies that have resulted from "hot rod" chases and go far toward winning our war against juvenile delinquency.

efficient and effective administrative unit within each Midwestern state.

Endorsing the concept of a regional nuclear energy compact.

Adopting a resolution reaffirming the action of the National Governors' Conference at its 1965 Annual Meeting in Minneapolis, Minnesota, which called for a Special Study Committee on Revenue Sources on State and Local Government.

Amending the Articles of Organization of the Midwestern Governors' Conference to provide membership for the State of Kentucky, thus increasing the Conference membership to thirteen states.

State Grounds More Bad Drivers

The "heat" on a small but troublesome group of about 10,000 Michigan drivers... who have proven by past actions that nothing seems to work too effectively in making them any better road samaritans.

The end result according to Secretary of State James M. Hare is that tougher actions such as suspensions and revocations of licenses are leading the milder actions by a three-to-one margin.

Hare said this was the initial result of his department's "clamp-down" policy against this group of chronic highway "troublemakers."

During the first six months of 1965, Hare reported, the number of drivers instructed about equalled the combined suspension-revocation actions. But in July, the pattern switched overwhelmingly to the tougher actions, with a total of 1,781 revocations and suspensions recorded as opposed to only 614 drivers given instructions and permitted to continue driving.

Hare cited the week ending August 6 as showing 334 suspension cases as opposed to 81 drivers warned and instructed. The new policy is designed to "ground" a small and apparently incorrigible group of bad drivers.

INDUSTRY CREATES JOBS

Job creation in private industry is at a 22-year record high, and employees are earning record wages. Employment in manufacturing climbed to almost 18.1 million jobs.

This is a record peace-time total of factory jobs, and comes within only 6,000 jobs of the November 1943 all-time record when the economy was at a wartime peak. These figures serve to reiterate the fact—that private industry is the prime source of job creation, and that a favorable business climate should be maintained in order to continue to open up more jobs for a working America.

In commenting on this record, Harold C. Goldstein, a labor department official, said, "We are within a whisper of the highest level that manufacturing employment has ever attained in the United States."

The rise in nonfarm payroll jobs since June, 1964 was 2,211,000, the biggest year-to-year increase since 1959 when the country was coming out of a recession.

TODAY'S INVESTOR

BY THOMAS E. O'HARA Chairman, Board of Trustees National Association of Investment Clubs

Q. The small community in which I live offers me no chance for personal contact with persons who are authorities in the investment field. Doesn't the National Association of Investment Clubs have special programs aimed at bringing information to the general public?

A. Noting your address, I can tell you that you are within easy traveling distance of one of the most complete and biggest investment information programs staged anywhere in the United States.

This is the Investor's Showcase, which is being this year on October 14, 15 and 16 in the Hotel Statler-Hilton, in Cleveland in connection with the National Convention of NAIC. Attendance is free at all sessions, except for those where meals are served.

The Investor's Showcase will include exhibits by more than 40 investment firms and industrial corporations. There will be more than 70 lectures giving information valuable alike to the brand-new investor and to more experienced investors.

There will be "Seminars for Investors," "Investment Forums," and "Industry Reports to the Investor." In addition, top officers of a large number of corporations will be on hand to talk personally with investors and to answer their questions.

Besides the national convention, NAIC has area councils which offer special programs on investing in their various cities.

I am mailing information to you on meetings and programs of the council nearest you. This information is available to all who write and request it.

Q. How wide a variety of stocks should our club try to hold? Also, I'm beginning to invest on my own. How many different stocks should I aim to have in my own portfolio?

A. Any club, or any individual is limited in the number of stocks on which it or he can stay really informed. Being adequately informed on a stock involves reading the annual and various other reports of the issuing corporation, and reading all that's readily available in newspapers and business magazines about the particular corporation and the industry of which it is a part.

I would say that no club should expect an individual member to keep track of more than three or four corporations on its behalf. Thus a club with ten members is probably limited to a working knowledge of 30 or 40 stocks. This does not mean, however, that I recommend that a club should invest in this many different companies.

From a practical viewpoint, I suggest you use this rule of thumb for stock diversification: if your club has less than \$30,000 net value, maintain holdings in 12 to 20 different companies. If your club's assets are more than \$30,000, then you might broaden your variety to 20 to 30 different stocks. I would say your club's holdings should seldom exceed 30, regardless of its worth.

As for your own individual portfolio: A person who is investing in the stock market as a side he won't have the time to keep informed on more than six or eight stocks at the very most unless, of course, he has professional assistance.

There is another good reason a club's portfolio should have more variety than an individual's. A club needs activity in its stocks (by this I do not mean speculation, but such things as dividend advances, stock splits, and news of positive forward moves by the corporation) in order to hold interest of the members. You might find rodding stock in three or four different corporations all the excitement you need as an individual. But a dozen stocks are bound to have more news associated with them, and this may be just the thing a club needs to bring out the greatest member participation.

Have you a question about your own or your club's investment program? Mr. O'Hara will be glad to answer it. Write to T. E. O'Hara, National Association of Investment Clubs, Box 1056, Detroit, Michigan 48231, enclosing a stamped self-addressed envelope.

Letter To The Editor

Dear Editor: Many newspaper articles have caused me, as I am sure they have many other teachers in Michigan, to wonder how such an erroneous conclusion might be reached concerning Michigan's financial well-being.

While it is true that we may have \$130,000,000 in the treasury at the end of the year, we have no assurance that all state obligations have been met. A prime example can be found in the instance of the Teachers' Retirement Fund, which at present is more than \$400,000,000 in default in terms of payments due it by the state of Michigan.

It would appear to me that newspapers and other news media have and are misleading

REPORT from LANSING

State Representative

Thomas G. Sharpe

Notably rewarded by this year's legislative deliberations were the senior citizens of this state. Unlike many of the more partisan issues rammed through the legislature by the sheer strength of the Democratic majority, the problems confronting our elderly citizens were of deep concern to members of both political parties — and with bipartisan support a great many measures were enacted to provide long-needed assistance in this field. Laws passed during the 1965 session included bills to:

Grant to some 160,000 senior citizens an average of \$93 in local property tax relief by exempting the first \$2,500 state equalized valuation of homes assessed at not more than \$10,000 (\$20,000 cash value) if owned and occupied by a person 65 or older who has resided in Michigan at least 7 years and whose gross income does not exceed \$5,000 per year. (The cost to the state in reimbursing local units of government for their loss of property tax revenues under the act is estimated at \$15.5 million annually.)

Outlaw discrimination in hiring if such discrimination is based solely on age.

Reduce the fishing license fee for Michigan residents 65 or older from \$2 to 50c at an estimated cost to the state of \$116,500 per year.

Amend the law to permit electors over 70 years of age to vote by absentee ballot.

Continue the State Commission on Aging which was scheduled, under the 1960 law which created it, to go out of existence on July 1, 1965.

Prohibit insurance companies from canceling auto insurance policies or increasing premiums because the insured is 65 or older, provided he has a valid driver's license.

Create, under the auspices of the University of Michigan and Wayne State University, an Institute of Gerontology for the scientific study of old age.

Reduce the present five-year residency requirement for old

age assistance to one year. Add comprehensive dental care benefits to Michigan's medical assistance to the aged program, with the estimated annual \$300,000 cost to be split between the state and federal governments.

Abolish the lien provisions under the state formerly could recover funds extended for old age assistance and medical aid to the aged from the estates of deceased recipients, at an estimated annual cost to the state of \$850,000.

Liberalize the eligibility requirements for old age assistance by striking the provision which made a senior citizen ineligible for aid if he owned a mortgage or land contract in excess of \$6,000 through the sale of a homestead or farmstead; raising the allowable property ownership to \$750 for a single person and \$1,000 for a couple; repealing the \$10,000 homestead ceiling; and excluding \$1,000 cash surrender value of life insurance in determining need.

Make possible the use of urban renewal land for public housing projects for special groups, such as aged persons.

Increase the maximum benefit for patients in medical care facilities receiving old age assistance from \$90 to \$140, in line with the increased allowance granted for those in nursing or convalescent homes last year.

Eliminate low-income or non-income producing real property in determining the eligibility for old age assistance.

Create a special committee to study state tax relief for elderly renters and disabled persons covered by social security. Although the homestead tax exemption bill initially passed by the House of Representatives this year did contain a provision for direct grants to renters, the section was eliminated by the Senate after a ruling from the Attorney General that the state could stand to lose more than \$1 million in federal funds now given senior citizens under the OAA act.

Sometimes the answer is collusion or "price-rigging," meaning that competitors get together and agree not to compete. This is illegal and whenever the government can assemble the proper evidence, the conspirators are assembled in criminal court.

Then there is "price leadership." This usually means that everyone else consults the big producer's price list and adheres to it. Why isn't someone tempted to shave the sealed bid price, if only by a few cents? Perhaps because of retaliation by the big fellow.

A third factor sometimes present is the insistence of a dominant manufacturer that his distributors stick to a "suggested price list" or have their supply cut off.

There are many who believe that problems of competition are directly related to the problems of economic concentration in this country.

And there seems little question that economic concentration is on the increase as smaller firms are absorbed by manufacturing giants through mergers and outright purchases.

In 1947, 100 corporations owned 48.8 per cent of the manufacturing capital assets. By 1962, the top 10 had increased that figure to 58.9 per cent. And the Federal Trade Commission estimates that in 10 years, 200 firms may own two-thirds of the nation's productive assets.

Is this concentration affecting price competition? Well, it does seem reasonable to assume that competition will not be spurred by a decline in the number of competitors.

Collusion when it exists, must necessarily be easier among five companies than among fifty. "Price leadership" thrives best when only a few followers are involved.

Yet, look at the other side. Business growth, after all, is often the reward of good products and good management. It would be very unfair to say that business is always big business.

Balancing these viewpoints gets to be a very sticky problem. As Chairman of the Senate Antitrust and Monopoly Subcommittee, I have been examining economic concentration in hearings that have gone on for two years now.

SCHOOL'S OPEN Drive Carefully

Congressman Wes Vivian Reports

"How can our township get help in constructing a sewage treatment facility?" "Is there a Federal program to help our village purchase park lands?"

"What Federal programs exist to help our watershed committee get a flood control and water recreation project underway?" "What are the provisions of the new Economic Development Act, applicable to Monroe County?"

"Do the rent supplement provisions of the new Housing Act apply only to newly-constructed units?"

These are but a few of the literally hundreds of questions which have arrived at my office from responsible city, village, township and county officials, in the past eight and one-half months. While my staff has worked diligently to find the answers to as many of the questions as it has been possible for us to work on, we find it nearly impossible to provide communities all of the help which we feel they deserve in planning for the health and welfare of their residents.

Therefore, with the help of Vice President Hubert H. Humphrey and his capable staff, I have arranged to hold a Second District Community Development Conference, here in Washington. The Conference begins at noon on Monday, October 18, with a luncheon at which a distinguished speaker will address the Conference on the problems and the promise of the several Federal-local development assistance programs. In early afternoon, the Honorable Robert Weaver, Administrator of the United States Housing and Home Finance Administration, and Mr. Weaver's staff, will explain features of the various programs administered by his agency, including housing, community facilities, and parks and open spaces.

That morning, a special session will have been held for county, city and township officials from Monroe County, attended by officials of the newly-constituted Economic Development Administration. Of the five cities of the District, Monroe is the only one eligible for assistance from this agency under the terms of the legislation.

Tuesday we will be meeting with representatives of the Department of Health, Education and Welfare, the Department of Agriculture, and the Small Business Administration. At luncheon, our speaker will be a high-ranking officer of the Department of State, who will deliver an off-the-record briefing on the status of world affairs as of that date.

I am hopeful that every county, city, village and township will want to send at least one representative to this first Federal-Local Second Congressional District Conference, to be held in Washington on Monday and Tuesday, October 18 and 19.

MICHIGAN LAW

By Attorney General Frank J. Kelley

This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.

Statutes authorizing the Michigan State Highway Commission to acquire land for highway purposes permit acquisition of an entire lot or parcel of land. These statutes also permit the Commission to sell that portion of the parcel which is not needed at present, or in the foreseeable future. Such land may be sold by the Commission on whatever terms it deems proper. The sales are subject, however, to control by the State Administrative Board.

Before the parcel is offered for sale, it is appraised and its fair cash market value established by competent appraisers. The parcel is first offered to other state agencies, particularly the Department of Conservation, and in certain cases to local governmental units.

If such agencies are not interested in the land, most of the parcels are then offered to the public and are sold under sealed bids at public auction. A minimum bid in the amount of the appraised value is required at all public auctions. Landlocked parcels (those without access thereto) are frequently sold to the adjoining landowners on a negotiated basis.

Before any sale of excess land is completed, the transaction is reviewed and confirmed by the Michigan State Administrative Board pursuant to law.

Information relative to the sale of excess property at auction may be obtained by writing to the Michigan State Highway Department's Excess Property Section, Mason Building, Lansing, Michigan.

Methodist Church

The Methodist Men cabinet met in the fellowship hall on Monday, September 20th, to plan future programs and projects. Present officers include Mill Ames, Tom Kluck, Harry Ball, Milt Lawson, Stuart Leach, and Don Hollums. Methodist Men will meet for their monthly session on Sunday morning, October 3rd, from 7 to 8:15 a.m. for breakfast, business, and a program presented by Don Hollums on wildlife.

The official board met at the home of the Norm Roe's on Tuesday, September 21st.

The Steering Committee for the Every Member Visitation met in the fellow ship hall under the leadership of Dr. Harry Davis. Loyalty Sunday will be November 7th, and members are encouraged to be home on that day to help support the program of the Church. The new Church program has been set up and the budget to underwrite that program has been prepared. The Steering Committee that met on September 23rd, will meet again Thursday, October 7th, at 7:30 p.m. in the fellowship hall.

Gilbert Auty, representing the First Methodist Church of Brighton, attended the District Laymen's Retreat at Judson Collins Methodist Camp, conducted on Saturday, September 25th.

Much to his surprise and consternation, Pastor Brubaker woke up with the flu on Sunday morning, September 26th. Ellen Brubaker led the early morning service and preached the sermon, and there is a good deal of discussion as to whether Pastor Brubaker should be replaced with his more attractive counterpart in future services. During the second service, the Rev. Charles Kent of the Brighton Hospital directed the service and preached the sermon, which was much appreciated.

The first Official Board Retreat was conducted at the Lakeside Camp on Sunday, September 26th, from 2:15 to 9 p.m. The Rev. Donald Kraushaar of Saline served as director. Mrs. I. L. Bailey and Mrs. Clarence Taylor prepared a delicious evening dinner. During the retreat, the board discussed the purpose and mission of the Church and planned the program for the new church year.

The Commission on Membership and Evangelism plans to continue the attendance registration each Sunday, will invite other churches into a community religious survey of Brighton, will initiate the "Friendly Callers" to visit the unchurched, and will hold special receptions for new members. The Commission

This is Your Personal Invitation to attend the 3-Day Gala Celebration at WILSON FORD this Thurs., Fri., Sat.

Commission on Education under Lloyd French will stress teacher training, camping, a church library, and will join the Film Fellowship.

Commission on Missions under Mrs. Leslie Oliver plans to serve needy people in the Brighton area, will conduct another "Church At Work In The World" series in January, and will publicize the work of missions. The Commission on Stewardship and Finance under Harry Davis will publicize the program of the Church and conduct a vigorous Every Member Visitation.

The Commission on Christian Social Concerns plans to entertain international students in the homes of Brighton people, support the UNICEF program and Get-Together Club, hopes to send a young person to the UN Peace Seminar, and will work for better human relations. Leo Fitzgerald is the chairman of this commission. The Commission on Worship under Mrs. Clarence Taylor will continue to secure candles, keep altar cloths clean as well as choir robes, and will care for flowers.

The Methodist Youth Fellowship met for their worship, program, and recreation Sunday night, September 26th. Luanne Eikhoff and Stuart Leach led the program consisting of play readings followed by discussion. Next week, the MYF will meet at 5:45 p.m. and leave for the Brighton Hospital for a special tour. Tom Gibson, Keith Buford, and Larry Rockwell are responsible for the programs for October and November. Sheri and Randy Fisher and Luanne and Don Eikhoff will care for coffee hour on October 3rd. Carol and Karen Taylor will bring refreshments.

The Membership Training Class for young people in Grades 7 and 8 met at Church on Monday afternoon, from 3 to 4:30 p.m. and will meet again on Monday, October 4th. The Membership Training Class for high school young people will meet Wednesday evening, from 7 to 8 p.m. September 29th, in the fellowship hall.

The Inter-Board School of Instruction for all local church officers will be conducted at the First Methodist Church, Ann Arbor on Thursday, September 30th, from 1:30 to 9 p.m.

Membership Training Class II will be conducted at the parsonage from 9:30 to 10:30 a.m. Sunday, October 3rd for adults. World-Wide Communion Sunday will be celebrated that morning, and a special consecration service for church school teachers will be a part of the morning worship at the second service.

The "Know Your Bible" series under the leadership of Gilbert Auty will begin on Sunday, at 7:30 p.m., October 3rd. The ecumenical study - discussion group will meet at the Robert

Point Of View

By Tom Kizer
Last Wednesday night was a memorable one for members of Chemung Hills Country Club. Eighty percent of the membership was present at the annual meeting and voted by a whooping 90% to approve a \$120,000 club improvement and expansion program. It was also a good night for Livingston county because on the site of the old club house will soon rise a thing of beauty that will be an asset to all the county. Not only that, but it is only a matter of time until the lake front and the perimeter of the club course will sparkle with new, beautiful homes filled with happy people.

On repeated occasions for several years the membership has been asked to vote on this same project and each time it was voted down, but this year the tide turned and with a rush. It is a good feeling to be a member of a community that believes in moving forward whether it be country club, hospital, schools, industry or what not and I like my community. I moved here voluntarily 22 years ago from Huntington Woods and if I had it all to do over again I can't think of a thing I would change. It has been a great place to live and bring up my kids and it gave me one of life's most prized possessions—many real, honest and good friends.

Books have been written poking sophisticated fun at small towns like Brighton and Howell and occasionally we poke a little at ourselves but as for me, I love em and I feel truly sorry for the big city dweller. All activity takes on a warm personal touch. Even the simple daily chore of shopping is rewarding in its own homespun way.

For example, awhile back my wife put the bite on me to modernize our kitchen. Of course she didn't use the word "modernize" in her first overtures, she used the term "redecorate." Sometime later I realized that what she really meant was "tear out, remodel, rebuild and buy new." But by the time I discovered the primrose path down which she had led me, it was too late. How are you going to stop a project of new cupboards when the fronts are half

Eidson's at 8 p.m., October 3rd. The School of Churchmanship will be conducted at Ypsilanti, First Methodist Church from 7:30 to 9:30 p.m. on Tuesday, October 5th. The steering committee will meet in the fellowship hall on Thursday, October 7th, at 7:30 p.m. This coming Sunday, October 3rd, the Rev. Robert Brubaker will preach on "The Consecration of the Common."

off the ones you have and a gaping void shows where she pried off an old one to make room for the increased height of the new refrigerator she apologetically tells you she thought you understood all along she wanted to order. By this time you either don overalls and start carpentering or you call a carpenter. I doned the overalls for two nights and then called the carpenter. Anyway we wound up with a whole new kitchen save for the perimeter walls. Oh it is a thing of beauty all right, but it ought to be, judging by the bills.

The point of the story, however, is the shopping spree this took us on and the contrast between shopping in Howell or Brighton VS shopping in Detroit. The first item of business after the cupboard deal was new flooring. Now I can remember when all kitchen floor covering was called "linoleum." Not so today, what we got is called "colonial brick vinyl tile" and from the price of it, it ought to be called "baronial gold inlay."

Anyway, after I got over the first shock as quoted by one of our local merchants who is a friend (?) of mine and who did this dastardly thing to me in my own home while helping himself liberally to the bottle of bourbon between us on my kitchen table, I informed him I would never stand for that kind of highway robbery and I'd get the danged stuff in Detroit and at a sensible price. So I went to Detroit and I got a better price by about one half of one percent from a clammy looking, two bit jerk in fancy floor covering establishment. I might even have gone for it, just out of spite except that he took great pains and a lot of my time telling me how important it was that this great new product be limited by experts like them instead of some hick town jack of all trades. That did it. I went back home and told my wife to give the order to Jim.

The appointed day came and Jim arrived with his helper and I took the day off just to heckle him. Every joint that butted up against a wall or floor cabinet, even though covered by a moulding later, that showed one thirty second of an inch crack, brought down my scornful criticism on his head. By right it took my wife's finest diplomacy fortified by another half bottle of my finest libation to get us back on speaking terms. It was

great! Imagine, by contrast, what a bore it would have been to have some strangers from Detroit doing that same job in an efficient, workman-like manner and in complete detachment even at one half of one percent better price!

Some day I'll tell you about the new refrigerator, too, which I could have bought in Detroit at a fantastic saving of three quarters of one percent plus freight, plus installation, but I didn't. This local appliance dealer is also a friend (?) of mine and to prove it he comes out about once a week to check on the new refrigerator and my stock of scotch—he doesn't like bourbon.

Pinckney All-Stars

By John Tasch

Pinckney All Stars scored 31 points on the Dan U team Saturday night in the first clash of the Oldimers this season. They held the new Hell team scoreless!

The All Stars scored their first touchdown late in the second quarter on a run by Quarterback Jim Barker. Then a pass play from Barker to Hal Mills that covered 40 yards set up a six-yard run by Ed Gay to make the score 12-0 at the half.

Early in the second half Guy ran another one for an All Star TD. The next touchdown was

made by Ed Pills, backfield man, Del Eitz.

Barker, of the first five points of the game and also of the last!

PENALTIES BEAT BULLDOGS

Clarenceville Ups Brighton By 20-13

The Bulldogs made 64 yards in the second quarter and 26 of these were in passing. Quarterback Luttermoser hit Bob Cameron twice and Bruce Evenson once for that 26 yards. There were 11 first downs in this quarter. Larry Flowers lead the tackling in this quarter with 5. Don Herbst 4. Terry Feret, Kevin Rossworm each had 2 and Tony Fletcher Joe Anderson got 2 apiece. The score still stood at 7-6.

Brighton made most of its yardage in the third quarter with 99 yards. Bulldog Larry Flowers grabbed one of QB Ray's passes and darted to the goal line for Brighton's second and last TD of the game. The Bulldogs also made their extra point on this one bringing the score to 14-13. Herbst had 4 tackles in this quarter while Malby Evenson and Tony Fletcher had two apiece. Larry Flowers had one and so did Terry Feret.

In the fourth quarter Brighton made 59 yards. QB Ray hit one pass this quarter to Larry Flowers for 11 yds. Again Don Herbst lead the quarter with 7 tackles. Larry Flowers 3, Kevin Rossworm, Terry Feret, Harry Malby each had 2 apiece.

Brighton made a total of 234 yards on rushing and 40 tackles. Brighton fought hard but not hard enough as the Trojans won 20-13.

After the game Brighton's center Tim Santa was rushed to the hospital for what seemed a broken rib or appendicitis. It is not known for sure what happened but we hope it's not serious.

Many of us would be delighted to pay as we got if we could catch up on paying as we have already gone.

Fullback Larry Flowers blossomed forth with another great night, but it wasn't enough to save Brighton from a 20-13 loss to Clarenceville in a Wayne-Oakland League game.

The Clarenceville Trojans led by co-captain Chris Hawkins beat the Brighton Bulldogs Friday night in a close fought battle. Hawkins scoring two of the touchdowns himself and set up the Trojans first score with a 72 yard run. Wilson scored it on a one yard sneak.

Now don't think that Clarenceville dominated the game because they didn't. Brighton did. Brighton moved the ball anywhere on the field they wished except across the goal line. They had a total of 379 yards during the game but only 13 points. Anytime this happens something is wrong. There was, penalties pushed them back time and time again Brighton has a total of 100 yards in penalties. That's more than Clarenceville gained passing. Even though the Bulldogs were defeated, they had some outstanding players. Larry Flowers and Kevin Rossworm lead the Bulldogs in the rushing dept. while Don Herbst and again Larry Flowers had the most tackles.

Brighton gained a total of 78 yards in the first quarter with 2 first downs and three passes. Bulldog quarterback Ray Luttermoser threw three passes in the first quarter completing all of them to Larry Flowers, Bruce Evenson, and Kevin Rossworm. Larry Flowers scored Brighton's first touchdown bringing the score to 7-6. Bulldog Terry Feret lead the tackling dept. in this quarter with 4 tackles while Larry Flowers and Harry Malby each had 3. Don Herbst and Tony Fletcher got 2 apiece.

THE BRIGHTON BARACUDAS completed a club project in which 12 members earned their Red Cross senior life saving certificates. Brighton Jr. High School Principal Robert Scanton, pictured standing second from the right, was instructor, and Mrs. Jean Todd standing next to him in the back row was the assistant instructor. Pictured left to right standing are Hugh Glen, Elaine Black, Jim Wells, Sally Todd, Larry Marrow, Bill Comiski, Fred Linsey, Dick Drake, Betty Trainoski, Robert Scanton, and Jean Todd. Front row is Bruce Wright, safety officer Stan Lalewicz and the club's president Tex Black. As a token of their appreciation the club presented Scanton with the desk clock he is holding.

MICHIGAN + MIRROR +

TOO COMMON
Educators and onlookers both
here and abroad have comment-
ed for at least a decade that the
American college degree is rapidly
losing its previous meaning.

A bachelor's degree used to be
a mark of distinction, but times
have changed and the change is
continuing at an ever increasing
pace. It seems to involve a chicken
- and - the egg question.
Did industry and educational
demand further educational
background or did educators
push the need for graduate
work?

Regardless of the answer, it
appears Michigan is now ap-
proaching the point where some
individuals are ready to make
a reality of the decade-old com-
ments.

A legislative study is now being
made under the leadership of
Sen. Joseph Mack, D-Ironwood,
on whether Michigan should extend
its public education program to 14
years instead of stopping at the 12th
year when a student receives his high
school diploma.

Mack, for one, is convinced that
the pioneering work in this area
being done in California should be
followed here. That state is provid-
ing two free years of college for
resident students.

A kindergarten-through-14 pro-
gram would relieve enrollment
problems at major Michigan
colleges and be a boon for de-
velopment of more community
colleges, says Mack.

Since Mack heads the legisla-
tive study and favored the idea
from the start, it is a pretty
sure thing that a proposal of
some kind will be put before
the legislature in the next year
or two. Like the K-12 program,
however, it is just likely that
several years debate will follow
before any action is taken on
such a bold step in the field of
education.

Putnam Township OFFICIAL MINUTES

Regular meeting of the Putnam Township Board, held Wednesday, September 15, 1965 at 7:30 p.m. Board members present: Dinkel, Wylie, Stackable, Reynolds and Kennedy.

Meeting called to order by Supervisor Dinkel.

Minutes of the meeting of August 18, 1965 were read.

Motion by Reynolds, supported by Stackable to enter the following correction to the July 21, 1965 minutes to read as follows: that all bills submitted were allowed paid except one. This one being the usual yearly pay for Liquor Inspector by our Liquor Inspector, Constable Art Rentz.

Reason for denial and tabling was based on minutes produced and read by the clerk, of the regular township meeting dated Nov. 22, 1961. These minutes stated Mr. Rentz was appointed Liquor Inspector at this meeting and also paid for the year in advance all in the same night. Motion carried.

Motion by Reynolds, supported by Wylie, that the following correction be made, to the second from last paragraph of August 18, 1965 meeting to read: that the minutes of tonight's meeting be published in full. Motion carried.

Motion by Reynolds, supported by Stackable, that the board table the letter from the Librarian until next regular board meeting. Motion carried.

Motion by Kennedy, supported by Wylie, that the board approve the minutes of August 18, 1965 meeting as amended. Motion carried.

Motion by Stackable, supported by Wylie, when minutes have been read and finally accepted, the signature of the board members affixed effective as of this date. Motion carried.

Motion by Stackable, supported by Wylie, that the board pay Arthur Rentz, as Putnam Township Liquor Inspector the amount of \$442.81, broken down as follows: \$225.00 years 1964 & 1965 and \$217.81 years 1965 & 1966. Motion carried.

Pinckney Enjoys Quiet Weekend - Surprisingly

The usual vandals let up on Pinckneyites over the weekend following some not-so-quiet ones previously.

In addition to the hotrodders that have been harassing Pinckney, the village was barraged with countless cantaloupes a week ago, the work apparently of highly intelligent young people with more time on their hands than hunger.

Another brilliant act of this or some similar group has also been reported: the flagpole was broken when a tire was set on it.

There is a standing offer by Village Council of \$50 for anyone providing information leading to the arrest of vandals who destroy public property in the village by negligent use of a vehicle.

PTA Board Plans Rummage, Bake Sale

The Board of Directors of PTA met Tuesday night to complete plans for the Oct. 9 Rummage and Bake Sale the group is sponsoring at Pilgrim Hall.

Both donations and help are needed for the event. Anyone willing call Jane Widmayer, 878-3422 or Harold Neuman, 426-4316. Proceeds benefit elementary children.

The next regular PTA meeting will be on Oct. 21 when arrangements for the annual Halloween Party will be made. The party is for all children following an hour of trick and treating on Oct. 30.

ANOTHER WINNER

Last week we reported that Jerry Ledwidge had taken second place in the Inverness Membership Golf Tournament. Well, this week we have another second placer, John Tessmer, of Silver Lake. Wednesday, John placed second in the Kiwanis Golf Outing, in Windsor. There were four Canadian clubs represented and ten from the states. Don Swarthout was the only other Pinckney entry at the outing.

John Booth is confined to his bed in St. Joseph Mercy Hospital, after falling from a roof-top near his home at Hi-land Lake. Anyone wishing to send cards may address them to room 305.

Mr. and Mrs. Don Endres celebrated their 10th wedding anniversary with dinner at the Woodland last Saturday. Mr. and Mrs. Dave Taylor and Mr. and Mrs. Paul Endres also enjoyed a delicious meal with the Don Endres.

Mrs. Leona-Marie Bonner and Miss Florence Price went on the Tour of Homes sponsored by the Livingston County Republicans Club last Thursday. Other Pinckney area ladies enjoying the tour were, Mrs. Sadie Read, Mrs. Liz Calone, Mrs. May Daller and Mrs. Edith Van Norman.

Also last week Mrs. Bonner and Mrs. John MacDonald attended the Intercity Garden Council meeting in Williamston. Pinckney was the co-hostess with Williamston at this meeting. Some special "Ohs and Ahs" were heard when Mrs. Bonner exhibited a Turks Head Squash.

An old Pinckney friend and now Ann Arbor resident, Jim Spidler, has recently undergone surgery on his leg. He is in St. Joseph Mercy Hospital in Ann Arbor, 6th floor, room 646. Since Jim will be laid up there for at least a month, would certainly enjoy hearing from his friends.

Mr. and Mrs. Bud Oliver who reside in Kentucky, (Bud is stationed with the army there) announcing the birth of a baby girl, Sept. 25. The baby, who has not yet been named, has an older sister, Linda, and a brother, Billy, at home. Mrs. Oliver is the former Sarah Fyvie, of Pinckney.

Quite a number of Pinckney people spent a fine Saturday afternoon watching the Wolverines beat the Wild Cats (Calif.) But oh that traffic. Among the sufferers were the Bill Baughn family, Bill Botsford, Frank Zezulka Jr., John Tasch, Mike and Pat Tessmer, Karen Bock and myself. But, since it was band day, just seeing the 175 bands take the field made the traffic jam-ups worthwhile.

James Meyer Jr. enjoyed a delightful two days as the weekend guest of his grandmother, Mrs. Alta Meyer. Sunday visitors of Mrs. Meyer were Mr. and Mrs. William Lamb and Bill, Jr. of Ann Arbor, and Mark Meyer, Jr.

Billy, Marcia and Kim Knight had a special treat Sunday. They saw the delightful show "Billie" starring Patty Duke.

Over the weekend Jack Lee and Paul Gunderson have become the proud new owners of an "Amish Buggy" acquired from an Amish family in Cromwell, Ind.

At the Leonard Lee home Sunday, a birthday celebration was held in honor of young Mitchell Lee's third birthday. Party guests were Miss Ruth Lee of Flint, Mrs. Fanny Emerson of Muskegon, Mrs. Lucille Fleece and friend, of Goodrich and of course Mitch's dad, Jack.

The John Burg and Ronald Bond families of Brighton returned Sunday evening after spending a little chilly, but fun-packed weekend at a cabin in Lovells. After a cold Saturday night, the group was not at all surprised to see a few snowflakes falling, Sunday morning.

Council, School Board, Both Meet October 7

Two important meetings come up again next Thursday, Oct. 7 when the Village Council convenes at 7 p.m. at the high school, and the Board of Education holds its monthly meeting at 7:30 in the same school.

Council has found that building sidewalks to the school as decided upon at their last meeting will have to be abandoned. They were informed also putting in curbs and gutters which would make the cost of the sidewalks prohibitive.

According to Councilwoman Jane Widmayer, arrangements have now been made by Bus Superintendent Robert Dum to bus the village students, so some of the danger of there being no sidewalks has been alleviated.

The public is invited to attend each of these meetings.

HAMBURG NEWS

Mr. and Mrs. Howard Knap have been visiting relatives and friends around Hamburg and Strawberry Lake. They had been in College Park, Md. attending the wedding of their son, Robert. Robert is a high energy nuclear physicist at the University of Maryland and Brookhaven National Lab at Upton, N.Y.

Pirates Lose 12-0

Pinckney Pirate Varsity went 70-odd miles to Grosse Pointe University High School last Friday only to be beaten 12-0.

Throughout the first quarter it looked as though the final score might be 0-0. In the second quarter however, Grosse Pointe quarterback Mark Brown connected on a 16-yard pass to his brother Harris. The kick for the extra point was not converted and the score at half time was 6-0.

All through the third period and most of the fourth the whole Pirate team had but one thought in mind - to get a touchdown, convert the extra point, and to hold Grosse Pointe's offense scoreless.

Then late in the fourth quarter the Pirates got a drive going and Pinckney hopes started to climb but a Grosse Pointe interception and a 30-yard touchdown pass from Brown to Arthur Getz

finished all hopes of victory for the Pirates.

This Friday, October 1, the Pirates will play their first Ingham County League game when the Dansville Aggies come to Pinckney. It will be the 1965 Pinckney High School Homecoming game. Floats and a school queen ceremony will be featured during half-time along with a dance after the game.

MRS. HALL HOME

Mrs. Ralph Hall returned Monday from McPherson General Hospital where she was rushed last Wednesday for an emergency appendectomy.

In Michigan, after a day's fishing beer's the one... for good taste, good fun

Wherever you fish for sport—on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport—bowling or strolling, golfing or gardening—a frosty glass of beer makes a naturally great accompaniment.

RCA VICTOR COLOR TV IS NOW BRIGHTER THAN EVER!
 New RCA HI-LITE TUBE delivers unsurpassed brightness

RCA VICTOR New Vista COLOR TV
 compare against all others for unsurpassed natural color

RCA Victor Color TV is performance-proved for over 11 years! And now RCA Victor brings you the new RCA HI-LITE TUBE-for brighter color-more natural color-color so true-to-life you'll compare it to color motion pictures! Super-powerful 25,000-volt chassis has three i.f. signal-booster stages to assure sharp, stable pictures in both color and black-and-white. Another outstanding feature is the RCA Automatic Color Purifier. It "cancels" magnetism that may cause color impurities... lets you move the set from place to place without service adjustment. Come in for a demonstration of RCA Victor-America's first choice in Color TV!

No Down Payment - Up to 36 Months to Pay.
 No Payment 'Til Feb. '66 on the Appliance Buyers' Credit Plan.
 More people own RCA VICTOR than any other television... black and white or color

Annual Tour

The annual school tour for the fifth grade students of the Livingston County Schools sponsored by the Fenton and Livingston Soil Conservation Districts will be October 5. The students will stop at sites where soil and water conservation practices have been installed at four different farms. The tour this year will be south of Fowlerville. Everyone is entitled to know more about the soil that we depend on for our livelihood. Soil and water are recognized as our basic natural resources. Conservation and wise use of soil and moisture on croplands, grasslands and woodlands is the key to keeping our land productive, our people healthy, and our nation strong and beautiful.

CRIBBAGE

The Hell Chamber of Commerce will sponsor a cribbage League this Fall to be played at the Putnam Township Hall in Pinckney.

Yards, Fire Hazard
A backyard cluttered with leaves and other debris is a dangerous fire hazard, the American Insurance Association reports.
The Association offers the following suggestions to Livingston county homeowners:
Be especially careful not to let dry leaves accumulate near the house or in roof gutters. Never burn rubbish outdoors unless it is permissible under local regulations. If outdoor fires are permitted, never start one on a windy day. Burn trash and leaves in a covered metal container.

Modern Maps
The modern road map would have been useless 60 years ago, for road signs were practically nonexistent then.
Before the turn of the century, motorists followed maps intended for use by bicyclists. They often discovered, however, that the bicycle roads were too narrow for cars to pass.
Soon after 1900 the popular Automobile Blue Book was issued. This is a typical entry: "Turn right at the red barn, left at the trolley tracks, and right again where the road forks at an oak tree with a knothole on the north side."
By 1912, many individual organizations began installing their own versions of road signs and their own maps. Things became confusing, for there was no effort to make one organization's map conform with any other map.

A Wild Ride
rakish animal looks made with Dynel modacrylic.
Pictured here is a white Plymouth Fury convertible completely upholstered in a tiger-like soft, deep pile. The car is an exact duplicate of the pace car (except for the Dynel upholstery) at the Indianapolis 500 race held May 31, and was given as first prize in an Enco "Tiger-at-Indy" service station contest preceding the race. The lucky winners were Mr. and Mrs. Welden L. Wuensch of Indianapolis.
Trying out the driver's seat is a lucky member of the Indianapolis Festival Queen's court. She loves tigers.

IMPROVEMENT
Great strides in community treatment of the mentally ill are expected to result from a legislative change made this year.

The law, known as Act 54, previously provided for a 50-50 matching plan between the state and the locality establishing a community mental health care center.

At the strong urging of the state mental health department and many local planning agencies, the legislature this year raised to 75 per cent the maximum state contribution.

Many communities, some spokesmen said, just did not have the funds to establish meaningful programs under the 1964 law at the 50 per cent level.

State Mental Health Director Dr. Robert A. Kimmich encouraged the adjustment in the funding provision of the law.

He contended during discussion of the 1965 change that Michigan could substantially improve its total mental health program by making the community services law effective.

The year ahead will just begin to tell the story of whether this law, somewhat a pioneer effort in the nation, is now written as needed to make community mental health programs meaningful.

ANOTHER OLDTIMER
Evolving from rather modest beginnings, Wayne State University has come to be one of the "Big Three" in state institutions of higher learning. It will mark its 100th year in 1968.

University officials describe its history thusly: "The simple unpretentious beginnings of medical education in Detroit 100 years ago did not forecast either the size or prestige of the medical center here or the extent of Wayne's commitment to a program of teaching, research and service within that center. During the first 50 years only two other colleges emerged to stand beside medicine.

"The second 50 years have seen half a score of colleges, divisions and schools come into being. This expansion in program... in synopsis the history of Wayne, is the measure both of the growth of organized knowledge in these decades and of the efforts made to provide the education which today is so important to students and so vital to the community."

Back in 1808, a college of medicine and a college of education were in operation. Later years saw the addition of colleges of liberal arts, pharmacy, engineering and a graduate school under jurisdiction of the Detroit Board of Education.

Wayne University became an entity in 1933 when these several units were united. Thereafter the Detroit City Law School became part of the University and primary units were added to provide degrees in social work, nursing and business administration. The latest addition, in 1959, was Monterth College, a kind of honors college.

The "State" designation was added in 1956 when the Legislature started a gradual change from city to state support of the 10 schools and colleges. Many of Wayne's some 50,000 students still are commuters and part-time enrollees but its changing character has made it much more than the "streetcar campus" title it bore in fairly recent years.

DEATH THREATS
The approach of winter brings many hazards to the unwary. Not the least of these are the icy highways and thinly-iced waterways.

Another, more consistently deadly danger, however, does its worst damage in the winter months and requires real vigilance to detect before it is too late.

This is the danger of carbon monoxide poisoning, described by the experts as the "silent killer."

Warnings are issued widely each year at the start of winter against this cold-weather hazard but still the headlines annually relate many needless deaths from this cause.

"Everyone must realize that this deadly enemy lurks in wait in many places," says State Health Director Dr. Albert E. Heustis. "It awaits unsuspecting victims in homes, garages, cars, schools, factories, motels, house trailers and even fishing shanties."

Carbon monoxide is present wherever there is combustion: in carned heat, gas refrigerators, furnaces and auto engines. To protect against this colorless, odorless poisonous substance adequate ventilation is required and annual checks of gas furnaces and appliances is recommended.

At their regular meeting of Sept. 22, 1965 the Brighton City Council approved for final adoption the following ordinances.

CHAPTER 35 - FOOD ESTABLISHMENTS

Definitions.

35.1.

- (a) A grocery is a food establishment where staple articles of food commonly called groceries are handled for sale or delivered.
- (b) A meat market is a food establishment where meats and their by-products are handled for sale or delivery.
- (c) A bakery is a food establishment where bread, baked goods, pastries, etc., are prepared for sale or delivery.
- (d) A confectionary store is a food establishment where ice cream, carbonated beverages, candy, popcorn and the like are sold or are prepared for sale or delivery.
- (e) A fish market is a food establishment where fish are handled for sale or delivery.
- (f) A beverage manufacturing plant is a food establishment where carbonated beverages and other soft drinks are prepared and bottled for sale or delivery.
- (g) A fruit and vegetable market is a food establishment where fruits and vegetables are handled for sale or delivery.
- (h) A food manufacturing establishment shall be taken to include all food establishments where food is prepared, cooked, canned, packed or in any way converted from the state or form in which it was received.
- (i) A wholesale food merchant shall be taken to mean any person, firm or corporation selling food, or beverages of any kind intended for human consumption to another person, firm or corporation for the purpose of resale.
- (j) Gasoline and filling stations where only wrapped candy is sold are specifically excluded from the terms of this ordinance.

License Required.

35.2. No person, firm or corporation shall engage in the business of conducting a food establishment within the City of Brighton, or sell food either wholesale or retail, without a license therefor, as hereinafter provided.

Application Procedure.

35.3.

- (a) Any person, firm or corporation, desiring to conduct a food establishment or to sell food or beverages as herein defined, within the City of Brighton, shall annually make application in writing for permission to do so, to the City Manager, upon blanks provided for that purpose, who shall refer all such applications to the Health Officer for investigation and approval.

The following information shall be given by the applicant:

1. The applicant's full name, full post office address, and whether such applicant is an individual, firm or corporation. If a partnership exists, the name of the partners together with their addresses. If the application is made by a corporation, the names and addresses of the officers must be given.
2. The location of applicant's place of business and a statement as to the kind of business, i.e., whether it is a grocery store, meat market, etc.
3. An agreement that said applicant will permit the Health Officer and/or his representative, or of the Police hereof, or their representatives to inspect his, or their establishment and all reasonable equipment and merchandise in connection therewith, at any reasonable time desired. Members of the Police Department may at all reasonable times inspect applicant's license.
4. The manner in which applicant intends to dispose of his goods, i.e., whether at wholesale or retail, or both, and any other information desired by the Health Officer.
- (b) Upon the signing of such application by the applicant, or someone duly authorized by him, the Health Officer shall make or cause to be made an investigation to ascertain whether such applicant is in a position to observe, and is willing to observe the terms and conditions of this ordinance. If it shall appear to the Health Officer, after such investigation, that such applicant is in a position to maintain a sanitary food establishment and furnish clean, pure, healthy, wholesome, and unadulterated food to his customers, and is willing to observe the terms and conditions of the ordinance, and the regulations of the Health Officer, if the application is approved, then the Health Officer shall endorse upon the application a favorable report and transmit the application to the City Clerk, who shall issue a license to the applicant granting permission to conduct the type of business designated in said application and no other, upon the payment of proper fees.

The fees for such license shall be established by resolution of the City Council of the City of Brighton.

If it shall be found by the City Health Officer after investigation, that said applicant is not maintaining, or cannot maintain, a sanitary food establishment, or is not furnishing clean, pure, healthy, wholesome and unadulterated food to his customers, or that he is unwilling to observe the terms and conditions of this ordinance and other regulations of the City Health Officer, or that is not in a position to do so, then the Health Officer shall endorse upon such application an unfavorable report, together with a recommendation that said applicant be denied a city license by the Common Council. The City Manager shall upon receipt of such a recommendation, present the matter to the Common Council not later than its first regular meeting, following receipt of said report.

The Common Council shall act upon said application; and in the event that license is denied, the City Manager shall promptly notify the Health Officer of said action. Upon receipt of said notice, the Health Officer shall immediately order the establishment closed; and, in the event that the applicant shall not comply with said order, he shall be promptly prosecuted.

If the applicant should deem himself aggrieved by the City Council of the City of Brighton in denying said license, he shall within ten (10) days following receipt of notice of denial of said license, file with the City Manager a demand in writing for a hearing, which hearing shall comply and be similar to that held, in the event of revocation, or suspension of license.

The City Health Officer and/or his representative shall have authority to revoke, or suspend for sufficient and proper cause any license issued under authority of this ordinance, by giving written notice of such action to the licensee. Provided, that in the event of such revocation or suspension, the licensee shall be entitled to a hearing before the City Council if such hearing is demanded by him, in writing, and presented to the City Manager, within ten (10) days from the date of revocation or suspension of license. Such hearing shall be started at the following regular meeting of the City Council, and the City Council, after hearing both sides of the question, shall act as sole judge of whether or not the revocation or suspension shall stand, subject to appeal and review by the circuit court for the County of Livingston, State of Michigan.

Outside Sale of Groceries Prohibited.

35.4. That it shall be unlawful for any person, firm or corporation to display any exposed foodstuff, vegetables, fruits, or farm products of any kind, or any other kind ordinarily sold in grocery stores or food establishments, in the open space in front of any building, or in any private way, or public place, or on any boulevard in the City of Brighton.

Provided, that it shall be unlawful for any person, firm or corporation to go from house to house, or cause the same to be done with or carrying or transporting "any meat or meat products of any kind, and/or any fresh, cured or smoked fish of any kind," and/or any food which may be deemed by the Health Officer to be subject to undue contamination by this method of merchandising, with intent to sell the same, or selling the same, or offering or exposing the same for sale, either at wholesale or retail; or to aid or abet any person in so doing.

Toilet Facilities to be Provided.

35.5. That it shall be unlawful to operate, maintain or conduct any food establishment in the City of Brighton, unless the person so owning, conducting, managing or operating said business shall provide or cause to be provided a sanitary toilet for the employees of the establishment, which shall be located in a separate room, partitioned off from the rest of the establishment by a tight partition, with a tight fitting self-closing door, and shall have electric lights in such toilet room, and such rooms shall be ventilated directly to the outside air by means of a window or other form of ventilation approved by the Health Officer; provided, that where both sexes are employed and more than eight people are employed, separate toilets shall be provided for each sex, except where all of the people who work in the establishment are members of one family.

Equipment Requirements.

35.6. The following shall be and are hereby designated as the minimum building and equipment requirements for food establishments which are operating in or selling food in the City of Brighton.

Building and equipment requirements applying to all food and beverage establishments.

- (a) Smooth and easily cleaned walls, ceilings and floors.
- (b) Walls and ceilings painted with a light colored gloss paint at least once each year or otherwise redecorated or cleaned in a manner satisfactory to the Health Officer.
- (c) Adequate toilet facilities as required in Section 6 of this ordinance, conveniently located in connection with the establishment.
- (d) Suitable lavatory or sink in addition to dishwashing sink, located in or near the toilet room and an adequate supply of soap and paper towels.
- (e) Running water of suitable quality for drinking purposes, but no drinking fountain need be placed therein.
- (f) Adequate ventilation by windows, transom, flues or exhaust fans as may be approved by the Health Officer.
- (g) Adequate natural or artificial lighting.
- (h) Screening on all outside openings of buildings between May 1 and October 1. All screen doors to swing outward and be equipped with self closing devices. Provided electric fans may be used in place of screening if it is possible to keep the establishment free of flies by such means.
- (i) All equipment including counters, cases, tables, refrigerators, blocks, stoves, ventilating hoods, fans, steam tables, meat grinders, beaters, dish washing and sterilizing equipment, dishes, pots, pans and kettles and all other food establishment equipment shall be such that they will meet the approval of the Health Officer.
- (j) Sufficient number of adequate galvanized cans with tight fitting metal lids to hold all garbage, tin cans, papers and other refuse. Such cans shall be free from leaks and shall be thoroughly cleaned and scalded each time they are emptied.
- (k) All garbage shall be kept separate from glass, tin, cans, paper or other refuse.
- (l) All connections between living or sleeping rooms and food establishment rooms, shall have a self-closing door thereon, which is of a tight fit, allowing little or no passage of air between the rooms when closed.
- (m) All meat grinders, slicers, etc., must be of a type that the grinders unit and working parts may be easily removed to facilitate cleaning.
- (n) Adequate refrigeration boxes, cases, etc., to keep all fresh meats, poultry and fish at a temperature of 50 degrees F. or less at all times. All refrigerator boxes shall be provided with accurate thermometers, and all walk-in boxes shall have an electric light installed in the box.
- (o) Adequate refrigeration to keep milk, and milk products at a temperature of 50 degrees F. or below at all times. All refrigerator boxes shall be provided with accurate thermometers.

Sanitation.

35.7. That every person, firm or corporation, who, as owner or manager, keeps, maintains or operates a food establishment in the City of Brighton shall keep the same in a clean, sanitary and healthful condition at all times.

- (b) That it shall be unlawful to cause, permit or suffer any decayed food or meat or vegetable matter of any kind to remain in any receptacle, ice box, or other compartment wherein any fruits, meats, vegetables or other food intended for human consumption is kept for sale or other disposition.

Washing Facilities to be Provided.

35.12. That it shall be unlawful for any person, firm or corporation to operate, maintain or conduct any business where food intended for human consumption is prepared, manufactured, or sold or otherwise disposed of unless there shall be provided in such building a room or rooms with ample supply of running water and soap and a suitable lavatory and individual paper towels, and unless the operative clerks and employees and all persons who handle material from which food is prepared, or handle the finished product, shall be required to keep themselves and their persons and clothing in a thoroughly clean condition.

Physical Examination Required.

35.13. No person who is affected with any infectious disease or with any Venereal disease in a communicable form shall work or be permitted to work in any food establishment. Whenever required by the Health Officer, any person employed in any food establishment shall submit to a physical examination and whatever laboratory tests may be necessary to establish diagnosis by the Health Officer or some duly licensed physician qualified to make such examination and tests, in which event the result of the tests and examination shall be submitted to the Health Officer. If, as a result of such examination, such person shall be found to be affected with any infectious disease, or with any venereal disease, in a communicable form, such employment shall immediately cease and such person shall not be permitted to work in any such establishment.

Daily Sanitation.

35.14. That it shall be unlawful to use any machinery or utensils in and about the preparation or handling of food or beverages intended for human consumption, unless the same shall be thoroughly clean and sterilized daily and shall be maintained in a sanitary condition and properly covered and protected while not in use, provided, that meat grinding units shall be kept under refrigeration except when actually in use.

Cleanliness of Employees.

35.15. That it shall be unlawful for either the owner or proprietor of any firm or corporation maintaining, operating or managing any food establishment in the City of Brighton to suffer, permit or allow any employee, officer, or agent employed therein or thereabout in the handling of any food product intended for human consumption to be or remain in an unsanitary, filthy, or dirty condition either as to person or clothing while so employed or engaged in the handling of such products intended for human consumption.

Damaged Packages.

35.9. That it shall be unlawful to sell, expose for sale, or have for other disposition any prepared food for human consumption, or any cheese, candy, bread, cakes, figs, dates, prunes, raisin, mincemeat, fresh or smoked meats, fish or other food, except fruits and vegetables in broken packages, unless the same shall be kept or stored in closed glass cases or other suitable containers and protected from dirt, flies, insects and dogs, cats, rats, and mice and other contaminating materials.

Dust Proof Receptacles.

35.10. That it shall be unlawful to sell, expose for sale, to dispose of or deliver any sugar, honey, pickles, olives, sauerkraut, jelly, peanut butter, applesauce, lard, bread, baked goods, or any like products intended for human consumption, and unless the receptacles in which such product is contained shall be dust proof and kept covered.

Contaminated Food.

35.11.

- (a) That it shall be unlawful to sell or offer for sale any contaminated, adulterated, or unfit food intended for human consumption, or any food which has been exposed to dust, flies, or contamination by the public, vermin or other contaminating material in violation of the terms of this ordinance.

Enforcement.

35.15. That the power to enforce the provisions of this ordinance be, and the same is hereby vested in the Health Officer of the City of Brighton, and his deputies, it shall be the duty of such persons to visit and inspect at frequent intervals every place where food, beverages, or confection intended for consumption by human beings are manufactured, kept, stored, prepared or offered for sale or other disposition, provided that the Chief of Police and his duly authorized assistants shall assist the Health Officer in the enforcement of this ordinance when requested to do so by said Health Officer.

Provided further that it shall be the duty of the Chief of Police and his duly authorized assistants to check all food establishments to determine whether or not they are provided with proper licenses as required by this ordinance and the Chief of Police or his duly authorized assistants shall institute action to prosecute any person, firm or corporation found to be operating without proper City license.

Inspection.

35.16. That the Health Officer or his Deputy, of the City of Brighton, shall have full power at all times to enter every building, room, basement, or cellar occupied or used, or which they have reasonable cause to believe is being used for the production, manufacture, storage, sale or distribution of food, for the purpose of inspecting the premises, and the utensils, fixtures, furniture, and machinery used therein as aforesaid, and if, upon inspection, any food-producing or distributing establishment, conveyance, employee, operative, employer, clerk, driver or other person is found to be violating any of the provisions of this ordinance, or if the production, preparation, manufacture, packing, storing, sale, distribution, or transportation of any such food products is being conducted in a manner detrimental to the health of the employees and therein being produced, manufactured, packed, stored, sold or distributed, the officer or inspector making such examination or inspection shall thereupon issue an order or rule to the person or persons in authority, or in charge or control of such place, directing that the condition or conditions be corrected within such reasonable time as in his discretion he deems proper, and unless such person, firm or corporation shall make such improvements as required by order within the time so limited, it shall be the duty of the Health Officer to institute proceedings against the person for the violation of this ordinance and close the business of such person until such improvements and repairs shall have been made and approved by the Health Officer. Provided, that should the sanitary condition found warrant such action, the establishment may be immediately closed by the Officer making the inspection, in which case he shall notify the person in charge of the establishment at the time of inspection, in writing, stating his reasons for closing the place and a continuance to operate after receiving such a notice shall constitute a violation of this ordinance.

Sale of Milk.

35.17. All milk which shall be sold or offered for sale within the City of Brighton, shall be pasteurized milk, and no milk shall be sold in the City of Brighton which has been

held more than forty-eight hours after pasteurization. All milk containers shall be given a thorough rinsing with water before the same are returned to the dairy plant.

False Labeling and Advertising.

35.18. It shall be unlawful for any person, firm or corporation to misbrand, mislabel or in any way misrepresent any article of food to the customer or to make, publish, disseminate, circulate, or place before the public, any advertisement relating to the sale of "any article of food intended for human consumption," which advertisement contains any statement which is untrue, deceptive or misleading, or which falsely represents kinds, classification, grade or quality of "any article of food intended for human consumption" so advertised for sale.

CHAPTER 52 - LIQUOR BUSINESS

Definitions.

52.1.

- (a) For the purpose of this article, "alcoholic liquor" shall be construed to include any spirituous, vinous, malt, or fermented liquor, liquids, and compounds, whether or not medicated, proprietary, patented, and by whatever names called, containing one-half of one percent or more of alcohol by volume which are fit for use for beverage purposes.
- (b) "Beer" is hereby defined and construed to mean any beverage obtained by alcoholic fermentation of an infusion or decoction of barley, malt, hops, and other cereal in potable water, or any of them.
- (c) "Wine" is hereby defined and construed to mean the product made by the normal alcoholic fermentation of the juice of sound, ripe grapes, or any other fruit with the usual cellar treatment, and containing not more than sixteen per cent of alcohol by volume. It shall also include fermented fruit juices other than grapes.
- (d) "Spirits" are hereby defined and construed to mean any beverages containing alcohol by distillation, mixed with potable water and other substances in solution, and includes, among other things, wine containing an alcoholic content of over sixteen per cent by volume.

License Required.

52.2.

- (a) No person shall engage in the business of selling alcoholic liquor in the City of Brighton without first obtaining a license therefor, as required by the statutes of the State of Michigan.
- (b) No person shall sell beer or wine, or spirits for consumption on the premises within the City of Brighton without having obtained the approval of the Council of the city to his or its application for a license so to sell, as required by the statutes of the State of Michigan.

Limitations on Sales.

52.3.

- (a) No person, either directly or indirectly, by himself, clerk, agent, servant, or employee, shall at any time sell, furnish, give, or deliver any alcoholic liquor to any person unless such person shall have attained the age of twenty-one years; nor shall any person, either directly or indirectly by himself, clerk, agent, servant, or employee, at any time sell, furnish, give, or deliver any alcoholic liquor to any person who is so intoxicated as not to be in control of all of his faculties.
- (b) No person under the age of twenty-one years shall at any time purchase, offer or attempt to purchase, obtain, consume, or bring into any premises within the City of Brighton, for which a license has been issued to sell intoxicating liquor on the premises, any alcoholic liquor as defined by this ordinance. Nor shall any person in order to procure the sale and furnishing of alcoholic liquor to any person under the age of twenty-one years, make any false representations as to the age of the person for whom said alcoholic liquor is desired. Nor shall any person under the age of twenty-one years furnish any false information regarding his or her age or make any false representations as to his or her age to any law enforcement officer, or to any person in charge of or employed in a place of business where alcoholic liquor is sold, for the purpose of obtaining a sale of any alcoholic liquor to himself or herself.
- (c) No person shall permit spirits to be consumed in any place or on any premises owned, operated, or controlled by him, and licensed under the laws of the State of Michigan to sell beer, or wine, and not licensed to sell spirits.
- (d) No person, either directly or indirectly, by himself, his agent, servant, or employee, shall sell, give away, furnish, or permit to be drunk or consumed on the premises owned, operated, or controlled by him and for which a license has been granted by the State of Michigan, any alcoholic liquor between the hours of two o'clock a.m. and seven o'clock a.m. of each day: Provided, however, That during the night of December 31 and the morning of January 1, such liquor may be sold or otherwise furnished during the entire period permitted by the statutes of this state.

Gambling.

52.4. No gambling shall be permitted in any premises wherein alcoholic liquors are sold for consumption on said premises. No dancing or floor shows shall be permitted on any premises for which a license has been issued for the sale of alcoholic liquors. These restrictions, however, shall not prevent the sale of spirits by the glass for consumption on the premises, dancing, or the furnishing of musical entertainment by means of an orchestra or floor shows on a premises operated by an existing fraternal or benevolent society, or by any club which at the date hereof has a license permitting the sale of spirits by the glass, issued by the Liquor Control Commission, or by any organization, national in character, not connected or functioning with an educational institution.

Disorderly Conduct.

52.5. No person having the management, ownership, or control of any premises in the City of Brighton, wherein alcoholic liquors are sold for consumption on said premises, shall permit by talking, laughing, boisterous conduct, or in any other manner, the disturbance of the peace and good order of the neighborhood; nor shall any person or persons, frequenting such premises, wherein alcoholic liquors are sold for consumption on the premises, make or assist in making any noise, disturbance, or improper diversion, by which the peace and good order of the neighborhood is disturbed. No person having the management, ownership, or control of any premises wherein alcoholic liquors are sold for consumption on said premises, shall permit any one employed in said business to drink alcoholic liquors with, visit or fraternize with any of the patrons of said establishment in said place of business.

CHAPTER 36 - RESTAURANTS

Definitions.

36.1. When not inconsistent with the context, words in the present tense include the future, words in the singular number include the plural number and words in the plural number include the singular number. The word "shall" is always mandatory and not merely directory. Words and terms not defined herein shall be interpreted in the manner of their common usage.

The following definitions shall apply in the interpretation and enforcement of this regulation:

- (a) Restaurant: The term "restaurant" shall mean any establishment designated a restaurant, coffee shop, cafeteria, short order, cafe, luncheonette, tavern, sandwich stand, soda fountain, and all other establishments in which food or drink is offered for sale to the public for consumption on the premises.
- (b) Itinerant Restaurant: The term "Itinerant restaurant" shall mean a restaurant operating for a temporary period within the jurisdiction of the City of Brighton.
- (c) Employee: The term "employee" shall mean any person who is employed to work in a restaurant.
- (d) Utensils: The term "Utensils" shall include any kitchenware, tableware, glassware, cutlery, utensils, containers or other equipment with which food or drink comes in contact during storage, preparation or serving.
- (e) Health Officer: The term "Health Officer" shall mean the duly appointed Health Officer of the City of Brighton and his representative.
- (f) Person: The term "person" shall mean person, firm, company, association or corporation.

Permits.

36.2. It shall be unlawful for any person to operate a restaurant in the City of Brighton who does not possess an unrevoked permit from the health officer. Such permit shall be posted in a conspicuous place. Only persons who comply with the requirements of this regulation shall be entitled to receive and retain such a permit. A person conducting an itinerant restaurant shall also be required to secure a permit. The fee for such permit shall be established by resolution of the City Council.

A permit may be temporarily suspended by the health officer upon the violation by the holder of any of the terms of this regulation or revoked upon an opportunity for a hearing by the health officer upon repeated violation.

On or before July 1st of each year applications for such permit shall be made to the health officer on forms provided by the health officer and shall include such information as may be required. The Health Officer is hereby authorized to issue permits for restaurants and to applicants when inspection or investigations indicate that such restaurants have complied with the standards and requirements as set forth herein. If provisions of this regulation have been complied with, the health officer shall issue the permit upon receipt of the permit fee. Such fee to be established by resolution of the Council. The permit fee for itinerant restaurants shall also be established by resolution of the Council. PROVIDED HOWEVER, the permit fee may be waived on restaurants operated by schools and churches and other groups for charitable purposes wherein no person profits individually from its operation.

Food Inspection.

36.3. Samples of food, drink and other substances may be taken and examined by the health officer as often as may be necessary for the detection of unwholesomeness or adulteration. The health officer may condemn and forbid the sale of, or cause to be removed or destroyed, candy, food or drink which is unwholesome or adulterated.

Inspection of Restaurants.

36.4. At least once every six (6) months the health officer shall inspect every restaurant located within the City of Brighton. In case the health officer discovers the violation of any item of sanitation he shall make a second inspection after the lapse of such time as he deems necessary for the defect to be remedied and the second inspection shall

The health officer may condemn and forbid the sale of, or cause to be removed or destroyed, candy, food or drink which is unwholesome or adulterated.

Inspection of Restaurants.

36.4. At least once every six (6) months the health officer shall inspect every restaurant located within the City of Brighton. In case the health officer discovers the violation of any item of sanitation he shall make a second inspection after the lapse of such time as he deems necessary for the defect to be remedied and the second inspection shall

be used in determining compliance with the requirements of this ordinance. Any violation of the same item of this ordinance on such second inspection shall call for immediate suspension of permit.

One copy of the inspection report shall be posted by the health officer upon an inside wall of the restaurant, and said inspection report shall not be defaced or removed by any person except the health officer. Another copy of the inspection report shall be filed with the records of the health department.

The person operating the restaurant shall upon request of the health officer permit access to all parts of the establishment and shall permit copying any or all record of food purchased.

Sanitation Requirements.

36.5. All restaurants shall comply with all of the following items of sanitation.

- (a) Floors: The floors of all rooms in which food or drink is stored, prepared or served or in which utensils are washed, shall be of such construction as to be easily cleaned, shall be smooth, and shall be kept clean and in good repair.
- (b) Walls and ceilings: Walls and ceilings of all rooms shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is stored or prepared shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth, washable surface up to the level reached by splash or spray.
- (c) Doors and windows: When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self closing, unless other effective means are provided to prevent the entrance of flies.
- (d) Lighting: All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.
- (e) Ventilation: All rooms in which food or drink is stored, prepared, or served, or in which utensils are washed shall be well ventilated.

(f) Toilet Facilities: Every restaurant shall be provided with adequate and conveniently located hand washing and toilet facilities for its employees, which shall be separated from those used by patrons unless specifically exempted by the health officer. Restaurants shall provide proper and adequate toilet and hand washing facilities for patrons.

Separate facilities shall be provided for each sex. All toilet facilities shall be connected to the City of Brighton sewage system. In restaurants hereafter constructed toilet rooms shall not open directly into any room in which food, drink, or utensils are handled or stored. The doors of all toilet rooms shall be self closing. Toilet rooms shall be kept in a clean condition, in good repair, and well lighted, and shall be ventilated by exterior windows or by mechanical means. All toilets shall be provided with sanitary toilet paper. Hot and cold running water, soap and approved sanitary towels shall be provided. The use of the common towel is prohibited. No employee shall resume work after using toilet facilities without first washing hands.

(g) Water supply: Running water under pressure from the municipal water supply shall be easily accessible to all rooms in which food is prepared or utensils are washed and the supply shall be adequate for all needs.

(h) Construction of utensils and equipment, all multi-use utensils and all show and display cases or windows, counters, shelves, tables, refrigerating equipment, sinks, and other equipment or utensils used in connection with the operation of a restaurant shall be so constructed as to be easily cleaned and kept in good repair.

(i) Cleaning and bactericidal treatment of utensils and equipment.

All equipment, including display cases or windows, counters, shelves, tables, refrigerators, stoves, hoods and sinks shall be kept clean and free from dust, dirt, insects, and other contaminating material. All cloths used by waiters, chefs, and other employees shall be kept clean. Single service containers shall be used only once.

All multi-use eating and drinking utensils shall be thoroughly cleaned and effectively subjected to one of the following approved bactericidal processes after each usage:

1. Immersion for at least 2 minutes in clean water at a temperature of at least 170 degrees F; or
2. Immersion for at least ½ minute in clean boiling water or;
3. Rinsing in clear water followed by immersion for at least 2 minutes in a lukewarm chlorine bath for at least 2 minutes containing at least 50 ppm of available chlorine if hypochlorites are used, or in a concentration of equal bactericidal strength if chloramines or other approved sanitizers are used; or;
4. Exposure in a steam cabinet for 15 minutes at 170 degrees F; or
5. Exposure in a hot air cabinet for at least 20 minutes at 180 degrees F.

1. All multi-use utensils used in the preparation or serving of food and drink shall be thoroughly cleaned and effectively subjected to an approved bactericidal process immediately following the day's operation. Drying cloths, if used, shall be clean and shall be used for no other purpose.

No article, polish, or other substance containing any cyanide preparation or other poisonous material shall be used for the cleaning or polishing of utensils.

(j) Storage and handling of utensils and equipment:

After bactericidal treatment utensils shall be stored in a clean dry place protected from flies, dust, and other contamination as far as practicable. Single-service utensils shall be purchased only in a sanitary container and shall be stored therein in a clean, dry place until used, and shall be handled in a sanitary manner.

(k) Disposal of wastes: All wastes shall be properly disposed of, and all garbage and trash shall be kept in suitable receptacles in such manner as not to become a nuisance.

(l) Refrigeration: All readily perishable food and drink shall be kept at or below 50 degrees F, except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of.

All ice used shall come from a source approved by the health officer and shall be transported, stored, and handled in a clean, sanitary manner.

- (m) Wholesomeness of food and drink: All food and drink shall be clean, wholesome, free from spoilage, and so prepared as to be safe for human consumption. All milk, fluid products, ice cream, and other frozen desserts served shall be from approved sources. Milk and fluid milk products shall be served in the individual original containers in which they were received from the distributor or from a bulk container equipped with an approved dispensing device; PROVIDED, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service. All oysters, clams and mussels shall be from approved sources, and if shucked shall be kept until used in the containers in which they were placed at the shucking plant.
- (n) Storage, display and serving of food and drink: All food and drink shall be so stored, displayed and served as to be protected from dust, flies, vermin, degradation, overhead leakage, and other contamination. No animals or fowls shall be kept or allowed in any room in which food or drink is prepared or stored. All means necessary for the elimination of flies, rodents, and roaches shall be used. Cracked, chipped or porous utensils as well as utensils containing or apt to contain cadmium or lead shall not be used; PROVIDED that solder containing lead may be used for jointings.
- (o) Cleanliness of employees: All employees shall wear clean outer garments and shall keep their hands clean at all times while engaged in handling food, drink, utensils, and equipment. Employees shall not expectorate or use tobacco in any form in rooms in which food is prepared.
- (p) Miscellaneous: The premises of all restaurants shall be kept clean and free of litter and rubbish. This shall apply equally to inside and outside the premises. None of the operations connected with a restaurant shall be conducted in any room used as a living or sleeping quarters. Adequate lockers or dressing rooms shall be provided for employees clothing and shall be kept clean. Soiled linens, coats and aprons shall be kept in containers provided for this purpose.

Disease Control.

36.6. No person having any infectious disease in a communicable form or who is a carrier of any communicable disease shall be employed in any place where food or drink is processed, prepared or served. Each person engaged in processing, preparing, or serving food or drink shall submit to clinical, laboratory, and chest X-ray examinations within five (5) days after entering such service or employment, and at such intervals thereafter as the Health Officer may deem necessary. The results of clinical, laboratory, and chest X-ray examination shall be submitted in writing to the Health Officer on forms issued by writing to the Health Officer on forms issued by City of Brighton Health Department. If the Health Officer finds the results of clinical, laboratory, and chest X-ray examinations indicate the person to be free of infectious disease in a communicable form and is not a carrier of any communicable disease, he shall issue a Food Handler's permit. Such Food Handler's Permit shall be deposited with the operator of the establishment where such person is employed and shall be retained at the place of business. It shall be unlawful for any person to engage in the processing, preparing or serving of food or drink, or for any operator of any establishment in which food or drink is processed, prepared, or served, to employ or permit any person to engage in such activities for more than five days after date of entering such service or employment unless such person holds a valid Food Handler's permit.

Procedure When Infection is Suspected.

36.7. When suspicion arises as to the possibility of transmission of infection from any restaurant employee, the health officer is authorized to require any or all of the following measures:

- (a) The immediate exclusion of the employee from all restaurants;
- (b) the immediate closing of the restaurant concerned until no further danger of disease outbreak exists, in the opinion of the health officer;
- (c) adequate medical examinations of the employee and of his associates, with such laboratory examinations as may be indicated.

Restaurants Which May Operate.

36.8. No restaurant shall be operated within the City of Brighton, unless it conforms with the requirements of this ordinance; PROVIDED, that when any restaurant fails to qualify the health officer is authorized to suspend the permit.

Reinstatement of Permit.

36.9. Any restaurant, the permit of which has been suspended, may, at any time, make application for the reinstatement of the permit.

Within one week after the receipt of a satisfactory application, accompanied by a statement by the applicant to the effect that the violated provision or provisions of this ordinance have been conformed with, the health officer shall make a reinspection, and thereafter as many re inspections as he may deem necessary to assure himself that the applicant is again complying with the requirements, and if the findings indicate compliance, shall reinstate the permit.

Enforcement Interpretations.

36.10. This ordinance shall be enforced by the Health Officer in accordance with the interpretations thereof contained in the 1943 edition of the US Public Health Service Code regulating eating and drinking establishments, a copy of which shall be on file at the office of the City of Brighton Health Officer.

Autumn Is Prime

Hunting, Fishing

Time In Michigan

The pursuit of small game, the anticipation of big game trophies, the honking of big birds on the migratory flyways and the thrashing of scrappy trout in swift-moving streams combine to make autumn a prime season for sportsmen in Michigan.

The state puts its best foot forward for autumn visitors, with 19-million acres of forest land splashed with gold, bronze, red, brown and scarlet against a backdrop of evergreen.

Warm hazy days and pleasantly cool nights, virtually free of summer's insects add to enjoyment of the season. Fishermen who put away rod and tacklebox with the first sign of autumn miss one of Michigan's finest fishing seasons.

Although the regular trout season ends in early September, some 375 lakes and streams in 62 counties have been specially designated for an extended season on rainbows and browns through November 30. Bass, pike, walleyes and panfish are also equal during the autumn months and provide excellent sport.

October has three red letter days for Michigan hunters. October 1 marks the start of three seasons, bear hunting in the upper peninsula, bow and arrow deer hunting throughout the state and the small game season in the northern two-thirds of the state. Southern lower Michigan small game hunters swing into action starting October 20.

Small game hunters have an opportunity to sharpen their shooting eyes before the regular season at some 60 pay-as-you-hunt shooting preserves where the principal targets are pen-reared pheasants and mallard ducks. The Michigan preserve season opened September 15 and continues through March 31.

Waterfowl hunters in Michigan can uncase their guns October 11 when ducks, geese, coot, rails and Wilson snipe become fair game.

The elusive wild turkey will be legal game for the first time since pioneering days when 400 holders of special permits open fire, November 6-14, in parts of Allegan County where the birds are considered at the limit of their range.

Quail will come under fire four days, November 11-15, in 15 lower Michigan counties.

The Michigan firearm deer season opens November 13 in the upper peninsula and November 20 in lower Michigan, continuing through November 28 and December 5, respectively. More than 500,000 hunters are expected to take aim at the herd of some 800,000 whitetails.

This is the first time in recent years that the lower Michigan deer season has opened on a date other than November 15. From now on, plans are for the season to open on the second Saturday of November in the upper peninsula and the third Saturday in lower Michigan. This provides four weekends of hunting.

In southern lower Michigan a second partridge season is set for December 6-31.

HOLDERS of 300 special permits will take part in the state's second annual special elk season, December 8-16, in parts of Cheboygan, Presque, Isle, Otsego and Montmorency counties, where the elk herd, numbering an estimated 3,500 animals, has overbrowsed its range.

Hunting and fishing licenses are a bargain in Michigan, according to the state Tourist Council.

A resident small game license is only \$3 while a non-resident license is \$20.

A small game license, plus a \$3 federal migratory bird hunting stamp, is required of persons 16 or over for hunting ducks and geese.

Deer resident (firearm), \$5; deer non-resident (firearm), \$35; deer resident (bow and arrow), \$5; deer non-resident (bow and arrow), \$15; deer-for-camp permit, \$10.

Fish resident annual, \$2; fish non-resident annual, \$5; fish non-resident 15-day (expires 15 days from date of issue), \$4; trout stamp (must be affixed to fishing license), \$2.

Hunting and fishing licenses can be purchased at Michigan Conservation Department offices, most sporting goods stores and at other outlets throughout the state. Federal migratory waterfowl stamps are available at post offices.

A parent or guardian must apply for hunting licenses for minors under 17 and these young hunters must be accompanied in the field by someone 17 or over. Minors under 14 may not hunt deer with a gun, but may hunt with bow and arrow, if they have a bow and arrow deer license.

With few exceptions, a fishing license is required of all persons who have passed their 17th birthday. No license is required of wives of resident anglers.

Free brochures on hunting and fishing in Michigan, including 1965 seasons, fees and a list of lakes and streams open for the extended trout season, can be obtained by writing the Michigan Tourist Council, Stevens T. Mason Building, Lansing, Michigan, 48926.

Sportsmen may also write the Tourist Council for free copies of its autumn events calendar, color tour guide and attractions folder.

Hamburg Happenings

Elizabeth Hatala 9-9059
 Marti P. Gross and Gladys H. Lee attended the wedding of his nephew, David Jon La Hand and Edith Ann Viaw Saturday Sept. 18th. The ceremony took place at St. Raymond's Church in Detroit. The wedding breakfast was served at 14125 Tacoma and the reception was held at 8 o'clock at the A.S.L.A. Hall.

Two personal showers were given in honor of Gladys Lee. Hostesses Tuesday Sept. 21 in Hamburg were Mrs. Bruce Frederick and Mrs. Charles Winer. There were guests from Hamburg, Lakeland, Pinckney, Brighton and Chicago and Whitmore Lake.

Wednesday Sept. 22 she was guest of honor at a dinner given by Mrs. Pearl Sheridan of Hamburg. Other guests were Mrs. Tom Mohman and Loreta Gardner of Strawberry Lake.

Friday night Sept. 24 a buffet dinner was given in her honor at the home of Mrs. Edna Clarke of Belleville followed by a shower. She received many lovely gifts.

She is the Honorable Gladys Lee, Postmistress of Hamburg. The Rebekah Lodge is planning a calendar luncheon Oct. 7. Anyone interested may call Mrs. George Fisher or any other Lodge member.

The Lakeland King's Daughters will meet at the home of Mrs. Roy Merrill Oct. 12th. Lunch will be served at 12:00. Serving on the committee with Mrs. Merrill will be Mrs. D. M. Backer, Mrs. C. Van Horn and Mrs. Howard.

The regular meeting of the Hamburg Rebekah Lodge will be held Oct. 6 at the Hall.

Mr. and Mrs. Hollis White and son Edsel and his friend David Kubat spent the day at the Detroit Zoo a week ago Sunday. The children loved the animals but Mrs. White thoroughly enjoyed the beautiful show of dahlias.

GM Aids 4H In Safety Drive

The 4-H Safety program plays an important part in keeping children, adults and communities alert to hazards of everyday living. This year more than 825,000 boys and girls in 4-H are expected to receive some safety training, points out Leon McNair, field representative of the National 4-H Service Committee. And about 575,000 club members carry out specific assignments as part of the national safety program.

Emphasis for 1965 is on traffic safety. Clubs and individual 4-H'ers call attention to safe driving, safe highways and safety check of motor vehicles, Mr. McNair said.

The 1966 safety endeavors will center around water safety, such as boating, swimming and skiing. Last year drug and chemical safety headed the list.

For more than two decades, General Motors has sponsored the national 4-H Safety program. Again this year General Motors offers the following awards for superior achievement in safety projects or activities: county medals to top-ranking members and a certificate to clubs conducting the most effective program; state winner trips to the National 4-H Club Congress; eight \$500 scholarships for national champions.

600 Women Join

GOP Homes Tour

Over 600 women interested in home decorating, antiques and creative ideas spent Thursday afternoon, Sept. 16, from 1:30 p.m. on the Home Tour which was sponsored by the Livingston County Republican Women's Club.

The six homes so graciously opened for the day will be remembered for their particular charm.

It was the first such venture for the Women's Club and was most enthusiastically accepted by the public.

St. Patrick's News Notes

The retreat for married couples will be held at the Franciscan Retreat House in DeWitt the weekend of October 29. Those interested should write to the Retreat Master, Franciscan Retreat House, DeWitt, Michigan. We would advise an early request for reservations because these retreats are very well attended and their space is limited.

ATTENTION MOTHERS! There will be a uniform exchange service for mothers wishing to buy or sell outgrown uniforms. For further information, please call Mrs. Margaret Geers (229-5643). This sounds like a very practical idea.

Please keep in mind the Mother-Daughter Banquet being held October 3. For reservations call Mrs. Connie Sherman (227-8759) or Mrs. Margaret Gerecke (229-6739).

On Monday an additional daily Mass at 12:15 (except Saturday) was added to the Mass schedule. If another time for the added Mass would be more convenient, we may change the schedule later. We are open to suggestions on this matter.

October 1 is the First Friday. The Masses on this day will be 7:50, 12:15 and 7:30 p.m. Holy Communion will be distributed at

6, 6:30 and 7:00. Confessions will be heard Wednesday and Thursday evenings and before all Masses.

First Holy Communion will be Saturday morning, October 23. Further announcements regarding clothing and supplies will be in next week's paper.

The Mary Queen of Peace Guild is planning a card party for October 12. This will be held in the evening at the home of Miss Margaret Siford. We suggest anyone wishing to play Bridge to arrange their own foursome.

IN BASIC TRAINING Great Lakes, Ill. (FHTNC) — Seaman Recruit Kenneth G. Cook, 18, USN, son of Mr. and Mrs. Harold G. Cook of 6456 Richdale Drive, Brighton, Mich., has begun nine weeks of Navy basic training at the U. S. Naval Training Center here.

In making the transition from civilian to sailor he will be taught and supervised by experienced Navy petty officers.

On completion of his recruit training he will be assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires and the needs of the Navy.

The nearer we come to great men the more clearly we see that they are only men.

Brighton MINUTES

MINUTES OF THE SPECIAL MEETING OF AUGUST 24, 1965

The meeting was called to order at 7:40 p.m.

The roll was called, there being present Mayor and Councilmen Siford, DeLuca, Gaffney, Engel, Oliver and Madden.

City Manager Marshall reported that the Planning Commission recommended a zoning change from R-1 to R-3 of the property located on Flint Road as requested by Richard Jupe and Harold Jarvis. After considerable discussion it was moved by Councilman Engel and seconded by Councilman DeLuca to change the zoning in the area between the mill pond and Flint Road (see attached map). Passed unanimously.

Richard Jupe requested permission to install a septic tank in that area. Due to conditions in the area, Madden moved the approval of the septic tank. Seconded by Siford and passed unanimously.

Richard Jupe requested that the City participate in the water line construction. Due to the benefit to be derived when the water is to be extended to the cemetery. After considerable discussion it was moved by Councilman Gaffney and seconded by Councilman Madden to install a four inch line and charge the cost difference between the four inch and the two inch, plus one half the cost of valves and appurtenances and one half the cost of digging if necessary to a separate contractor do the digging. Passed unanimously.

Manager Marshall brought up the question of possible piquinary interest of Councilmen on the Library renovation bids. It was moved by Councilman Oliver to permit Councilmen to bid on the work and, if successful, to perform the work. Unanimously approved.

J. E. Siford, City Clerk
Marshall Cooper, Mayor

MINUTES OF THE MEETING OF SEPTEMBER 2, 1965

The meeting was called to order at 7:35 p.m.

The roll was called, there being present Mayor Cooper, and Councilmen Madden, Siford and Gaffney. Councilman Engel was excused because of illness.

City Manager Marshall advised the Council the results of the bids on the paving of W. Main St. (see attached sheet). Robert McCauley explained the bids to the Council. Councilman Oliver appeared at 7:50 p.m. Mr. McCauley stated it would be advantageous to use alternate No. 2. It was moved by Councilman Madden and seconded by Councilman Oliver to accept the low bid of Warren Anderson. Unanimously approved.

Manager Marshall advised the Council of the problems involved in getting bids to alter the old city hall for use as a library. He advised the Council that J. F. Appleton would do the work, starting immediately. It was moved by Councilman Siford and seconded by Councilman Madden to accept the bid of J. F. Appleton including in-

stallation of the dumb waiter. Unanimously approved. Councilman Gaffney abstained because of piquinary interest.

It was moved by Councilman Siford and seconded by Councilman Gaffney to grant variance to Bell Plumbing for the construction of an addition to their present building. Unanimously approved.

It was moved by Councilman Oliver and seconded by Councilman Gaffney to pass for first reading an Ordinance code amendment (see attached) for the rezoning of certain properties on N. East Street and Flint Road. Unanimously approved.

Councilman DeLuca appeared at 9:40 p.m.

City Manager Marshall advised the Council of the nuisance occurring at the Kayo gas service station. The station is open 24 hours a day and there is a lot of horseplay going on in the early morning hours. The City Manager was instructed to issue a warning to the owners.

It was moved by Councilman Madden and seconded by Councilman Siford that Mayor Cooper be given permission to sign agreement with the C & O to permit use of the right of way for water line. Unanimously approved.

It was moved by Councilman Gaffney and seconded by Councilman Oliver that the City give notice of intent to issue bonds. (see attached). Unanimously approved.

It was moved by Councilman Madden and seconded by Councilman Siford to pass a resolution of necessity for (water & sewer) improvement. (see attached). Unanimously approved.

It was moved by Councilman Siford and seconded by Councilman DeLuca to pass a resolution for public hearing (see attached). Unanimously approved.

It was moved by Councilman Madden and seconded by Councilman Siford to special assess Conrad Lussier, lot 333 Smith-McPherson Addn. for weed cutting, \$11.00. Unanimously approved.

It was moved by Councilman Oliver and seconded by Councilman Gaffney to special assess William Chapman property on Rickett Road as described for weed cutting, \$20.40. Unanimously approved.

It was moved by Councilman Madden and seconded by Councilman Gaffney to special assess Mrs. Howard Reed property on N. East St. in Ridgeway Manor Sub. for weed cutting, \$10.00. Unanimously approved.

It was moved by Councilman Oliver and seconded by Councilman Gaffney to special assess Shell Oil Co. for new sidewalk in the amount of \$865.00. Unanimously approved.

It was moved by Councilman DeLuca and seconded by Councilman Madden to special assess the C & O Railroad for sidewalk in the amount of \$450.00. Unanimously approved.

Councilman DeLuca stated he would repair his sidewalk by next spring.

It was moved by Councilman Siford and seconded by Councilman Madden to accept the bid of J. F. Appleton including in-

stallation of the dumb waiter. Unanimously approved. Councilman Gaffney abstained because of piquinary interest.

Discussion was given to the request for curb cut of Don Rawlings on W. Main St. Manager Marshall read a letter from Police Chief Walter LaMoria in which he stated his recommendations.

It was moved by Councilman Gaffney and seconded by Councilman Siford that until a hard-ship is shown by not having a curb cut, the request be denied. Unanimously approved.

It was moved by Councilman Siford and seconded by Councilman Madden that Mayor Cooper be nominated as voting delegate and Councilman DeLuca as alternate to the coming Michigan Municipal League conference. Unanimously approved.

It was moved by Councilman DeLuca and seconded by Councilman Gaffney to special assess Mrs. Ada Woodard property (Lot 77, Leith's Sub.) for sidewalk. Unanimously approved.

It was moved by Councilman DeLuca and seconded by Councilman Siford to adjourn at 11:15 p.m.

Railroad Ordered To Install Flasher

The Ann Arbor Railroad has been ordered by the Michigan Public Service Commission to install automatic flashing-light signals at the crossing of its tracks with Oak Grove Road in Cohoctah Township.

The Michigan State Highway Department and the Livingston County Road Commission had requested an inspection of the crossing to determine whether the installation of automatic crossing protection was required.

The inspection report revealed that vehicular traffic over the crossing amounts to approximately 700 vehicles a day, with an anticipated increase to approximately 1,100 a day within a few years — that train movements over the crossing amounted to four a day — and that, in certain approaches to the crossing, there exists limited visibility.

Welcome to our newly-weds, Mr. and Mrs. Duane Bixby Jr. who are residing at 8279 Kinyon Drive. Mrs. Bixby is the former Marjorie Phillips, daughter of Mr. and Mrs. Michael Phillips, also of Kinyon Drive.

We are sorry to hear that Ruth Markwood is back at McPherson Health Center. Best wishes for a quick recovery, Mrs. Markwood.

September 7-15, Mr. and Mrs. David Smith entertained his Parents, Mr. and Mrs. John Smith of Baltimore. Bob Smith, David's brother, has been working here for the summer returned to his studies at the University of Baltimore on September 21.

Jerry Beach and Bob Wittung have returned to classes at Michigan State. Jerry has a term left before he will graduate.

Jim Arnold of Briggs Lake has returned to Eastern Michigan University, while Ruth Hurst is back at Oakland U.

I've been checking on the class of '65, but have not been able to reach all of our area representation. Linda Heidemian is happy these days. She graduated from the IBM summer course, and immediately was accepted at G.M. Then, she made a trip to Fort Knox, Ky. with Mr. and Mrs. Ted Potter. They returned September 18, bringing Pvt. Ray Potter home for a two-week leave from his duties there.

Mike Arnold of Briggs Lake is working in Detroit and attending Flint Jr. College evenings.

Other members of the class who are trying their wings in the work-a-day world are Carl Stuhberg, Diane Shekell, Bertha Schneider, and Bob Johnson.

We had a lovely trip to Hillsdale Sunday, September 19. When you are in a strange place, it is so nice to see a familiar face. The first one we saw was Keith Drayton, who welcomed the three of us to the campus.

Then, while waiting for the parents' reception, we met Joe and Pauline Chenoweth whose son Bill is also attending Hillsdale as a Freshman. At the reception, President Phillips assured us that our partings would be harder on us than on our offspring. How true! Oh, well, we parents just have to look on the bright side. After all, we aren't

losing a son (or daughter), but just gaining a heapin' big college bill!

A very happy "25th" to Bob and Jean Todd who celebrated their Silver Wedding Anniversary September 21. They celebrated at home with their family. Their son Bob, who is home on leave, presented them with a lovely TV-stereo console.

To America with love... The 1966 Chrysler

Could be we're getting too emotional. But it isn't very often you get a chance to follow an all-time sales record year with a new Chrysler like this one.

Sure, our '65 was great. But the '66 is even better.

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic new rear.

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic inch to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor — does great things for performance.)

The interiors. all up and down the line, are more luxurious and comforting. Take our new shell bucket seats, for example. It's almost as if they had been custom-fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our Newport models (real Chryslers — not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes, a 383 cubic inch V-8, automatic transmission, radio and many standard items like safety door handles and seat belts.

Move up to Chrysler... it's getting easier by the minute.

THE CHURCH FOR ALL
ALL FOR THE CHURCH
The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

Once this vine was just a seedling, struggling to survive. Now look at it! Each
year it grows stronger and yields a greater harvest.
The Christian faith has grown and flourished like the vine. From the seeds of the
early church, Christianity continues to spread its joyful message to people everywhere.
World-wide Communion Sunday is a day for Christians of every creed to meet in
spirit at the Lord's Table. This annual event makes us deeply aware of our brother-
hood within the Church whose truths we share.
Come and take part in this special service. Your prayers, and those of all Chris-
tians, will combine to strengthen the roots of God's vine throughout the world.

Bus Drivers Class In Howell Sept. 29

A class for all school bus drivers in Livingston county is being held at Howell's new high school in Howell, on Sept. 29, at 7:00 p.m. This class is for all school bus drivers. The new laws pertaining to school buses that were passed by the 1965 State Legislature will be discussed. An officer from the Michigan State Police will discuss problems vital to the safe operation of school buses. He will also lead the general discussion. Various areas of school bus operation in Livingston county will be covered by Walter G. Hampton, county superintendent of schools. This class is held under the direction of Eastern Michigan University at Ypsilanti and sponsored by the Department of Public Instruction at Lansing.

Leaves Livingston Boy Scout Post

William Barlow, district Boy Scout executive, will leave the staff of the Portage Trails Council for a new position in Wisconsin. It was announced by Scout Executive Clarence Doud. Mr. Barlow's last official duty here will be in connection with the Eagle Scout dinner being held at the Holiday Inn, Ann Arbor, on Saturday, Oct. 2.

Barlow will begin his new duties on Oct. 3 as associate executive of Green County United Fund in Brown Bay, Wisconsin.

Barlow has served as executive of the Livingston County district for the last four years. Barlow and his wife, Ruth, and two daughters, Susan, 4, and Rebecca, 2, will be residing at 1208 Oregon St., Green Bay, Wis., beginning Oct. 4.

PLEASANT VALLEY NEWS

Vergilne Housner
Yours truly had a pleasant chat with Mrs. Mary 'MA' Koch the other day, and she said she had tried to get in touch with me this summer to tell me of her daughter Gertrude and son-in-law Richard Sammon of Oakland, California visiting her during their vacation. This had been the first trip back home for Gertrude in over nine years and she enjoyed her vacation very much, visiting relatives and seeing old friends again. With the many new business places and face lifting of older stores recently, I presume Gertrude hardly recognized her old home town.

Sunday, September 19, Mr. and Mrs. Waldu Watters of Plainfield called in her sister, Mrs. Harold Seger. That evening they visited their grand niece and husband, Mr. and Mrs. Bob McDuff and children Pamela and Robbie.

Russell Mirgan returned to his employment at General Motors Proving Grounds Monday of this week after having been confined to his home since hospitalization the first part of July.

When the Second Friday Club members met with Mrs. Joe Ellis on Friday, September 17, two tables of pinhole were in play with prizes going to Mrs. Joe Voorhis and Mrs. Harold Krause. The hostess served a dessert luncheon with guests enjoying a lovely evening of visiting. This was their first get together for the winter months.

Saturday, September 18, Mr. and Mrs. Lawrence 'Wilky' Wilkinson of Hart, Michigan called on his mother, Mrs. Harold Seger. Wednesday afternoon callers at the Seger home were cousins, Mr. and Mrs. Frank Seger and their grandson Scott.

A family get together was enjoyed at the Norman Cattrell home on Friday, September 17 when Mrs. Cattrell was honored guest. Two beautifully decorated birthday cakes with ice cream were served to those attending from Howell and Brighton. Guests were her parents, Mr. and Mrs. Harry Lang and brothers Roger, Dan and Brian of Howell. Her sister, Mrs. Margerite Clute and children of Howell and Norms parents, Mr. and Mrs. George Cattrell also of Howell and Miss Kay Hood, friend of Dan's, from Brighton. The evening affair sort of turned out to be a combined birthday and farewell party; said Mary Ann as her brother Dan was to leave the following Monday for Texas where he would receive his basic training with the Air Force. Then on Sunday, Norman and Mary Ann attended

the 1966 Chevrolet Presentation Stage Show at the Masonic Temple in Detroit. They also enjoyed a delicious smorgasbord dinner on the 25th floor of the new Hotel Pontchartrain.

Visitation Night will be observed by the Rebekah Lodge here at their local Temple on Tuesday, October 5 at 8 p.m. Refreshments will be served to members and guests following their meeting.

The members of the Cinderella Extension Study Group met a week ago Monday noon for their first meeting for this fall. Members each brought a favorite salad for the noon luncheon as they met at the home of Mrs. LeRoy Warner on Lee Road.

Past Grands Club of the Rebekah Lodge met Thursday evening, September 23 at the home of Mrs. Harry Wright.

Mr. and Mrs. Harry Cusic have returned home after spending a delightful three weeks traveling through the West.

Dan N. Lang, son of Mr. and Mrs. Harry Lang of Howell and brother of Mrs. Norman (Mary Ann) Cattrell of US-23, and Charles LeRoy Crosby, son of Mr. and Mrs. Herbert Crosby of Saxony, left Monday, September 20 for Lakeland Air Force Base, Texas for basic training with the United States Air Force.

Sp/2 Ray Potter is spending a leave with his parents, Mr. and Mrs. Ted Potter. The Potters drove to Ft. Knox, Kentucky a week ago when Ray graduated after receiving his basic training with the United States Army there, then with Ray accompanying them back to Michigan arriving here on Saturday, September 18th. Ray will report back to Ft. Knox in November for further schooling.

Bill Orndorf of State Street arrived home Saturday night, after spending the past few weeks in Los Angeles, California and Dallas Texas with General Motors.

Get well wishes extended to Robert Caswell who is a patient at St. Joseph Mercy Hospital in Pontiac.

Mrs. David Reed is the new waitress seen in the Country Cupboard.

The Brighton Circle of King's Daughters are holding a rummage sale at the Rebekah Hall on Saturday, October 2 from 9 a.m. until 3 p.m.

Deepest sympathies extended to Mr. and Mrs. Lester Heiner of Hamburg on the recent loss of their daughter Janice.

Thirty some years ago my little brother was stung by a wasp. He was just a baby and mom took him to Mellus Hospital where Dr. Melus administered first aid and told my mom that HOUSEHOLD AMMONIA should be put on an insect bite or sting immediately. Then our son was stung by a wasp when he was about 5 years old and within 10 minutes his entire body was swollen. He rolled on the bed with terrific pain, and we rushed him to the doctor. Several shots were given him and it was a weekend of pain and suffering for him and one of a great deal of worry for us. Then my mom refreshed my memory of the ammonia. (I had forgotten) The next experience was the following summer when we were camping near Haie. He was stung or bitten by a horse fly this time and again he started to swell. We got ammonia from a neighbor and poured this on the bite and rubbed it in gently, leaving it to dry. The swelling around the sting started to disappear. Several times after that, the ammonia proved to us that we couldn't be without it. He has always carried a small bottle of this life saving remedy with him, even when he served in the Army both state side and in Viet Nam.

A joyous new Autumn to all of you. She came to our area with beautiful, smiling blue skies, a fresh, laughing wind, and all the gaiety and hope she could muster. But I'm afraid she trailed a "veil of tears" — the cold reality of approaching winter enveloped us by the end of the week! Or, well, it won't be long before "October's bright blue weather!"

Congratulations and all our very best wishes to Nianne Bowlin and Gary Szalwinski, who became "Mr. and Mrs." at the Congregational Church in Pinckney on September 11. The couple is living in North Carolina where he is stationed with the Marine Corp.

Mr. and Mrs. Andy Bowlin attended the Standard Beef Dinner for the stockholders at the Sheraton Cadillac this past week.

Mr. and Mrs. Ronald Banaszak came back to visit friends. They moved to Bay City from Reed Lake. Ron was a Ranger for the Brighton Recreation Area for quite awhile.

The Southern Michigan Nursery is beginning to hum with the activity connected to fall planting of pine. Red pine seed-

lings and transplants account for a large share of the nursery supplies. Also available for fall or spring plantings are young white pine, jack pine, Austrian pine, white spruce, and Norway spruce trees. These are not for landscaping needs, but for growing timber crop, controlling erosion and windbreak. If you are interested, you can stop in at the office for price lists, or you can write to the Department's forestry section in Lansing or contact your county extension agent.

Our son-in-law, Kurt Haaxma, is feeling much better. His spill at Mustang Acres on Labor Day kept him in the hospital only 4 days — with a concussion and bruises.

This is an exciting and wonderful month for Joyce Cocconower who is beginning her studies at Henry Ford Hospital.

Dwight Matteson is beginning night classes at Cleary in Ypsilanti.

And so ends September —

MARRAKESH

My Moroccan friends in Rabat emphasized to me that my visit to their country would be altogether superficial if I did not include either Fez or Marrakesh in my itinerary. Unfortunately, as far as my plans were concerned, time was very much of the essence and it had to be one centre or the other. A simple flip of the coin decided that my choice should be Marrakesh.

The following morning, we left Casablanca in the comparative coolness of the early hours and after a journey through for the greater part, uninteresting but of the prairie land, we reached the clean, wide palm-lined boulevards which mark the entrance to the city.

Marrakesh, often called the "Pearl of the South," situated in the Haouz plain about 150 miles due south of the bustling port of Casablanca, is probably one of the most attractive towns in Morocco. It has a fresh invigorating climate, especially in the winter months (the intense heat of the summer days can prove to be very trying for the visitor); the Atlas mountains, especially the haughty, snow-capped Toubkal peak, which soars to the majestic height of 13,660 ft., form a striking backdrop for this community, which is the second oldest imperial city in the country. It has a cosmopolitan population of Arabs, Jews, French and Berbers, with the latter, who are the original inhabitants of the country, in the largest numbers. However, all sections of the population, live and trade together harmoniously, without any signs of the rancour, bitterness and antagonism, which one is apt, regrettably, to associate with other areas of the North African and Middle Eastern scene to-day. At the same time, the city is, in effect, divided, by a gigantic wall, into two separate sections: on one side of the walls lies the Gueliz or European district, while within the ramparts one finds the Medina or Arab town, which, also, contains the Meilah or Jewish quarter.

Among its "sights" Marrakesh boasts of the Koutoubia Mosque, with its famed minaret dominating the city, the Bahia (or "brilliant") Palace, a place of sheer delight with its Moorish gardens and Andalusian decoration, the Medersa Ben Youssef, a veritable treasure-house of marble, wood carvings and mosaics but Marrakesh, for many years, had been to me, by reputation, the storied Place Djema

El Fna. That evening, as darkness was descending over the city, I took a gharry from the Hotel de la Mamounia (one of the most outstanding hotels in North Africa and a favorite winter resort of the late Sir Winston Churchill) and reached the Place just as the lights were twinkling on in the many stalls which line the square.

Literally translated, Place Djema El Fna means the "Square of Execution or Terror" and it owes its grisly name to the fact that less than seventy years ago, the heads of executed criminals were exhibited here, as gory reminders to all and sundry, of the power and justice of the Throne. This huge, open square is situated near the entrance to the Souk or market area and on the Place gather the merchants, medicine men, professional storytellers, Shleuh dancers, barbers, the warriors from the villages of the Atlas range and the others who form part of this unique and vivid scene. An American visitor once described the Square as his idea of "all the colour, spectacle and dreams of the Arabian Nights" and I have found no other tourist "must" throughout the Arab world to equal its fascination and variety of appeal.

I pushed my way through the noisy but cheerful throng of spectators and, at the first flimsy tent, one of the medicine men, with the tools of his profession such as bones, skulls, and bottles containing indescribably ugly liquids with unidentifiable objects floating in them (one's imagination could, without undue difficulty, run riot), was waiting and waving the magic stick over the head of a youth, who knelt before him patiently. These "doctors" are held in the highest esteem by many of the people, who have a belief, approaching the fanatical, in the powers of their medicine men; the most extraordinary cures are often employed and it is not odd for the application of a red hot poker to the scalp to be resorted to in the curing of stomach ailments.

Nearby, a small group watched, with mute, rapt attention, the antics of one of the storytellers. Part of the audience squatted in front of the "teacher" (for he should be regarded more correctly as an instructor rather than a mere teller of tales), gazing intently at the palms of their hands, thereby miming the act of reading, while the storyteller portrayed vividly the various characters and episodes in his colourful legend.

Further across the Square, two Shleuh boys (they could not have been more than fourteen years of age), to the accompaniment of frenzied drumming, the rhythmic clapping of hands and the not unattractive music of the pipes which one somehow always associates with the Arab world, danced as if in a trance, and finally collapsed, grovelling and writhing in the dust of the arena.

But, by far, the biggest crowd was gathered around the snake charmer who is, without doubt, the "star turn" of Place Djema El Fna. The crown of his head was closely shaven a la Yul Brynner but his hair hung down in thick, dark tresses at the back.

On the ground in front of him, three serpents lay coiled, as if in slumber. The charmer crouched in front of a vicious looking corba, started to play his music, at the same time swaying his body from side to side. At the sound of the music, the snake reared itself up and swayed back and forth, in rhythm with the snake charmer's body and not, as is popularly believed, to

the sound of the music. The charmer quickly snatched up the corba, held it close to his face, muttering and singing as lullabying a child. The snake started spitting furiously and darted its head at the man several times but he always managed to dodge in time, to the applause of the onlookers.

At that moment, he chanced to see us and came running across the small arena. He dangled the snake in front of us and my Moroccan guide and friend explained to me that for the small sum of approximately 9/- we would be treated to the distasteful spectacle of the corba playing a "cat and mouse" game with a terrified chicken, before finally killing and consuming it. From my childhood, I have had an intense dislike and possible fear of snakes and to the surprise and disappointment of my host, I declined the invitation to witness this cruel exhibition.

During the evening, we saw many of the other "side shows" which are part of the scene in the Place Djema El Fna and later sitting on the balcony of one of the cafes which overlook the Square, drinking an shwa masboub (the ubiquitous Turkish coffee), we saw, with regret, the myriad lights going out across the Square and the sounds of music and revelry finally died in the summer night. Another day had passed and darkness enshrouded the picturesque Place Djema El Fna.

Here, then was a young blacksmith, who saw into the future, realizing that the days of horse-shoeing, the horse and buggy days, was slowly vanishing. He began to build with his partner, a strange contraption, by hand; a liveable, traveling small house, on wheels, with rooms, consisting of bedrooms, a kitchen, a living room, even toilet facilities, and hooking this onto the new transportation vehicle, called the automobile, the public saw, and inspected, and liked the idea of going places, with their families, and their friends.

Business was increasing, and before long, a manufacturing company, called the Vagabond Coach Co. was created, to take care of more and more increasing demands for these trailers. The site of the first factory was in New Hudson, and then the Vagabond Coach Co. moved to Brighton, keeping their head sales office in New Hudson.

Soon there were more buildings and manufacturing lines added, even in the southern states. Vagabond producing places were built and operated, and became a great inspiring success.

An idea had paid off tremendously, and Fred Burt and his partner have come a long way. Now, Fred's partner, has been gone for some time, into another world, and Fred has sold his interest in the Vagabond Coach Co. to take life easy.

Fred Burt, a good friendly man, a great business man, we salute you and wish you many years of enjoyment and health.

Do You Remember? North Brighton

By Oscar Muller

In the early 1900's, young men like Henry Ford, Louis Chevrolet, R. E. Olds, Thomas Edison, H. Firestone, and many others got some crazy ideas that were revolutionary throughout the country.

Ideas that often seemed doomed, due to financial problems, and also due to resentment to change the good old days, with the horse and buggy steam driving vehicles, the steamship, and also the steam driven locomotive. Certainly, everything was changing, slowly, but surely, into a gas buggy, gasoline driven engines. Everything was changing. Better roads were built, and the American people took to the road, to see easily reached far places, and to go up north, to go fishing, and to enjoy themselves, not only on a vacation, but also on the week-ends, after a hard working, long hour week. They learned also very quickly how to enjoy the out-of-doors, with the fresh clean air, the fragrant smell of the northern woods, and to go on trips, to different states in the Good old U.S.A.

Here, then was a young blacksmith, who saw into the future, realizing that the days of horse-shoeing, the horse and buggy days, was slowly vanishing. He began to build with his partner, a strange contraption, by hand; a liveable, traveling small house, on wheels, with rooms, consisting of bedrooms, a kitchen, a living room, even toilet facilities, and hooking this onto the new transportation vehicle, called the automobile, the public saw, and inspected, and liked the idea of going places, with their families, and their friends.

The many friends of Miss Viola Parker will be sorry to hear of her passing. She died Sunday morning in the McPherson Health Center after a long illness. She has been living at the Bonnie View home for the last few years. Miss Parker was a cousin of Ken Bidwell.

Get well wishes are sent to two of the Oak Knoll residents who are in the hospital. Mrs. Elaine Stephens is at the McPherson hospital in Howell, while Mrs. Edward Vicha is in St. Josephs Hospital, Ann Arbor. Her room number is 421.

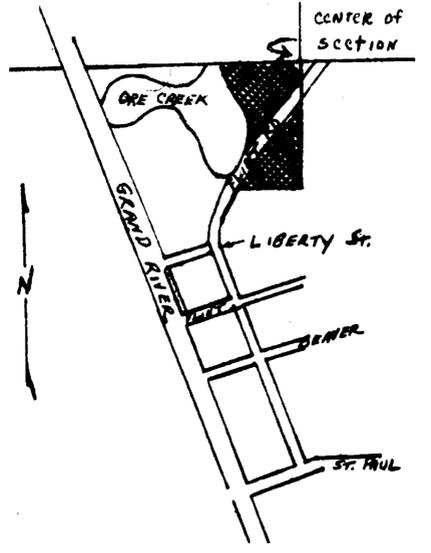

Mr. and Mrs. Elmer Britton of Howell were Sunday afternoon callers of Mr. and Mrs. Ben Bidwell.

Mr. and Mrs. Robt Seiders attended the Euchre part at the Legion hall Saturday evening. Mr. Seiders won the highest points for the men, and received a five dollar gift certificate from the Lavan Haberdashery. He also received one of the door prizes consisting of a set of Snack trays. Mr. and Mrs. Eugene Bagher also attended the party.
